NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)**

NOTE 1—BASIS OF PRESENTATION AND OTHER INFORMATION

Preparation of Interim Financial Statements

The accompanying unaudited consolidated financial statements have been prepared in accordance with GAAP for interim financial information and the instructions to Form 10-Q and Article 10 of Regulation S-X issued by the SEC. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, they include all normal and recurring accruals and adjustments necessary to present fairly the results of the interim periods shown.

The financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in our 2019 Annual Report on Form 10-K filed with the SEC on February 27, 2020, as amended by the Form 10-K/A filed with the SEC on June 30, 2020.

Seasonality

Due to the seasonal nature of shows at outdoor amphitheaters and festivals, which primarily occur from May through October, our Concerts and Sponsorship & Advertising segments experience higher revenue during the second and third quarters. Our Ticketing segment's revenue is impacted by fluctuations in the availability of events for sale to the public, which vary depending upon scheduling by its clients. Our seasonality also results in higher balances in cash and cash equivalents, accounts receivable, prepaid expenses, accrued expenses and deferred revenue at different times in the year. Because of these factors, the results to date are not necessarily indicative of the results expected for the full year. Due to the unprecedented stoppage of concert and other events globally beginning in mid-March due to the global COVID-19 pandemic, we do not expect that any quarter in 2020 will follow our typical seasonality trend.

Cash, Cash Equivalents and Restricted Cash

Included in the June 30, 2020 and December 31, 2019 cash and cash equivalents balance is \$744.7 million and \$837.7 million, respectively, of cash received that includes the face value of tickets sold on behalf of ticketing clients and their share of service charges, which amounts are to be remitted to these clients.

Restricted cash primarily consists of cash held in escrow accounts to fund capital improvements of certain leased or operated venues. The cash is held in these accounts pursuant to the related lease or operating agreement.

Acquisitions

During the first six months of 2020, we completed several acquisitions that were accounted for as business combinations under the acquisition method of accounting. When we make these acquisitions, we often acquire a controlling interest without buying 100% of the business. These acquisitions were not significant either on an individual basis or in the aggregate.

During the first six months of 2020, we acquired the remaining redeemable noncontrolling interests of certain subsidiaries and settled certain contingent consideration obligations in exchange for debt obligations totaling \$20.9 million which are reflected in current portion of long-term debt, net on our consolidated balance sheets. These non-cash transactions have not been reflected as cash flows from financing activities within our consolidated statements of cash flows.

Income Taxes

Each reporting period, we evaluate the realizability of all of our deferred tax assets in each tax jurisdiction. As of June 30, 2020, we continued to maintain a full valuation allowance against our net deferred tax assets in certain jurisdictions due to cumulative pre-tax losses. As a result of the valuation allowances, no tax benefits have been recognized for losses incurred, if any, in those tax jurisdictions for the first six months of 2020 and 2019.

Accounting Pronouncements - Recently Adopted

In June 2016, the FASB issued guidance that replaces the current incurred loss impairment model of recognizing credit losses with an expected loss model for financial assets measured at amortized cost. We adopted this standard on January 1, 2020, and recorded a \$3.0 million cumulative-effect adjustment to accumulated deficit in the consolidated balance sheet. The adoption is not expected to have a material effect on our future financial position or results of operations.

In August 2018, the FASB issued guidance that aligns the requirements for capitalizing implementation costs incurred in a hosting arrangement that is a service contract with the requirements for capitalizing implementation costs incurred to develop or obtain internal-use software. The amortization period of these implementation costs would include periods covered under

renewal options that are reasonably certain to be exercised. The expense related to the capitalized implementation costs also would be presented in the same financial statement line item as the hosting fees. We adopted this guidance prospectively on January 1, 2020. Adoption of this guidance resulted in expense that would have previously been reported as depreciation and amortization to be reported as selling, general and administrative expenses or corporate expenses within our statements of operations going forward. In addition, implementation costs previously recorded as property, plant and equipment, net will now be reported as prepaid expenses and other long-term assets on our balance sheets, prospectively.

NOTE 2—IMPACT OF THE GLOBAL COVID-19 PANDEMIC

The unprecedented and rapid spread of COVID-19 and the related government restrictions and social distancing measures implemented throughout the world have significantly impacted our live event business. We initially saw event restrictions in Asia and parts of Europe. Beginning in March, large public events were cancelled, governmental authorities began imposing restrictions on non-essential activities, and businesses suspended activities around the world. As the impact of the global COVID-19 pandemic became clearer, we ceased all Live Nation tours and closed our venues in mid-March to support global efforts at social distancing and mitigating the virus, and to comply with restrictions put in place by various governmental entities, which has had a materially negative impact on our revenue and financial position.

Operating Results

Our second quarter and six-month results were materially impacted by these necessary actions. Our overall revenue for the quarter decreased by 98% to \$74.1 million and for the six months decreased by 71% to \$1.4 billion. The revenue reduction was across all of our segments as a result of few shows occurring globally beginning in the last half of March and low ticket sales for future shows during the same period, along with the impact of ticket refunds and show cancellations. We estimate the lost revenue impact from the global COVID-19 pandemic in the second quarter and first six months of 2020 to be approximately \$2.9 billion and \$3.3 billion, respectively. Our operating results for the second quarter and six months decreased as compared to the same periods of 2019 largely due to the global COVID-19 pandemic impacts to our business, totaling approximately \$755 million and \$879 million, respectively, including \$12.1 million of definite-lived intangible assets impairment charges for the first six months of 2020.

The revenue recognized in our Concerts segment in the first six months of 2020 included the results of all the shows that occurred prior to the stoppage of events in mid-March. Our event-related deferred revenue for Concerts, which is reported as part of deferred revenue on our consolidated balance sheets, includes the face value and Concerts' share of service charges for all tickets sold by June 30, 2020, for shows expected to occur in the next 12 months. Any refunds committed to for shows cancelled or rescheduled during the first six months have either been returned to fans or are reflected in accrued expenses on the consolidated balance sheets. In addition, we have recorded an estimate of \$180.0 million in Concerts for refunds that may occur in the future based on the limited amount of data available on refunds resulting from the global shutdown of our live events. This estimate only impacts our financial position as a reclassification from deferred revenue or other long-term liabilities to accrued expenses. We expect that the majority of our shows postponed due to the pandemic will be rescheduled. Deferred revenue for tickets sold for shows expected to occur after June 30, 2021 totaled \$486 million and are reflected in other long-term liabilities on our consolidated balance sheets.

By the end of the second quarter of 2020, we had cancelled nearly 3,900 concerts impacted by the stoppage of events starting in mid-March of this year, equating to approximately 12 million tickets, and have refunded or are in the process of refunding these tickets. In addition, we had nearly 6,400 shows equating to approximately 22 million tickets, that have been postponed and rescheduled into 2021 or were in the process of being rescheduled at the end of the second quarter.

The revenue recognized in our Ticketing segment in the first six months of 2020 includes our share of ticket service charges for tickets sold during the period for third-party clients and for shows that occurred in the period for our Concerts business where our promoters control the ticketing. Revenue in the period has been reduced by refunds given during the period. In addition, revenue has been reduced for any shows that were cancelled and for refunds requested on rescheduled shows, both during the first six months and up to the time of the filing of these financial statements, and funds have either been returned to the customer or are reflected in accrued expenses on the consolidated balance sheets. Our ticketing clients determine if shows will be rescheduled or cancelled and what the refund policy will be for those shows. We have not recorded an estimate for refunds that may occur in the future since our clients, not Ticketmaster, determine when shows are cancelled or rescheduled and we have a limited amount of historical data of refunds resulting from a global shutdown of live events on which to reliably determine an estimate. By the end of the second quarter of 2020 and through the time of this filing, Ticketing had processed or accrued for cancellations or refunds on 17.2 million tickets.

For events that are cancelled, our standard policy is to refund the fan within 30 days, though subject to regulations in various markets and in some cases at the discretion of venue or event organizer clients. Our ticket refund policies for rescheduled shows vary by ticketing client and country. In multiple international markets, including Germany, Italy and Belgium, government regulations which allow for the issuance of vouchers in place of cash refunds for rescheduled shows, and

in some cases for cancelled shows, have been put in place or drafted. The volume and pace of cash refunds could have a material negative effect on our liquidity and capital resources.

The length and severity of the reduction in live events due to the pandemic is uncertain; accordingly, we expect the negative impact to continue through the remainder of the year. The exact timing and pace of the recovery is uncertain given the significant impact of the pandemic on the overall United States and global economies. We believe the ongoing effects of the global COVID-19 pandemic on our operations have had, and will continue to have a material negative impact on our financial results and liquidity, and such negative impact may continue beyond the containment of such outbreak. We have never previously experienced a complete cessation of our live events and unprecedented reduction in the number of events selling tickets, and as a consequence, our ability to be predictive regarding the impact of such a cessation is uncertain and we are unable to estimate the impact on our business, financial condition or near- or longer-term financial or operational results.

Cash and available liquidity

We amended our senior secured credit facility in April 2020 and further amended it in July 2020 which, among other things, substitutes our net leverage covenant under our existing senior secured credit facility with a \$500 million liquidity covenant (as defined in the agreement) until the earlier of (a) December 31, 2021 and (b) at our election, any fiscal quarter prior to December 31, 2021. These amendments will allow us the flexibility to manage our business through the disruption that we will experience in 2020.

In addition, we added a new incremental revolving credit facility of \$130 million, extending our undrawn debt capacity. Following this increase, we have approximately \$965.5 million in available debt capacity, including \$400 million in undrawn term loan A capacity and \$565.5 million in available revolver capacity, net of outstanding letters of credit. Finally, in May 2020, we issued \$1.2 billion principal amount of 6.5% senior secured notes due 2027. We will continue to evaluate future financing opportunities to further expand liquidity at reasonable costs.

As of June 30, 2020, our total cash and cash equivalents balance was \$3.3 billion, which included \$745 million of ticketing client cash. This cash, net of client cash, together with our now available debt capacity of \$965.5 million, we believe gives us the liquidity to fund our operations during the pandemic. Our total cash includes event-related deferred revenue for which the amount can fluctuate over the course of the year, but given the timing of shows in 2020 and expected substantial volume of on-sales for 2021 shows later in the second half of this year, we expect this number to remain above seasonally normal levels throughout this year.

Event-related deferred revenue consists of cash held by our Concerts business for future shows, with roughly half the funds associated with upcoming shows in the United States and half for international shows as of June 30, 2020. In the United States, the funds are largely associated with shows in our owned or operated venues, notably amphitheaters, festivals, theaters and clubs. Internationally, the funds held are from a combination of both shows in our owned or operated venues, as well as shows in third-party venues associated with our promoter share of tickets in allocation markets. We do not otherwise generally hold funds for concerts being held in third-party buildings. In the United States, venues traditionally hold all funds, and internationally either the venue holds all funds or holds the portion of funds associated with their ticket allocation.

Cost and Cash Management Programs

Given the uncertainty associated with the duration of current conditions globally, we have implemented a number of initiatives to reduce fixed costs and conserve cash. As part of these cost reduction efforts, we have implemented salary reductions for most of our employees, with salaries for senior executives reduced by up to 50%. Additional cost reduction efforts include hiring freezes, reduction in the use of contractors, rent re-negotiations, furloughs, and reduction or elimination of other discretionary spending, including, among other things, travel and entertainment, repairs and maintenance, and marketing.

We are also making full use of government support programs globally. In most European and Asian markets, including the United Kingdom, Germany, Italy, France, Spain and Australia, there are robust payroll support programs to mitigate a substantial portion of employee costs. Additionally, in the United States, we have filed for payroll support under the Employee Retention Credit program established as part of the 2020 CARES Act and expect to receive additional support in the second half of the year. Finally, the CARES Act also provides for deferred payment of the employer portion of social security taxes through the end of 2020, with 50% of the deferred amount due December 31, 2021 and the remaining 50% due December 31, 2022.

We are further protecting our cash outflows by reducing advances in both our ticketing and concert businesses, re-assessing all capital expenditure projects and evaluating all other cash deployment activities. As a result of these initiatives and government support programs, we are now targeting \$800 million in cost reductions in 2020 and the elimination or deferral into 2021 of \$1.4 billion in cash outflows, which primarily includes the cost reductions along with lower capital expenditures, acquisition payments, and concert and ticketing advances. With these additional savings, our operational cash burn rate is now expected to average \$125 million per month from April to December of 2020. Adding in the rest of our cash outflows for non-operational items gives us a cash burn rate of an expected average of \$185 million per month from April through the end of

2020. We believe this aggressive cost and cash management program, combined with a strong liquidity profile, positions us to manage through the global COVID-19 pandemic related hold on show activity and provides the flexibility to scale up quickly when shows restart.

Based on these actions and assumptions regarding the impact of the global COVID-19 pandemic, we believe that we will be able to generate sufficient liquidity to satisfy our obligations for the next twelve months and remain in compliance with our existing debt covenants throughout 2020 prior to giving effect to any additional financing that may occur. Our forecasted expense management and liquidity measures may be modified as we get more clarity on the timing of events. We cannot assure you that our assumptions used to estimate our liquidity requirements will be correct because we have never previously experienced a complete cessation of our live events and the magnitude, duration and speed of the global pandemic is unknown, and as a consequence, our ability to be predictive is uncertain.

Health and Safety and Planning for a Return to Business

We are currently planning for the health and safety of our employees as they return to work in our offices in the future and for our artists and fans as they return to live events. We will return to work in local markets only after there is clear consensus that the time is right to do so, and then in appropriate numbers with expanded cleaning and social distancing protocols. Similarly, we are planning for the resumption of concerts when the time is right. We will let the facts and science tell us when we should start putting on concerts again. We recognize the experience at our venues will change when concerts start back up, and are working with medical experts and public health officials to implement safety precautions and protocols necessary for fans to return to enjoy our shows. Recent fan surveys indicate that the demand will be there when the shows return, with nearly 90% of fans expecting to attend concerts again once the pandemic is over. We expect the re-opening of concerts will happen on a market by market basis, and given we operate in 40 countries globally, the timelines will vary from starting now to not for several months or beyond.

While this disruption has had a material impact on our business, as the leading global live event and ticketing company we believe that we are well-positioned to provide the best service to artists, teams, fans and venues once business resumes. Twenty years of global growth demonstrates the resilience of fan demand for the live entertainment experience. We are actively taking steps to ensure that when the time is right for us to do so, we will be ready to ramp back up quickly and once again connect audiences to artists at the concerts they are looking forward to.

NOTE 3—LONG-LIVED ASSETS

We reviewed our long-lived assets for potential impairment indicators due to the suspension of our concert events resulting from the global COVID-19 pandemic. Our venues are either owned or we have long-term operating rights under lease or management agreements with terms ranging from 5 to 25 years. Many of our definite-lived intangible assets are based on revenue-generating contracts, and client or vendor relationships associated with live events and have useful lives, established at the time of acquisition, typically ranging from 3 to 10 years. Our more significant investments in nonconsolidated affiliates are in the concert event promotion, venue operation or ticketing businesses and these businesses are experiencing similar impacts to their operations, in line with what we are seeing from the pandemic. Based on our assessments, we have recorded impairment charges on certain of our definite-lived intangible assets which are discussed below.

The length and severity of the impact to live events and our related sponsorship and ticketing businesses is still uncertain. We currently do not anticipate a significant change in activity levels through the remainder of the year. We expect that most global tours will resume and larger venues will reopen in the following year and that the underlying business supporting all of our long-lived assets will begin generating operating income once again. However, we have never previously experienced a complete cessation of our live events and unprecedented reduction in the number of events selling tickets, and as a consequence, our ability to be predictive regarding the impact of such a cessation is uncertain. As a result, the underlying assumptions used in our impairment assessments could change resulting in future impairment charges.

⁽¹⁾ Other primarily includes intangible assets for non-compete agreements.

⁽²⁾ Other primarily includes netdowns of fully amortized or impaired assets.

Included in the current year acquisitions amounts above are definite-lived intangible assets primarily associated with the acquisitions of a festival and concert promotion business located in Ireland, a merchandise business, a festival promotion business and a ticketing business, all located in the United States.

The 2020 additions to definite-lived intangible assets from acquisitions have weighted-average lives as follows:

	Weighted-Average Life (years)
Revenue-generating contracts	9
Client/vendor relationships	8
Trademarks and naming rights	1
Venue management and leaseholds	7
Technology	1
All categories	8

We test for possible impairment of definite-lived intangible assets whenever events or circumstances change, such as a significant reduction in operating cash flow or a change in the manner in which the asset is intended to be used, which may indicate that the carrying amount of the asset may not be recoverable. During the six months ended June 30, 2020, we reviewed the carrying value of certain definite-lived intangible assets that management determined had an indicator that future operating cash flows may not support their carrying value as a result of the expected impacts from the global COVID-19 pandemic, and it was determined that those assets were impaired since the estimated undiscounted operating cash flows associated with those assets were less than their carrying value. For the six months ended June 30, 2020, we recorded impairment charges related to definite-lived intangible assets of \$12.1 million as a component of depreciation and amortization. These impairment charges primarily related to intangible assets for revenue-generating contracts in the Concerts segment. See Note 7—Fair Value Measurements for further discussion of the inputs used to determine the fair value. There were no significant impairment charges recorded during the six months ended June 30, 2019.

Amortization of definite-lived intangible assets for the three months ended June 30, 2020 and 2019 was \$7.8 million and \$49.5 million, respectively, and for the six months ended June 30, 2020 and 2019 was \$122.0 million and \$96.7 million, respectively.

The following table presents our estimate of amortization expense for each of the five succeeding fiscal years for definite-lived intangible assets that exist at June 30, 2020:

	<i>(in thousands)</i>	
July 1 - December 31, 2020	\$	105,854
2021	\$	178,684
2022	\$	147,862
2023	\$	125,121
2024	\$	108,185

As acquisitions and dispositions occur in the future and the valuations of intangible assets for recent acquisitions are completed, amortization will vary.

Goodwill

We review goodwill for impairment annually, as of October 1. As such, we completed our annual review in the fourth quarter of 2019 and, as reported in our December 31, 2019 Form 10-K, no impairments were recorded as the fair value of each reporting unit was determined to be in excess of its carrying value for all reporting units.

The rapid and severe impacts of the global COVID-19 pandemic, and more specifically the need to support global social distancing efforts, mitigating the spread of the virus, and comply with restrictions put in place by various governmental entities, led to our decision to cease all tours and to close our venues in mid-March. As such actions will continue to have a material impact on our cash flows during the suspension of operations, we have performed qualitative and sensitivity reviews to assess whether we believed these actions caused the fair value of any of our reporting units to fall below its carrying value. These qualitative and sensitivity reviews included discounted cash flow model sensitivity analyses, and a consideration of the impact from changes in financial forecasts, discount rates and carrying values. The conclusion for all reporting units was that no impairment trigger existed that would require a further quantitative analysis during the six months ended June 30, 2020. We are unable to predict how long the impacts from the global COVID-19 pandemic will impact our operations or what additional restrictions may be imposed by governments. Significant variations from current expectations could impact future assessments resulting in future impairment charges.

The following table presents the changes in the carrying amount of goodwill in each of our reportable segments for the six months ended June 30, 2020:

	Concerts	Ticketing	Sponsorship & Advertising	Total
	<i>(in thousands)</i>

Included in the current year acquisitions amounts above are goodwill primarily associated with the acquisition of a festival and concert promotion business located in Ireland and a festival promotion business located in the United States.

We are in various stages of finalizing our acquisition accounting for recent acquisitions, which may include the use of external valuation consultants, and the completion of this accounting could result in a change to the associated purchase price allocations, including goodwill and our allocation between segments.

NOTE 4—LEASES

The significant components of operating lease expense are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2020	2019	2020	2019
	<i>(in thousands)</i>			
Operating lease cost	\$ 58,427	\$ 49,110	\$ 120,555	\$ 95,839
Variable and short-term lease cost	20,208	34,064	32,730	47,829

Net lease cost	\$ 74,524	\$ 78,286	\$ 145,023	\$ 135,039

Many of our leases contain contingent rent obligations based on revenue, tickets sold or other variables, while others include periodic adjustments to rent obligations based on the prevailing inflationary index or market rental rates. Contingent rent obligations are not included in the initial measurement of the lease asset or liability and are recorded as rent expense in the period that the contingency is resolved. In response to the global COVID-19 pandemic, we closed our venues in mid-March and the majority of those venues have remained closed throughout the second quarter. As a result, our variable lease cost has declined during the three months and six months ended June 30, 2020.

Supplemental cash flow information for our operating leases is as follows:

Weighted average discount rate	6.05 %	5.75 %

As of June 30, 2020, we have additional operating leases that have not yet commenced with total lease payments of \$98.7 million. These operating leases, which are not included on our consolidated balance sheets, have commencement dates ranging from July 2020 to June 2030 with lease terms ranging from 1 to 21 years.

In response to the impacts we are experiencing from the global COVID-19 pandemic, we have amended certain of our lease agreements and are continuing negotiations with certain of our landlords for deferral or abatement of fixed rent payments. These lease concessions are not expected to substantially increase our obligations under the respective lease agreements. Therefore, we have elected to account for these lease concessions as though enforceable rights and obligations for those concessions existed in our lease agreements rather than applying the lease modification guidance as clarified by the FASB.

NOTE 5—LONG-TERM DEBT

During the first six months of 2020, we amended our senior secured credit facility, issued \$1.2 billion principal amount of 6.5% senior secured notes due 2027 and issued \$400 million principal amount of 2.0% convertible senior notes due 2025. A portion of the proceeds were used to pay fees of approximately \$3.9 million, leaving approximately \$1.6 billion for general corporate purposes. Our senior secured credit facility was further amended in July 2020 to, among other things, provide additional flexibility with our debt covenants.

The amendments to our senior secured credit facility, among other things, provide for (i) a new incremental revolving credit facility, (ii) substitution of the consolidated net leverage ratio covenant with a \$500.0 million liquidity covenant (as defined in the agreement) until the earlier of (a) December 31, 2021 and (b) at our election, any fiscal quarter ending prior to December 31, 2021, (iii) annualization of consolidated EBITDA for the first three fiscal quarters in which the consolidated net leverage ratio covenant applies (as defined in the agreement), (iv) the reset of the consolidated net leverage ratio upon its resumption to 6.75x with step downs to 6.25x after four quarters, 5.75x after eight quarters, 5.50x after twelve quarters and 5.25x after fourteen quarters through maturity, (v) adjustment of the applicable interest rate on the undrawn portion of the delayed draw term loan A and existing revolving credit facility, (vi) adjustment of the delayed draw term loan A and existing revolving credit facility commitment fees, (vii) temporary limits on our ability to make certain investments and incur additional indebtedness and liens for the period commencing on July 29, 2020 and ending on the date that we deliver our financial statements and compliance certificate for the first fiscal quarter in which the consolidated net leverage ratio covenant applies (such period, the “Restricted Period”) and (viii) temporary suspension of our ability to make certain voluntary restricted payments through the date on which we deliver a compliance certificate reflecting our compliance with the consolidated net leverage ratio (calculated without annualizing consolidated EBITDA).

Amended Senior Secured Credit Facility

In April and July 2020, we amended our senior secured credit facility and now have (i) a \$400 million delayed draw term loan A facility, (ii) a \$950 million term loan B facility, (iii) a \$500 million revolving credit facility and (iv) a \$130 million incremental revolving credit facility. The delayed draw term loan A facility is available to be drawn until October 2021. In addition, subject to certain conditions, we have the right to increase such facilities by an amount equal to the sum of (x) \$425 million during the Restricted Period and \$855 million after the Restricted Period, (y) the aggregate principal amount of voluntary prepayments of the delayed draw term loan A and term loan B and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness, and (z) except during the Restricted Period, additional amounts so long as the senior secured leverage ratio calculated on a pro-forma basis (as defined in the agreement) is no greater than 3.75x. The combined revolving credit facilities provide for borrowings up to \$630 million with sublimits of up to (i) \$150 million for the issuance of letters of credit, (ii) \$50 million for swingline loans, (iii) \$300 million for borrowings in Dollars, Euros or British Pounds and (iv) \$100 million for borrowings in those or one or more other approved currencies. The amended senior secured credit facility is secured by a first priority lien on substantially all of the tangible and intangible personal property of LNE and LNE's domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

The interest rates per annum applicable to revolving credit facility loans and the delayed draw term loan A under the amended senior secured credit facility are, at our option, equal to either Eurodollar plus 2.25% or a base rate plus 1.25%. The interest rates per annum applicable to the term loan B are, at our option, equal to either Eurodollar plus 1.75% or a base rate plus 0.75%. The interest rates per annum applicable to the incremental revolving credit facility are, at our option, equal to either Eurodollar plus 2.5% or a base rate plus 1.5%. We are required to pay a commitment fee of 0.5% per year on the undrawn portion available under the revolving credit facility and delayed draw term loan A, 1.75% per year on the undrawn portion available under the incremental revolving credit facility and variable fees on outstanding letters of credit.

For the delayed draw term loan A, we are required to make quarterly payments at a rate ranging from 0.625% of the original principal amount during the first three years to 1.25% during the last two years, with the balance due at maturity in October 2024. For the term loan B, we are required to make quarterly payments of \$4 million with the balance due at maturity in October 2026. Both the existing and incremental revolving credit facilities mature in October 2024. We are also required to make mandatory prepayments of the loans under the amended credit agreement, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and specified other events.

There were no borrowings under the revolving credit facilities as of June 30, 2020 and we have not drawn down on the delayed draw term loan A. Based on our outstanding letters of credit of \$64.5 million, \$965.5 million was available for future borrowings from our delayed draw term loan A and revolving credit facilities.

6.5% Senior Secured Notes Due 2027

In May 2020, we issued \$1.2 billion principal amount of 6.5% senior secured notes due 2027. Interest on the notes is payable semi-annually in cash in arrears on May 15 and November 15 of each year beginning on November 15, 2020, and will mature on May 15, 2027. We may redeem some or all of the notes, at any time prior to May 15, 2023, at a price equal to 100% of the aggregate principal amount, plus any accrued and unpaid interest to the date of redemption, plus a “make-whole” premium. We may redeem up to 35% of the aggregate principal amount of the notes from the proceeds of certain equity offerings prior to May 15, 2023, at a price equal to 106.5% of the aggregate principal amount, plus accrued and unpaid interest thereon, if any, to the date of redemption. In addition, on or after May 15, 2023 we may redeem some or all of the notes at any time at redemption prices starting at 104.875% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control. The notes are secured by a first priority lien on substantially all of the tangible and intangible personal property of LNE and LNE’s domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

2.0% Convertible Senior Notes Due 2025

In February 2020, we issued \$400 million principal amount of 2.0% convertible senior notes due 2025. Interest on the notes is payable semiannually in arrears on February 15 and August 15, beginning August 15, 2020, at a rate of 2.0% per annum. The notes will mature on February 15, 2025. The notes will be convertible, under certain circumstances, until November 15, 2024, and on or after such date without condition, at an initial conversion rate of 9.4469 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 50.0% conversion premium based on the last reported sale price for our common stock of \$70.57 on January 29, 2020 prior to issuing the notes. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 3.8 million.

We may redeem for cash all or a portion of the notes, at our option, on or after February 21, 2023 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 2.0% convertible senior notes due 2025 may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

The carrying amount of the equity component of the notes is \$33.9 million, which is treated as a debt discount, and the principal amount of the liability component (face value of the notes) is \$400 million. As of June 30, 2020, the remaining period for the unamortized debt discount balance of \$1.2 million was approximately five years and the value of the notes, if converted and fully settled in shares, did not exceed the principal amount of the notes. As of June 30, 2020, the effective interest rate on the liability component of the notes was 4.3%.

The following table summarizes the amount of pre-tax interest cost recognized on the notes:

	Three Months Ended June 30, 2020	Six Months Ended June 30, 2020
	<i>(in thousands)</i>	
Interest cost recognized relating to:		
Contractual interest coupon	\$ 1,967	\$ 3,244
Amortization of debt discount	1,597	2,662
Amortization of debt issuance costs	292	498
Total interest cost recognized on the notes	\$ 3,856	\$ 6,404

NOTE 6—DERIVATIVE INSTRUMENTS

In January 2020, we entered into an interest rate swap agreement that is designated as a cash flow hedge for accounting purposes to effectively convert a portion of our floating-rate debt to a fixed-rate basis. The swap agreement expires in October 2026, has a notional amount of \$500 million and ensures that a portion of our floating-rate debt does not exceed 3.397%. The principal objective of this contract is to reduce the variability of the cash flow in our variable rate interest payments associated with our senior secured credit facility term loan B, thus reducing the impact of interest rate changes on future interest expense. Cash flows associated with the interest rate swap agreement are reflected as cash flows from operating activities within our consolidated statements of cash flows. As of June 30, 2020, there is no ineffective portion or amount excluded from effectiveness testing.

As a cash flow hedge, the effective portion of the loss on the derivative instrument was reported as a component of other comprehensive loss. Amounts are deferred in other comprehensive loss and reclassified into earnings in the same line item associated with the forecasted transaction in the period or periods during which the hedged transaction affects earnings.

During the three and six months ended June 30, 2020, we recorded unrealized losses of \$0.8 million and \$36.6 million, respectively, as a component of other comprehensive loss related to this hedge. Based on the current interest rate expectations, we estimate that approximately \$7.5 million of this loss in other comprehensive loss will be reclassified into earnings in the next 12 months as an adjustment to interest expense. See Note 7—Fair Value Measurements for further discussion and disclosure of the fair values for this interest rate swap derivative.

NOTE 7—FAIR VALUE MEASUREMENTS**Recurring**

The following table shows the fair value of our significant financial assets that are required to be measured at fair value on a recurring basis, which are classified on the consolidated balance sheets as cash and cash equivalents and other long-term liabilities.

	Estimated Fair Value					
	June 30, 2020			December 31, 2019		
	Level 1	Level 2	Total	Level 1	Level 2	Total
	<i>(in thousands)</i>

Liabilities:						
Interest rate swap	\$ —	\$ 35,243	\$ 35,243	\$ —	\$ —	\$ —

The fair value for our interest rate swap is based upon inputs corroborated by observable market data with similar tenors, which are considered Level 2 inputs.

Our outstanding debt held by third-party financial institutions is carried at cost, adjusted for any discounts or debt issuance costs. Our debt is not publicly traded and the carrying amounts typically approximate fair value for debt that accrues interest at a variable rate, which are considered to be Level 2 inputs as defined in the FASB guidance.

The following table presents the estimated fair values of our senior secured notes, senior notes and convertible senior notes:

	Estimated Fair Value at	
	June 30, 2020	December 31, 2019
	Level 2	
	(in thousands)	
6.5% Senior Secured Notes due 2027	\$ 1,235,304	\$ —
4.75% Senior Notes due 2027	\$ 823,223	\$ 983,735
4.875% Senior Notes due 2024	\$ 518,345	\$ 596,137
5.625% Senior Notes due 2026	\$ 283,119	\$ 320,553
2.5% Convertible Senior Notes due 2023	\$ 563,123	\$ 675,664
2.0% Convertible Senior Notes Due 2025	\$ 342,000	\$ —

The estimated fair value of our third-party fixed-rate debt is based on quoted market prices in active markets for the same or similar debt, which are considered to be Level 2 inputs.

Non-recurring

The following table shows the fair value of our financial assets that have been adjusted to fair value on a non-recurring basis, which had a significant impact on our results of operations for the six months ended June 30, 2020.

Description	Fair Value Measurement	Fair Value Measurements Using			Loss (Gain)
		Level 1	Level 2	Level 3	
2020		(in thousands)			
Definite-lived intangible assets, net	\$ 6,919	\$ —	\$ —	\$ 6,919	\$ 12,063

During the six months ended June 30, 2020, we recorded impairment charges related to definite-lived intangible assets of \$2.1 million as a component of depreciation and amortization. The impairment charges are primarily related to intangible assets for revenue-generating contracts in the Concerts segment. It was determined that these assets were impaired since the most recent estimated undiscounted future cash flows associated with these assets were less than their carrying value as a result of the expected impacts from the global COVID-19 pandemic. These impairments were calculated using operating cash flows, which were discounted to approximate fair value. The key inputs in these calculations include future cash flow projections, including revenue profit margins, and, for the fair value computation, a discount rate. The key inputs used for these non-recurring fair value measurements are considered Level 3 inputs.

Litigation

Consumer Class Actions

The following putative class action lawsuits were filed against Live Nation and/or Ticketmaster in the United States and Canada: Vaccaro v. Ticketmaster LLC (Northern District of Illinois, filed September 2018); Ameri v. Ticketmaster LLC (Northern District of California, filed September 2018); Lee v. Ticketmaster LLC, et al. (Northern District of California, filed September 2018); Thompson-Marcial v. Ticketmaster Canada Holdings ULC (Ontario Superior Court of Justice, filed September 2018); McPhee v. Live Nation Entertainment, Inc., et al. (Superior Court of Quebec, District of Montreal, filed September 2018); Crystal Watch v. Live Nation Entertainment, Inc., et al. (Court of Queen's Bench for Saskatchewan, by amendments filed September 2018); Gaetano v. Live Nation Entertainment, Inc., et al. (Northern District of New York, filed October 2018); Dickey v. Ticketmaster LLC, et al. (Central District of California, filed October 2018); Gomel v. Live Nation Entertainment, Inc., et al. (Supreme Court of British Columbia, Vancouver Registry, filed October 2018); Smith v. Live Nation Entertainment, Inc., et al. (Ontario Superior Court of Justice, filed October 2018); Messing v. Ticketmaster LLC, et al. (Central District of California, filed November 2018); and Niedbalski v. Ticketmaster LLC, et al. (Central District of California, filed December 2018).

In March 2019, the court granted the defendants' motion to compel arbitration of the Dickey lawsuit and stayed the matter. The parties reached a settlement and the case was dismissed with prejudice in November 2019. In April 2019, the court

granted the defendants’ motion to compel arbitration of the Lee lawsuit and dismissed the case. Lee subsequently appealed the District Court’s ruling to the Ninth Circuit, and in June 2020 the Ninth Circuit affirmed the District Court’s ruling in the defendants’ favor. The Gaetano lawsuit was voluntarily dismissed with prejudice by the plaintiff in April 2019. The Ameri lawsuit was dismissed in May 2019 in light of the parties’ agreement to arbitrate the matter, and the Vaccaro lawsuit was settled and dismissed in June 2019. The Messing and Niedbalski lawsuits are stayed pending the outcome of the appeal in the Lee matter.

The remaining lawsuits make similar factual allegations that Live Nation and/or Ticketmaster LLC engage in conduct that is intended to encourage the resale of tickets on secondary ticket exchanges at elevated prices. Based on these allegations, each plaintiff asserts violations of different state/provincial and federal laws. Each plaintiff also seeks to represent a class of individuals who purchased tickets on a secondary ticket exchange, as defined in each plaintiff’s complaint. The complaints seek a variety of remedies, including unspecified compensatory damages, punitive damages, restitution, injunctive relief and attorneys’ fees and costs. Based on information presently known to management, we do not believe that a loss is probable of occurring at this time, and believe that the potential liability, if any, will not have a material adverse effect on our financial position, cash flows or results of operations. Further, we do not currently believe that the claims asserted in these lawsuits have merit, and considerable uncertainty exists regarding any monetary damages that will be asserted against us. We intend to vigorously defend these actions.

CIE Arbitration

In July 2019, Ticketmaster New Ventures, S. de R.L. de C.V. (“TNV”), an indirect wholly-owned subsidiary of LNE, entered into agreements with Corporación Interamericana de Entretenimiento, S.A.B. de C.V. (“CIE”) and Grupo Televisa, S.A.B. (“TV”) to acquire an aggregate 51% interest in OCESA Entretenimiento, S.A. de C.V. (“OCESA”) and certain other related subsidiaries of CIE. We made our initial concentration notice filings with the regulatory authorities in Mexico in late August 2019 and received approval for the transaction in mid-April 2020. CIE shareholders approved the acquisition in September 2019. In May 2020, we notified CIE that we were terminating our agreement with it as a result of CIE’s failure to comply with its contractual obligation to continue operating the target companies in the ordinary course of business and the occurrence of a material adverse effect (as that term is defined in the CIE purchase agreement). We simultaneously notified TV that we were terminating our agreement with it, which agreement may be terminated if the agreement with CIE is terminated for any reason. On May 25, 2020, TNV commenced binding arbitration proceedings, seated in New York, New York, before the International Court of Arbitration of the International Chamber of Commerce, seeking a declaratory judgment that it properly terminated the CIE purchase agreement and that any obligations thereunder are excused on the grounds set forth above, among others. On July 30, 2020, CIE filed its response to TNV’s claims, asserting, among other things, that CIE did not breach its obligation to continue operating the target companies in the ordinary course of business and that no material adverse effect (as that term is defined in the CIE purchase agreement) has occurred, and CIE joined LNE as a party to the arbitration proceedings as a joint obligor under the CIE purchase agreement. CIE is seeking specific performance to require us to proceed with closing under the CIE purchase agreement and damages in an unspecified amount arising from our alleged failure to timely close. We intend to vigorously defend these claims.

Earnings Per Share

Basic net income (loss) per common share is computed by dividing the net income (loss) available to common stockholders by the weighted average number of common shares outstanding during the period. The calculation of diluted net income (loss) per common share includes the effects of the assumed exercise of any outstanding stock options, the assumed vesting of shares of restricted and deferred stock awards and the assumed conversion of our convertible senior notes, where dilutive.

The following table sets forth the computation of weighted average common shares outstanding:

	Three Months Ended June 30,		Six Months Ended June 30,

NOTE 10—REVENUE RECOGNITION

The global COVID-19 pandemic has significantly impacted the recognition of revenue for our Concerts, Ticketing and Sponsorship & Advertising segments. Beginning in mid-March, we ceased all of our tours and closed our venues to support global efforts at social distancing to mitigate the spread of the virus, and to comply with restrictions put in place by various governmental entities.

For our Concerts segment, the impact is primarily a delay in the timing of revenue recognition as many events are being rescheduled to dates in 2021. For events that have been cancelled as of June 30, 2020, the deferred revenue has been reclassified to accrued expenses on our consolidated balance sheets where not already refunded to the fan. In certain markets, we are offering fans an incentive to receive a voucher for a future ticket purchase to one of our events in lieu of receiving a refund for the cancelled event. Where a fan has elected to receive the incentive voucher, the cash from the original ticket purchase remains in deferred revenue. For certain of our rescheduled events, we are offering a limited refund window for fans to request a refund. Where a fan has elected to receive a refund for a rescheduled event and where we have estimated future refunds, the deferred revenue has been reclassified to accrued expenses if not already refunded. The estimate of future refunds was developed by allocating our event-related deferred revenue based on where we estimated that the affected events were in the refund process as of June 30, 2020, and applying a venue-specific refund take rate. The venue-specific refund take rates were based on the refunds we have issued through the end of the current reporting period since we ceased all our tours and closed our venues in mid-March.

For our Ticketing segment, the impact is similar to the Concerts segment if the tickets sold for an event are controlled by our concert promoters. For the Ticketing segment's third-party clients, previously recognized service charges are reversed from revenue when the event is cancelled or a refund is issued for a rescheduled event, including refunds issued after the balance sheet date but prior to the filing of our financial statements. The revenue reversal is reflected as accrued expenses on our consolidated balance sheets where not already refunded to the fan. The timing of our third-party clients' event cancellations and rescheduling of postponed events or having new events available for sale can result in refunds of service charges exceeding current quarter sales resulting in negative revenue for that period.

For our Sponsorship & Advertising segment, the impact is primarily a delay in the timing of revenue recognition due to our concert events being rescheduled, our venues being closed and the limited number of events currently available for sale on our websites. In response to the impacts we are experiencing from the global COVID-19 pandemic, we have amended or are continuing negotiations with certain of our sponsors to either provide additional benefits when our venues reopen and our concert events resume or extend the term of the agreement with no additional benefits to the sponsor.

Concerts

Concerts revenue, including intersegment revenue, for the three and six months ended June 30, 2020 and 2019 are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2020	2019	2020	2019
	<i>(in thousands)</i>			
Total Concert Revenue	\$ 141,823	\$ 2,639,531	\$ 1,135,216	\$ 3,957,648
Percentage of consolidated revenue	*	83.6 %	78.8 %	81.0 %

* Percentage is not meaningful.

Our Concerts segment generates revenue from the promotion or production of live music events and festivals in our owned or operated venues and in rented third-party venues, artist management commissions and the sale of merchandise for music artists at events. As a promoter and venue operator, we earn revenue primarily from the sale of tickets, concessions, merchandise, parking, ticket rebates or service charges on tickets sold by Ticketmaster or third-party ticketing agreements, and rental of our owned or operated venues. As an artist manager, we earn commissions on the earnings of the artists and other clients we represent, primarily derived from clients' earnings for concert tours. Over 95% of Concerts' revenue, whether related to promotion, venue operations, artist management or artist event merchandising, is recognized on the day of the related event. The majority of consideration for our Concerts segment is collected in advance of or on the day of the event. Consideration received in advance of the event is recorded as deferred revenue or in other long-term liabilities if the event is more than twelve months from the balance sheet date. Any consideration not collected by the day of the event is typically received within three months after the event date.

Ticketing

Ticketing revenue, including intersegment revenue, for the three and six months ended June 30, 2020 and 2019 are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2020	2019	2020	2019
	<i>(in thousands)</i>			
Total Ticketing Revenue	\$ (87,019)	\$ 370,765	\$ 197,258	\$ 708,407
Percentage of consolidated revenue	*		11.7 %	13.7 %

* Percentage is not meaningful.

Ticket fee revenue is generated from convenience and order processing fees, or service charges, charged at the time a ticket for an event is sold in either the primary or secondary markets. Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients, which include venues, concert promoters, professional sports franchises and leagues, college sports teams, theater producers and museums. Our Ticketing segment is acting as an agent on behalf of its clients and records revenue arising from convenience and order processing fees, regardless of whether these fees are related to tickets sold in the primary or secondary market, and regardless of whether these fees are associated with our concert events or third-party clients' concert events. Our Ticketing segment does not record the face value of the tickets as revenue. Ticket fee revenue is recognized when the ticket is sold for third-party clients and secondary market sales, as we have no further obligation to our client's customers following the sale of the ticket. For our concert events where our concert promoters control ticketing, ticket fee revenue is recognized when the event occurs because we also have the obligation to deliver the event to the fan. The delivery of the ticket to the fan is not considered a distinct performance obligation for our concert events because the fan cannot receive the benefits of the ticket unless we also fulfill our obligation to deliver the event. The majority of ticket fee revenue is collected within the month of the ticket sale. Revenue received from the sale of tickets in advance of our concert events is recorded as deferred revenue or in other long-term liabilities if the date of the event is more than twelve months from the balance sheet date. Reported revenue is net of any refunds made or committed to and also the impact of any cancellations of events that occurred during the period and up to the time of filing these financial statements.

Ticketing contract advances, which can be either recoupable or non-recoupable, represent amounts paid in advance to our clients pursuant to ticketing agreements and are reflected in prepaid expenses or in long-term advances if the amount is expected to be recouped or recognized over a period of more than twelve months. Recoupable ticketing contract advances are generally recoupable against future royalties earned by the client, based on the contract terms, over the life of the contract. Royalties are typically earned by the client when tickets are sold. Royalties paid to clients are recorded as a reduction to revenue when the tickets are sold and the corresponding service charge revenue is recognized. Non-recoupable ticketing contract advances, excluding those amounts paid to support clients' advertising costs, are fixed additional incentives occasionally paid by us to certain clients to secure the contract and are typically amortized over the life of the contract on a straight-line basis as a reduction to revenue. At June 30, 2020 and December 31, 2019, we had ticketing contract advances of \$67.7 million and \$100.9 million, respectively, recorded in prepaid expenses and \$96.0 million and \$105.7 million, respectively, recorded in long-term advances on the consolidated balance sheets. We amortized \$13.3 million and \$17.0 million for the three months ended June 30, 2020 and 2019, respectively, and \$32.1 million and \$34.3 million for the six months ended June 30, 2020 and 2019, respectively, related to non-recoupable ticketing contract advances.

Sponsorship & Advertising

Sponsorship & Advertising revenue, including intersegment revenue, for the three and six months ended June 30, 2020 and 2019 are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2020	2019	2020	2019
	<i>(in thousands)</i>			
Total Sponsorship & Advertising Revenue	\$ 18,372	\$ 151,537	\$ 108,633	\$ 226,615
Percentage of consolidated revenue	24.8 %		4.8 %	7.5 %

Our Sponsorship & Advertising segment generates revenue from sponsorship and marketing programs that provide its sponsors with strategic, international, national and local opportunities to reach customers through our venue, concert and ticketing assets, including advertising on our websites. These programs can also include custom events or programs for the

sponsors' specific brands, which are typically experienced exclusively by the sponsors' customers. Sponsorship agreements may contain multiple elements, which provide several distinct benefits to the sponsor over the term of the agreement, and can be for a single or multi-year term. We also earn revenue from exclusive access rights provided to sponsors in various categories such as ticket pre-sales, beverage pouring rights, venue naming rights, media campaigns, signage within our venues, and advertising on our websites. Revenue from sponsorship agreements is allocated to the multiple elements based on the relative stand-alone selling price of each separate element, which are determined using vendor-specific evidence, third-party evidence or our best estimate of the fair value. Revenue is recognized over the term of the agreement or operating season as the benefits are provided to the sponsor unless the revenue is associated with a specific event, in which case it is recognized when the event occurs. Revenue is collected in installment payments during the year, typically in advance of providing the benefit or the event. Revenue received in advance of the event or the sponsor receiving the benefit is recorded as deferred revenue or in other long-term liabilities if the date of the event is more than twelve months from the balance sheet date.

At June 30, 2020, we had contracted sponsorship agreements with terms greater than one year that had approximately \$41.4 million of revenue related to future benefits to be provided by us. We expect to recognize, based on current projections and expectations of our business resuming, approximately 6%, 35%, 24% and 35% of this revenue in the remainder of 2020, 2021, 2022 and thereafter, respectively.

Deferred Revenue

The majority of our deferred revenue is typically classified as current and is shown as a separate line item on the consolidated balance sheets. Deferred revenue that is not expected to be recognized within the next twelve months is classified as long-term and reflected in other long-term liabilities on the consolidated balance sheets. We had current deferred revenue of \$1.4 billion and \$1.2 billion at December 31, 2019 and 2018, respectively.

The table below summarizes the amount of current deferred revenue from December 31 recognized during the three and six months ended June 30, 2020 and 2019:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2020	2019	2020	2019
	<i>(in thousands)</i>			
Concerts	\$ 11,329	\$ 550,982	\$ 269,359	\$ 833,683
Ticketing	4,242	28,088	21,196	47,486
Sponsorship & Advertising	3,094	5,930	16,584	16,752
Other & Corporate	562	562	2,038	2,168
	<u>\$ 19,227</u>	<u>\$ 585,562</u>	<u>\$ 309,177</u>	<u>\$ 900,089</u>

As of June 30, 2020, approximately 32.9% of the current deferred revenue balance from December 31, 2019 is expected to be recognized in 2021 and thus such amounts remain in current deferred revenue or have been reclassified to long-term deferred revenue. In addition, as of June 30, 2020, approximately 22.9% of the current deferred revenue balance from December 31, 2019 has been or is expected to be refunded to fans as the corresponding events have been cancelled or refunds are expected to be requested for rescheduled events, and thus such amounts have been reclassified to accrued expenses if not already refunded. As the global COVID-19 pandemic continues to further delay our ability to resume our concert events and reopen our venues, our long-term deferred revenue balance has increased. We had long-term deferred revenue of \$591.5 million and \$34.4 million at June 30, 2020 and December 31, 2019, respectively, which is reflected in other long-term liabilities on the consolidated balance sheets.

NOTE 11—STOCK-BASED COMPENSATION

The following is a summary of stock-based compensation expense we recorded during the respective periods:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2020	2019	2020	2019
	<i>(in thousands)</i>			
Selling, general and administrative expenses	\$ 30,249	\$ 5,458	\$ 35,212	\$ 11,045
Corporate expenses	8,289	6,263	15,058	13,881
Total	\$ 38,538	\$ 11,721	\$ 50,270	\$ 24,926

The increase in stock-based compensation expense for the three and six months ended June 30, 2020 as compared to the same periods of the prior year is primarily due to the issuance of restricted stock in the second quarter of 2020 in lieu of cash payments due for certain compensation owed to employees, as part of our cash savings initiative in connection with the global COVID-19 pandemic.

NOTE 12—SEGMENT DATA

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising. Our Concerts segment involves the promotion of live music events globally in our owned or operated venues and in rented third-party venues, the production of music festivals, the operation and management of music venues, the creation of associated content and the provision of management and other services to artists. Our Ticketing segment involves the management of our global ticketing operations, including providing ticketing software and services to clients, and consumers with a marketplace, both online and mobile, for tickets and event information, and is responsible for our primary ticketing website, www.ticketmaster.com. Our Sponsorship & Advertising segment manages the development of strategic sponsorship programs in addition to the sale of international, national and local sponsorships and placement of advertising such as signage, promotional programs, rich media offerings, including advertising associated with live streaming and music-related content, and ads across our distribution network of venues, events and websites.

Revenue and expenses earned and charged between segments are eliminated in consolidation. Our capital expenditures below include accruals for amounts incurred but not yet paid for, but are not reduced by reimbursements received from outside parties such as landlords or replacements funded by insurance proceeds.

We manage our working capital on a consolidated basis. Accordingly, segment assets are not reported to, or used by, our management to allocate resources to or assess performance of our segments, and therefore, total segment assets have not been presented.

You should read the following discussion of our financial condition and results of operations together with the unaudited consolidated financial statements and notes to the financial statements included elsewhere in this quarterly report.

Special Note About Forward-Looking Statements

Certain statements contained in this quarterly report (or otherwise made by us or on our behalf from time to time in other reports, filings with the SEC, news releases, conferences, internet postings or otherwise) that are not statements of historical fact constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act of 1934, as amended, notwithstanding that such statements are not specifically identified. Forward-looking statements include, but are not limited to, statements about our financial position, business strategy, competitive position, potential growth opportunities, potential operating performance improvements, the effects of competition, the effects of future legislation or regulations and plans and objectives of our management for future operations. We have based our forward-looking statements on our beliefs and assumptions considering the information available to us at the time the statements are made. Use of the words "may," "should," "continue," "plan," "potential," "anticipate," "believe," "estimate," "expect," "intend," "outlook," "could," "target," "project," "seek," "predict," or variations of such words and similar expressions are intended to identify forward-looking statements but are not the exclusive means of identifying such statements.

Based upon changing conditions, should any risk or uncertainty that has already materialized, such as, for example, the risks and uncertainties posed by the global COVID-19 pandemic, worsen in scope, impact or duration, or should one or more of the currently unrealized risks or uncertainties materialize, or should any underlying assumptions prove incorrect, actual results may vary materially from those described in any forward-looking statements. All subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the applicable cautionary statements. Executive Overview

Due to the global COVID-19 pandemic, we ceased all Live Nation tours and closed all our venues beginning in mid-March to support global efforts to mitigate the spread of the virus. To ensure the safety of our artists, fans, and employees, we held no traditional events in the second quarter and had minimal ticket sales. As a result, our overall revenue for the quarter decreased by 98%, from \$3.2 billion to \$74 million on a reported basis. On a constant currency basis, our second quarter revenue was \$80 million, which represents a 97% reduction compared to last year. The revenue reduction was largely in our Concerts and Ticketing segments as a result of almost no shows occurring globally in the quarter and ticket sales for future shows sharply declining given the uncertainty around when live events will return. Our Ticketing revenue was also impacted by refunds for cancelled and postponed events. The pandemic led to an operating loss for the quarter of \$588 million compared to operating income of \$172 million for the second quarter of last year. For the first six months of 2020, our total revenue decreased by \$3.4 billion, or 71%, on a reported basis as compared to last year. The change was the same without the impact of foreign exchange rates. The revenue impact of the global COVID-19 pandemic for the first six months was partially offset by normal operations from January through mid-March, when it appeared we were on track for another record year. Our year-to-date operating loss of \$761 million was partially mitigated by the results for the first two and a half months of the year plus our cost savings initiatives, which began at the end of March and generated over \$275 million of fixed cost savings for the second quarter compared to our plan just prior to the onset of the global COVID-19 pandemic. While the unparalleled disruption of the pandemic has had a material impact on our business, as the leading global live event and ticketing company, we still firmly believe that we are well-positioned to provide the best service to artists, teams, fans and venues once business resumes. Twenty years of global growth demonstrates the resilience of fan demand for the live entertainment experience. We are actively taking steps to ensure that when the time is right for us to do so, we will be ready to ramp back up and once again connect audiences to artists at the concerts they are looking forward to.

Our Concerts segment revenue for the quarter decreased by \$2.5 billion, or 95%, on a reported and constant currency basis as compared to last year. The unfavorable results were almost entirely due to the impact of the global COVID-19 pandemic. Show count for the quarter was down 99% compared to last year to 131 events, which included a few socially

distanced club shows in Europe and Asia and some drive-in concert events in Denmark. A total of 49 thousand fans attended these shows. Concerts operating loss increased for the quarter largely due to lost business resulting from the global COVID-19 pandemic and from sunk costs, such as advertising expenses, associated with shows cancelled or rescheduled to 2021 due to the pandemic. For the first six months, our Concerts segment revenue decreased by \$2.8 billion, or 71%, on a reported and constant currency basis. By the end of the second quarter of 2020, Concerts had cancelled nearly 3,900 concerts impacted by the stoppage of events starting in mid-March of this year, equating to approximately 12 million tickets, and have refunded or are in the process of refunding these tickets. In addition, we had nearly 6,400 shows, equating to approximately 22 million tickets, that have been postponed and rescheduled into 2021 or were in the process of being rescheduled at the end of the second quarter.

Our Ticketing segment revenue fell below zero for the quarter as a result of refunds being processed for tickets that were sold in previous quarters. Second quarter revenue was \$(87) million, compared to \$371 million for the second quarter last year on a reported and constant currency basis. Before refunds, our fee-bearing tickets were 2.0 million for the quarter, a reduction of 51.3 million tickets, or 96%, compared to last year. A total of 10.7 million tickets were refunded in the quarter, amounting to just slightly over \$1.1 billion of gross transaction value. The decline in operating results for the quarter was largely driven by the lack of ticket sales as well as refunds processed for cancelled and rescheduled events. For the first six months, our Ticketing segment revenue fell by \$0.5 billion, or 72%, on a reported and constant currency basis. Before refunds, we had sold 44.7 million fee-bearing tickets year-to-date, a reduction of 57% compared to the first half of 2019. A total of 17.2 million tickets have been refunded year-to-date, amounting to nearly \$1.8 billion of gross transaction value.

Our Sponsorship & Advertising segment revenue for the quarter decreased by \$133 million, or 88%, on a reported and constant currency basis as compared to last year. For the first six months, our Sponsorship & Advertising segment revenue decreased by \$118 million, or 52%, on a reported basis as compared to last year, or \$116 million, a 51% decrease, on a constant currency basis. After a very strong performance for the first 10 weeks of the year, there has been a significant reduction to Sponsorship & Advertising revenue and operating results due to the lack of shows and ticket sales resulting from the global COVID-19 pandemic.

We are currently focused on the welfare of our employees and mitigating the financial impact of the shutdown. We have undertaken cost-savings initiatives across the organization, including salary reductions, hiring freezes, furloughs, as well as eliminating costs for consultants, travel and entertainment and repairs and maintenance for our facilities. We are also protecting our liquidity by tightly managing cash outflows associated with all of our major expenditures: operating expenses, capital expenditures, acquisitions, and advances in both our ticketing and concert businesses. The length and severity of the impact to live events and our related sponsorship and ticketing businesses is still uncertain. Currently, we do not anticipate a significant change in activity levels through the remainder of the year. The magnitude and pace of the recovery will depend on each market and their containment efforts, the nature of the events being held, and ongoing efforts to develop effective treatments and/or vaccines for COVID-19. We remain optimistic about the long-term potential of our company and the unique power of live shows to unite people. We believe our aggressive cost-savings and cash management programs, combined with a strong liquidity profile, position Live Nation to manage through the global COVID-19 pandemic and its impact on live events and provides us the flexibility to scale up quickly when our shows resume.

Our History

We were incorporated in Delaware on August 2, 2005 in preparation for the contribution and transfer by Clear Channel Communications, Inc. of substantially all of its entertainment assets and liabilities to us. We completed the separation on December 21, 2005, and became a publicly traded company on the New York Stock Exchange trading under the symbol "LYV."

On January 25, 2010, we merged with Ticketmaster Entertainment LLC and it became a wholly-owned subsidiary of Live Nation. Effective with the merger, Live Nation, Inc. changed its name to Live Nation Entertainment, Inc.

Segment Overview

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising.

Concerts

Our Concerts segment principally involves the global promotion of live music events in our owned or operated venues and in rented third-party venues, the operation and management of music venues, the production of music festivals across the world, the creation of associated content and the provision of management and other services to artists. While our Concerts segment operates year-round traditionally, we experience higher revenue during the second and third quarters due to the seasonal nature of shows at our outdoor amphitheaters and festivals, which primarily occur from May through October. Due to the unprecedented stoppage of our concert events globally beginning in mid-March due to the global COVID-19 pandemic, we do not expect that any quarter in 2020 will follow our typical seasonality trend. Revenue and related costs for events are

generally deferred and recognized when the event occurs. All advertising costs incurred during the year for shows in future years are expensed at the end of the year. If a current year event is rescheduled into a future year, all advertising costs incurred to date are expensed in the period when the event is rescheduled.

Concerts direct operating expenses include artist fees, event production costs, show-related marketing and advertising expenses, along with other costs.

To judge the health of our Concerts segment, we primarily monitor the number of confirmed events and fan attendance in our network of owned or operated and third-party venues, talent fees, average paid attendance, market ticket pricing, advance ticket sales and the number of major artist clients under management. In addition, at our owned or operated venues and festivals, we monitor ancillary revenue per fan and premium ticket sales. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Ticketing

Our Ticketing segment is primarily an agency business that sells tickets for events on behalf of its clients and retains a portion of the service charges as our fee. Gross transaction value ("GTV") represents the total amount of the transaction related to a ticket sale and includes the face value of the ticket as well as the service charge. Service charges are generally based on a percentage of the face value or a fixed fee. We sell tickets through websites, mobile apps, ticket outlets and telephone call centers. Our ticketing sales are impacted by fluctuations in the availability of events for sale to the public, which may vary depending upon scheduling by our clients. We also offer ticket resale services, sometimes referred to as secondary ticketing, principally through our integrated inventory platform, league/team platforms and other platforms internationally. Our Ticketing segment manages our online activities including enhancements to our ticketing websites and product offerings. Through our websites, we sell tickets to our own events as well as tickets for our clients and provide event information. Revenue related to ticketing service charges is recognized when the ticket is sold for our third-party clients. For our own events, where our concert promoters control ticketing, revenue is deferred and recognized when the event occurs.

Ticketing direct operating expenses include call center costs and credit card fees, along with other costs.

To judge the health of our Ticketing segment, we primarily review the GTV and the number of tickets sold through our ticketing operations, the number of clients renewed or added and the average royalty rate paid to clients who use our ticketing services. In addition, we review the number of visits to our websites, cost of customer acquisition, the purchase conversion rate, the overall number of customers in our database, the number and percentage of tickets sold via mobile and the number of app installs. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

Sponsorship & Advertising

Our Sponsorship & Advertising segment employs a sales force that creates and maintains relationships with sponsors through a combination of strategic, international, national and local opportunities that allow businesses to reach customers through our concert, festival, venue and ticketing assets, including advertising on our websites. We drive increased advertising scale to further monetize our concerts platform through rich media offerings including advertising associated with live streaming and music-related content. We work with our corporate clients to help create marketing programs that support their business goals and connect their brands directly with fans and artists. We also develop, book and produce custom events or programs for our clients' specific brands, which are typically experienced exclusively by the clients' consumers. These custom events can involve live music events with talent and media, using both online and traditional outlets. We typically experience higher revenue in the second and third quarters, as a large portion of sponsorships are associated with shows at our outdoor amphitheaters and festivals, which primarily occur from May through October. Due to the unprecedented stoppage of our concert events globally beginning in mid-March due to the global COVID-19 pandemic, we do not expect that any quarter in 2020 will follow our typical seasonality trend.

Sponsorship and Advertising direct operating expenses include fulfillment costs related to our sponsorship programs, along with other costs.

To judge the health of our Sponsorship & Advertising segment, we primarily review the revenue generated through sponsorship arrangements and online advertising, and the percentage of expected revenue under contract. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

(1) Events generally represent a single performance by an artist. Fans generally represent the number of people who attend an event. Festivals are counted as one event in the quarter in which the festival begins, but the number of fans is based on the days the fans were present at the festival and thus can be reported across multiple quarters. Events and fan attendance metrics are estimated each quarter.

(2) The fee-bearing tickets estimated above include primary and secondary tickets that are sold using our Ticketmaster systems or that we issue through affiliates. This metric includes primary tickets sold during the period regardless of event timing, except for our own events where our concert promoters control ticketing which are reported when the events occur. The non-fee-bearing tickets estimated above include primary tickets sold using our Ticketmaster systems, through season seat packages and our venue clients' box offices, along with tickets sold on our "do it yourself" platform. These ticketing metrics are net of any refunds requested and any cancellations that occurred during the period and up to the time of reporting of these financial statements. Fee-bearing tickets include refunds of 10.7 million and 17.2 million for the three and six months ended June 30, 2020, respectively.

Adjusted Operating Income (Loss)

AOI is a non-GAAP financial measure that we define as operating income (loss) before certain stock-based compensation expense, loss (gain) on disposal of operating assets, depreciation and amortization (including goodwill impairment), amortization of non-recoupable ticketing contract advances and acquisition expenses (including transaction costs, changes in the fair value of accrued acquisition-related contingent consideration obligations, and acquisition-related severance and compensation). We use AOI to evaluate the performance of our operating segments. We believe that information about AOI assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI is not calculated or presented in accordance with GAAP. A limitation of the use of AOI as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI should be considered in addition to, and not as a substitute for, operating income (loss), net income (loss), and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI as presented herein may not be comparable to similarly titled measures of other companies.

AOI Margin

AOI margin is a non-GAAP financial measure that we calculate by dividing AOI by revenue. We use AOI margin to evaluate the performance of our operating segments. We believe that information about AOI margin assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI margin is not calculated or presented in accordance with GAAP. A limitation of the use of AOI margin as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI margin should be considered in addition to, and not as a substitute for, operating income (loss) margin, and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI margin as presented herein may not be comparable to similarly titled measures of other companies.

Constant Currency

Constant currency is a non-GAAP financial measure. We calculate currency impacts as the difference between current period activity translated using the current period's currency exchange rates and the comparable prior period's currency exchange rates. We present constant currency information to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency rate fluctuations.

Three Months

Revenue

Concerts revenue decreased \$2.5 billion during the three months ended June 30, 2020 as compared to the same period of the prior year primarily due to the continued unprecedented stoppage of our concert events globally throughout the second quarter of 2020. Due to the global COVID-19 pandemic, beginning in mid-March 2020 we ceased all of our tours, closed our venues and cancelled or postponed our festivals to support global efforts at social distancing and mitigating the virus, and to comply with restrictions put in place by various governmental entities. Concerts had incremental revenue of \$26.6 million from the acquisitions of concert promotion, venue management and merchandise businesses.

Operating results

The decrease in Concerts operating results for the three months ended June 30, 2020 was primarily driven by the reduction in revenue related to the global COVID-19 pandemic discussed above partially offset by cost reduction measures implemented during the second quarter of 2020 including salary reductions, hiring freezes, furloughs, and reduction or elimination of other discretionary spending along with participating in government support programs globally.

Six Months

Revenue

Concerts revenue decreased \$2.8 billion during the six months ended June 30, 2020 as compared to the same period of the prior year. Excluding the decrease of \$17.8 million related to currency impacts, revenue decreased \$2.8 billion, or 71%, primarily due to the reduction in revenue related to the global COVID-19 pandemic discussed above. Concerts had incremental revenue of \$104.2 million from the acquisitions of concert promotion, venue management and merchandise businesses.

Operating results

The decrease in Concerts operating results for the six months ended June 30, 2020 was primarily driven by the impact of the global COVID-19 pandemic discussed above. Included in selling, general and administrative expenses for the six months ended June 30, 2020 is \$25.7 million of expenses related to new acquisitions and new venues in the Concerts segment. In addition, we recorded \$11.6 million in impairment charges in the first half of 2020 primarily associated with revenue-generating contract intangible assets as it was determined that the estimated undiscounted cash flows associated with the respective intangible assets were less than their carrying value as a result of the expected impacts from the global COVID-19 pandemic. There were no impairments of intangible assets recorded for the six months ended June 30, 2019.

Three Months

Revenue

Ticketing revenue decreased \$457.8 million during the three months ended June 30, 2020 as compared to the same period of the prior year primarily due to refunds for cancelled events for third-party clients and the lack of tickets available for sale to the public driven by the unprecedented stoppage of concerts, sports and other events globally during the second quarter of 2020 due to the global COVID-19 pandemic.

Operating results

The decrease in Ticketing operating results for the three months ended June 30, 2020 was primarily due to the reduction in revenue related to the global COVID-19 pandemic discussed above, without a proportionate reduction in direct operating expenses as credit card fees and other costs associated with processing refunds and responding to fan and ticketing client inquiries continued. This decrease was partially offset by cost reduction measures implemented during the second quarter of 2020, including salary reductions, hiring freezes, furloughs, and reduction or elimination of other discretionary spending along with participating in government support programs globally.

Six Months

Revenue

Ticketing revenue decreased \$511.1 million during the six months ended June 30, 2020 as compared to the same period of the prior year primarily due to the reduction in revenue related to the global COVID-19 pandemic discussed above.

Revenue

Sponsorship & Advertising revenue decreased \$133.2 million during the three months ended June 30, 2020 as compared to the same period of the prior year primarily due to a reduction in sponsorship revenue associated with our venues, festivals and lack of online activity as ticket sales declined driven by the unprecedented stoppage of events beginning in mid-March of 2020 due to the global COVID-19 pandemic.

Corporate Expenses

Corporate expenses decreased \$19.9 million, or 49%, during the three months ended June 30, 2020 as compared to the same period of the prior year primarily due to cost reduction efforts implemented during the second quarter of 2020, including salary reductions, with salaries for senior executives reduced by up to 50% for the duration of the salary reduction program. Additional cost reduction efforts include hiring freezes, reduction in the use of contractors, furloughs, and reduction or elimination of other discretionary spending, including, among other things, travel and entertainment and repairs and maintenance.

Interest Expense

Interest expense increased \$15.9 million, or 43%, during the three months ended June 30, 2020 as compared to the same period of the prior year due to additional interest costs from the issuance of our 4.75% senior notes in October 2019, the issuance of our 2.0% convertible senior notes in February 2020 and the issuance of our 6.5% senior secured notes in May 2020. These additional costs were partially offset by interest cost reductions realized from the October 2019 redemption of our 5.375% senior notes and amendment to our senior secured credit facility.

Equity in losses (earnings) of nonconsolidated affiliates

Equity in losses (earnings) of nonconsolidated affiliates decreased to a loss of \$6.6 million for the three months ended June 30, 2020 as compared to earnings of \$5.8 million for the comparable period of the prior year due to lower operating results from certain nonconsolidated affiliates driven by the impacts of the global COVID-19 pandemic.

For the six months ended June 30, 2020, we had a net tax benefit of \$32.5 million on a loss before income taxes of \$854.0 million compared to net tax expense of \$32.7 million on income before income taxes of \$93.6 million for the six months ended June 30, 2019. For the six months ended June 30, 2020, the income tax benefit consisted of \$21.8 million related to foreign entities and \$10.9 million related to United States federal taxes, partially offset by tax expense of \$0.2 million related to state and local income taxes. The net decrease in tax expense of \$65.2 million was due primarily to a decrease in earnings in certain non-United States jurisdictions.

Net income (loss) attributable to noncontrolling interests

Net income (loss) attributable to noncontrolling interests decreased to a loss of \$69.2 million during the six months ended June 30, 2020 as compared to income of \$10.0 million for the same period of the prior year primarily due to lower operating results from certain concert and festival promotion businesses driven by postponed and cancelled events during the first six months of 2020 due to the global COVID-19 pandemic.

Liquidity and Capital Resources

In response to the impact that the global COVID-19 pandemic is having on our business, and the uncertainty of the duration of current conditions globally, we are taking certain actions to strengthen our liquidity position and preserve our capital resources.

In April 2020, we amended our senior secured credit facility to provide an incremental \$130 million revolving credit facility. We further amended our senior secured credit facility in July 2020, which among other things, substitutes our net leverage covenant with a \$500 million liquidity covenant (as defined in the agreement) until the earlier of (a) December 31, 2021 and (b) at our election, any fiscal quarter prior to December 31, 2021. In May 2020, we issued \$1.2 billion principal amount of 6.5% senior secured notes due 2027. As a result, we believe that these amendments and additional debt issuance will allow us the flexibility to manage our business through the disruption we will experience in 2020.

We have also launched a number of initiatives to reduce fixed costs and conserve cash. As part of these cost reduction efforts, we have implemented salary reductions, with salaries for senior executives reduced by up to 50% for the duration of the salary reduction program. Additional cost reduction efforts include hiring freezes, reduction in the use of contractors, rent re-negotiations, furloughs, and reduction or elimination of other discretionary spending, including, among other things, travel and entertainment, repairs and maintenance, and marketing. We are also making use of government support programs globally. In most European and Asian markets, including the United Kingdom, Germany, Italy, France, Spain and Australia, there are robust payroll support programs to mitigate a substantial portion of employee costs. Additionally, in the United States, we are receiving payroll support under the Employee Retention Credit for employers program established as part of the 2020 CARES Act.

Our cash is centrally managed on a worldwide basis. Our primary short-term liquidity needs are to fund general working capital requirements, capital expenditures and debt service requirements while our long-term liquidity needs are primarily related to acquisitions and debt repayment. Our primary sources of funds for our short-term liquidity needs will be cash flows from operations and borrowings under our amended senior secured credit facility, while our long-term sources of funds will be from cash flows from operations, long-term bank borrowings and other debt or equity financings. We may from time to time engage in open market purchases of our outstanding debt securities or redeem or otherwise repay such debt.

Our balance sheet reflects cash and cash equivalents of \$3.3 billion at June 30, 2020 and \$2.5 billion at December 31, 2019. Included in the June 30, 2020 and December 31, 2019 cash and cash equivalents balances are \$744.7 million and \$837.7 million, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges, which we refer to as client cash. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to clients on a regular basis. Our foreign subsidiaries held approximately \$1.1 billion in cash and cash equivalents, excluding client cash, at June 30, 2020. We generally do not repatriate these funds, but if we did, we would need to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations. We may from time to time enter into borrowings under our revolving credit facility. If the original maturity of these borrowings is 90 days or less, we present the borrowings and subsequent repayments on a net basis in the statement of cash flows to better represent our financing activities. Our balance sheet reflects total net debt of \$4.9 billion and \$3.3 billion at June 30, 2020 and December 31, 2019, respectively. Our weighted-average cost of debt, excluding unamortized debt discounts and debt issuance costs on our term loans and notes, was 4.4% at June 30, 2020.

Our cash and cash equivalents are held in accounts managed by third-party financial institutions and consist of cash in our operating accounts and invested cash. Cash held in non-interest-bearing and interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. The invested cash is in interest-bearing funds consisting primarily of bank deposits and money market funds. While we monitor cash and cash equivalents balances in our operating

accounts on a regular basis and adjust the balances as appropriate, these balances could be impacted if the underlying financial institutions fail. To date, we have experienced no loss or lack of access to our cash and cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted by adverse conditions in the financial markets, including those resulting from the global COVID-19 pandemic.

For our Concerts segment, we often receive cash related to ticket revenue in advance of the event, which is recorded in deferred revenue until the event occurs. In the United States, this cash is largely associated with events in our owned or operated venues, notably amphitheaters, festivals, theaters and clubs. Internationally, this cash is from a combination of both events in our owned or operated venues, as well as events in third-party venues associated with our promoter's share of tickets in allocation markets. We do not otherwise generally hold cash for events being held in third-party venues. In the United States, most venues traditionally hold all the cash, and internationally either the venue holds all the cash or holds the portion of the cash associated with their ticket allocation. With the exception of some upfront costs and artist deposits, which are recorded in prepaid expenses until the event occurs, we pay the majority of event-related expenses at or after the event. Artists are paid when the event occurs under one of several different formulas, which may include fixed guarantees and/or a percentage of tickets sales or event profits, net of any advance they have received. When an event is cancelled, any cash held in deferred revenue is reclassified to accrued expenses as those funds are typically refunded to the fan within 30 days of event cancellation. In certain markets, we are offering fans an incentive to receive a voucher for a future ticket purchase to one of our events in lieu of receiving a refund for a cancelled event. Where a fan has elected to receive the incentive voucher, the cash from the original ticket purchase remains in deferred revenue. When a show is rescheduled, fans have the ability to request a refund if they do not want to attend the event on the new date, although historically we have had low levels of refund requests for rescheduled events.

We view our available cash as cash and cash equivalents, less ticketing-related client cash, less event-related deferred revenue, less accrued expenses due to artists and cash collected on behalf of others, plus event-related prepaid expenses. This is essentially our cash available to, among other things, repay debt balances, make acquisitions, pay artist advances and finance capital expenditures.

Our intra-year cash fluctuations are impacted by the seasonality of our various businesses. Examples of seasonal effects include our Concerts segment, which reports the majority of its revenue in the second and third quarters. Cash inflows and outflows depend on the timing of event-related payments but the majority of the inflows generally occur prior to the event. Due to the unprecedented stoppage of our concert events globally beginning in mid-March due to the global COVID-19 pandemic, we do not expect that any quarter in 2020 will follow our typical seasonality trend. See "—Seasonality" below. We believe that we have sufficient financial flexibility to fund these fluctuations and to access the global capital markets on satisfactory terms and in adequate amounts, although there can be no assurance that this will be the case, and capital could be less accessible and/or more costly given current economic conditions, including those resulting from the global COVID-19 pandemic. We expect cash flows from operations and borrowings under our amended senior secured credit facility, along with other financing alternatives, to satisfy working capital requirements, capital expenditures and debt service requirements for at least the succeeding year.

We may need to incur additional debt or issue equity to make other strategic acquisitions or investments. There can be no assurance that such financing will be available to us on acceptable terms or at all. We may make significant acquisitions in the near term, subject to limitations imposed by our financing agreements and market conditions.

The lenders under our revolving loans and counterparty to our interest rate hedge agreement consists of banks and other third-party financial institutions. While we currently have no indications or expectations that such lenders will be unable to fund their commitments as required, we can provide no assurances that future funding availability will not be impacted by adverse conditions in the financial markets, including those resulting from the global COVID-19 pandemic. Should an individual lender default on its obligations, the remaining lenders would not be required to fund the shortfall, resulting in a reduction in the total amount available to us for future borrowings, but would remain obligated to fund their own commitments. Should the counterparty to our interest rate hedge agreement default on its obligation, we could experience higher interest rate volatility during the period of any such default.

Sources of Cash

During the first six months of 2020, we amended our senior secured credit facility, issued \$1.2 billion principal amount of 6.5% senior secured notes due 2027 and issued \$400 million principal amount of 2.0% convertible senior notes due 2025. A portion of the proceeds were used to pay fees of approximately \$33.9 million, leaving approximately \$1.6 billion for general corporate purposes. Our senior secured credit facility was further amended in July 2020 to, among other things, provide additional flexibility with our debt covenants.

The amendments to our senior secured credit facility, among other things, provide for (i) a new incremental revolving credit facility, (ii) substitution of the consolidated net leverage ratio covenant with a \$500.0 million liquidity covenant (as defined in the agreement) until the earlier of (a) December 31, 2021 and (b) at our election, any fiscal quarter ending prior to December 31, 2021, (iii) annualization of consolidated EBITDA for the first three fiscal quarters in which the consolidated net leverage ratio covenant applies (as defined in the agreement), (iv) the reset of the consolidated net leverage ratio upon its resumption to 6.75x with step downs to 6.25x after four quarters, 5.75x after eight quarters, 5.50x after twelve quarters and 5.25x after fourteen quarters through maturity, (v) adjustment of the applicable interest rate on the undrawn portion of the delayed draw term loan A and existing revolving credit facility, (vi) adjustment of the delayed draw term loan A and existing revolving credit facility commitment fees, (vii) temporary limits on our ability to make certain investments and incur additional indebtedness and liens during the Restricted Period and (viii) temporary suspension of our ability to make certain voluntary restricted payments through the date on which we deliver a compliance certificate reflecting our compliance with the consolidated net leverage ratio (calculated without annualizing consolidated EBITDA).

Amended Senior Secured Credit Facility

In April 2020, we amended our senior secured credit facility and now have (i) a \$400 million delayed draw term loan A facility, (ii) a \$950 million term loan B facility, (iii) a \$500 million revolving credit facility and (iv) a \$130 million incremental revolving credit facility. The delayed draw term loan A facility is available to be drawn until October 2021. In addition, subject to certain conditions, we have the right to increase such facilities by an amount equal to the sum of (x) \$425 million during the Restricted Period and \$855 million after the Restricted Period, (y) the aggregate principal amount of voluntary prepayments of the delayed draw term loan A and term loan B and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness, and (z) except during the Restricted Period, additional amounts so long as the senior secured leverage ratio calculated on a pro-forma basis (as defined in the agreement) is no greater than 3.75x. The combined revolving credit facilities provide for borrowings up to \$630 million with sublimits of up to (i) \$150 million for the issuance of letters of credit, (ii) \$50 million for swingline loans, (iii) \$300 million for borrowings in Dollars, Euros or British Pounds and (iv) \$100 million for borrowings in those or one or more other approved currencies. The amended senior secured credit facility is secured by a first priority lien on substantially all of the tangible and intangible personal property of LNE and LNE's domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

The interest rates per annum applicable to revolving credit facility loans and the delayed draw term loan A under the amended senior secured credit facility are, at our option, equal to either Eurodollar plus 2.25% or a base rate plus 1.25%. The interest rates per annum applicable to the term loan B are, at our option, equal to either Eurodollar plus 1.75% or a base rate plus 0.75%. The interest rates per annum applicable to the incremental revolving credit facility are, at our option, equal to either Eurodollar plus 2.5% or a base rate plus 1.5%. We are required to pay a commitment fee of 0.5% per year on the undrawn portion available under the revolving credit facility and delayed draw term loan A, 1.75% per year on the undrawn portion available under the incremental revolving credit facility and variable fees on outstanding letters of credit.

For the delayed draw term loan A, we are required to make quarterly payments at a rate ranging from 0.625% of the original principal amount during the first three years to 1.25% during the last two years, with the balance due at maturity in October 2024. For the term loan B, we are required to make quarterly payments of \$2.4 million with the balance due at maturity in October 2026. Both the existing and incremental revolving credit facilities mature in October 2024. We are also required to make mandatory prepayments of the loans under the amended credit agreement, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and specified other events.

There were no borrowings under the revolving credit facilities as of June 30, 2020 and we have not drawn down on the delayed draw term loan A. Based on our outstanding letters of credit of \$64.5 million, \$965.5 million was available for future borrowings from our delayed draw term loan A and revolving credit facilities.

6.5% Senior Secured Notes Due 2027

In May 2020, we issued \$1.2 billion principal amount of 6.5% senior secured notes due 2027. Interest on the notes is payable semi-annually in cash in arrears on May 15 and November 15 of each year beginning on November 15, 2020, and will mature on May 15, 2027. We may redeem some or all of the notes, at any time prior to May 15, 2023, at a price equal to 100% of the aggregate principal amount, plus any accrued and unpaid interest to the date of redemption, plus a “make-whole” premium. We may redeem up to 35% of the aggregate principal amount of the notes from the proceeds of certain equity offerings prior to May 15, 2023, at a price equal to 106.5% of the aggregate principal amount, plus accrued and unpaid interest thereon, if any, to the date of redemption. In addition, on or after May 15, 2023 we may redeem some or all of the notes at any time at redemption prices starting at 104.875% of their principal amount, plus any accrued and unpaid interest to the date of redemption. We must make an offer to redeem the notes at 101% of their aggregate principal amount, plus accrued and unpaid interest to the repurchase date, if we experience certain defined changes of control. The notes are secured by a first priority lien on substantially all of the tangible and intangible personal property of LNE and LNE’s domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

2.0% Convertible Senior Notes Due 2025

In February 2020, we issued \$400 million principal amount of 2.0% convertible senior notes due 2025. Interest on the notes is payable semiannually in arrears on February 15 and August 15, beginning August 15, 2020, at a rate of 2.0% per annum. The notes will mature on February 15, 2025. The notes will be convertible, under certain circumstances, until November 15, 2024, and on or after such date without condition, at an initial conversion rate of 9.4469 shares of our common stock per \$1,000 principal amount of notes, subject to adjustment, which represents a 50.0% conversion premium based on the last reported sale price for our common stock of \$70.57 on January 29, 2020 prior to issuing the notes. Upon conversion, the notes may be settled in shares of common stock or, at our election, cash or a combination of cash and shares of common stock. Assuming we fully settled the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is currently 3.8 million.

We may redeem for cash all or a portion of the notes, at our option, on or after February 21, 2023 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 2.0% convertible senior notes due 2025 may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

Debt Covenants

Our amended senior secured credit facility contains a number of restrictions that, among other things, (i) require us to satisfy a liquidity covenant until the earlier of (a) December 31, 2021 and (b) at our election, any fiscal quarter ending prior to December 31, 2021 so long as such election is made during the last month of such fiscal quarter or within 30 days following the end of such fiscal quarter (such time, the “Liquidity Covenant End Date”) and a consolidated net leverage ratio covenant after such time and (ii) restrict our and our subsidiaries’ ability to incur additional debt, make certain investments and acquisitions, repurchase our stock and prepay certain indebtedness, create liens, enter into agreements with affiliates, modify the nature of our business, enter into sale-leaseback transactions, transfer and sell material assets, merge or consolidate, and pay dividends and make distributions (with the exception of subsidiary dividends or distributions to the parent company or other subsidiaries on at least a pro-rata basis with any noncontrolling interest partners). Certain of these restrictions are further limited temporarily by the July 2020 amendment. Non-compliance with one or more of the covenants and restrictions could result in the full or partial principal balance of the credit facility becoming immediately due and payable. The amended senior secured credit facility agreement has one covenant, measured quarterly, that relates to net leverage. The July 2020 amendment substitutes the consolidated net leverage ratio covenant with a liquidity covenant (as defined in the agreement) that requires our consolidated liquidity be at least \$500 million until the Liquidity Covenant End Date. For fiscal quarters after resumption of the consolidated net leverage covenant, we will be required to maintain a ratio of consolidated total net debt to consolidated EBITDA (both as defined in the amended credit agreement) for the trailing four consecutive quarters of 6.75x with step downs to 6.25x after four quarters, 5.75x after eight quarters, 5.50x after twelve quarters and 5.25x after fourteen quarters through maturity, except that calculations of consolidated EBITDA (as defined in the agreement) for the first three fiscal quarters after resumption of the covenant will be substituted with an annualized consolidated EBITDA (as defined in the agreement).

The indentures governing our 6.5% senior secured notes, 4.75% senior notes, 4.875% senior notes and 5.625% senior notes contain covenants that limit, among other things, our ability and the ability of our restricted subsidiaries to incur certain additional indebtedness and issue preferred stock, make certain distributions, investments and other restricted payments, sell certain assets, agree to any restrictions on the ability of restricted subsidiaries to make payments to us, merge, consolidate or sell all of our assets, create certain liens, and engage in transactions with affiliates on terms that are not on an arms-length basis. Certain covenants, including those pertaining to incurrence of indebtedness, restricted payments, asset sales, mergers, and transactions with affiliates will be suspended during any period in which the notes are rated investment grade by both rating agencies and no default or event of default under the indenture has occurred and is continuing. All of these notes contain two incurrence-based financial covenants, as defined, requiring a minimum fixed charge coverage ratio of 2.0x and a maximum secured indebtedness leverage ratio of 3.5x.

Some of our other subsidiary indebtedness includes restrictions on entering into various transactions, such as acquisitions and disposals, and prohibits payment of ordinary dividends. They also have financial covenants including minimum consolidated EBITDA to consolidated net interest payable, minimum consolidated cash flow to consolidated debt service and maximum consolidated debt to consolidated EBITDA, all as defined in the applicable debt agreements.

As of June 30, 2020, we believe we were in compliance with all of our debt covenants related to our senior secured credit facility and our corporate senior secured notes, senior notes and convertible senior notes. We expect to remain in compliance with all of these debt covenants throughout 2020.

Uses of Cash

Acquisitions

When we make acquisitions, the acquired entity may have cash on its balance sheet at the time of acquisition. All amounts related to the use of cash for acquisitions discussed in this section are presented net of any cash acquired. During the six months ended June 30, 2020, we used \$37.5 million of cash primarily for the acquisitions of a festival promotion business and a venue management business, both located in the United States. As of the date of acquisition, the acquired businesses had a total of \$64.7 million of cash on their balance sheets, primarily related to deferred revenue for future events.

During the six months ended June 30, 2019, we used \$87.6 million of cash primarily for the acquisitions of a venue management business located in Belgium, a festival promotion business and a venue management business, both located in the United States. As of the date of acquisition, the acquired businesses had a total of \$18.1 million of cash on their balance sheets, primarily related to deferred revenue for future events.

Purchases and Sales of Noncontrolling Interests

During the six months ended June 30, 2020, we used \$88.2 million of cash primarily for the acquisition of the remaining interest in two festival promotion businesses located in the United States.

Capital Expenditures

Venue and ticketing operations are capital intensive businesses, requiring continual investment in our existing venues and ticketing systems in order to address fan and artist expectations, technological industry advances and various federal, state and/or local regulations.

We categorize capital outlays between maintenance capital expenditures and revenue generating capital expenditures. Maintenance capital expenditures are associated with the renewal and improvement of existing venues and technology systems, web development and administrative offices. Revenue generating capital expenditures generally relate to the construction of new venues, major renovations to existing buildings or buildings that are being added to our venue network, the development of new ticketing tools and technology enhancements. Revenue generating capital expenditures can also include smaller projects whose purpose is to increase revenue and/or improve operating income. Capital expenditures typically increase during periods when our venues are not in operation since that is the time that such improvements can be completed.

Our capital expenditures, including accruals for amounts incurred but not yet paid for, but net of expenditures funded by outside parties such as landlords or replacements funded by insurance proceeds, consisted of the following:

	Six Months Ended June 30,	
	2020	2019
	<i>(in thousands)</i>	
Maintenance capital expenditures	\$ 45,676	\$ 59,370
Revenue generating capital expenditures	83,355	79,776
Total capital expenditures	<u>\$ 129,031</u>	<u>\$ 139,146</u>

Maintenance capital expenditures during the first six months of 2020 decreased from the same period of the prior year primarily due to a reduction in venue-related projects and technology enhancements as part of our cash savings initiatives implemented in connection with the global COVID-19 pandemic.

We currently expect capital expenditures to be approximately \$215 million for the full year of 2020.

Cash Flows

	Six Months Ended June 30,	
	2020	2019
	<i>(in thousands)</i>	
Cash provided by (used in):		
Operating activities	\$ (390,360)	\$ 293,323
Investing activities	\$ (190,641)	\$ (281,654)
Financing activities	\$ 1,462,098	\$ (97,910)

Operating Activities

Cash used in operating activities was \$390.4 million for the six months ended June 30, 2020 as compared to cash provided by operations of \$293.3 million in the same period of the prior year. During the first six months of 2020, we had lower net cash-related income and a lower increase in prepaid expenses due to the impacts of the global COVID-19 pandemic. In addition, our accounts payable and accrued expenses, and accounts receivable decreased due to the cessation of our concert events beginning in mid-March in response to the global COVID-19 pandemic when compared to the same period of the prior year.

Investing Activities

Cash used in investing activities decreased \$91.0 million for the six months ended June 30, 2020 as compared to the same period of the prior year primarily due to fewer acquisitions. See “—Uses of Cash” above for further discussion.

Financing Activities

Cash provided by financing activities was \$1.5 billion for the six months ended June 30, 2020 as compared to cash used in financing activities of \$97.9 million in the same period of the prior year primarily due to higher net proceeds in 2020 from debt issuances. See “—Sources of Cash” above for further discussion.

Seasonality

Our Concerts and Sponsorship & Advertising segments typically experience higher operating income in the second and third quarters as our outdoor venues and festivals are primarily used in or occur from May through October. In addition, the timing of when tickets are sold and the tours of top-grossing acts can impact comparability of quarterly results year-over-year, although annual results may not be impacted. Our Ticketing segment revenue is impacted by fluctuations in the availability of events for sale to the public, which vary depending upon scheduling by our clients. Due to the unprecedented stoppage of our concert and other events globally beginning in mid-March due to the global COVID-19 pandemic, we do not expect that any quarter in 2020 will follow our typical seasonality trend.

Cash flows from our Concerts segment typically have a slightly different seasonality as payments are often made for artist performance fees and production costs for tours in advance of the date the related event tickets go on sale. These artist fees and production costs are expensed when the event occurs. Once tickets for an event go on sale, we generally begin to receive

payments from ticket sales at our owned or operated venues and festivals in advance of when the event occurs. We record these ticket sales as revenue when the event occurs.

Market Risk

We are exposed to market risks arising from changes in market rates and prices, including movements in foreign currency exchange rates and interest rates.

Foreign Currency Risk

We have operations in countries throughout the world. The financial results of our foreign operations are measured in their local currencies. Our foreign subsidiaries also carry certain net assets or liabilities that are denominated in a currency other than that subsidiary's functional currency. As a result, our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in the foreign markets in which we have operations. Currently, we do not have significant operations in hyper-inflationary countries. Our foreign operations reported an operating loss of \$162.8 million for the six months ended June 30, 2020. We estimate that a 10% change in the value of the United States dollar relative to foreign currencies would change our operating loss for the six months ended June 30, 2020 by \$16.3 million. As of June 30, 2020, our most significant foreign exchange exposure included the Euro, British Pound, Australian Dollar and Canadian Dollar. This analysis does not consider the implication such currency fluctuations could have on the overall economic conditions of the United States or other foreign countries in which we operate or on the results of operations of our foreign entities. In addition, the reported carrying value of our assets and liabilities, including the total cash and cash equivalents held by our foreign operations, will also be affected by changes in foreign currency exchange rates.

We primarily use forward currency contracts, in addition to options, to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. We also may enter into forward currency contracts to minimize the risks and/or costs associated with changes in foreign currency rates on forecasted operating income. At June 30, 2020, we had forward currency contracts outstanding with a notional amount of \$74.7 million.

Interest Rate Risk

Our market risk is also affected by changes in interest rates. We had \$5.0 billion of total debt, excluding debt discounts and issuance costs, outstanding as of June 30, 2020, of which \$4.5 billion was fixed-rate debt and \$0.5 billion was floating-rate debt.

Based on the amount of our floating-rate debt as of June 30, 2020, each 25-basis point increase or decrease in interest rates would increase or decrease our annual interest expense and cash outlay by approximately \$1.2 million. This potential increase or decrease is based on the simplified assumption that the level of floating-rate debt remains constant with an immediate across-the-board increase or decrease as of June 30, 2020 with no subsequent change in rates for the remainder of the period.

In January 2020, we entered into an interest rate swap agreement that is designated as a cash flow hedge for accounting purposes to effectively convert a portion of our floating-rate debt to a fixed-rate basis. The swap agreement expires in October 2026, has a notional amount of \$500.0 million and ensures that a portion of our floating-rate debt does not exceed 3.397%.

Accounting Pronouncements

Information regarding recently issued and adopted accounting pronouncements can be found in Item 1.—Financial Statements—Note 1—Basis of Presentation and Other Information.

Critical Accounting Policies and Estimates

The preparation of our financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. On an ongoing basis, we evaluate our estimates that are based on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of revenue and expenses that are not readily apparent from other sources. Because future events and their effects cannot be determined with certainty, actual results could differ from our assumptions and estimates, and such difference could be material.

Management believes that the accounting estimates involved in business combinations, impairment of long-lived assets and goodwill, revenue recognition, and income taxes are the most critical to aid in fully understanding and evaluating our

reported financial results, and they require management's most difficult, subjective or complex judgments, resulting from the need to make estimates about the effect of matters that are inherently uncertain. These critical accounting estimates, the judgments and assumptions and the effect if actual results differ from these assumptions are described in Part II Financial Information—Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our 2019 Annual Report on Form 10-K filed with the SEC on February 27, 2020.

Impacts to our critical accounting policies and estimates are discussed below and in Part I—Financial Information—Item 1. Financial Statements—Note 3—Long-Lived Assets.

Goodwill

We currently have seven reporting units with goodwill balances: International Concerts, North America Concerts, Artist Management and Artist Services (non-management) within the Concerts segment; Sponsorship & Advertising; and International Ticketing and North America Ticketing within the Ticketing segment. We review goodwill for impairment annually, as of October 1, using a two-step process. As such, we completed our annual review in the fourth quarter of 2019 and, as reported in our December 31, 2019 Form 10-K, no impairments were recorded as the fair value of each reporting unit was determined to be in excess of its carrying value for all reporting units.

We also test goodwill for impairment in other periods if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount or when we change our reporting units. The rapid and severe impacts of the global COVID-19 pandemic, and more specifically the need to support global social distancing efforts, mitigate the spread of the virus, and comply with restrictions put in place by various governmental entities, led to our decision to stop all tours and close our venues beginning in mid-March. As such actions are having a material impact on our cash flows during the suspension of operations, we performed qualitative and sensitivity reviews in both quarters of this year to assess whether we believed these actions caused the fair value of any of our reporting units to fall below its carrying value.

These qualitative and sensitivity reviews considered relevant events and circumstances such as recent historical financial performance, industry and market conditions, macroeconomic conditions, reporting unit-specific events, historical results of goodwill impairment testing, and the timing of the last performance of a quantitative assessment. Inherent in such assessments are certain judgments and estimates relating to future cash flows, including our interpretation of current economic indicators and market influences and valuations, and assumptions about our near-term and strategic plans with regard to our operations. This included our expectations of the timing for resuming operations, including the differences in that timing worldwide and the rescheduling efforts for our events, as well as our current aggressive cost-savings and cash management programs. Due to the uncertainties associated with such estimates, actual results could differ from such estimates.

Specifically, these reviews included updating recent quantitative tests for current discount rates and financial results and forecasts, performing tests of model sensitivities to changes in discount rates, revenue and terminal growth rates and market multiples, or a consideration of the impact from changes in financial forecasts, discount rates and carrying values. As a result of these interim assessments, we concluded that, during the six months ended June 30, 2020, no conditions existed that would more likely than not reduce the fair value of any of our reporting units below its carrying amount and therefore we do not believe that our goodwill is impaired. Our Artist Management and Artist Services reporting units continue to be more sensitive than our other reporting units. We are unable to predict how long the impacts from the global COVID-19 pandemic will impact our operations or what additional restrictions may be imposed by governments. Significant variations from current expectations could impact future assessments.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Required information is within Item 2.—Management’s Discussion and Analysis of Financial Condition and Results of Operations—Market Risk.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

We have established disclosure controls and procedures to ensure that material information relating to our company, including our consolidated subsidiaries, is made known to the officers who certify our financial reports and to other members of senior management and our board of directors.

Based on their evaluation as of June 30, 2020, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) are effective to ensure that (1) the information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and (2) the information we are required to disclose in such reports is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls and procedures or internal controls will prevent all possible errors and fraud. Our disclosure controls and procedures are, however, designed to provide reasonable assurance of achieving their objectives, and our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures are effective at that reasonable assurance level.

Changes in Internal Control Over Financial Reporting

There has been no change in our internal control over financial reporting during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting. We have not experienced any material impact to our internal controls over financial reporting resulting from the fact that most of our employees are working remotely due to the global COVID-19 pandemic. We are continually monitoring and assessing the impact of the global COVID-19 pandemic on our internal controls to minimize the affects on their design and operating effectiveness.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings

Information regarding our legal proceedings can be found in Part I—Financial Information—Item 1. Financial Statements—Note 8—Commitments and Contingent Liabilities.

Item 1A. Risk Factors

While we attempt to identify, manage and mitigate risks and uncertainties associated with our business to the extent practical under the circumstances, some level of risk and uncertainty will always be present. Part I—Item 1A.—Risk Factors of our 2019 Annual Report on Form 10-K filed with the SEC on February 27, 2020, describes some of the risks and uncertainties associated with our business which could materially and adversely affect our business, financial condition, cash flows and results of operations, and the trading price of our common stock could decline as a result. In addition to our discussion in our consolidated financial statements and the related notes, management's discussion and analysis of financial condition and results of operations, and other sections of this report to address effects of the global COVID-19 pandemic, we have provided an additional risk factor regarding the global COVID-19 pandemic below. As discussed below, the impact of the global COVID-19 pandemic can also exacerbate other risks discussed in the Risk Factors section of our 2019 Form 10-K and this report, which could in turn have a material negative effect on us. These risk factors do not identify all risks that we face; our operations could also be affected by factors that are not presently known to us or that we currently consider to be immaterial to our operations. Due to risks and uncertainties, known and unknown, our past financial results may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results or trends in future periods.

The global COVID-19 pandemic has had, and is likely to continue to have, a material negative impact on our business and operating results. The ultimate magnitude of this impact will depend on a variety of factors, including the duration of the pandemic, restrictions or new operational requirements in place or that result as our operations recommence on a jurisdiction by jurisdiction basis, the state of the global economy as a result of the pandemic, and the public's willingness to attend events with large numbers of people, all of which are unknowable at this time.

In mid-March 2020, as the unprecedented impact of the global COVID-19 pandemic became clearer, we ceased all Live Nation tours and closed our venues to support global efforts at social distancing and mitigating the spread of the virus, and to comply with restrictions put in place by various governmental entities. Other concert promoters, venue operators and sports leagues around the globe similarly shut down. Each of our segments—Concerts, Ticketing and Sponsorship & Advertising—depends on live music and sporting events in order to generate most of its revenue, whether through promotion of music tours or the operation of venues that host concerts, sales of sponsorship and advertising for such venues or show activity, or ticketing of concerts and sporting events. As of the date of this report, certain sports leagues have recommenced, but they have largely done so without fans, and thus without the need for ticketing. There has also been extremely limited concert activity, largely outside of the United States, at reduced capacity. Until such time as fans are allowed at sporting events and concerts recommence in a meaningful way, our revenue will be minimal; the possibility exists that these circumstances might continue for a longer period of time than current expectations.

We have never previously experienced a complete cessation of our live music operations, and as a result, our ability to gauge the impact of such a cessation on our company and its future prospects is uncertain. Due to the unprecedented nature of the global COVID-19 pandemic and its impacts on our business, our ability to forecast our cash inflows is hampered, and therefore our focus is on forecasting and managing operating costs and cash outflows against our overall liquidity position. At this time, it is impossible to know or predict when events will once again be held at a meaningful scope and scale, as at the outset of the pandemic national and local governments around the world placed various restrictions on gatherings of people and implemented social distancing requirements that prohibit the holding of these events, and have largely not relaxed these restrictions in a way that would again allow such events. In addition, it is currently unclear as to what restrictions will be placed on events once they recommence at various points in time in the 40 countries in which we operate.

The company faces ancillary risks and uncertainties arising from the global COVID-19 pandemic in addition to the current shutdown of its revenue-generating operations. Many of these risks and uncertainties are more fully described in Part I—Item 1A.—Risk Factors of our 2019 Annual Report on Form 10-K filed with the SEC on February 27, 2020, whether or not such risk factors identify the global COVID-19 pandemic as the underlying cause, and many extend beyond the duration of the current shutdown due to the uncertainty as to how the live music and sporting industries, and the world in general, will change in the short and long term as a result of the pandemic. The risks and uncertainties described herein should be read in conjunction with those set forth in the 10-K. Such additional or attendant risks and uncertainties include, among other things:

- the impact of any lingering economic downturn or recession resulting from the pandemic, including without limitation any reduction in discretionary spending or confidence for both consumers and sponsors/advertisers, such as a decline

in ticket sales, attendance and revenue that the company has generally avoided in prior economic slowdowns but experienced during and after the global financial crisis in 2010;

- the increased risk of litigation in the current and future environment, such as pending lawsuits challenging aspects of the company's ticket refund policies and procedures;
- a reduction in the profitability of our operations when concerts resume, whether due to increased operating costs of complying with governmental restrictions or safety precautions and protocols voluntarily undertaken, such as the need to supply personal protective equipment or conduct health screenings at points of ingress, or due to a reduction in revenue arising from such precautions, such as the potential that venues may not be able to be filled to capacity due to spacing and social distancing limitations in place at such time;
- the impact on our workforce, including as a result of employee furloughs as part of our cost-savings initiatives, which may include loss of key personnel as furloughed employees find other employment or choose not to return to the company, lowered employee morale, inability to replace hourly/seasonal workforce, or loss of important subcontractors, all of which may negatively impact our ability to quickly capitalize on opportunities as pandemic restrictions are eased or to conduct our operations in the future;
- potential decreased willingness of artists to tour, or impracticability of touring due to varying restrictions from jurisdiction to jurisdiction, including the possibility that national or sub-national borders are closed to travel;
- potential changes to consumer preferences for consumption of live music or sporting events due to fears of, or restrictions on, large gatherings;
- some customers of our ticketing business may not receive refunds for ticket purchases if the venue/client hosting the impacted event is unable or unwilling to return the funds;
- loss of ticketing clients due to the economic impacts of the pandemic whereby they are no longer in operation, reducing the number of events to which our ticketing business can sell tickets;
- the inability to pursue expansion opportunities or acquisitions due to capital constraints;
- the future availability or increased cost of insurance coverage;
- a potential shift away from live events by sponsors and advertisers; and
- the incurrence of additional expenses related to compliance, precautions and management of our company during and after this period.

The likelihood of the realization or intensification of these risks and uncertainties and the ultimate magnitude of their impact on the company are not knowable or quantifiable at this time. The global COVID-19 pandemic may endure for an unknown period of time, and the after-effects could linger. In addition, as has already occurred in various locations, the potential exists for further waves of the pandemic after the current wave of infections subsides, which may lead to stronger restrictions being put into place for a greater duration of time. Different jurisdictions will lift social distancing guidelines and restrictions on gatherings of people at different times, and will have different rules in place thereafter. The longer the duration of the global COVID-19 pandemic, and the greater the ancillary and lingering effects, the greater the material negative impact on the company and its results of operations will be.

In addition, due to the reduction in cash flows we have experienced and are likely to experience in the future from the global COVID-19 pandemic, we have proactively taken a number of steps to enhance our liquidity position, including our cost-savings and cash management programs described in Item 1.—Financial Statements—Note 2—Impact of the Global COVID-19 Pandemic, the additional debt issuances and the amendments we made to our senior secured credit facility described in Item 1.—Financial Statements—Note 5—Long-Term Debt.

Our decreased cash flows have heightened and intensified the risks described under the "Risks Relating to Our Leverage" section of the risk factors in our 10-K. While the amendments to our senior secured credit facility relieved some of the pressure on the consolidated net leverage covenant therein, which requires us to maintain a ratio of consolidated total net debt to consolidated EBITDA (both as defined in the credit agreement), there can be no assurances that we will remain in compliance with this or other covenants in our debt and credit instruments, or that we would be able to obtain waivers or amendments in order to avoid default.

We will continue to evaluate and explore additional mechanisms to attempt to ensure that we have adequate capital to fund our business, including through the issuance and sale of additional debt or equity securities. The terms of future debt agreements could include more restrictive covenants, or require incremental collateral, which may further restrict our business operations or be unavailable due to our covenant restrictions then in effect. Due to potential liquidity concerns caused by the global COVID-19 pandemic, in March 2020, Moody's downgraded our Corporate Family Ratings and in May 2020, S&P downgraded the company's credit ratings to B+ with a negative outlook; the likelihood that we may experience further negative credit actions increases the longer the duration of the pandemic and its ancillary effects. There is no guarantee that debt financings will be available in the future to fund our obligations, or that they will be available on terms consistent with our expectations. Additionally, the impact of the global COVID-19 pandemic on the financial markets could adversely impact our ability to raise funds.

Any Borrower may from time to time request that an additional currency be added as "Alternative Currency" provided that such requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars. Such request shall be subject to the approval of the Administrative Agent and each Multicurrency Revolving Lender, and, to the extent such Alternative Currency is proposed to be available under the Limited Currency Revolving Facility, each Limited Currency Revolving Lender; provided that if such "Alternative Currency" is to be used for Letters of Credit only, such request shall be subject only to the approval of the Administrative Agent and the Multicurrency L/C Issuer.

1.08 Additional Borrowers.

Notwithstanding anything in Section 11.01 to the contrary, following the Closing Date, the Parent Borrower may add one or more of its Foreign Subsidiaries that is a Wholly Owned Subsidiary as an additional Foreign Borrower under the Limited Currency Revolving Facility or Multicurrency Revolving Facility by delivering to the Administrative Agent a Foreign Borrower Agreement executed by such Subsidiary and the Parent Borrower. After (i) five Business Days have elapsed after such delivery and (ii) receipt by each Lender and the Administrative

Agent of such documentation and other information reasonably requested by such Lender or the Administrative Agent, as the case may be (which documentation and information shall be reasonably satisfactory to such Lender), for purposes of complying with all necessary “know your customer” or other similar checks under all applicable laws and regulations, such Foreign Subsidiary shall for all purposes of this Credit Agreement be a Foreign Borrower hereunder; provided that each Foreign Borrower shall also be a Foreign Guarantor. Any obligations in respect of borrowings by any Foreign Subsidiary under the Credit Agreement will constitute “Obligations,” “Foreign Obligations” and “Secured Obligations” for all purposes of the Credit Documents. If the applicable additional Foreign Borrower is organized or incorporated under the laws of, or for applicable Tax purposes is resident of or treated as engaged in a trade or business in, or having a paying agent in, any jurisdiction other than a jurisdiction under the laws of which at least one of the then-existing Borrowers is organized or incorporated on the date such Foreign Borrower Agreement is delivered to the Applicable Agent, as a condition to adding such Foreign Borrower, there shall be an amendment to the Credit Documents (including, without limitation, to Section 3.01 of this Credit Agreement and the definition of “Excluded Taxes”), if such amendment is reasonably necessary or appropriate as mutually determined by the Administrative Agent and Parent Borrower which amendment must be as mutually agreed by the Administrative Agent, the Parent Borrower, the applicable additional Foreign Borrower and each Limited Currency Revolving Lender and/or Multicurrency Revolving Lender (as applicable) (provided that no such amendment shall materially adversely affect the rights of any Lender that has not consented to such amendment). Upon the execution by the Parent Borrower and a Foreign Borrower and delivery to the Administrative Agent of a Foreign Borrower Termination with respect to such Foreign Borrower, such Foreign Borrower shall cease to be a Foreign Borrower and a party to this Credit Agreement; provided that no Foreign Borrower Termination will become effective as to any Foreign Borrower (other than to terminate such Foreign Borrower’s right to make further Borrowings under this Credit Agreement) at a time when any Loan to, B/A on behalf of, or Letter of Credit issued to such Foreign Borrower shall be outstanding hereunder. Promptly following receipt of any Foreign Borrower Agreement or Foreign Borrower Termination, the Administrative Agent shall send a copy thereof to each Lender. Notwithstanding the foregoing, no such Foreign Subsidiary may become a Foreign Borrower if any Limited Currency Revolving Lender or Multicurrency Revolving Lender would be prohibited by applicable Law from making loans to such Foreign Subsidiary.

1.09 Change of Currency.

(a) Each obligation of the Borrowers to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the Amendment No. 6 Effective Date shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Credit Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Credit Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Credit Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

1.10 Letter of Credit Amounts.

Unless otherwise provided, all references herein to the amount of a Letter of Credit at any time shall be deemed to mean the Dollar Equivalent of the maximum face amount available to be drawn of such Letter of Credit

after giving effect to all increases thereof contemplated by such Letter of Credit or the Issuer Documents related thereto, whether or not such maximum face amount is in effect at such time.

1.11 Limited Condition Acquisitions.

In connection with any action being taken in connection with a Limited Condition Acquisition for purposes of determining

ARTICLE I. whether any Indebtedness that is being incurred in connection with such Limited Condition Acquisition is permitted to be incurred in compliance with Section 8.03 or Section 2.01(f);

(a) whether any Lien being incurred in connection with such Limited Condition Acquisition is permitted to be incurred in accordance with Section 8.01 or Section 2.01(f);

At the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "LCA Election"), the date that the definitive agreement for such Limited Condition Acquisition is entered into (the "Transaction Agreement Date") may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis," Consolidated EBITDA or "Consolidated Net Income". For the avoidance of doubt, if the Parent Borrower makes an LCA Election, (a) any fluctuation or change in the Consolidated Net Leverage Ratio, Senior Secured Leverage Ratio, Consolidated Total Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Consolidated Total Assets and/or Consolidated Tangible Assets of the Parent Borrower from the Transaction Agreement Date to the date of consummation of such Limited Condition Acquisition will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Limited Condition Acquisition is permitted to be incurred, or whether any other transaction undertaken in connection with such Limited Condition Acquisition by the Parent Borrower or any of the Restricted Subsidiaries complies with the Credit Documents and (b) after the Transaction Agreement Date and until such Limited Condition Acquisition is consummated or the definitive agreements in respect thereof are terminated or expire, such Limited Condition Acquisition and all transactions proposed to be undertaken in connection therewith (including without limitation the incurrence of Indebtedness and Liens) will be given Pro Forma Effect as if they occurred at the beginning of the most recently completed four consecutive fiscal quarter period for which financial statements have been delivered pursuant to Section 7.01(a) or (b) and ended on or prior to the Transaction Agreement Date when determining compliance of other transactions (including without limitation the incurrence of Indebtedness and Liens unrelated to such Limited Condition Acquisition) that are consummated after the Transaction Agreement Date and on or prior to the date of consummation of such Limited Condition Acquisition and any such transactions (including without limitation any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the Transaction Agreement Date and be outstanding thereafter for purposes of calculating any baskets or ratios under the Credit Documents after the Transaction Agreement Date and before the date of consummation of such Limited Condition Acquisition (or the date the definitive agreements in respect thereof are terminated or expire).

1.12 Divisions.

For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

(i) the aggregate principal amount of loans and commitments for all the Incremental Loan Facilities established after the Amendment No. 6 Effective Date will not exceed an amount equal to the sum of (x) \$985.0 million (the “Incremental Base Amount”) minus the sum of (A) the aggregate principal amount of Incremental Equivalent Debt incurred pursuant to Section 8.03(z)(i) and (B) the aggregate amount of the 2020-1 Incremental Revolving Commitments plus (y) the aggregate principal amount of voluntary prepayments of the Term B-4 Loans and Delayed Draw Term A Loans pursuant to Section 2.06(a) and permanent reductions in the Revolving Commitments pursuant to Section 2.07 made prior to the date of such incurrence, in each case, other than from proceeds of long-term Indebtedness and (z) the additional amounts of Indebtedness that may be incurred at such time that would not cause the Senior Secured Leverage Ratio on a Pro Forma Basis (for the avoidance of doubt, after giving effect to such Incremental Loan Facilities (and the immediately following provisos)) as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05) to exceed 3.75 to 1.00; provided further that, in each case, with respect to any Incremental Revolving Commitment or Incremental Revolving Facility, the maximum amount of Revolving Loans available to be drawn thereunder is assumed to have been borrowed, but without giving effect to any incurrence under the Incremental Base Amount that is incurred substantially simultaneously with amounts under this clause (z); provided further that the Borrowers shall be deemed to have utilized the amounts under clause (y) and (z) prior to utilization of the amounts under clause (x) (except that this proviso shall not apply to the establishment of the 2020-1 Incremental Revolving Commitments, as to which clause (i)(x)(B) shall apply);

(ii) subject to the Limited Condition Acquisition provisions, no Default or Event of Default shall have occurred and be continuing or shall result after giving effect to any such Incremental Loan Facility (or, in the case of any Limited Condition Acquisition, no Event of Default under Section 9.01(a) or 9.01(f) as of the Transaction Agreement Date) shall exist);

(iii) the conditions to the making of a Credit Extension under Section 5.02 shall be satisfied;

(iv) after giving effect on a Pro Forma Basis to the borrowings to be made pursuant to such Incremental Loan Facility, as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05), the Parent Borrower would be in compliance with Section 8.10 (and the Parent Borrower shall deliver a certificate of a Responsible Officer of the Parent Borrower as to the satisfaction of the requirements of this clause (iv) and clauses (ii) and (iii) above);

(v) all Incremental Term Loans shall be borrowed by the Parent Borrower and guaranteed by the Domestic Guarantors; and

(vi) the Incremental Revolving Commitments and Incremental Revolving Facilities may be of the Parent Borrower and any other Borrower and shall be guaranteed only by Loan Parties; provided that, for the avoidance of doubt, (A) the use of such Incremental Revolving Commitments and Incremental Revolving Facilities shall be subject to the L/C Sublimit, the Swingline Sublimit, the Alternative Currency L/C Sublimit and the Alternative Currency Sublimit; and (B) the 2020-1 Incremental Revolving Commitments and the 2020-1 Incremental Revolving Loans shall be borrowed and guaranteed by the Parent Borrower and all of the Domestic Guarantors (or any other Borrowers or Guarantors that from time to time borrow or guarantee, as the case may be, the Original Revolving Loans).

In connection with the establishment of any Incremental Loan Facility, (A) neither of the Lead Arrangers or the Administrative Agent hereunder shall have any obligation to arrange for or assist in arranging for any Incremental Loan Facility, (B) any Incremental Loan Facility shall be subject to such conditions, including fee arrangements, as may be provided in connection therewith and (C) none of the Lenders shall have any obligation to provide commitments or loans for any Incremental Loan Facility.

(g) Establishment of Incremental Revolving Commitments and Incremental Revolving Facilities. Subject to Section 2.01(f), any Borrower may (x) establish Incremental Revolving Commitments or Incremental Revolving Facilities by increasing the Aggregate Dollar Revolving Committed Amount, Aggregate Limited Currency Revolving Committed Amount ~~or~~, Aggregate Multicurrency Revolving Committed Amount or the Aggregate 2020-1 Incremental Revolving Committed Amount hereunder and (y) establish Incremental Revolving Facilities; provided that:

(i) any Person that is not a Revolving Lender that is proposed to be a Lender under any such increased Aggregate Revolving Committed Amount or Incremental Revolving Facility shall be reasonably acceptable to the Administrative Agent, any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) or Aggregate Limited Currency Revolving Committed Amount (whether or not an existing Limited Currency Revolving Lender) shall be reasonably acceptable to each L/C Issuer and any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) shall be reasonably acceptable to the Swingline Lender;

(ii) any Incremental Revolving Facility shall not contain Swingline Loans or Letters of Credit under the Revolving Commitments;

(iii) Persons providing commitments for the Incremental Revolving Commitments or Incremental Revolving Facilities pursuant to this Section 2.01(g) will provide a Revolving Lender Joinder Agreement;

(iv) increases in the Aggregate Revolving Committed Amount will be in a minimum principal amount of \$10.0 million and integral multiples of \$5.0 million in excess thereof and Incremental Revolving Facilities shall be in a minimum principal amount of \$5.0 million and integral multiples of \$10.0 million;

(v) in the case any Incremental Revolving Commitments are established, if any Revolving Loans are outstanding at the time of any such increase under the applicable Revolving Facility, either (x) each applicable Borrower will prepay such Revolving Loans on the date of effectiveness of the Incremental Revolving Commitments (including payment of any break-funding amounts owing under Section 3.05) or (y) each Lender with an Incremental Revolving Commitment shall purchase at par interests in each Borrowing of Revolving Loans then outstanding under the applicable Revolving Facility such that immediately after giving effect to such purchases, each Borrowing thereunder shall be held by each Lender in accordance with its Pro Rata Share of such Revolving Facility (and, in connection therewith, each applicable Borrower shall pay all amounts that would have been payable pursuant to Section 3.05 had the Revolving Loans so purchased been prepaid on such date);

(vi) the final maturity date of any Incremental Revolving Facility shall be no earlier than the Revolving Termination Date and no Incremental Revolving Facility will require any scheduled amortization or mandatory commitment reduction prior to the Revolving Termination Date;

(vii) the final maturity date of any Incremental Revolving Commitment shall be the same as the final maturity date of the Revolving Facility being increased and no Incremental Revolving Commitment will require any scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Revolving Facility being increased; and

(viii) the Effective Yield with respect to any Incremental Revolving Facility shall be determined by the Parent Borrower and the Lenders of the Incremental Revolving Facility; provided that with respect to any Incremental Revolving Facility incurred prior to the date that is twelve (12) months after the Amendment No. 6 Effective Date, in the event that the Effective Yield for any such Incremental Revolving Facility is greater than the Effective Yield for the applicable Revolving Facility by more than 50 basis points, then the Applicable Percentage for the applicable Revolving Facility shall be increased to the extent necessary so that the Effective Yield for the Incremental Revolving Facility is not more than 50 basis

points higher than the Effective Yield for the applicable Revolving Facility; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Eurodollar Rate “floor” or Base Rate “floor” applicable to any Incremental Revolving Facility exceeds the Eurodollar Rate “floor” or Base Rate “floor” applicable to the applicable Revolving Facility, the Eurodollar Rate “floor” or Base Rate “floor” applicable to the applicable Revolving Facility shall be increased so that the Eurodollar Rate “floor” and Base Rate “floor” is the same for both the Incremental Revolving Facility and the applicable Revolving Facility but only to the extent an increase in such “floor” applicable to the applicable Revolving Facility would cause an increase in the interest rate then in effect for the applicable Revolving Facility, and in such case the applicable “floor” (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the applicable Revolving Facility shall be increased to the extent of such differential between the applicable “floors” (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Eurodollar Rate or Base Rate “floors” for the Incremental Revolving Facility being higher than such “floors” for the applicable Revolving Facility and not any other component of any such required increase in the Applicable Percentage).

Any Incremental Revolving Commitment established hereunder shall have terms identical to the Dollar Revolving Commitments, Limited Currency Revolving Commitments ~~or~~, Multicurrency Revolving Commitments or 2020-1 Incremental Revolving Commitments, as the case may be, existing on the Amendment No. 6.7 Effective Date; provided that, if required to consummate an Incremental Revolving Commitment, the pricing, interest rate margins, rate floors and undrawn fees on the Revolving Facility being increased may be increased for all Lenders of such Revolving Facility without the consent of any Lender, but additional upfront or similar fees may be payable to the Lenders participating in the Incremental Revolving Commitment without any requirement to pay such amounts to any existing Lenders, it being understood that the Credit Parties and the Administrative Agent may make (without the consent of or notice to any other party) any amendment to reflect such increase in the Revolving Commitments.

Any Incremental Revolving Facility established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Revolving Facilities hereunder); provided that, to the extent that such terms and documentation are not consistent with the applicable Revolving Facilities (except to the extent permitted by clause (vi) or (viii) above), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than any then-existing Term Loans or Revolving Facility if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Revolving Facility that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all of the Term Loans and Revolving Facilities.

(h) Establishment of Incremental Term Loans. Subject to Section 2.01(f), the Parent Borrower may, at any time, establish additional term loan commitments (including additional commitments for Term B-4 Loans) for Incremental Term Loans; provided that:

- (i) any Person that is not a Lender or Eligible Assignee that is proposed to be a Lender shall be reasonably acceptable to the Administrative Agent;
- (ii) Persons providing commitments for the Incremental Term Loan pursuant to this Section 2.01(h) will provide an Incremental Term Loan Joinder Agreement;

(iii) additional commitments established for the Incremental Term Loan will be in a minimum aggregate principal amount of \$15.0 million and integral multiples of \$5.0 million in excess thereof; provided that such commitments shall not be established on more than four (4) separate occasions;

(iv) the final maturity date of any Incremental Term Loan shall be no earlier than the Term B-4 Loan Termination Date;

(v) the Effective Yield with respect to any Incremental Term Loans shall be determined by the Parent Borrower and the Lenders of the Incremental Term Loans; provided that with respect to any Incremental Term Loans incurred prior to the date that is twelve (12) months after the Amendment No. 6 Effective Date, in the event that the Effective Yield for any such Incremental Term Loans is greater than the Effective Yield for the Term B-4 Loans by more than 50 basis points, then the Applicable Percentage for the Term B-4 Loans shall be increased to the extent necessary so that the Effective Yield for the Incremental Term Loans is not more than 50 basis points higher than the Effective Yield for the Term B-4 Loans; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Eurodollar Rate “floor” or Base Rate “floor” applicable to any Incremental Term Loans exceeds the Eurodollar Rate “floor” or Base Rate “floor” applicable to Term B-4 Loans, the Eurodollar Rate “floor” or Base Rate “floor” applicable to the Term B-4 Loans shall be increased so that the Eurodollar Rate “floor” and Base Rate “floor” is the same for both the Incremental Term Loans and the Term B-4 Loans but only to the extent an increase in such “floor” applicable to the Term B-4 Loans would cause an increase in the interest rate then in effect for the Term B-4 Loans, and in such case the applicable “floor” (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the Term B-4 Loans shall be increased to the extent of such differential between the applicable “floors” (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Eurodollar Rate or Base Rate “floors” for the Incremental Term Loans being higher than such “floors” for the Term B-4 Loans and not any other component of any such required increase in the Applicable Percentage); and

(vi) the Weighted Average Life to Maturity of any Incremental Term Loan shall not be shorter than the Term B-4 Loans (without giving effect to such Incremental Term Loans).

Any Incremental Term Loan established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Term Loans hereunder including, without limitation, to provide that such Incremental Term Loans shall share in mandatory prepayments on the same basis as the Delayed Draw Term A Loans and Term B-4 Loans); provided that, to the extent that such terms and documentation are not consistent with the Term B-4 Loans (except to the extent permitted by clause (iv), (v) or (vi) above and except to the extent of any market call provisions), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than those contained herein if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders.

Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Parent Borrower or any other Borrower to repay such Loan in accordance with the terms hereof.

(b) Following receipt of a Loan Notice, the Applicable Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Loans or B/A Drawings (the "[Section 2.02\(b\) Ratable Share](#)"), and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Applicable Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. Upon satisfaction of the applicable conditions set forth in [Section 5.02](#) (and, if such Borrowing is the initial Credit Extension, [Section 5.01](#)), the Applicable Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Applicable

Agent either by (i) crediting the account of such Borrower on the books of the Applicable Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to the Applicable Agent by such Borrower. Notwithstanding anything contained in any Credit Document to the contrary, with respect to any requested Fronted Currency Loan (i) the Section 2.02(b) Ratable Share of the Alternative Currency Fronting Lender(s) for the applicable Fronted Currency shall be determined as if the Alternative Currency Fronting Lender(s) ratably owned the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders (for the avoidance of doubt, it is understood and agreed that (A) for the purposes of determining Pro Rata Shares of the Multicurrency Revolving Lenders and the use of the Multicurrency Revolving Commitments, the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders shall be deemed to be used when the Alternative Currency Fronting Lender(s) make such Fronted Currency Loan and (B) the Pro Rata Shares of the Multicurrency Revolving Lenders shall not otherwise be affected by the transactions contemplated by this sentence), and such Section 2.02(b) Ratable Share for purposes of this clause (i) shall be notified in writing by the Administrative Agent upon request by the applicable Alternative Currency Fronting Lender(s), (ii) if such Fronted Currency Loan is not paid for any reason when due (at maturity, acceleration or otherwise), each Participating Fronted Currency Lender shall pay to the Alternative Currency Fronting Lender an amount in Dollars equal to the Dollar Equivalent of such Participating Fronted Currency Lender's Pro Rata Share (without giving effect to the immediately preceding clause (i)) under the Multicurrency Revolving Facility of such Fronted Currency Loan (which such payment to be made (x) if any applicable Alternative Currency Fronting Lender makes the request therefor prior to noon on any Business Day, on such Business Day and (y) if otherwise, on the Business Day following the request therefor by the applicable Alternative Currency Fronting Lender), and such payment shall be made by such Participating Fronted Currency Lender regardless of any circumstance whatsoever, including the occurrence of a Default, Event of Default or the termination or expiration of the Multicurrency Revolving Commitments (and if such payment is not made by such Participating Fronted Currency Lender when required pursuant to this clause (ii), then interest (in Dollars) shall accrue on such payment at a rate equal to the greater of the applicable Overnight Bank Funding Rate from time to time in effect and a rate reasonably determined by the applicable Alternative Currency Fronting Lender in its sole discretion in accordance with banking industry rules on interbank compensation, and such payment and the interest thereon shall be due upon demand), (iii) the Participating Fronted Currency Lenders shall have no obligation to make any Loan in any Fronted Currency, and no Lender (other than the Alternative Currency Fronting Lenders) shall be liable or otherwise responsible for the failure of the applicable Alternative Currency Fronting Lender(s) to make any Fronted Currency Loan, (iv) the interest on the Fronted Currency Loans made by each Alternative Currency Fronting Lender pursuant to the operation of this sentence shall be for the account of such Alternative Currency Fronting Lender, (v) if there is no Alternative Currency Fronting Lender for a particular Fronted Currency at any time, then no Fronted Currency Loans in such Fronted Currency shall be made at such time and (vi) the Alternative Currency Fronting Lender for any particular Fronted Currency may set limits on the aggregate amount of Revolving Loans that may be made by it in such Fronted Currency by notice to the Administrative Agent and the Parent Borrower.

(c) Except as otherwise provided herein, without the consent of the Required Lenders, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. During the existence of a Default or Event of Default, at the request of the Required Lenders or the Applicable Agent, (i) no Loan denominated in Dollars or Canadian Dollars may be requested as, converted to or continued as a Eurodollar Rate Loan and (ii) any outstanding Eurodollar Rate Loan denominated in Dollars or Canadian Dollars shall be converted to a Base Rate Loan on the last day of the Interest Period with respect thereto.

(d) The Applicable Agent shall promptly notify the applicable Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Adjusted Eurodollar Rate by the Applicable Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Applicable Agent shall notify the Borrowers and the Lenders of any change in the Applicable Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all B/A Drawings, all conversions of Loans and B/A Drawings from one Type to the other, and all continuations of Loans and B/A Drawings as the same Type, there

shall not be more than ten (10) Interest Periods in effect with respect to the Revolving Loans and Term B-4 Loans and five (5) Interest Periods with respect to the Delayed Draw Term A Loans.

(f) Upon the conversion of any Borrowing denominated in Canadian Dollars (or portion thereof), or the continuation of any B/A Drawing (or portion thereof), to or as a B/A Drawing, the net amount that would otherwise be payable to a Borrower by each Multicurrency Revolving Lender pursuant to Section 2.15(f) in respect of such new B/A Drawing shall be applied against the principal of the Multicurrency Revolving Loan made by such Multicurrency Revolving Lender as part of such Borrowing (in the case of a conversion), or the reimbursement obligation owed to such Multicurrency Revolving Lender under Section 2.15(i) in respect of the B/As accepted by such Multicurrency Revolving Lender as part of such maturing B/A Drawing (in the case of a continuation), and such Borrower shall pay to such Multicurrency Revolving Lender an amount equal to the difference between the principal amount of such Multicurrency Revolving Loan or the aggregate face amount of such maturing B/As, as the case may be, and such net amount.

2.03 Additional Provisions with Respect to Letters of Credit.

(a) Obligation to Issue or Amend.

(i) No L/C Issuer shall issue any Letter of Credit if:

(A) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless the Administrative Agent and such L/C Issuer have approved such expiry date;

(B) the expiry date of any requested Letter of Credit would occur after the L/C Expiration Date, unless all the L/C Revolving Lenders have approved such expiry date;

(C) with respect to a Letter of Credit to be issued by a Dollar L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars; or

(D) with respect to a Letter of Credit to be issued by a Multicurrency L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars, Euros or Sterling (provided that the foregoing shall in no way limit the right of a Multicurrency L/C Issuer, in its sole discretion, to issue a Letter of Credit in any other Approved Currency).

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Amendment No. 6 Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense that was not applicable on the Amendment No. 6 Effective Date and that such L/C Issuer in good faith deems material to it;

(1) the issuance of such Letter of Credit would violate any Law applicable to such L/C Issuer;

(2) except as otherwise agreed by such L/C Issuer and the Administrative Agent, such Letter of Credit is in an initial stated amount less than the Dollar Equivalent of \$20,000;

(3) without derogation of clauses (a)(i)(C) and (D) above, such Letter of Credit is to be denominated in a currency other than Dollars or an Alternative Currency (it being understood and agreed, for the avoidance of doubt, that no L/C Issuer will be required to issue any Letters of Credit in Brazilian Real);

(4) except as otherwise agreed by such L/C Issuer, such Letter of Credit contains provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(5) any Dollar Revolving Lender or Limited Currency Revolving Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of cash collateral, reasonably satisfactory to such L/C Issuer with the Parent Borrower or such Lender to eliminate the L/C Issuer's actual or potential L/C Obligations (after giving effect to Section 2.16) with respect to such Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has exposure; and

(6) such Letter of Credit is a commercial Letter of Credit, unless such L/C Issuer otherwise consents, or if the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer with respect to letters of credit.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof; or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) The applicable L/C Issuer shall act on behalf of the L/C Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with such Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article X included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to such L/C Issuer.

(b) Procedures for Issuance and Amendment; Auto-Extension Letters of Credit

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of any Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of such Borrower. Each such L/C Application must be received by the applicable L/C Issuer and the Administrative Agent (A) not later than 12:00 noon (New York time) at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in Dollars and (B) not later than 12:00 noon (Local Time) at least five (5) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in an Alternative Currency (or, in each case, such later date and time as the applicable L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as such L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail satisfactory to the applicable L/C Issuer: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; (D) the purpose and nature of

the requested Letter of Credit; and (E) such other matters as such L/C Issuer may reasonably require. Additionally, the Parent Borrower shall furnish to such L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any L/C Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless such L/C Issuer has received written notice from the Administrative Agent, any L/C Revolving Lender or any Credit Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 5.01 (if issued on the Amendment No. 6 Effective Date) or 5.02 shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such L/C Issuer's usual and customary business practices.

(iii) If any Borrower so requests in any L/C Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued (but in any event not later than 30 days prior to the scheduled expiry date thereof). Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the L/C Revolving Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Expiration Date; provided, however, that no L/C Issuer shall permit any such extension if (A) such L/C Issuer has determined that it would not be permitted or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or the applicable Borrower that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each case directing such L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon any drawing under any Letter of Credit, the applicable L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in Dollars, the Parent Borrower shall reimburse such L/C Issuer in Dollars. In the case of a Letter of Credit denominated in Sterling or euros, the applicable Borrower shall reimburse such L/C Issuer in Sterling or Euros, as applicable. In the case of a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, the applicable Borrower shall reimburse such L/C Issuer in such Alternative Currency unless (x) such L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (y) in the absence of any such requirement for reimbursement in Dollars, the applicable Borrower shall have notified such L/C Issuer promptly following receipt of the notice of drawing that the applicable Borrower will reimburse such L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing as of the applicable Revaluation Date under a Letter of Credit

denominated in an Alternative Currency other than Sterling or Euros, such L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (x) 12:00 noon (New York time) on or prior to the date that is three (3) Business Days following the date that the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in Dollars, and (y) the Applicable Time on or prior to the date that is three (3) Business Days following the date the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency (each such date of payment by such L/C Issuer under a Letter of Credit, an "Honor Date"), the applicable Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars or in the applicable Alternative Currency, as the case may be, in an amount equal to the amount of such drawing; provided, that such Borrower, and the applicable L/C Issuer may, each in their discretion, with the consent of the Administrative Agent and so long as such arrangements do not adversely affect the rights of any Lender in any material respect, enter into Letter of Credit cash collateral prefunding arrangements acceptable to them for the purpose of reimbursing Letter of Credit draws. If the applicable Borrower does not to reimburse the applicable L/C Issuer on the Honor Date, the Administrative Agent, at the request of such L/C Issuer, shall promptly notify each L/C Revolving Lender as of the Honor Date the Dollar Equivalent of such unreimbursed drawing (an "Unreimbursed Amount") and the amount of such L/C Revolving Lender's L/C Commitment Percentage thereof.

(ii) Each L/C Revolving Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of such L/C Issuer, in Dollars at the Administrative Agent's Office for payments in Dollars in an amount equal to its L/C Commitment Percentage of such Unreimbursed Amount not later than 1:00 p.m. (Local Time) on the Business Day specified in such notice by the Administrative Agent. With respect to any Unreimbursed Amount, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of such Unreimbursed Amount, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at (i) through and including the third Business Day following the Honor Date, the rate of interest applicable to Revolving Loans that are Base Rate Loans and (ii) thereafter, the Default Rate. In such event, each L/C Revolving Lender's payment to the Administrative Agent for the account of such L/C Issuer pursuant to this Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Revolving Lender in satisfaction of its participation obligation under this Section 2.03.

(iii) Until an L/C Revolving Lender funds its L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such L/C Revolving Lender's L/C Commitment Percentage of such amount shall be solely for the account of such L/C Issuer.

(iv) Each L/C Revolving Lender's obligation to make L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such L/C Revolving Lender may have against such L/C Issuer, the Parent Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that such L/C Issuer shall have complied with the provisions of Section 2.03(b)(ii). No such making of an L/C Advance shall relieve or otherwise impair the obligation of each Borrower to reimburse any L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(v) If any L/C Revolving Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such L/C Revolving Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such L/C Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the

foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's L/C Advance in respect of the relevant L/C Borrowing. A certificate of the applicable L/C Issuer submitted to any applicable L/C Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(d) Repayment of Participations.

i. At any time after any L/C Issuer has made a payment under any Letter of Credit and has received from any L/C Revolving Lender such L/C Revolving Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of cash collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such L/C Revolving Lender its L/C Commitment Percentage (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such L/C Revolving Lender's L/C Advance was outstanding), in the same currency in which such L/C Revolving Lender's L/C Advance was made and in the same type of funds as those received by the Administrative Agent.

ii. If any payment received by the Administrative Agent for the account of any L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each L/C Revolving Lender shall pay to the Administrative Agent for the account of such L/C Issuer its L/C Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such L/C Revolving Lender, at a rate per annum equal to the applicable Overnight Bank Funding Rate from time to time in effect. The obligations of the L/C Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(e) Obligations Absolute. The obligation of each Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Credit Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Credit Agreement or any other Credit Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower, any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any L/C Issuer or any other Person, whether in connection with this Credit Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by any L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by any L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary or in the relevant currency markets generally; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to such Borrower and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the applicable L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of the L/C Issuers in such Capacity. Each L/C Revolving Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no L/C Issuer shall have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any L/C Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required L/C Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable judgment); or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to such Borrower's use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as such Borrower may have against the beneficiary or transferee at law or under any other agreement. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, each Borrower shall have a claim against each L/C Issuer, and each L/C Issuer shall be liable to each Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower that are determined by a court of competent jurisdiction in a final non-appealable judgment to have been caused by such L/C Issuer's willful misconduct or gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and each L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, that may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent or the applicable L/C Issuer, (i) if any L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a L/C Borrowing, or (ii) if, as of the L/C Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn the applicable Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to 103% of such Outstanding Amount determined as of the date of such L/C Borrowing or the L/C Expiration Date, as the case may be). The Administrative Agent may, at any time and from time to time after the initial deposit of cash collateral, request that additional cash collateral be provided in order to protect against the results of exchange rate fluctuations. For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the applicable L/C Issuer and the L/C Revolving Lenders, as collateral for such L/C Obligations, cash or deposit account balances pursuant to customary documentation in form and substance reasonably satisfactory to the Administrative Agent and such L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term

have corresponding meanings. Cash collateral shall be maintained in blocked, interest bearing deposit accounts or money market fund accounts at the Administrative Agent.

(h) Applicability of ISP. Unless otherwise expressly agreed by any L/C Issuer and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of any Subsidiary of the Parent Borrower, the Borrowers shall be obligated to reimburse the applicable L/C Issuer for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of the Parent Borrower's Subsidiaries inures to the benefit of the Borrowers, and that each Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Letter of Credit Fees. The Borrowers shall pay Letter of Credit Fees as set forth in Section 2.09(b).

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Addition of L/C Issuer. Parent Borrower may, at any time and from time to time, designate one or more additional Revolving Lenders to act as a Dollar L/C Issuer or a Multicurrency L/C Issuer under the terms of this Agreement, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and such Revolving Lender. Any Revolving Lender designated as a Dollar L/C Issuer or Multicurrency L/C Issuer, as the case may be, pursuant to this Section 2.03(l) shall have all the rights and obligations of the Dollar L/C Issuer and Multicurrency L/C Issuer, respectively, under the Credit Documents with respect to Letters of Credit issued or to be issued by it, and all references in the Credit Documents to the term "L/C Issuer," "Dollar L/C Issuer" or "Multicurrency L/C Issuer" shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as the L/C Issuer, as the context shall require. The Administrative Agent shall notify the Revolving Lenders of any such additional L/C Issuer. If at any time there is more than one L/C Issuer hereunder, Parent Borrower may, in its discretion, select which L/C Issuer is to issue any particular Letter of Credit.

(m) 2020-1 Incremental Revolving Lenders. For the avoidance of doubt no 2020-1 Incremental Revolving Lender shall have any obligations in respect of the issuance or participation or the funding of any drawing or disbursement of any Letter of Credit.

2.04 Additional Provisions with Respect to Swingline Loans.

(a) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Parent Borrower's irrevocable notice to the Swingline Lender and the Administrative Agent by delivery to the Swingline Lender and the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 2:00 p.m. (New York time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swingline Lender of any Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent prior to 3:00 p.m. (New York time) on the date of the proposed Swingline Borrowing (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in this Article II, or (B) that one or more of the applicable conditions specified in Section 5.01 (if on the Amendment No. ~~67~~ Effective Date) and Section 5.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 4:00 p.m. (New York time) on the borrowing date specified in such Loan Notice, make the amount of its Swingline Loan available to the Parent Borrower at its office by crediting the account of the Parent Borrower on the books of the Swingline Lender in immediately available funds. The Swingline Lender shall not be

required to make any Swingline Loan at any time when a Dollar Revolving Lender is a Defaulting Lender (except if all of the Swingline Exposure of such Defaulting Lender is reallocated pursuant to [Section 2.16](#)).

(b) Refinancing.

(i) The Swingline Lender at any time in its sole and absolute discretion may (and, in any event, within ten Business Days of the applicable Swingline Borrowing, shall) request that each Dollar Revolving Lender fund its risk participations in Swingline Loans in an amount equal to such Dollar Revolving Lender's Dollar Revolving Commitment Percentage of Swingline Loans then outstanding. Each Dollar Revolving Lender shall make an amount equal to its Dollar Revolving Commitment Percentage of the amount specified in such notice available to the Administrative Agent in immediately available funds for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York time) on the day specified in such notice. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) Each Dollar Revolving Lender's funding of its risk participation in the relevant Swingline Loan and each Dollar Revolving Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to [Section 2.04\(b\)\(i\)](#) shall be deemed payment in respect of such participation.

(iii) If any Dollar Revolving Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Dollar Revolving Lender pursuant to the foregoing provisions of this [Section 2.04\(b\)](#) by the time specified in [Section 2.04\(b\)\(i\)](#), the Swingline Lender shall be entitled to recover from such Dollar Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swingline Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Dollar Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Dollar Revolving Lender's funded participation in the relevant Swingline Loan. A certificate of the Swingline Lender submitted to any Dollar Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this [clause \(iii\)](#) shall be conclusive absent manifest error.

(iv) Each Dollar Revolving Lender's obligation to purchase and fund risk participations in Swingline Loans pursuant to this [Section 2.04\(b\)](#) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Dollar Revolving Lender may have against the Swingline Lender, the Parent Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in [Section 5.02](#), or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that Swingline Lender has complied with the provisions of [Section 2.04\(a\)](#). No such purchase or funding of risk participations shall relieve or otherwise impair the obligation of the Parent Borrower to repay Swingline Loans, together with interest as provided herein.

(c) Repayment of Participations.

(i) At any time after any Dollar Revolving Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Dollar Revolving Lender its Dollar Revolving Commitment Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Dollar Revolving Lender's risk participation was funded) in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in [Section 11.05](#) (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each

Dollar Revolving Lender shall pay to the Swingline Lender its Dollar Revolving Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Dollar Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(d) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Parent Borrower for interest on the Swingline Loans. Until each Dollar Revolving Lender funds its risk participation pursuant to this Section 2.04 of any Swingline Loan, interest in respect thereof shall be solely for the account of the Swingline Lender.

(e) Payments Directly to Swingline Lender. The Parent Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

(f) 2020-1 Incremental Revolving Lenders. For the avoidance of doubt no 2020-1 Incremental Revolving Lender shall have any obligations in respect of the funding, participation or disbursement of any Swingline Loan.

(i) in the case of B/A Drawings and Loans other than Swingline Loans, (A) notice thereof must be received by 12:00 noon (Local Time) by the Applicable Agent at least three (3) Business Days prior to the date of prepayment, in the case of Eurodollar Rate Loans, and one (1) Business Day prior to the date of prepayment, in the case of Base Rate Loans and B/A Drawings, (B) any such prepayment shall be a minimum principal amount of (n) \$1.0 million and integral multiples of \$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Dollars, (o) €1.0 million and integral multiples of €1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Euros, (p) £1.0 million and integral multiples of £1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Sterling, (q) C\$1.0 million and integral multiples of C\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Canadian Dollars, (r) kr7.0 million and integral multiples of kr7.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Swedish Krona, (s) AU\$1.0 million and integral multiples of AU\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Australian Dollars, (t) ¥100.0 million and integral multiples of ¥100.0 million thereof, in the case of Eurodollar Rate Loans denominated in Japanese Yen, (u) CHF1.0 million and integral multiples of CHF1.0 million thereof, in the case of Eurodollar Rate Loans denominated in Swiss Francs, (v) C\$1.0 and integral multiples of C\$100,000 in excess thereof, in the case of Base Rate Loans denominated in Canadian Dollars and B/As Drawings, (w) Dkr2.0 million and integral multiples of Dkr1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Danish Krone, (x) MXN5.0 million and integral multiples of MXN1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Mexican Pesos, (y) R\$1.0 million and integral multiples of R\$1.0 million in excess thereof, in the case of Eurodollar Rate Loans denominated in Brazilian Real and (z) \$1.0 million and integral multiples of \$100,000 in excess thereof, in the case of Base Rate Loans denominated in Dollars, or, in each case the entire remaining principal amount thereof, if less; and

Notwithstanding the foregoing, a notice of voluntary prepayment delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Applicable Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, all Original Revolving Commitments shall terminate on the Amendment No. 6 Effective Date and Parent Borrower shall repay all outstanding Original Revolving Loans and Original Swingline Loans, together with accrued and unpaid interest thereon.

In the event that, at any time following the effectiveness of Amendment No. 6 and on or prior to the date that is six months following the Amendment No. 6 Effective Date, a Repricing Transaction shall occur, a fee of 1.00% of the aggregate principal amount of the Term B-4 Loans so prepaid, refinanced, repriced, amended, converted or exchanged in such Repricing Transaction shall be payable to each Lender holding Term B-4 Loans

upon such prepayment, refinancing, repricing, amendment, conversion or exchange. (b) Mandatory Prepayments. Subject in each case to Section 2.06(c):

(i) Revolving Commitments.

(A) If at any time (1) the Outstanding Amount of Dollar Revolving Obligations shall exceed the Aggregate Dollar Revolving Committed Amount, (2) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed the Aggregate Limited Currency Revolving Committed Amount, (3) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed the Aggregate Multicurrency Revolving Committed Amount, (4) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed the Alternative Currency Sublimit, (5) the Outstanding Amount of all 2020-1 Incremental Revolving Obligations shall exceed the Aggregate 2020-1 Incremental Revolving Committed Amount, (6) the Outstanding Amount of Swingline Loans shall exceed the Swingline Sublimit and (67) the L/C Obligations shall exceed the L/C Sublimit or the L/C Committed Amount (in each case, other than solely as a result of changes in Spot Rates) immediate prepayment or cash collateralization of amounts owing in respect of outstanding B/As will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference; provided, however, that, except under the circumstances described in Section 2.03(a)(ii)(A)(5), 2.03(c), 2.03(d)(i), 2.03(g), 2.06(b)(i)(B), 2.16(d), or 9.02(c), L/C Obligations will not be Cash Collateralized hereunder until the Revolving Loans and Swingline Loans have been paid in full. If on any Revaluation Date and solely as a result of changes in Spot Rates, (i) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed 105% of the Aggregate Limited Currency Revolving Committed Amount, (ii) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed 105% of the Aggregate Multicurrency Revolving Committed Amount or (iii) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed 105% of the Alternative Currency Sublimit, immediate prepayment or cash collateralization of amounts owing in respect of outstanding B/As will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference.

(B) If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations (whether or not as a result of a change in Spot Rates) at such time exceeds an amount equal to 105% of the L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the L/C Sublimit. If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations denominated in an Alternative Currency at such time exceeds an amount equal to 105% of the Alternative Currency L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency L/C Sublimit. The Administrative Agent may, at any time and from time to time after the initial deposit of such cash collateral, request that additional cash collateral be provided in order to protect against the results of further exchange rate fluctuations.

(ii) Subject Dispositions and Involuntary Dispositions. On or before the applicable date set forth in the next sentence, prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any Subject Disposition or Involuntary Disposition by any member of the Consolidated Group occurring after the Amendment No. 6 Effective Date, but solely to the extent (x) the Net Cash Proceeds received in such Subject Disposition (or series of

related Subject Dispositions) or Involuntary Disposition (or series of related Involuntary Dispositions) exceed \$35.0 million, (y) the Net Cash Proceeds received in all Subject Dispositions or Involuntary Dispositions effected during the fiscal year in which the applicable Subject Disposition or Involuntary Disposition takes place exceeds \$75.0 million and (z) such Net Cash Proceeds are not used to, subject to compliance with Section 8.02, acquire, maintain, develop, construct, improve, upgrade or repair Property or make Investments (other than inventory, accounts receivable, cash or Cash Equivalents) useful in the business of the Consolidated Group in any member of the Consolidated Group or to make investments in Permitted Acquisitions that are otherwise permitted hereunder within twelve (12) months of the date of such Subject Disposition or Involuntary Disposition (or to the extent contractually committed to be reinvested prior to the expiration of such twelve (12) month period, eighteen (18) months of the date of such Subject Disposition or Involuntary Disposition); provided that such a reinvestment shall not be permitted if an Event of Default shall have occurred and be continuing at the time the Parent Borrower commits to make such reinvestment or, if no such commitment is made, the time the reinvestment is actually made, and in either such circumstance such Net Cash Proceeds shall be used to make prepayments on the Loans; provided further that, to the extent any Incremental Equivalent Debt is then outstanding and is secured by a Lien on the Collateral that is pari passu in priority with the Lien on the Collateral securing the Obligations and is required by the terms thereof to make a prepayment or make a repurchase offer from the net cash proceeds of such Subject Disposition or Involuntary Disposition (“Applicable Pari Passu Debt”), a portion of such Net Cash Proceeds not exceeding the Ratable Net Proceeds Share may be applied to prepay such Applicable Pari Passu Debt. Any such prepayment from any Net Cash Proceeds required by the previous sentence shall be made (x) in the case of a Major Disposition in respect of which the notice referred to in Section 7.02(g) has not been delivered on or before the fifteenth (15th) Business Day following the receipt of the Net Cash Proceeds from such Major Disposition or to the extent such notice does not indicate reinvestment is intended with the Net Cash Proceeds of such Major Disposition, on or before the twenty-fifth (25th) Business Day following receipt of such Net Cash Proceeds and (y) in any other case, promptly after the Parent Borrower determines that it will not reinvest such Net Cash Proceeds in accordance with the terms and limitations of the previous sentence, but in no event later than 366 days (or 546 days if a contractual commitment to reinvest such Net Cash Proceeds has been made within the initial 366-day period) following the receipt of such Net Cash Proceeds.

(iii) Indebtedness. Prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any incurrence or issuance of Indebtedness after the Amendment No. 6 Effective Date (other than Indebtedness expressly permitted to be incurred or issued pursuant to Section 8.03, (other than (a) Refinancing Debt and (b) initial borrowings under Replacement Revolving Commitments)); provided that prepayments required by initial borrowings under Replacement Revolving Commitments shall be applied only to borrowings under the Replaced Revolving Commitments (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.19(a)); provided, further, that prepayments required by initial borrowings or Refinancing Term Loans or incurrence of Refinancing Notes/Loans shall be applied only to borrowings under the Refinancing Term Loans (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.18(a)). Any prepayment in respect of such Indebtedness hereunder will be payable on the Business Day following receipt by the Parent Borrower or other members of the Consolidated Group of the Net Cash Proceeds therefrom.

(iv) Consolidated Excess Cash Flow. If for any fiscal year of the Parent Borrower ending after December 31, 2018 there shall be Consolidated Excess Cash Flow, then, on a date that is no later than five Business Days following the date that financial statements for such fiscal year are required to be delivered pursuant to Section 7.01(a), the Loan Obligations shall be prepaid by an amount equal to the ECF Application Amount for such fiscal year less any voluntary prepayments of Term Loans made during such fiscal year (other than such voluntary prepayments that are funded by the proceeds of Indebtedness and for the avoidance of doubt other than any prepayments made on the Amendment No. 6 Effective Date).

(v) Eurodollar Prepayment Account. If the Parent Borrower is required to make a mandatory prepayment of Eurodollar Rate Loans under this Section 2.06(b), so long as no Event of Default exists, the

Parent Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the Applicable Agent in a cash collateral account maintained (pursuant to documentation reasonably satisfactory to the Applicable Agent) by and in the sole dominion and control of the Applicable Agent. Any amounts so deposited shall be held by the Applicable Agent as collateral for the prepayment of such Eurodollar Rate Loans and shall be applied to the prepayment of the applicable Eurodollar Rate Loans at the earliest of (x) the end of the current Interest Periods applicable thereto, (y) three months following the date of such deposit and (z) at the election of the Applicable Agent, upon the occurrence of an Event of Default. At the request of the Parent Borrower, amounts so deposited shall be invested by the Applicable Agent in Cash Equivalents maturing on or prior to the date or dates on which it is anticipated that such amounts will be applied to prepay such Eurodollar Rate Loans; any interest earned on such Cash Equivalents will be for the account of the Parent Borrower and the Parent Borrower will deposit with the Applicable Agent the amount of any loss on any such Cash Equivalents to the extent necessary in order that the amount of the prepayment to be made with the deposited amounts may not be reduced.

(vi) Foreign Dispositions and Consolidated Excess Cash Flow. Notwithstanding any other provisions of this Section 2.06, (i) to the extent that any of or all the Net Cash Proceeds of any Subject Disposition or Involuntary Disposition by a Foreign Subsidiary (collectively, a "Foreign Disposition") or Consolidated Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Consolidated Excess Cash Flow so affected will not be required to be applied to prepay Loan Obligations at the times provided in this Section 2.06 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Parent Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Consolidated Excess Cash Flow that, in each case, would otherwise be required to be used to make a prepayment pursuant to Section 2.06(b)(ii) or 2.06(b)(iv), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Consolidated Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the prepayment of the Loan Obligations pursuant to this Section 2.06 and (ii) to the extent that the Parent Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition or Foreign Subsidiary Consolidated Excess Cash Flow would have material adverse Tax cost consequences with respect to such Net Cash Proceeds or Consolidated Excess Cash Flow, such Net Cash Proceeds or Consolidated Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any such Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 2.06(b) or any such Consolidated Excess Cash Flow would have been required to be applied to prepayments pursuant to Section 2.06(b), the Parent Borrower applies an amount equal to such Net Cash Proceeds or Consolidated Excess Cash Flow to such reinvestments or prepayments, as applicable, as if such Net Cash Proceeds or Consolidated Excess Cash Flow had been received by the Parent Borrower rather than such Foreign Subsidiary, less the amount of additional Taxes that would have been payable or reserved against if such Net Cash Proceeds or Consolidated Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Consolidated Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

(c) Application. Within each Loan, prepayments will be applied first to Base Rate Loans, then to Eurodollar Rate Loans in direct order of Interest Period maturities. In addition:

(i) Voluntary Prepayments of Loans. Prepayments of the Delayed Draw Term A Loans or Term B-4 Loans pursuant to Section 2.06(a) shall be applied to either tranche of Term Loans as directed by the Parent Borrower (and, within such tranche, shall be applied to the payments required under Section 2.05(c) (in the case of the Delayed Draw Term A Loans) and Section 2.05(d) (in the case of Term B-4

Loans) as directed by the Parent Borrower). Voluntary prepayments on the Loan Obligations will be paid by the Administrative Agent to the Lenders ratably in accordance with their respective interests therein.

(ii) Mandatory Prepayments of Loans. Mandatory prepayments on the Loan Obligations will be paid by the Applicable Agent to the Lenders ratably in accordance with their respective interests therein; provided that:

(A) Mandatory prepayments in respect of the Revolving Commitments under subsection (b)(i)(A) above shall be applied to the respective Revolving Obligations as appropriate.

(B) Mandatory prepayments in respect of Subject Dispositions and Involuntary Dispositions under subsection (b)(ii) above, Indebtedness under subsection (b)(iii) and Consolidated Excess Cash Flow under subsection (b)(iv) above shall be applied (i) first to the Delayed Draw Term A Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding) and Term B-4 Loans on a pro rata basis (in direct order of maturity and, within such tranche, shall be applied on a pro rata basis to the payments required under Section 2.05(c) (in the case of the Delayed Draw Term A Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding)) and Section 2.05(d) (in the case of Term B-4 Loans)), then (ii) to the Revolving Obligations (without permanent reduction of the Revolving Commitments); provided that prepayments in respect of Indebtedness under subsection (b)(iii) with the proceeds of Refinancing Debt or Replacement Revolving Commitments shall be applied only to the Loan or Commitment being refinanced.

(iii) Cash Collateralization of B/A Drawings. Amounts to be applied pursuant to this Section 2.06 or Article IX to cash collateralize amounts to become due with respect to outstanding B/As shall be deposited in the Prepayment Account (as defined below). The Canadian Agent shall apply any cash deposited in the Prepayment Account allocable to amounts to become due in respect of B/As on the last day of their respective Contract Periods until all amounts due in respect of outstanding B/As have been prepaid or until all the allocable cash on deposit has been exhausted. For purposes of this Credit Agreement, the term "Prepayment Account" means an account established by a Canadian Borrower with the Canadian Agent and over which the Canadian Agent shall have exclusive dominion and control, including the exclusive right of withdrawal for application in accordance with this paragraph (iii). The Canadian Agent will, at the request of such Canadian Borrower, invest amounts on deposit in the Prepayment Account in short-term, cash equivalent investments selected by the Canadian Agent in consultation with such Canadian Borrower that mature prior to the last day of the applicable Contract Periods of the B/As to be prepaid; provided that the Canadian Agent shall have no obligation to invest amounts on deposit in the Prepayment Account if an Event of Default shall have occurred and be continuing. The Borrowers shall indemnify the Canadian Agent for any losses relating to the investments so that the amount available to prepay amounts due in respect of B/As on the last day of the applicable Contract Period is not less than the amount that would have been available had no investments been made pursuant thereto. Other than any interest earned on such investments (which shall be for the account of such Canadian Borrower, to the extent not necessary for the prepayment of B/As in accordance with this Section 2.06 and Article IX), the Prepayment Account shall not bear interest. Interest or profits, if any, on such investments shall be deposited in the Prepayment Account and reinvested and disbursed as specified above. If the maturity of the Loans and all amounts due hereunder has been accelerated pursuant to Article IX, the Canadian Agent may, in its sole discretion, apply all amounts on deposit in the Prepayment Account to satisfy any of the Obligations in respect of the Loans, Unreimbursed Amounts and B/As (and each Borrower hereby grants to the Canadian Agent a security interest in its Prepayment Account to secure such Obligations).

2.07 Termination or Reduction of Commitments.

The Dollar Revolving Commitments, the Limited Currency Revolving Commitments, the Multicurrency Revolving Commitments the 2020-1 Incremental Revolving Commitments or the Delayed Draw Term A Commitments (ratably among Dollar Revolving Commitments, the Limited Currency Revolving Commitments, the Multicurrency Revolving Commitments, the 2020-1 Incremental Revolving Commitments and the Delayed Draw Term A Commitments, as applicable) hereunder may be permanently reduced in whole or in part by notice from the

Parent Borrower to the Administrative Agent; provided that (i) any such notice thereof must be received by 12:00 noon (New York time) at least five (5) Business Days prior to the date of reduction or termination and any such reduction or terminations shall be in a minimum amount of \$1.0 million and integral multiples of \$1.0 million in excess thereof; and (ii) the Commitments may not be reduced to an amount less than the Outstanding Amount of Loan Obligations then outstanding thereunder. The Administrative Agent will give prompt notice to the Lenders of any such reduction in Commitments. Any reduction of any Commitments shall be applied to the Commitment of each applicable Lender according to its Pro Rata Share. All commitment or other fees accrued with respect to any Commitment through the effective date of any termination thereof shall be paid on the effective date of such termination. A notice of termination of the Commitments delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

2.08 Interest.

(a) Subject to the provisions of subsection (b) below, (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Eurodollar Rate for such Interest Period plus the Applicable Percentage; (ii) each Loan that is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage; and (iii) each Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage.

(b) If any amount payable by the Borrowers under any Credit Document is not paid when due, then such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Law.

(c) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

(a) Commitment Fees. The Parent Borrower shall pay to the Administrative Agent for the account of ~~(w)~~ each Delayed Draw Term A Lender in accordance with its Delayed Draw Term A Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily aggregate amount of Delayed Draw Term A Commitments (the "Delayed Draw Commitment Fee"), ~~(x)~~ each Dollar Revolving Lender in accordance with its Dollar Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Dollar Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Dollar Revolving Loans (but not, for the avoidance of doubt, any Swingline Loans) and (ii) the Outstanding Amount of Dollar Facility L/C Obligations, ~~(y)~~ each Limited Currency Revolving Lender in accordance with its Limited Currency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Limited Currency Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Limited Currency Revolving Loans and (ii) the Outstanding Amount of Limited Currency Facility L/C Obligations ~~and~~, ~~(z)~~ each Multicurrency Revolving Lender in accordance with its Multicurrency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Multicurrency Revolving Committed Amount exceeds the Outstanding Amount of Multicurrency Revolving Loans other than Fronted Currency Loans ~~(such~~ the fees in clauses ~~(x)~~, ~~(y)~~ ~~and~~ ~~(z)~~; ~~collectively, the~~ collectively, the "Original Revolving Commitment Fees" and (z) each 2020-1 Incremental Revolving Lender in accordance with its 2020-1

The Delayed Draw Commitment Fee shall accrue from and including the 61st day following the Amendment No. 6 Effective Date, and shall be due and payable quarterly in arrears (A) on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the 61st day following the Amendment No. 6 Effective Date and (B) on the Delayed Draw Term A Commitment Termination Date. (b) Letter of Credit Fees.

(i) Letter of Credit Fees. The Parent Borrower shall pay to the Administrative Agent, for the account of each L/C Revolving Lender in accordance with its L/C Commitment Percentage, a Letter of Credit fee, in Dollars, for each Letter of Credit, an amount equal to the Applicable Percentage for Revolving Loans that are Eurodollar Rate Loans multiplied by the daily maximum undrawn Outstanding Amount under such Letter of Credit (the “Letter of Credit Fees”). For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. The Letter of Credit Fees shall be computed on a quarterly basis in arrears, and shall be due and payable on the tenth (10th) day of each January, April, July and October (for the Letter of Credit Fees accrued during the previous calendar quarter), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. If there is any change in the Applicable Percentage during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Percentage separately for each period during such quarter that such Applicable Percentage was in effect. Notwithstanding anything to the contrary contained herein, while any Event of Default has occurred and is continuing under Section 9.01(a), (f) or (h), all Letter of Credit Fees shall accrue at the Default Rate. ~~The Parent Borrower shall pay all accrued and unpaid Letter of Credit Fees that shall have accrued under this Agreement prior to giving effect to Amendment No. 6 on the Amendment No. 6 Effective Date (the “Accrued Letter of Credit Fees”)~~.

(ii) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The Parent Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it, 0.125% of the daily undrawn Outstanding Amount under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the tenth (10th) day of each January, April, July and October (for fronting fees accrued during the previous calendar quarter or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. In addition, the applicable Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the applicable L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable. ~~The Parent Borrower shall pay all accrued and unpaid fronting fees~~

~~that shall have accrued under this Agreement prior to giving effect to Amendment No. 6 on the Amendment No. 6 Effective Date (the "Accrued Fronting Fees").~~

(c) B/A Fees. Each Canadian Borrower agrees to pay to the Canadian Agent, in Dollars, for the account of each Multicurrency Revolving Lender, on each date on which a B/A drawn by such Canadian Borrower is accepted hereunder an acceptance fee (the "B/A Fee") computed by multiplying the Dollar Equivalent of the face amount of each such B/A by the product of (i) the Applicable Percentage for B/A Drawings on such date multiplied by (ii) a fraction, the numerator of which is the number of days in the Contract Period applicable to such B/A and the denominator of which is 365. ~~The Parent Borrower shall pay all accrued and unpaid B/A Fees that shall have accrued under this Agreement prior to giving effect to Amendment No. 6 on the Amendment No. 6 Effective Date (the "Accrued B/A Fees").~~

(d) Alternative Currency Fronting Currency Lender Fees. The Parent Borrower shall pay each Alternative Currency Fronting Lender such fronting fees (if any) with respect to Fronted Currency Loans as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower at such times as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower.

(e) Other Fees. The Parent Borrower shall pay to the Lead Arrangers, for their own respective accounts, fees in the amounts and at the times specified in the Engagement Letter. The Parent Borrower shall also pay to the Administrative Agent, for its own account, fees in the amounts and at the times specified in the Administrative Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever. The Administrative Agent Fee Letter is hereby ratified and confirmed in all respects by JPMCB and Parent Borrower, and both such parties agree that it shall remain effective on and following the Amendment No. 6 Effective Date.

The applicable Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees.

All computations of interest for Base Rate loans denominated in Canadian Dollars and Base Rate Loans denominated in Dollars when the Base Rate is determined by JPMCB's prime rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Eurodollar Rate Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one (1) day. Each determination by the Applicable Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Payments Generally; Applicable Agent's Clawback.

(a) General. All payments to be made by any Credit Party hereunder shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. All payments of principal and interest on any Loan shall be payable in the same currency as such Loan is denominated. All payments of fees pursuant to Section 2.09 shall be payable in Dollars. All payments in respect of Unreimbursed Amounts shall be payable in the currency provided in Section 2.03. All other payments herein shall be payable in the currency specified with respect to such payment or, if the currency is not specified, in Dollars. Except as otherwise expressly provided herein, all payments by the Borrowers shall be made to the Applicable Agent, for the account of the Lenders to which such payment is owed, at the Applicable Agent's Office in Same Day Funds not later than 3:00 p.m. Local Time on the date specified

herein. The Applicable Agent will promptly distribute to each Lender its Pro Rata Share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Applicable Agent after 3:00 p.m. Local Time shall be deemed received on the immediately succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to the definition of "Interest Period," if any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Applicable Agent Unless the Applicable Agent shall have received notice from a Lender prior to the proposed time of any Borrowing or acceptance and purchase of B/As that such Lender will not make available to the Applicable Agent such Lender's share of such Borrowing or the applicable Discount Proceeds (net of applicable acceptance fees), the Applicable Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing or the applicable Discount Proceeds (net of applicable acceptance fees) available to the Applicable Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Applicable Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Applicable Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Applicable Agent for the same or an overlapping period, the Applicable Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Applicable Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing or such Lender's acceptance and purchase of B/As. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Applicable Agent.

(ii) Payments by the Borrowers; Presumptions by Applicable Agent Unless the Applicable Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Applicable Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the applicable Borrower will not make such payment, the Applicable Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, receiving any such payment severally agrees to repay to the Applicable Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Applicable Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Applicable Agent in accordance with banking industry rules on interbank compensation.

A notice of the Applicable Agent to any Lender or any Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent If any Lender makes available to the Applicable Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Applicable Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Applicable Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligation of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to accept and purchase B/As, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Applicable Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

2.12 Sharing of Payments by Lenders.

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it, amounts owing to it in respect of any B/A Drawing or the participations in L/C Obligations or in Swingline Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans, amounts owing in respect of any B/A Drawing or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Applicable Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, amounts owing in respect of any B/A Drawing and subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Credit Agreement, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, amounts owing to it in respect of any B/A Drawing or subparticipations in L/C Obligations or Swingline Loans to any assignee or participant, other than to any Borrower or any Affiliate thereof (as to which the provisions of this Section shall apply) or (z) any payments made pursuant to Sections 2.17, 2.18 or 2.19.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Notwithstanding anything to the contrary contained herein, the provisions of this Section 2.12 shall be subject to the express provisions of this Credit Agreement which require, or permit, differing payments to be made to non-Defaulting Lenders as opposed to Defaulting Lenders.

2.13 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c) as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. Each other Agent shall promptly provide the Administrative Agent with all information needed to maintain such accounts in respect of the Loans or B/A Drawings administered by such Agent. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to the Administrative Agent a Note for such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Each Lender having sold a participation in any of its Obligations, acting solely for this purpose as a non-fiduciary agent for the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants (and each change thereto, whether by assignment or otherwise) and the rights, interest or obligation of such Participants in any Obligation, in any Commitment and in any right to receive any payments hereunder.

2.14 [Reserved].

2.15 Canadian Bankers' Acceptances.

(a) Each acceptance and purchase of B/As of a single Contract Period pursuant to Section 2.01 or 2.02 shall be made ratably by the Multicurrency Revolving Lenders in accordance with their Multicurrency Revolving Commitment Percentage. The failure of any Multicurrency Revolving Lender to accept any B/A required to be accepted by it shall not relieve any other Multicurrency Revolving Lender of its obligations hereunder; provided that the Multicurrency Revolving Commitments are several and no Multicurrency Revolving Lender shall be responsible for any other Multicurrency Revolving Lender's failure to accept B/As as required.

(b) The B/As of a single Contract Period accepted and purchased on any date shall be in an aggregate amount that is an integral multiple of C\$1.0 million and not less than C\$5.0 million. The face amount of each B/A shall be C\$100,000 or any whole multiple thereof. If any Multicurrency Revolving Lender's ratable share of the B/As of any Contract Period to be accepted on any date would not be an integral multiple of C\$100,000, the face amount of the B/As accepted by such Multicurrency Revolving Lender may be increased or reduced to the nearest integral multiple of C\$100,000 by the Canadian Agent in its sole discretion. B/As of more than one Contract Period may be outstanding at the same time; provided that there shall not at any time be more than a total of five (5) B/A Drawings outstanding.

(c) To request an acceptance and purchase of B/As, a Canadian Borrower shall notify the Canadian Agent of such request by telephone or by telecopy not later than 10:00 a.m., Local Time, one Business Day before the date of such acceptance and purchase. Each such Loan Notice shall be irrevocable and, if telephonic, shall be

confirmed promptly by hand delivery or teletype to the Canadian Agent of a written request in a form approved by the Canadian Agent and signed by such Canadian Borrower. Each such Loan Notice shall specify the following information:

- (i) the aggregate face amount of the B/As to be accepted and purchased;
- (ii) the date of such acceptance and purchase, which shall be a Business Day;

(iii) the Contract Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Contract Period" (and which shall in no event end after the Revolving Termination Date); and

(iv) the location and number of the applicable Canadian Borrower's account to which any funds are to be disbursed, which shall comply with the requirements of Section 2.02. If no Contract Period is specified with respect to any requested acceptance and purchase of B/As, then the Canadian Borrower shall be deemed to have selected a Contract Period of 30 days' duration.

Promptly following receipt of a Loan Notice in accordance with this paragraph, the Canadian Agent shall advise each Multicurrency Revolving Lender of the details thereof and of the amount of B/As to be accepted and purchased by such Multicurrency Revolving Lender.

(d) Each Canadian Borrower hereby appoints each Multicurrency Revolving Lender as its attorney to sign and endorse on its behalf, manually or by facsimile or mechanical signature, as and when deemed necessary by such Multicurrency Revolving Lender, blank forms of B/As. It shall be the responsibility of each Multicurrency Revolving Lender to maintain an adequate supply of blank forms of B/As for acceptance under this Credit Agreement. Each Canadian Borrower recognizes and agrees that all B/As signed and/or endorsed on its behalf by any Multicurrency Revolving Lender shall bind such Canadian Borrower as fully and effectually as if manually signed and duly issued by authorized officers of such Canadian Borrower. Each Multicurrency Revolving Lender is hereby authorized to issue such B/As endorsed in blank in such face amounts as may be determined by such Multicurrency Revolving Lender; provided that the aggregate face amount thereof is equal to the aggregate face amount of B/As required to be accepted by such Multicurrency Revolving Lender. No Multicurrency Revolving Lender shall be liable for any damage, loss or claim arising by reason of any loss or improper use of any such instrument unless such loss or improper use results from the gross negligence or willful misconduct of such Multicurrency Revolving Lender. Each Multicurrency Revolving Lender shall maintain a record with respect to B/As (i) received by it from the Canadian Agent in blank hereunder, (ii) voided by it for any reason, (iii) accepted and purchased by it hereunder and (iv) canceled at their respective maturities. Each Multicurrency Revolving Lender further agrees to retain such records in the manner and for the periods provided in applicable provincial or Federal statutes and regulations of Canada and to provide such records to each Canadian Borrower upon its request and at its expense. Upon request by any Canadian Borrower, a Multicurrency Revolving Lender shall cancel all forms of B/A that have been pre-signed or pre-endorsed on behalf of such Canadian Borrower and that are held by such Multicurrency Revolving Lender and are not required to be issued pursuant to this Credit Agreement.

(e) Drafts of each Canadian Borrower to be accepted as B/As hereunder shall be signed as set forth in paragraph (d) above. Notwithstanding that any Person whose signature appears on any B/A may no longer be an authorized signatory for any of the Multicurrency Revolving Lenders or such Canadian Borrower at the date of issuance of such B/A, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such B/A so signed shall be binding on such Canadian Borrower.

(f) Upon acceptance of a B/A by a Multicurrency Revolving Lender, such Multicurrency Revolving Lender shall purchase, or arrange the purchase of, such B/A from the applicable Canadian Borrower at the Discount Rate for such Multicurrency Revolving Lender applicable to such B/A accepted by it and provide to the Canadian Agent the Discount Proceeds for the account of such Canadian Borrower as provided in Section 2.02. The acceptance fee payable by the applicable Canadian Borrower to a Multicurrency Revolving Lender under Section 2.09 in respect of each B/A accepted by such Multicurrency Revolving Lender shall be set off against the Discount

Proceeds payable by such Multicurrency Revolving Lender under this paragraph. Notwithstanding the foregoing, in the case of any B/A Drawing resulting from the conversion or continuation of a B/A Drawing or Multicurrency Revolving Loan pursuant to Section 2.02, the net amount that would otherwise be payable to such Canadian Borrower by each Lender pursuant to this paragraph will be applied as provided in Section 2.02(f).

(g) Each Multicurrency Revolving Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all B/A's accepted and purchased by it.

(h) Each B/A accepted and purchased hereunder shall mature at the end of the Contract Period applicable thereto.

(i) Each Canadian Borrower waives presentment for payment and any other defense to payment of any amounts due to a Multicurrency Revolving Lender in respect of a B/A accepted and purchased by it pursuant to this Credit Agreement which might exist solely by reason of such B/A being held, at the maturity thereof, by such Multicurrency Revolving Lender in its own right and each Canadian Borrower agrees not to claim any days of grace if such Multicurrency Revolving Lender as holder sues each Canadian Borrower on the B/A for payment of the amounts payable by such Canadian Borrower thereunder. On the specified maturity date of a B/A, or such earlier date as may be required pursuant to the provisions of this Credit Agreement, each Canadian Borrower shall pay the Multicurrency Revolving Lender that has accepted and purchased such B/A the full face amount of such B/A, and after such payment such Canadian Borrower shall have no further liability in respect of such B/A and such Multicurrency Revolving Lender shall be entitled to all benefits of, and be responsible for all payments due to third parties under, such B/A.

(j) At the option of each Canadian Borrower and any Multicurrency Revolving Lender, B/As under this Credit Agreement to be accepted by such Multicurrency Revolving Lender may be issued in the form of depository bills for deposit with The Canadian Depository for Securities Limited pursuant to the Depository Bills and Notes Act (Canada). All depository bills so issued shall be governed by the provisions of this Section 2.15.

(k) If a Multicurrency Revolving Lender is not a chartered bank under the Bank Act (Canada) or if a Multicurrency Revolving Lender notifies the Canadian Agent in writing that it is otherwise unable to accept B/As, such Multicurrency Revolving Lender will, instead of accepting and purchasing B/As, make a Loan (a "B/A Equivalent Loan") to the applicable Canadian Borrower in the amount and for the same term as the draft which such Multicurrency Revolving Lender would otherwise have been required to accept and purchase hereunder. Each such Multicurrency Revolving Lender will provide to the Canadian Agent the Discount Proceeds of such B/A Equivalent Loan for the account of the applicable Canadian Borrower in the same manner as such Multicurrency Revolving Lender would have provided the Discount Proceeds in respect of the draft which such Multicurrency Revolving Lender would otherwise have been required to accept and purchase hereunder. Each such B/A Equivalent Loan will bear interest at the same rate which would result if such Multicurrency Revolving Lender had accepted (and been paid an acceptance fee) and purchased (on a discounted basis) a B/A for the relevant Contract Period (it being the intention of the parties that each such B/A Equivalent Loan shall have the same economic consequences for the Multicurrency Revolving Lenders and the applicable Canadian Borrower as the B/A which such B/A Equivalent Loan replaces). All such interest shall be paid in advance on the date such B/A Equivalent Loan is made, and will be deducted from the principal amount of such B/A Equivalent Loan in the same manner in which the Discount Proceeds of a B/A would be deducted from the face amount of the B/A. Subject to the repayment requirements of this Credit Agreement, on the last day of the relevant Contract Period for such B/A Equivalent Loan, the applicable Canadian Borrower shall be entitled to convert each such B/A Equivalent Loan into another type of Multicurrency Revolving Loan, or to roll over each such B/A Equivalent Loan into another B/A Equivalent Loan, all in accordance with the applicable provisions of this Credit Agreement.

2.16 Defaulting Lenders.

Notwithstanding any provision of this Credit Agreement to the contrary, if any Lender becomes a Defaulting Lender hereunder (as determined by the Administrative Agent or, in the case of clause (d) below, any

applicable L/C Issuer), then the following provisions shall apply for so long as such Defaulting Lender is a Defaulting Lender:

- (a) the Administrative Agent (or the applicable L/C Issuer, as the case may be) shall promptly notify the Parent Borrower and each Lender that such Lender is a Defaulting Lender for purposes of this Credit Agreement;
- (b) fees under Section 2.09(a) shall cease to accrue on the Commitment of such Defaulting Lender (except to the extent reallocated pursuant to Section 2.16(e));
- (c) the Commitments and Loans of such Defaulting Lender shall be disregarded for all purposes of any determination of whether the Required Lenders, Required Revolving Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required **2020-1 Incremental Revolving Lenders, Required** Delayed Draw Term A Lenders or Required Term B-4 Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.01);
- (d) if any Swingline Loan or Letter of Credit is outstanding at the time the notice described in clause (a) above is provided, the Parent Borrower shall within one Business Day following notice by the Administrative Agent (i) prepay such Swingline Loan and (ii) cash collateralize such Defaulting Lender's L/C Obligations in accordance with Section 2.03(a)(ii)(A)(5) and on terms similar to the procedures set forth in Section 2.03(g) for so long as such L/C Obligations are outstanding; provided that (A) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders, elect to reallocate the Swingline Exposure among all non-Defaulting Lenders under the Dollar Revolving Facility by disregarding the Dollar Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's Dollar Revolving Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such Swingline Loan shall be required to be repaid pursuant to this Section 2.16(d) to the extent of such reallocation and (B) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) plus the total Limited Currency Revolving Obligations (other than any Limited Currency Revolving Obligations constituting outstanding Limited Currency Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Limited Currency Facility L/C Obligations) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender) plus the total Limited Currency Revolving Commitments (excluding the Limited Currency Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Limited Currency Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders and the Limited Currency Revolving Lenders, elect to reallocate the L/C Obligations among all non-Defaulting Lenders under the Dollar Revolving Facility and Limited Currency Revolving Facility by disregarding the Dollar Revolving Commitments and Limited Currency Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's L/C Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such L/C Obligations shall be required to be cash collateralized pursuant to this Section 2.16(d) to the extent of such reallocation; provided that the reallocation pursuant to the foregoing shall not be permitted to the extent it would cause (x) any Dollar Revolving Lender's Dollar Revolving Obligations to exceed its

Dollar Revolving Committed Amount or (y) any Limited Currency Revolving Lender's Limited Currency Revolving Obligations to exceed its Limited Currency Revolving Committed Amount;

(e) to the extent:

(i) the Parent Borrower cash collateralizes any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d), the Parent Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are cash collateralized (but shall be reallocated pursuant to clause (ii) below);

(ii) the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to each applicable proviso to Section 2.16(d) above, then the fees payable to the Lenders pursuant to Section 2.09(b)(i) shall be adjusted proportionately to reflect such reallocation; or

(iii) the Parent Borrower fails to cash collateralize any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d) above and the L/C Obligations are not reallocated pursuant to either proviso, as applicable, to Section 2.16(d) above, then, without prejudice to any rights or remedies of any L/C Issuer or any Lender hereunder, then all fees that otherwise would have been payable to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations shall be payable to each applicable L/C Issuer until such L/C Obligations are cash collateralized or reallocated pursuant to Section 2.16(d);

(f) for purposes of determining:

(i) the amount of the total Commitments for purposes of Sections 2.01, 2.03(b) and 2.04(a), the Commitment of each Defaulting Lender shall be excluded therefrom (other than any portion of such Commitment pursuant to which there is then outstanding a Loan from such Defaulting Lender); and

(ii) the applicable L/C Obligations of any Lender with respect to any Letter of Credit that is issued, increased (to the extent of the increase only) or renewed (but, for the avoidance of doubt, not with respect to any other applicable L/C Obligations relating to any other Letter of Credit) during the period in which there is a Defaulting Lender or the Swingline Exposure of any Lender with respect to any Swingline Loan made during the period in which there is a Defaulting Lender, the Commitment of such Defaulting Lender shall be deemed to be zero; and

(g) in the Administrative Agent's sole discretion:

(i) any prepayment of the principal amount of any Loans shall be applied solely to prepay the Loans of all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender; and

(ii) subject to Section 2.16(e)(iii), any amount payable to such Defaulting Lender pursuant to this Credit Agreement (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.12 or Section 3.06(b)) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent, applicable L/C Issuer or Swingline Lender hereunder, (ii) second, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender

against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Credit Agreement and (iii) third, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

In the event that the Administrative Agent, the Parent Borrower, each applicable L/C Issuer and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, the Administrative Agent shall promptly notify each Lender that such Lender has ceased to be a Defaulting Lender and, from and after the date of such notification, the Swingline Exposure and L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Dollar Facility Percentage and Limited Currency Facility Percentage.

2.17 Extended Term Loans and Extended Revolving Commitments.

(a) Parent Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (the Loans of such applicable Class, the "Existing Term Loans") be converted into a new Class of Term Loans (the Loans of such applicable Class, the "Extended Term Loans") with terms consistent with this Section 2.17. In order to establish any Extended Term Loans, the Parent Borrower shall provide a notice to the Administrative Agent (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be substantially identical to those applicable to the Existing Term Loans from which such Extended Term Loans are to be converted, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Term Loans (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

(i) the maturity date of the Extended Term Loans shall be later than the maturity date of the Existing Term Loans;

(ii) all or any of the scheduled amortization payments of principal of the Extended Term Loans shall be delayed to later dates than the scheduled amortization payments of principal of the Existing Term Loans such that the amortization payments of principal with respect to such Extended Term Loans for the period prior to the maturity date of the Existing Term Loans is no greater than the amounts due immediately prior to such extension;

(iii) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Existing Term Loans and (B) additional fees and/or premiums may be payable to the Extending Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A);

(iv) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Parent Borrower and the Extending Lenders so long as such Extended Term Loans do not participate on a greater than pro rata basis in any such mandatory prepayments as compared to then-existing Term Loan Lenders;

(v) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Term Loans (before giving effect to the Extended Term Loans); and

(vi) no existing Lender shall be required to provide, consent to or convert into any Extended Term Loans and no Loans of such Lenders will be converted without such party's affirmative consent thereto.

(b) The Borrowers may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (the Commitments of such applicable Class, the "Existing Revolving")

Commitments”) be converted into a new Class of Revolving Commitments (the Commitments of such applicable Class, the Extended Revolving Commitments”) with terms consistent with this Section 2.17. In order to establish any Extended Revolving Commitments, the Borrowers shall provide a notice to the Administrative Agent (a Revolving Credit Extension Request”) setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be substantially identical to those applicable to the Existing Revolving Commitments, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Revolving Commitment (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender’s objections with specificity), except that:

- (i) the maturity date of the Extended Revolving Commitments shall be later than the maturity date of the Existing Revolving Commitments;
- (ii) (A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments and/or (B) additional fees and/or premiums may be payable to the Extending Lenders in addition to or in lieu of any of the items contemplated by the preceding clause (A) and/or (C) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments;
- (iii) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Revolving Commitments (before giving effect to the Extended Revolving Commitments); and
- (iv) no existing Lender shall be required to provide any Extended Revolving Commitments and no Existing Revolving Commitments will become Extended Revolving Commitments without such party’s affirmative consent thereto.

(c) Each Extension Request shall specify the date (the Extension Effective Date”) on which the applicable Borrower proposes that the conversion of an Existing Class into an Extended Class shall be effective, which shall be a date reasonably satisfactory to the Administrative Agent. Each Lender of an Existing Class that is requested to be extended shall be offered the opportunity to convert its Existing Class into the Extended Class on the same basis as each other Lender of such Existing Class. Any Lender (to the extent applicable, an Extending Lender”) wishing to have all or a portion of its Existing Class subject to such Extension Request converted into an Extended Class shall notify the Administrative Agent (an Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Existing Class subject to such Extension Request that it has elected to convert into an Extended Class. In the event that the aggregate portion of the Existing Class subject to Extension Elections exceeds the amount of the Extended Class requested pursuant to the Extension Request, the portion of the Existing Class converted shall be allocated on a pro rata basis based on the amount of the Existing Class included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Commitment into an Extended Revolving Commitment, such Extended Revolving Commitment shall be treated identically with all Existing Revolving Commitments for purposes of the obligations of a Revolving Lender in respect of Swingline Loans under Section 2.01(c) and Letters of Credit under Section 2.03, except that the applicable Additional Credit Extension Amendment may provide that the maturity date for Swingline Loans and/or the Letters of Credit may be extended and the related obligations to make Swingline Loans and issue Letters of Credit may be continued so long as the Swingline Lender and/or the applicable L/C Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender (other than the Extending Lenders) shall be required in connection with any such extension). In no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender or each L/C Issuer, as the case may be.

(d) An Extended Class shall be established pursuant to an Additional Credit Extension Amendment executed by the Extending Lenders (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender). No Additional Credit Extension Amendment shall provide for any Class of (x) Extended Term Loans in an aggregate principal amount that is less than \$10.0 million or (y) Extended

Revolving Commitments in an aggregate principal amount that is less than \$5.0 million. In addition to any terms and changes required or permitted by Section 2.17(a), the Additional Credit Extension Amendment shall amend the scheduled amortization payments pursuant to Section 2.05 with respect to the Existing Term Loans from which the Extended Term Loans were converted to reduce each scheduled principal repayment amounts for the Existing Term Loans in the same proportion as the amount of Existing Term Loans to be converted pursuant to such Additional Credit Extension Amendment.

(c) Notwithstanding anything to the contrary contained in this Credit Agreement, on the Extension Effective Date, (i) the principal amount of each Existing Term Loan shall be deemed reduced by an amount equal to the principal amount converted into an Extended Term Loan, (ii) the amount of each Existing Revolving Commitment shall be deemed reduced by an amount equal to the amount converted into an Extended Revolving Commitment and (iii) if, on any Extension Effective Date, any Loans of any Extending Lender are outstanding under the applicable Existing Revolving Commitments, such Loans (and any related participations) shall be deemed to be converted into Loans (and related participations) made pursuant to the Extended Revolving Commitments in the same proportion as such Extending Lender's Existing Revolving Commitments are converted to Extended Revolving Commitments.

(f) This Section 2.17 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. Each Extended Class shall be documented by an Additional Credit Extension Amendment executed by the Extending Lenders providing such Extended Class (and the other persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.17.

2.18 Refinancing Term Loans.

(a) The Parent Borrower may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of term loans under this Credit Agreement or an increase to an existing Class of term loans under this Credit Agreement (in each case, "Refinancing Term Loans") or one or more series of debt securities or term loans ("Refinancing Notes/Loans"; and together with Refinancing Term Loans, the "Refinancing Debt";) provided that:

(i) the proceeds of such Refinancing Debt shall be used, concurrently or substantially concurrently with the incurrence thereof, solely to refinance all or any portion of any outstanding Term Loans;

(ii) each Class of Refinancing Term Loans shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof (or such other amount necessary to repay any Class of outstanding Term Loans in full);

(iii) such Refinancing Debt shall be in an aggregate principal amount not greater than the aggregate principal amount of Term Loans to be refinanced plus any accrued interest, fees, costs, premiums and expenses related thereto (including any original issue discount or upfront fees);

(iv) the final maturity date of such Refinancing Debt shall be later than the maturity date of the Term Loans being refinanced, and the Weighted Average Life to Maturity of such Refinancing Debt shall be longer than the then remaining Weighted Average Life to Maturity of each Class of Term Loans being refinanced;

(v) (A) the pricing, interest rate margins, rate floors, discounts, fees and optional and mandatory prepayment or redemption provisions (including premiums, if any) applicable to such Refinancing Debt shall be as agreed between the Parent Borrower and the providers of such Refinancing Debt so long as, in the case of any mandatory prepayment or redemption provisions, the providers of such Refinancing Debt do not participate on a greater than pro rata basis in any such prepayments as compared to Term Loan Lenders being refinanced and (B) the

covenants and other terms applicable to such Refinancing Term Loans (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Parent Borrower and the lenders providing such Refinancing Debt, shall not be materially more restrictive (when taken as a whole) to the Parent Borrower and its Restricted Subsidiaries than those applicable to any Class of Term Loans then outstanding under this Credit Agreement, as determined by the Parent Borrower in good faith, except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (after giving effect to such Refinancing Debt) or such covenants or other terms apply equally for the benefit of the other Lenders; provided, further, that it is understood and agreed that Refinancing Debt may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries); provided, further, that to the extent that any financial maintenance covenant is added for the benefit of such Refinancing Debt that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders (after giving effect to such Refinancing Debt);

(vi) no existing Lender shall be required to provide any Refinancing Debt; and

(vii) (A) the Refinancing Term Loans shall rank *pari passu* in right of payment and security with the existing Term B-4 Loans and (B) the Refinancing Notes/Loans may be (x) secured by Collateral on a *pari passu* basis with the existing Term B-4 Loans, (y) secured by Collateral on a junior lien basis to the existing Term B-4 Loans or (z) unsecured; provided, further, that in the case of clause (x) or clause (y), the holders of such Refinancing Notes/Loans or their representative is or becomes party to a customary intercreditor agreement reasonably satisfactory to the Administrative Agent and the Parent Borrower and all such Liens are subject to such intercreditor agreement.

(b) Each such notice shall specify (x) the date (each, a "Refinancing Effective Date") on which the Parent Borrower proposes that the Refinancing Debt be made, which shall be a date reasonably acceptable to the Administrative Agent and (y) in the case of Refinancing Term Loans, the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Refinancing Term Loans as if it were an assignee)) whom the Parent Borrower proposes would provide the Refinancing Term Loans and the portion of the Refinancing Term Loans to be provided by each such Person. On each Refinancing Effective Date, each Person with a commitment for a Refinancing Term Loan or Refinancing Notes/Loans shall make a Refinancing Term Loan to the Parent Borrower, and/or purchase Refinancing Notes/Loans from the Parent Borrower, in a principal amount equal to such Person's commitment therefor.

(c) This Section 2.18 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary (but shall be in addition to and not in lieu of the second paragraph of Section 11.01). The Refinancing Term Loans shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Refinancing Term Loans (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Parent Borrower, to effect the provisions of this Section 2.18. The Refinancing Notes/Loans shall be established pursuant to documentation which shall be consistent with the provisions set forth in Section 2.18(a).

2.19 Replacement Revolving Commitments.

(a) The Borrowers may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of Revolving Commitments ("Replacement Revolving Commitments") to replace all or a portion of any existing Classes of Revolving Commitments under this Credit Agreement ("Replaced Revolving Commitments"); provided that:

(i) substantially concurrently with the effectiveness of the Replacement Revolving Commitments, all or an equivalent portion of the Revolving Commitments in effect immediately prior to

such effectiveness shall be terminated, and all or an equivalent portion of the Revolving Loans and Swingline Loans then outstanding, together with all interest thereon, and all other amounts accrued for the benefit of the Revolving Lenders, shall be repaid or paid (it being understood, however, than any Letters of Credit issued and outstanding under the Replaced Revolving Commitments shall be deemed to have been issued under the Replacement Revolving Commitments if the amount of such Letters of Credit would exceed the remaining amount of commitments under the Replaced Revolving Commitments after giving effect to the reduction contemplated hereby);

(ii) such Replacement Revolving Commitments shall be in an aggregate amount not greater than the aggregate amount of Replaced Revolving Commitments to be replaced plus any accrued interest, fees, costs and expenses related thereto (including any upfront fees);

(iii) the final maturity date of such Replacement Revolving Commitments shall be later than the maturity date of the Replaced Revolving Commitments;

(iv) the L/C Sublimit and the Swingline Sublimit under such Replacement Revolving Commitments shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Commitments, the Administrative Agent, the L/C Issuer (or any replacement L/C Issuer) and the Swingline Lender (or any replacement Swingline Lender); provided that in no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender (other than a replacement Swingline Lender with respect to such Replacement Revolving Commitment) or each L/C Issuer (other than a replacement L/C Issuer with respect to such Replacement Revolving Commitment), as the case may be;

(v) (A) the pricing, rate floors, discounts, fees and optional prepayment or redemption provisions applicable to such Replacement Revolving Commitments shall be as agreed between the Borrowers and the Replacement Revolving Lenders so long as, in the case of any optional prepayment or redemption provisions, such Replacement Revolving Lenders do not participate on a greater than pro rata basis in any such prepayments as compared to Replaced Revolving Commitments and (B) the covenants and other terms applicable to such Replacement Revolving Commitments (excluding those terms described in the immediately preceding clause (A)), which shall be as agreed between the Borrowers and the lenders providing such Replacement Revolving Commitments, shall not be more favorable (when taken as a whole) to the lenders providing the Replacement Revolving Commitments than those applicable to the Replaced Revolving Commitments (as determined by the Parent Borrower in good faith), except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (before giving effect to the Replacement Revolving Commitments) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that the Replacement Revolving Commitments may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries, except in the case of Replacement Revolving Commitments of Foreign Borrowers, which may be guaranteed by any Guarantors);

(vi) no existing Lender shall be required to provide any Replacement Revolving Commitments;

(vii) the Replacement Revolving Commitments shall rank pari passu in right of payment and security with the existing Revolving Commitments;

(viii) any Loans under a Replacement Revolving Commitment will be drawn and participate in Letters of Credit and Swingline Loans on a pro rata basis with any existing Revolving Commitments.

(b) Each such notice shall specify (x) the date on which the Borrowers propose that the Replacement Revolving Commitments become effective, which shall be a date reasonably acceptable to the Administrative Agent and (y) the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Replacement Revolving Commitments as if it were an assignee)) whom the Borrowers

propose would provide the Replacement Revolving Commitments (each such person, a "Replacement Revolving Lender") and the portion of the Replacement Revolving Commitments to be provided by each such Person.

(c) This Section 2.19 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. The Replacement Revolving Commitments shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Replacement Revolving Commitments (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.19.

ARTICLE III

TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Except as otherwise required by Law (as determined in the good faith discretion of the applicable Withholding Agent), any and all payments by or on account of any obligation of the Credit Parties hereunder or under any other Credit Document shall be made free and clear of and without reduction or withholding for any Taxes; provided that if the applicable Withholding Agent shall be required by applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) to deduct or withhold any Taxes from such payments, then (i) if the Tax in question is an Indemnified Tax or an Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 3.01) the Applicable Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholdings and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes. Without limiting the provisions of subsection (a) above, the applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Applicable Borrower. Without duplication of any amounts payable under Section 3.01(a), the applicable Borrower shall indemnify the Applicable Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by the Applicable Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability, together with any reasonable supporting documentation, delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Applicable Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. Upon the reasonable request of any Credit Party, the Lenders, and the Applicable Agent agree to use their reasonable efforts to cooperate with such Credit Party (at such Credit Party's direction and expense) in contesting the imposition of, or claiming a refund of, any Indemnified Taxes or Other Taxes paid by such Credit Party, whether directly to a Governmental Authority or pursuant to this Section 3.01, that such Credit Party reasonably believes were not correctly or legally asserted by the relevant Governmental Authority unless such Lender or the Applicable Agent, as the case may be, determines in good faith that pursuing such a contest or refund would be materially disadvantageous to it.

(d) Evidence of Payments. As soon as reasonably practicable after any payment of Taxes pursuant to this Section 3.01 or Other Taxes by a Credit Party to a Governmental Authority, such Credit Party shall deliver to the Applicable Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing

such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Agent.

(c) Status of Lenders. Each Lender shall, at such times as are reasonably requested by the applicable Borrower or the Applicable Agent, provide such Borrower and the Applicable Agent with any documentation prescribed by Law, or reasonably requested by such Borrower or the Applicable Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Credit Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to such Borrower and the Applicable Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable Withholding Agent) or promptly notify such Borrower and the Applicable Agent of its legal ineligibility to do so. For the avoidance of doubt, unless the applicable Withholding Agent has received forms or other documentation satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a reduced rate pursuant to an applicable tax treaty, the applicable Withholding Agent shall withhold amounts required to be withheld by applicable Law from such payment at the maximum applicable withholding rate.

Without limiting the generality of the foregoing, in the event that any Borrower is not a Foreign Borrower:

(i) Each U.S. Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding,

(ii) Each Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party.

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Internal Revenue Code, (x) a certificate, in substantially the form of Exhibit 3.01(e)-1, -2, -3, or -4 (any such certificate a “United States Tax Compliance Certificate”), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (B) a “10 percent shareholder” of the Parent Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code, and that no payments in connection with the Credit Documents are effectively connected with such Lender’s conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio

interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s),

(E) any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Laws to permit the applicable Withholding Agent to determine the withholding or deduction required to be made on any payments to such Lender under the Credit Documents, or

(F) the Administrative Agent (and any assignee or successor) will deliver, to the Parent Borrower, on or prior to the execution and delivery of this Agreement (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a “qualified intermediary” or a “U.S. branch”) for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9, whichever is applicable, and in each case of (i) and (ii), with the effect that the Parent Borrower can make payments to the Administrative Agent on behalf of the Lenders without any deduction or withholding of any U.S. federal withholding Taxes.

(iii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender’s FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause 3.01(e)(iii), FATCA shall include any amendments made to FATCA after the date of this agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Applicable Agent to deliver to the Borrowers and any successor Applicable Agent any documentation delivered by the Lender to the Applicable Agent pursuant to this Section 3.01(e).

(f) Treatment of Certain Refunds If the Applicable Agent or any Lender determines, in its reasonable discretion, exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which a Credit Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the applicable Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Party under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes imposed with respect to the refund) of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the applicable Credit Party, upon the request of the Applicable Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Applicable Agent or such Lender in the event the Applicable Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Applicable Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to any Credit Party the payment of which would place such Lender in a less favorable net after-tax position that such Lender or would have been in if the Indemnified Tax or other Tax giving rise to such refund had never been imposed.

(g) Payments made by the Applicable Agent. For the avoidance of doubt, any payments made by the Applicable Agent to any Lender shall be treated as payments made by the applicable Credit Party.

(h) [Reserved].

(i) Issuing Banks and Swingline Lenders. For the avoidance of doubt, for purposes of this Section 3.01, the term “Lender” shall include any L/C Issuer and the Swingline Lender, and “Law” includes FATCA.

(j) Treatment of Advances. From and after the Amendment No. 3 Effective Date, solely for purposes of FATCA, the Borrowers and the Administrative Agent shall treat, and the Lenders hereby authorize the Borrowers and the Administrative Agent to treat, this Credit Agreement and all advances hereunder (including advances already outstanding) as no longer qualifying as “grandfathered obligations” within the meaning of Treasury Regulation section 1.1471-2(b)(2)(i).

3.02 Illegality.

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurodollar Rate Loans, or to determine or charge interest rates based upon the Adjusted Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Loans that are Base Rate Loans to Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Parent Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the Parent Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates.

(a) If prior to the commencement of any Interest Period for a Eurodollar Rate Loan:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurodollar Rate or the Eurodollar Rate, as applicable (including because the Eurodollar Screen Rate is not available or published on a current basis), for the applicable currency and such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders (or, to the extent relating to Eurodollar Rate Loans in currencies other than Dollars, the Required Specified Currency Limited Currency/Multicurrency Revolving Lenders) that the Adjusted Eurodollar Rate or the Eurodollar Rate, as applicable, for the applicable currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable currency and such Interest Period;

then the Administrative Agent shall give notice thereof to the Parent Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any request that requests the conversion of any Loan in Dollars to, or continuation of a Loan in Dollars as, a Eurodollar Rate Loan shall be ineffective and such Loan shall be continued as a Base Rate Loan, (B) if any Loan Notice requests a Loan that is a Eurodollar Rate Loan in Dollars, such Loan shall be made as a Base Rate Loan, (C) any Loan Notice that requests the making of a Loan in such applicable currency (if such applicable currency is other than Dollars)

shall be ineffective and (D) any then-outstanding Loan in such applicable currency (if such currency is other than Dollars) shall be maintained at a rate for the tenor of borrowings in such currency that is comparable to the tenor of the Loans as determined by the Administrative Agent in good faith plus the Applicable Percentage; provided, in the case of Borrowings in Dollars, that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but either (w) the supervisor for the administrator of the Eurodollar Screen Rate has made a public statement that the administrator of the Eurodollar Screen Rate is insolvent (and there is no successor administrator that will continue publication of the Eurodollar Screen Rate), (x) the administrator of the Eurodollar Screen Rate has made a public statement identifying a specific date after which the Eurodollar Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the Eurodollar Screen Rate), (y) the supervisor for the administrator of the Eurodollar Screen Rate has made a public statement identifying a specific date after which the Eurodollar Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the Eurodollar Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Eurodollar Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Parent Borrower shall endeavor to establish an alternate rate of interest to the Eurodollar Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (including any mathematical or other adjustments to such alternate rate of interest), and shall enter into, no earlier than five Business Days after such amendment is posted or otherwise distributed to the Lenders, an amendment to this Credit Agreement to reflect such alternate rate of interest and such other related changes to this Credit Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Percentage); provided that, if such alternate rate of interest as so determined would be less than zero, such rate in the case of Revolver Loans and Delayed Draw Term A Loans shall be deemed to be zero for the purposes of this Credit Agreement. Notwithstanding anything to the contrary in Section 11.01, such amendment shall become effective without any further action or consent of any other party to this Credit Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date such amendment is so posted or otherwise distributed to the Lenders as referred to in the previous sentence, a written notice from the Required Lenders (or, to the extent relating to Eurodollar Rate Loans relating to Eurodollar Rate Loans in currencies other than Dollars, the Required Specified Currency Limited Currency/Multicurrency Revolving Lenders) stating that such Required Lenders (or Required Specified Currency Limited Currency/Multicurrency Revolving Lenders, as the case may be) object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii)(w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 3.03(b), only to the extent the Eurodollar Screen Rate for the applicable currency and such Interest Period is not available or published at such time on a current basis), (x) any Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of Eurodollar Rate Loans shall be ineffective and (y) if any Loan Notice requests a Borrowing of Eurodollar Rate Loans, such Borrowing shall be made as a Borrowing of Base Rate Loans.

3.04 Increased Cost; Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Eurodollar Rate) or L/C Issuer;
- (ii) subject any Lender or L/C Issuer to any Tax of any kind whatsoever with respect to any Credit Document, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender or L/C Issuer in respect thereof (except, in each case, for Indemnified Taxes or

Other Taxes, any Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and in the definition of Connection Income Taxes); or

(iii) impose on any Lender or L/C Issuer or the London or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Credit Agreement or Eurodollar Rate Loans or B/A Drawings made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Loan (or, in the case of clause (ii) above, any Loan) or obtaining funds for the purchase of B/As, or of maintaining its obligation to make any such Loan or accept and purchase B/As, or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) **Capital Requirements.** If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any Lending Office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Credit Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law, then from time to time the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) **Certificates for Reimbursement.** A certificate of a Lender or L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Parent Borrower shall be conclusive absent manifest error. The Parent Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) **Delay in Requests.** Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Parent Borrower shall not be required to compensate a Lender or L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses.

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Parent Borrower shall promptly compensate such Lender for and hold such Lender harmless from any reasonable loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or

- (b) the payment of any principal in respect of a B/A other than on the last day of a Contract Period for such B/A (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or
- (c) any failure by the Parent Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Parent Borrower; or
- (d) any assignment of a Eurodollar Rate Loan or the right to receive payment in respect of a B/A on a day other than the last day of the Interest Period or Contract Period, as the case may be, therefor as a result of a request by the Parent Borrower pursuant to Section 11.13;

including any reasonable loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on behalf of a Lender, shall be conclusive absent manifest error. For the avoidance of doubt, notwithstanding the foregoing, no Lender shall demand, and the Borrower shall not be obligated to make, any funding loss payments pursuant to this Section 3.05 with respect to the payment of accrued interest on the Amendment No. 6 Effective Date with respect to the Converted Term B-3 Loans.

For purposes of calculating amounts payable by the Parent Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Adjusted Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Parent Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Parent Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Parent Borrower may replace such Lender in accordance with Section 11.13.

(c) Limitation on Additional Amounts, Etc. Notwithstanding anything to the contrary contained in this Article III of this Credit Agreement, unless a Lender gives notice to the Parent Borrower that it is obligated to pay an amount under this Article within nine (9) months after the latest of (i) the date the Lender incurs the respective increased costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital, (ii) the date such Lender has actual knowledge of its incurrence of the respective increased costs, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital or (iii) where the increased costs, loss, expense, liability, etc. relates to a third party claim (e.g., a Tax claim), the date on which the Lender has actual knowledge of such claim, then such Lender shall not be entitled to be compensated for such amounts by the Parent Borrower pursuant to this Article III to the extent any portion of such amounts are directly attributable (e.g., late penalties payable on a third party claim) to such Lender's failure to provide notice within the required period.

3.07 Survival Losses.

All of the Parent Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, resignation of the Applicable Agent and any assignment of rights by, or replacement of, any Lender or L/C Issuer.

3.08 Additional Reserve Costs.

(a) [Reserved].

(b) For so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank, the European System of Central Banks or the Bank of Canada, but excluding requirements reflected in the Statutory Reserves) in respect of any of such Lender's Eurodollar Rate Loans, such Lender shall be entitled to require the Parent Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Loans subject to such requirements, additional interest on such Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loan.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive absent manifest error, and notified to the Parent Borrower (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the applicable Loan, and such additional interest so notified to the Parent Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

ARTICLE IV

GUARANTY

4.01 The Guaranty.

(a) Each of the Parent Borrower and the Domestic Guarantors hereby jointly and severally guarantees to the Administrative Agent and each of the holders of the Obligations, as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Borrower Obligations (the "Domestic Guaranteed Obligations") in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Domestic Guarantors hereby further agree that if any of the Domestic Guaranteed Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Domestic Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Domestic Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

(b) Notwithstanding any provision to the contrary contained herein, in any other of the Credit Documents, Swap Contracts or other documents relating to the Domestic Guaranteed Obligations, the obligations of each Domestic Guarantor under this Credit Agreement and the other Credit Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law.

4.02 Obligations Unconditional.

The obligations of the Domestic Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Credit

Documents or other documents relating to the Obligations, or any substitution, compromise, release, impairment or exchange of any other guarantee of or security for any of the Domestic Guaranteed Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Domestic Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Domestic Guarantor agrees that such Domestic Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrowers or any other Domestic Guarantor for amounts paid under this Article IV until such time as the Obligations have been irrevocably paid in full and the commitments relating thereto have expired or been terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Domestic Guarantor hereunder, which shall remain absolute and unconditional as described above:

- (a) at any time or from time to time, without notice to any Domestic Guarantor, the time for any performance of or compliance with any of the Domestic Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (b) any of the acts mentioned in any of the provisions of any of the Credit Documents, or other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein shall be done or omitted;
- (c) the maturity of any of the Domestic Guaranteed Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Credit Documents or other documents relating to the Domestic Guaranteed Obligations, or any other agreement or instrument referred to therein shall be waived or any other guarantee of any of the Domestic Guaranteed Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;
- (d) any Lien granted to, or in favor of, the Administrative Agent or any of the holders of the Domestic Guaranteed Obligations as security for any of the Domestic Guaranteed Obligations shall fail to attach or be perfected; or
- (e) any of the Domestic Guaranteed Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Domestic Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Domestic Guarantor).

With respect to its obligations hereunder, each Domestic Guarantor hereby expressly waives diligence, presentment, demand of payment, protest, notice of acceptance of the guaranty given hereby and of extensions of credit that may constitute obligations guaranteed hereby, notices of amendments, waivers and supplements to the Credit Documents and other documents relating to the Domestic Guaranteed Obligations, or the compromise, release or exchange of collateral or security, and all notices whatsoever, and any requirement that the Administrative Agent or any holder of the Domestic Guaranteed Obligations exhaust any right, power or remedy or proceed against any Person under any of the Credit Documents or any other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein, or against any other Person under any other guarantee of, or security for, any of the Obligations.

4.03 Reinstatement.

Neither the Domestic Guarantors' obligations hereunder nor any remedy for the enforcement thereof shall be impaired, modified, changed or released in any manner whatsoever by an impairment, modification, change, release or limitation of the liability of any Borrower, by reason of such Borrower's bankruptcy or insolvency or by reason of the invalidity or unenforceability of all or any portion of the Domestic Guaranteed Obligations. The obligations of the Domestic Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Domestic Guaranteed Obligations is

rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings pursuant to any Debtor Relief Law or otherwise, and each Domestic Guarantor agrees that it will indemnify the Administrative Agent and each holder of Domestic Guaranteed Obligations on demand for all reasonable costs and expenses (including all reasonable fees, expenses and disbursements of any law firm or other counsel) incurred by the Administrative Agent or such holder of Domestic Guaranteed Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

4.04 Certain Waivers.

Each Domestic Guarantor acknowledges and agrees that (a) the guaranty given hereby may be enforced without the necessity of resorting to or otherwise exhausting remedies in respect of any other security or collateral interests, and without the necessity at any time of having to take recourse against any Borrower hereunder or against any collateral securing the Domestic Guaranteed Obligations or otherwise, (b) it will not assert any right to require the action first be taken against any Borrower or any other Person (including any co-guarantor) or pursuit of any other remedy or enforcement of any other right and (c) nothing contained herein shall prevent or limit action being taken against the Borrowers hereunder, under the other Credit Documents or the other documents and agreements relating to the Domestic Guaranteed Obligations or from foreclosing on any security or collateral interests relating hereto or thereto, or from exercising any other rights or remedies available in respect thereof, if neither the applicable Borrower nor the Domestic Guarantors shall timely perform their obligations, and the exercise of any such rights and completion of any such foreclosure proceedings shall not constitute a discharge of the Domestic Guarantors' obligations hereunder unless as a result thereof, the Domestic Guaranteed Obligations shall have been indefeasibly paid in full and the commitments relating thereto shall have expired or been terminated, it being the purpose and intent that the Domestic Guarantors' obligations hereunder be absolute, irrevocable, independent and unconditional under all circumstances.

4.05 Remedies.

The Domestic Guarantors agree that, to the fullest extent permitted by law, as between the Domestic Guarantors, on the one hand, and the Administrative Agent and the holders of the Domestic Guaranteed Obligations, on the other hand, the Domestic Guaranteed Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 9.02) for purposes of Section 4.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Domestic Guaranteed Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Domestic Guaranteed Obligations being deemed to have become automatically due and payable), the Domestic Guaranteed Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Domestic Guarantors for purposes of Section 4.01. The Domestic Guarantors acknowledge and agree that the Domestic Guaranteed Obligations are secured in accordance with the terms of the Collateral Documents and that the holders of the Domestic Guaranteed Obligations may exercise their remedies thereunder in accordance with the terms thereof.

4.06 Rights of Contribution.

The Domestic Guarantors hereby agree as among themselves that, in connection with payments made hereunder, each Domestic Guarantor shall have a right of contribution from each other Domestic Guarantor in accordance with applicable Law. Such contribution rights shall be subordinate and subject in right of payment to the Domestic Guaranteed Obligations until such time as the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated, and none of the Guarantors shall exercise any such contribution rights until the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated.

4.07 Guaranty of Payment; Continuing Guaranty.

The guarantee in this Article IV is a guaranty of payment and not of collection, and is a continuing guarantee, and shall apply to all Domestic Guaranteed Obligations whenever arising.

4.08 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Credit Party to honor all of its obligations under this guarantee and any security interest granted under the U.S. Security Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 4.08 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 4.08, or otherwise under this guarantee, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 4.08 shall remain in full force and effect until the Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends that this Section 4.08 constitute, and this Section 4.08 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

As of the Amendment No. 6 Effective Date, no claim or litigation regarding any of the foregoing is pending or, to the knowledge of the Credit Parties, threatened, that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. None of the IP Rights listed on Section 2 of [Schedule 8.01](#) is material to the operation of the business of Parent Borrower and its Subsidiaries. The pledgor or assignor, as the case may be, under each Collateral Document has good title to all Collateral subject thereto free and clear of all Liens other than Permitted Liens. No filings or recordings are required in order to perfect the security interests created under the Collateral Documents except, (i) with respect to the Domestic Credit Parties, for filings or recordings listed on [Schedule 6.21](#) (as amended by each Perfection Certificate delivered to the Administrative Agent after the Amendment No. 6 Effective Date), all of which shall have been made on or prior to the Amendment No. 6 Effective Date except as otherwise expressly provided in [Schedule 6.21](#) (or such Perfection Certificates, as applicable) and (ii) with respect to the Foreign Credit Parties, the filings or recordings listed in a schedule to the applicable Collateral Documents similar in purpose to the schedule described in the foregoing clause (i).

(b) When the U.S. Security Agreement (or a short-form version thereof) is filed in the United States Patent and Trademark Office and the United States Copyright Office, the security interest created thereunder shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Domestic Credit Parties

in the Intellectual Property (as such term is defined in the U.S. Security Agreement) in which a security interest may be perfected by filing, recording or registering a security agreement or analogous document in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, in each case prior and superior in right to any other Person, other than with respect to the rights of Persons pursuant to Permitted Liens (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a lien on registered trademarks, trademark applications and copyrights acquired by the Domestic Credit Parties after the Amendment No. 6 Effective Date).

(c) The requirements set forth in Sections 7.12, 7.13 and 7.14 are satisfied.

(d) Notwithstanding the foregoing, it is agreed that the Credit Parties shall not be required to enter into control agreements with respect to their deposit accounts and securities accounts in order to perfect the Collateral Agent's Lien on the Collateral.

6.23 Immunities, Etc.

Each Credit Party is subject to civil and commercial law with respect to its obligations under this Credit Agreement, and the execution, delivery and performance by it of this Credit Agreement and each other Credit Document to which it is a party constitutes and will constitute private and commercial acts rather than public or governmental acts. Each Credit Party has validly given its consent to be sued in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. Each Credit Party has waived every immunity (sovereign or otherwise) to which it or any of its properties would otherwise be entitled from any legal action, suit or proceeding, from jurisdiction of any court or from setoff or any legal process (whether service or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) under the laws of the jurisdiction of its incorporation in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. The waiver by each Credit Party described in the immediately preceding sentence is legal, valid and binding on such Credit Party.

6.24 Anti-Money Laundering, Economic Sanctions Laws and Anti-Corruption Laws.

(a) To the extent applicable, each of Parent Borrower and its Subsidiaries, and to the knowledge of Parent Borrower and any other Credit Party, any director, officer, employee, agent or Affiliate of Parent Borrower or any Subsidiary, is in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and other economic or financial sanctions imposed by the U.S. government, including those administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC"), and economic sanctions administered by the United Nations Security Council, the European Union or Her Majesty's Treasury of the United Kingdom ("Sanctions"), (ii) the Patriot Act and (iii) laws, rules and regulations of any jurisdiction applicable to Borrower and its Subsidiaries relating to bribery, corruption or money laundering ("Anti-Corruption Laws").

(b) No part of the proceeds of the Loans will be used, directly or indirectly, in violation of any Anti-Corruption Laws or applicable Sanctions.

(c) No Credit Party, any Subsidiary of Parent Borrower, nor to the knowledge of any Credit Party, any director, officer, employee, agent or Affiliate of a Credit Party or any Subsidiary of Parent Borrower, is the subject of any Sanctions. The proceeds of the Loans will not be used for the purpose of financing the activities of any Person, or in any country, region or territory, that, at the time of such financing, is the target of Sanctions, or in any manner that would result in the violation of Sanctions applicable to any party hereto.

6.25 EEA Financial Institution.

(g) Change of Control. There shall have occurred a Change of Control of the Parent Borrower; or

(h) Inability to Pay Debts; Attachment. Any Credit Party or any Significant Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or any writ or warrant of attachment or execution or similar process issued or levied against all or any material part of the property of any such Person and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or

(i) Judgments. There is entered against any member of the Consolidated Group one or more final judgments or orders for the payment of money in an aggregate amount (as to all such judgments and orders) exceeding \$150.0 million (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage or otherwise discharged), and there is a period of 30 consecutive days during which a stay of enforcement of such judgments, by reason of a pending appeal or otherwise, is not in effect; or

(j) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of \$150.0 million, or (ii) a Credit Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of \$150.0 million; or

(k) Invalidity of Credit Documents. Any Credit Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Credit Party contests in any manner the validity or enforceability of any Credit Document; or any Credit Party denies that it has any or further liability or obligation under any Credit Document, or purports to revoke, terminate or rescind any Credit Document; or

(l) Collateral Documents. Any Collateral Document after delivery thereof shall for any reason cease (or shall be asserted in writing by any Credit Party to cease) to create a valid and perfected first priority Lien to the extent required by the Collateral Documents (subject to no other Liens other than Liens permitted by Section 8.01) on Collateral that is (i) purported to be covered thereby and (ii) comprises Property which, when taken together with all Property as to which such a Lien has so ceased to be effective, has a fair market value in excess of \$50.0 million (other than by reason of (x) the express release thereof pursuant to Section 10.10, (y) the failure of the Collateral Agent to retain possession of Collateral physically delivered to it or (z) the failure of the Collateral Agent to timely file UCC continuation statements); or

(m) Subordinated Debt. Any Subordinated Debt of the Parent Borrower or any Credit Party or any guarantee of the Parent Borrower or any Credit Party in respect thereof shall cease, for any reason, to

9.02 Remedies upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

- (a) declare the Commitments of the Lenders and the obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligation shall be terminated;
- (b) declare the unpaid principal amount of all outstanding Loans and B/As, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Credit Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;
- (c) require that the Parent Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof);
- (d) require that the Canadian Borrowers cash collateralize amounts to become due with respect to outstanding B/As in accordance with Section 2.06(c)(iii); and
- (e) exercise on behalf of itself and the Lenders all rights and remedies available to it or to the Lenders under the Credit Documents or applicable Law;

provided, however, that upon the occurrence of an Event of Default under Section 9.01(f) or (h), the obligation of each Lender to make Loans and accept and purchase B/As and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Parent Borrower to Cash Collateralize the L/C Obligations and the Canadian Borrowers to cash collateralize amounts to become due with respect to outstanding B/As as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

9.03 Application of Funds.

After the exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable, the outstanding B/As have automatically been required to be cash collateralized and the L/C Obligations have automatically been required to be Cash Collateralized, in each case as set forth in the proviso to Section 9.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, in each case in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest, Commitment Fees, Letter of Credit Fees and B/A Fees) payable to the Lenders (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III), ratably among the Lenders in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid Commitment Fees, Letter of Credit Fees, B/A Fees and interest on the Loans, B/A Drawings, L/C Borrowings and other Obligations, ratably among the Lenders, the Swingline Lender and the L/C Issuers in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to (a) payment of that portion of the Obligations constituting unpaid principal of the Loans, the aggregate face amount of any outstanding B/As and L/C Borrowings, (b) payment of breakage, termination or other amounts owing in respect of any Swap Contract between Parent Borrower or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lead Arranger, a Lender or Affiliate of the Administrative Agent, a Lead Arranger or a Lender at the time it entered into such Swap Contract, (c) payments of amounts due under any Treasury Management Agreement between Parent Borrower or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lender or Affiliate of the Administrative Agent or a Lender at the time it entered into such Treasury Management Agreement, to the extent such Treasury Management Agreement is permitted hereunder and (d) the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of the L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among such parties in proportion to the respective amounts described in this clause Fourth payable to them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Parent Borrower or as otherwise required by Law.

provided that no amount received from any Foreign Credit Party or on account of any Collateral that is solely Collateral for the Foreign Obligations shall be applied pursuant to second, third or fourth clause of this paragraph to the extent such amounts do not constitute Foreign Obligations. Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, amounts received from the Borrowers or any Guarantor that is not a Qualified ECP Guarantor shall not be applied to the Obligations that are Excluded Swap Obligations.

ARTICLE X

AGENTS

10.01 Appointment and Authorization of the Agents.

(a) Each of the Lenders and the L/C Issuers hereby irrevocably appoints (i) JPMCB to act on its behalf as the Administrative Agent and Collateral Agent, (ii) JPMorgan Chase Bank, N.A., Toronto Branch, to act on its behalf as the Canadian Agent and (iii) JPME to act on its behalf as the London Agent, in each case hereunder and under the other Credit Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to the such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents, the Lenders and the L/C Issuers, and neither the Parent Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions.

(b) Each Lender hereby irrevocably appoints, designates and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Credit Agreement and each Collateral Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Credit Agreement or any Collateral Document, together with such powers as are reasonably incidental thereto. In this connection, the

Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 10.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article X and Article XI (including Section 11.04(c)), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Credit Documents) as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any Collateral Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Credit Agreement or any Collateral Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the Collateral Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities (i) provided to the Administrative Agent under the Credit Documents with respect to any acts taken or omissions suffered by the Collateral Agent in connection with any Collateral or the Collateral Documents as fully as if the term “Administrative Agent” as used in such Credit Documents included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein or in the Collateral Documents with respect to the Collateral Agent.

(c) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by any L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article X included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(d) In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Credit Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the New York UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Credit Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by a Credit Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Lenders, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker’s board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk.

10.02 Rights as a Lender.

Each Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Parent Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.03 Exculpatory Provisions.

The Agents and Lead Arrangers shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Agents and Lead Arrangers:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Agents are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its or their Affiliates in any capacity.

No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 9.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Parent Borrower, a Lender or an L/C Issuer.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Credit Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Credit Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents or to assure that the Liens granted to the Collateral Agent pursuant to any Collateral Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

10.04 Reliance by Agents.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, the acceptance and purchase of any B/A or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, each Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless such Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan, the acceptance and purchase of such B/A or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Parent Borrower), independent accountants and other

experts selected by it, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

10.05 Delegation of Duties.

Each Agent may perform any and all of their duties and exercise their rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents, and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

10.06 Resignation of an Agent.

Each of the Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Parent Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), to appoint a successor, which (i) in the case of a resignation by the Administrative Agent or the Collateral Agent, shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, (ii) in the case of a resignation by the Canadian Agent, shall be a bank with an office in Canada, or an Affiliate of any such bank with an office in Canada or (iii) in the case of a resignation by the London Agent, shall be a bank with an office in London, or an Affiliate of any such bank with an office in London. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuers, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), appoint a successor Agent meeting the qualifications set forth above; provided that if such Agent shall notify the Parent Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by such Agent on behalf of the Lenders or the L/C Issuers under any of the Credit Documents, such retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Parent Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Parent Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as such Agent.

Any resignation by JPMCB as Administrative Agent or Collateral Agent, as the case may be, pursuant to this Section shall also constitute its resignation as Dollar L/C Issuer, Multicurrency L/C Issuer and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as the case may be, hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuers and Swingline Lender, (b) the retiring L/C Issuers and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuers shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuers to effectively assume the obligations of the retiring L/C Issuers with respect to such Letters of Credit.

10.07 Non-Reliance on Agents and Other Lenders.

Each Lender and L/C Issuer acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement. Each Lender and L/C Issuer also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Credit Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

10.08 No Other Duties.

Anything herein to the contrary notwithstanding, none of the "Syndication Agent," "Joint Lead Arrangers" and "Joint Bookrunners" listed on the cover page hereof shall have any powers, duties or responsibilities under this Credit Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender or an L/C Issuer hereunder.

10.09 Agents May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, any Agent (irrespective of whether the principal of any Loan, B/A Drawing or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Applicable Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations (other than obligations under Swap Contracts or Treasury Management Agreements to which such Agent is not a party) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Agents and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Agents under Sections 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due to such Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Applicable Agent to authorize or consent to or accept or adopt on behalf of any Lender or L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

10.10 Collateral and Guaranty Matters.

The Lenders and the L/C Issuers irrevocably authorize the Administrative Agent and the Collateral Agent, at its option and in its discretion:

(a) to release any Guarantor from its obligations under the Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction not prohibited hereunder, is designated as an Immaterial Subsidiary or is designated as an Excluded Subsidiary pursuant to clause (e) of the definition thereof, or if the conditions set forth in clause (b)(i) below are satisfied;

(b) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations not then due and payable and (B) obligations and liabilities under Swap Contracts and Treasury Management Agreements not then due and payable) and the expiration or termination of all Letters of Credit (or if any Letters of Credit shall remain outstanding, upon (x) the cash collateralization of the Outstanding Amount of Letters of Credit on terms satisfactory to the Administrative Agent and L/C Issuer or (y) the receipt by any applicable L/C Issuer of a backstop letter of credit on terms satisfactory to the Administrative Agent and such L/C Issuer), (ii) that is Disposed of as part of or in connection with any sale or other Disposition not prohibited hereunder or under any other Credit Document (other than any such sale or other Disposition to another Credit Party), or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is granted pursuant to Section 8.01(i) or (z).

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the authority of the Collateral Agent to release or subordinate its interest in particular property and of the Administrative Agent to release any Guarantor from its obligations hereunder pursuant to this Section 10.10 in connection with a transaction permitted hereunder.

10.11 Withholding Tax.

To the extent required by any applicable Law, the Applicable Agent may deduct or withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the IRS or any other authority of the United States or other jurisdiction asserts a claim that the Applicable Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Applicable Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Applicable Agent has not already been reimbursed by the Borrowers pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Borrowers to do so) fully for all amounts paid, directly or indirectly, by the Applicable Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Applicable Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Applicable Agent to set off and apply any and all amounts at any time owing to such Lender under this Credit Agreement or any other Credit Document against any amount due to the Applicable Agent under this Section 10.11. The agreements in this Section 10.11 shall survive the resignation and/or replacement of the Applicable Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Credit Agreement and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 10.11, the term "Lender" shall include any L/C Issuer and the Swingline Lender.

10.12 Treasury Management Agreements and Swap Contracts.

Except as otherwise expressly set forth herein or in any Collateral Document, no Treasury Management Bank or Hedge Bank that obtains the guarantees hereunder or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or

impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Management Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Hedge Bank, as the case may be.

10.13 Credit Bidding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Credit Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(vii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500, and the Eligible Assignee, if it shall not be a Lender, shall (A) deliver to the Administrative Agent an Administrative Questionnaire and (B) deliver to the applicable Borrower and the Applicable Agent the forms required to be delivered pursuant to Section 3.01(c); and

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section 11.06, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Credit Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Credit Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Credit Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Credit Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the applicable Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Credit Agreement that does not comply with this subsection shall be treated for purposes of this Credit Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section 11.06.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, acceptance and purchase of any B/As and L/C Obligations and the interest thereon owing and paid to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Credit Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by each of the Parent Borrower, the Agents, the Lenders (solely with respect to each Lender's own Loans and Commitments) and the L/C Issuers at any reasonable time and from time to time upon reasonable prior notice.

Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire (unless the Eligible Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 11.06 and any written consent to such assignment required by paragraph (b) of this Section 11.06, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the Eligible Assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02(b), 2.03(c), 2.04(b), 2.11(b) or 11.04(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Credit Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person or the Parent Borrower or any of the Parent Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Credit Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender's obligations under this Credit Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Credit Agreement. Each Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants and the rights, interests or obligations of such Participants in any Obligation, in any Commitment and in any right to receive any principal, interest and other payments thereunder (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Credit Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any loans are in registered form for U.S. federal income Tax purposes under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Credit Agreement and to approve any amendment, modification or waiver of any provision of this Credit Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(a)(iv) or (v) or, to the extent the Participant is affected thereby, Section 11.01(b)(i), (ii) or (iii). Subject to subsection (e) of this Section 11.06, each Participant (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections including the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06 and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.12 as though it were a Lender.

(e) Limitation upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent Borrower's prior written consent to such sale, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the participation takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the participation takes effect). For the avoidance of doubt, a Participant entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Credit Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other governmental authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of

records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Special Purpose Funding Vehicles Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Credit Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if a SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Applicable Agent as is required under Section 2.11(b)(i). Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Credit Agreement for which a Lender would be liable, and the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by a SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Credit Agreement) that, prior to the date that is one (1) year and one (1) day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee in the amount of \$2,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. Each SPC (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the Granting Lender) and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b). A SPC shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPC unless the grant of the interest is made with the Parent Borrower’s prior written consent to such grant, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the grant to the SPC takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the grant to the SPC takes effect). For the avoidance of doubt, an SPC entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Granting Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(i) Resignation as L/C Issuer or Swingline Lender After Assignment Notwithstanding anything to the contrary contained herein, if at any time any L/C Issuer or Swingline Lender assigns all of its Commitment and Loans pursuant to subsection (b) above, such L/C Issuer or Swingline Lender may, (i) upon thirty (30) days’ notice to the Parent Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty (30) days’ notice to the Parent Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Parent Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Parent Borrower to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender as L/C Issuer or Swingline Lender, as the case may be. If any L/C Issuer resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C

Obligations with respect thereto (including the right to require the Lenders to fund risk participations in Unreimbursed Amounts pursuant to [Section 2.03\(c\)](#)). If any Swingline Lender resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to [Section 2.04\(b\)](#). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term B-4 Loans to Parent Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures set forth in [Exhibit 11.06\(i\)](#) or (y) notwithstanding [Sections 2.11](#) and [2.12](#) or any other provision in this Credit Agreement, open market purchases on a non-pro rata basis provided that:

(i) in connection with assignments pursuant to clause (x) above, Parent Borrower or such Subsidiary shall make an offer to all Lenders to take Term B-4 Loans by assignment pursuant to procedures set forth in [Exhibit 11.06\(j\)](#):

(ii) upon the effectiveness of any such assignment, such Term B-4 Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Credit Agreement;

(iii) no Default or Event of Default shall exist or be continuing or would result therefrom;

(iv) the Parent Borrower must represent and warrant, at the time of the offer and at the time of the assignment, either (x) it does not possess material non-public information with respect to Parent Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term B-4 Lenders generally (other than Term B-4 Lenders who elect not to receive such information) or (y) make a statement that such representation cannot be made; and

(v) such purchases shall not be financed with the proceeds of a Revolving Loan or Swingline Loan.

11.07 Treatment of Certain Information; Confidentiality.

Each of the Agents, Lenders and L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Credit Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Credit Agreement, (ii) any actual or prospective counterparty (or advisors) to any swap, derivative transaction relating to the Borrowers and their obligations, (g) subject to each such Person being informed of the confidential nature of the Information and to their agreement to keep such Information confidential, to (i) an investor or prospective investor in securities issued by an Approved Fund that also agrees that Information shall be used solely for the purpose of evaluating an investment in such securities issued by the Approved Fund, (ii) a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in securities issued by an Approved Fund in connection with the administration, servicing and

reporting on the assets serving as collateral for securities issued by an Approved Fund, or (iii) a nationally recognized rating agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued in respect of securities issued by an Approved Fund, (h) with the consent of the Parent Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to any Agent, Lender, L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Parent Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Credit Agreement and information about this Credit Agreement to market data collectors, similar service providers to the lending industry and service providers to the Lead Arrangers, Agents and the Lenders in connection with the administration of this Credit Agreement, the other Credit Documents, the Loans and the Commitments.

For purposes of this Section, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Parent Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the any Agent, Lender or L/C Issuer on a nonconfidential basis prior to disclosure by the Parent Borrower or any Subsidiary. In the case of Information received from the Parent Borrower or any Subsidiary after the Amendment No. 6 Effective Date, such Information is clearly identified at the time of delivery. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Agents, Lenders and L/C Issuers acknowledges that (a) the Information may include material non-public information concerning the Parent Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including federal and state securities Laws.

11.08 Right of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, L/C Issuer or any such Affiliate to or for the credit or the account of the Parent Borrower or any other Credit Party against any and all of the obligations of such Parent Borrower or such Credit Party now or hereafter existing under this Credit Agreement or any other Credit Document to such Lender or L/C Issuer, irrespective of whether or not such Lender or L/C Issuer shall have made any demand under this Credit Agreement or any other Credit Document and although such obligations of such Parent Borrower or such Credit Party may be contingent or unmatured or are owed to a branch or office of such Lender or L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Parent Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

This Credit Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Credit Agreement and the other Credit Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.01, this Credit Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Credit Agreement.

Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf, or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent. Without limiting the generality of the foregoing, each party hereto hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Credit Parties, electronic images of this Agreement or any other Credit Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Credit Documents based solely on the lack of paper original copies of any Credit Documents, including with respect to any signature pages thereto.

11.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Credit Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and Lender, regardless of any investigation made by any Agent or Lender or on their behalf and notwithstanding that any Agent or Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability.

If any provision of this Credit Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Credit Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders.

(a) If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any other circumstance exists hereunder that gives the Parent Borrower the right to replace a Lender as a party hereto, then the Parent Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Credit Agreement and the related Credit Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Parent Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, amounts owing to it in respect of B/As, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Parent Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) such assignment is recorded in the Register.

(b) If, in connection with any proposed amendment, change, waiver, discharge or termination of any of the provisions of this Credit Agreement or any other Credit Document as contemplated by Section 11.01, the consent of the Required Lenders (or Required Limited Currency Revolving Lenders, Required Dollar Revolving Lenders, Required Delayed Draw Term A Lenders ~~or~~, Required Term B-4 Lenders or Required 2020-1 Incremental Revolving Lenders, as the case may be) is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this clause (b) being referred to as a "Non-Consenting Lender"), then, at the Borrower's request, any Eligible Assignee reasonably acceptable to the Administrative Agent that consents to such amendment, change, waiver, discharge or termination shall have the right to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Administrative Agent's request, sell and assign to such Eligible Assignee, all of the Commitments and Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Loans and L/C Advances held by such Non-Consenting Lender and all accrued and unpaid interest and fees with respect thereto through the date of sale and payment to the Administrative Agent of the assignment fee under Section 11.06(b); provided, however, that such purchase and sale shall not be effective until (x) in the case of this clause (x), to the extent requested by the Administrative Agent, the Administrative Agent shall have received from such Eligible Assignee an agreement in form and substance satisfactory to the Administrative Agent and the Parent Borrower whereby such Eligible Assignee shall agree to be bound by the terms hereof and (y) such Non-Consenting Lender shall have received payments of all Loans and L/C Advances held by it and all accrued and unpaid interest and fees with respect thereto and all other amounts payable to it hereunder through the date of the sale, but upon the satisfaction of the requirements set forth in clause (x) (in the case of clause (x), if so requested by the Administrative Agent) and (y) of this proviso, such purchase and sale shall be deemed effective and such Eligible Assignee shall be deemed the holder of such Loans, Commitments and L/C Advances of such Non-Consenting Lender. Each Lender agrees that, if it becomes a Non-Consenting Lender, to the extent requested by the Administrative Agent, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if the assigning Lender's Loans are evidenced by a Note) subject to such Assignment and Assumption.

A Lender that has assigned its interests, rights and obligations under this Credit Agreement and the related Credit Documents pursuant to this Section 11.13 shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Parent Borrower to require such assignment and delegation cease to apply.

SECTION 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred as a whole except by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. Global Notes will be exchanged by the Issuer for Definitive Notes, subject to any applicable laws, if (i) the Issuer delivers to the Trustee notice from the Depositary that (A) the Depositary is unwilling or unable to continue to act as Depositary for the Global Notes or (B) the Depositary is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depositary within 90 days after the date of such notice from the Depositary, (ii) the Issuer in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee or (iii) upon request of the Trustee or Holders of a majority of the aggregate principal amount of outstanding Notes if there shall have occurred and be continuing a Default or Event of Default with respect to the Notes; *provided* that in no event shall any temporary Note that is a Global Note issued pursuant to Regulation S be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificate identified by the Issuer and its counsel to be required pursuant to Rule 903 or Rule 904 under the Securities Act. In any such case, the Issuer will notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, Certificated Notes will be issued to each Person that such Participants, Indirect Participants and the Depositary jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06. However, beneficial interests in a Global Note may be transferred and exchanged as provided in paragraph (b) or (c) below.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on

transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however,* that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with subparagraphs (ii) and (iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this subparagraph (i) unless specifically stated above.

(ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to subparagraph (i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or, (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to paragraph (h) below.

(iii) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of subparagraph (ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (2) thereof.

(iv) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of subparagraph (ii) above, and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (1)(a) thereof, or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraphs (A) and (B), if the Issuer or the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraphs (A) and (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraphs (A) and (B) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests for Definitive Notes.

(i) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in clauses (B) through (D) above, a certificate to the effect set forth in Exhibit C hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(c) thereof, as applicable; or

(F) if such beneficial interest is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (3)(b) thereof;

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (h) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this paragraph (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this subparagraph (i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) *Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit D hereto, including the certifications in item (1)(b) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof,

and, in each such case set forth in subparagraphs (A) and (B), if the Issuer or the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraphs (A) or (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) or (B) above.

(iii) *Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in subparagraph (b)(ii) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (h) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

(i) *Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof; or

(D) if such Restricted Definitive Note is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in clauses (B) through (C) above, a certificate to the effect set forth in Exhibit C hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(c) thereof, as applicable,

the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note, and in the case of clause (C) above, the Regulation S Global Note.

(ii) *Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes.* A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (1)(c) thereof; or

(B) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in subparagraphs (A) and (B), if the Issuer or the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this subparagraph (d)(ii), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) *Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an

Unrestricted Global Note or transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

(iv) If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to subparagraphs (ii)(A), (ii)(B) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an authentication order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this paragraph (e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this paragraph (e).

(i) *Transfer of Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit C hereto, including, if the Issuer or the Registrar so requests, a certification or Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such transfer is in compliance with the Securities Act.

(ii) *Transfer and Exchange of Restricted Definitive Notes for Unrestricted Definitive Notes.* Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (1)(d) thereof; or

and, in each such case set forth in subparagraph (A) and (B), if the Issuer or the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) *Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes.* A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) *General Provisions Relating to Transfers and Exchanges.*

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuer's order or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.02, 2.10, 3.08 and 9.05 hereof).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except for the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled

(x) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon the written order of the Issuer signed by two Officers of the Issuer, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. If required by the Trustee or the Issuer, the Holder must supply an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note is a joint and several obligation of the Issuer.

SECTION 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer holds the Note.

CTION 2.09 *Treasury Notes*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Subsidiary of the Issuer or any Affiliate of the Issuer shall be considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Responsible Officer knows to be so owned shall be so considered. Notwithstanding the foregoing, Notes that are to be acquired by the Issuer, any Subsidiary of the Issuer or an Affiliate of the Issuer pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer until legal title to such Notes passes to the Issuer, such Subsidiary or such Affiliate, as the case may be.

CTION 2.10 *Temporary Notes*

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer and the Trustee consider appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of the written order of the Issuer signed by two Officers of the Issuer, shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

CTION 2.11 *Cancellation*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act), unless the Issuer directs canceled Notes to be returned to it. The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation. All canceled Notes held by the Trustee shall be disposed of and certification of their disposal delivered to the Issuer upon its request therefor, unless by a written order, signed by two Officers of the Issuer, the Issuer shall direct that canceled Notes be returned to it.

CTION 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner^{plus}, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders of the Notes on a subsequent special record date, which date shall be at the earliest practicable date but in all events at least five Business Days prior to the payment date, in each case at the rate provided in the Notes. The Issuer shall, with the consent of the Trustee, fix or cause to be fixed each such special record date and payment date. At least 15 days before the special record date, the Issuer (or the Trustee, in the name of and at the expense of the Issuer) shall send to Holders of the Notes a notice that states the special record date, the related payment date and the amount of such interest to be paid.

CTION 2.13 *[Reserved]*

CTION 2.14 *CUSIP Number.*

The Issuer in issuing the Notes may use a "CUSIP" number and, if it does so, the Trustee shall use the CUSIP number in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes and that reliance may be placed only on the other identification numbers printed on the Notes and

any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP number.

ARTICLE 3

REDEMPTION

SECTION 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it shall furnish to the Trustee, at least 5, but no more than 10, Business Days (unless a shorter period is acceptable to the Trustee) before the notice of redemption is delivered to Holders, an Officers' Certificate of the Issuer setting forth (i) the redemption date, (ii) the principal amount of Notes to be redeemed and (iii) the redemption price. If the Issuer is required to make the redemption pursuant to Section 3.08 hereof, it shall furnish the Trustee, at least five but not more than ten Business Days before the applicable purchase date, an Officers' Certificate of the Issuer setting forth (i) the purchase date, (ii) the principal amount of Notes offered to be purchased and (iii) the purchase price.

SECTION 3.02 *Selection of Notes To Be Redeemed.*

(a) If less than all of the Notes are to be redeemed at any time in accordance with Section 3.07(b) hereof, the selection of Notes for redemption shall be made on a pro rata basis, except that Global Notes shall be selected, subject to the applicable rules of the Depository; *provided* that no Notes with a principal amount of \$2,000 or less shall be redeemed in part. If less than all the Notes are to be redeemed at any time in accordance with Section 3.07(a), (c) and (d) hereof, then the Notes shall be selected by lot, except that Global Notes shall be selected subject to the applicable rules of the Depository. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 15 nor more than 60 days prior to the redemption date from the outstanding Notes not previously called for redemption.

(b) The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of them selected shall be in amounts of \$2,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions hereof that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.08 hereof, at least 15 days but not more than 60 days before a redemption date, the Issuer shall transmit a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed to such Holder's registered address.

The notice shall identify the Notes to be redeemed and shall state

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(vi) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(vii) the paragraph of the Notes and/or section hereof pursuant to which the Notes called for redemption are being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's written request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense *provided* that the Issuer shall have delivered to the Trustee, at least 10 days (unless a shorter period is acceptable to the Trustee) prior to the date the Issuer wishes to have the notice given, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become due and payable on the redemption date at the redemption price.

SECTION 3.05 *Deposit of Redemption Price.*

On or prior to 1:00 p.m. Eastern Time on any redemption date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

On and after the redemption date, if the Issuer does not default in the payment of the redemption price, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes.

SECTION 3.06 *[Reserved].*

SECTION 3.07 *Optional Redemption.*

Except as provided in paragraphs (a) and (b) below and Section 4.15 hereof, the Notes shall not be redeemable at the Issuer's option prior to May 15, 2023. Thereafter, the Notes shall be subject to redemption at the option of the Issuer, in whole or in part, upon not less than 15 days' or more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon to the applicable redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), if redeemed during the 12-month period beginning on May 15 of the years indicated below:

Year	Percentage
2023	104.875%
2024	103.250%
2025	101.625%
2026 and thereafter	100.000%

(a) Notwithstanding the foregoing, at any time and from time to time prior to May 15, 2023, the Issuer may redeem up to 35% of the original aggregate principal amount of the Notes outstanding at a redemption price equal to 106.500% of the principal amount thereof on the repurchase date, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), with the net cash proceeds of one or more public or private sales of Qualified Capital Stock (each, an “*Equity Offering*”), other than proceeds from a sale to the Issuer or any of its Subsidiaries or any employee benefit plan in which the Issuer or any of its Subsidiaries participates; *provided* that (i) at least 65% in aggregate principal amount of the Notes originally issued remains outstanding immediately after the occurrence of such redemption and (ii) such redemption occurs no later than the 120th day following such sale of Qualified Capital Stock.

(b) In addition, at any time and from time to time prior to May 15, 2023, the Issuer may redeem all or any portion of the Notes outstanding at a redemption price equal to (i) 100% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), *plus* (ii) the Make Whole Amount.

(c) In connection with any redemption of Notes described in clauses (a), (b) and (c) above, such redemption may, at the Issuer’s discretion, be subject to one or more conditions precedent, including any related Equity Offering, issuance of Indebtedness or other transaction. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer’s discretion, such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date.

SECTION 3.08 *Excess Proceeds Offer.*

(a) In the event that, pursuant to Section 4.10, the Issuer shall be required to commence an Excess Proceeds Offer, it shall follow the procedures specified below.

(b) The Excess Proceeds Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the “*Offer Period*”). No later than five Business Days after the termination of the Offer Period (the “*Purchase Date*”), the Issuer shall purchase the maximum principal amount of Notes and First Lien Obligations that may be purchased with such Excess Proceeds (which maximum principal amount of Notes and First Lien Obligations shall be the “*Offer Amount*”) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Excess Proceeds Offer.

(c) To the extent the Issuer or a Restricted Subsidiary is required under the terms of any First Lien Obligations, the Issuer shall make an offer to the holders of such First Lien Obligations on a *pro rata* basis with the holders of the Notes, with such proceeds. If the aggregate principal amount of Notes and other First Lien Obligations surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes to be purchased on a *pro rata* basis by lot, and, in the case of Global Notes, in accordance with the procedures of the Depositary. To the extent that the principal amount of Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds and such other First Lien Obligations, the Issuer may use any remaining Excess Proceeds in any manner not prohibited by this Indenture.

(d) If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Excess Proceeds Offer.

(e) Upon the commencement of any Excess Proceeds Offer, the Issuer shall send, by first class mail or electronically, a notice to each of the Holders of the Notes, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Excess Proceeds Offer. The notice, which shall govern the terms of the Excess Proceeds Offer, shall state:

(i) that the Excess Proceeds Offer is being made pursuant to this Section 3.08 and the length of time the Excess Proceeds Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Excess Proceeds Offer shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to any Excess Proceeds Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Issuer, a Depository, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date;

(vi) that Holders shall be entitled to withdraw their election if the Issuer, Depository or Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is unconditionally withdrawing his election to have the Note purchased; and

(vii) that, if the aggregate principal amount of Notes surrendered by Holders and other First Lien Obligations tendered by the holders thereof exceeds the Offer Amount, the Trustee shall select the Notes to be purchased on a *pro rata* basis, by lot, and, in the case of Global Notes, in accordance with the procedures of the Depository (with such adjustments as may be deemed appropriate by the Issuer so that only Notes in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased).

(f) On or before the Purchase Date, the Issuer shall, to the extent lawful, accept for payment, on *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Excess Proceeds Offer, or if less than the Offer Amount has been tendered, all Notes or portion thereof tendered, and deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.08. The Issuer, Depository or Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Note tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee shall authenticate and mail or deliver such new Note, to such Holder equal in principal amount to any unpurchased portion of the Note surrendered. In addition, the Issuer shall take any and all other actions required by the agreements governing any other First Lien Obligations. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Excess Proceeds Offer on the Purchase Date.

(g) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act (or any successor rules) and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes pursuant to an Excess Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer's

compliance with such laws and regulations shall not in and of itself be deemed to have caused a breach of its obligations under this Indenture.

(h) Other than as specifically provided in this Section 3.08 or Section 4.10, any purchase pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.02 and 3.05 hereof.

ARTICLE 4

COVENANTS

SECTION 4.01 *Payment of Notes.*

(a) The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer, holds as of 1:00 p.m. Eastern Time on the due date money deposited by or on behalf of the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. If a payment date is a Legal Holiday at a place of payment, payment may be made at that place on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period.

(b) The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02 *Maintenance of Office or Agency.*

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; *provided* that the Corporate Trust Office shall not be a place for service of legal process on the Issuer.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

SECTION 4.03 *Reports.*

(a) Whether or not required by the rules and regulations of the Commission, so long as any Notes are outstanding, the Issuer shall furnish to the Holders of Notes all quarterly and annual financial information, and on dates allowed by the Commission, that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuer was required to file such forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a

report thereon by the independent registered public accounting firm of the Issuer; *provided, however*, that, to the extent such reports are filed with the Commission and publicly available, no additional copies need be provided to Holders of the Notes.

(b) The Issuer shall file the information described in Section 4.03(a) with the Commission to the extent that the Commission is accepting such filings. In addition, for so long as any Notes remain outstanding during any period when the Issuer is not subject to Section 13 or 15(d) of the Exchange Act, the Issuer shall furnish to the Holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) In addition, following the first full fiscal quarter after the date hereof, so long as any Notes are outstanding the Issuer shall use commercially reasonable efforts to (A) within 15 Business Days after furnishing the reports required by Section 4.03(a), hold a conference call to discuss such reports, and (B) issue a press release prior to the date of such conference call, announcing the time and date and either including information necessary to access the call or directing noteholders, prospective investors, Broker-Dealers and securities analysts to contact the appropriate person at the Issuer to obtain such information; *provided* that the Issuer may satisfy the requirements of this paragraph by issuing its regular quarterly earnings releases and conducting its regular investor conference calls.

(d) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive or actual notice or knowledge of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.04 *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, commencing after the fiscal year ended December 31, 2020, an Officers' Certificate of the Issuer stating that a review of the activities of the Issuer and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge each such entity has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions hereof, including, without limitation, a default in the performance or breach of Section 4.07, Section 4.09, Section 4.10 or Section 4.15 hereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action each is taking or proposes to take with respect thereto).

SECTION 4.05 *Taxes.*

The Issuer shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except as contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

SECTION 4.06 *Stay, Extension and Usury Laws.*

The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance hereof; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07 *Limitation on Restricted Payments.*

(a) Neither the Issuer nor any of its Restricted Subsidiaries may, directly or indirectly:

(i) pay any dividend or make any distribution on account of any Equity Interests of the Issuer other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Issuer;

(ii) purchase, redeem or otherwise acquire or retire for value any of the Issuer's Equity Interests or any Subordinated Indebtedness, other than (i) Subordinated Indebtedness within one year of the stated maturity date thereof and (ii) any such Equity Interests or Subordinated Indebtedness owned by the Issuer or by any Restricted Subsidiary;

(iii) pay any dividend or make any distribution on account of any Equity Interests of any Restricted Subsidiary, other than:

(A) to the Issuer or any Restricted Subsidiary; or

(B) to all holders of any class or series of Equity Interests of such Restricted Subsidiary on a *pro rata* basis; or

(iv) make any Restricted Investment

(all such prohibited payments and actions set forth in clauses (i) through (iv) being collectively referred to as "Restricted Payments"), unless such Restricted Payment is made on or after the Restriction End Date and, at the time of such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) after giving effect to the incurrence of any Indebtedness the net proceeds of which are used to finance such Restricted Payment, the Issuer is able to incur at least \$1.00 of additional Indebtedness in compliance with Section 4.09(a); and

(3) such Restricted Payment, together with the aggregate of all other Restricted Payments made after May 6, 2010, is less than the sum of:

(A) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) from July 1, 2010 to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income shall be a deficit, *minus* 100% of such aggregate deficit); *plus*

(B) an amount equal to the sum of (x) 100% of the aggregate net cash proceeds and the Fair Market Value of any property or assets received by the Issuer from the issue or sale of Equity Interests (other than Disqualified Stock) of the Issuer (other than Equity Interests sold to any of the Issuer's Subsidiaries), following May 6, 2010 and (y) the aggregate amount by which Indebtedness (other than any Indebtedness owed to the Issuer or a Subsidiary) incurred by the Issuer or any Restricted Subsidiary on or subsequent to the Issue Date is reduced on the Issuer's balance sheet upon the conversion or exchange into Qualified Capital Stock (less the amount of any cash, or the Fair Market Value of assets, distributed by the Issuer or any Restricted Subsidiary upon such conversion or exchange or expended pursuant to clause (b) (11) below); *plus*

(C) if any Unrestricted Subsidiary is designated by the Issuer as a Restricted Subsidiary, an amount equal to the Fair Market Value of the net Investment by the Issuer or a Restricted Subsidiary in such Subsidiary at the time of such designation; *provided, however*, that the foregoing amount shall not

exceed the amount of Restricted Investments made by the Issuer or any Restricted Subsidiary in any such Unrestricted Subsidiary following May 6, 2010 which reduced the amount available for Restricted Payments pursuant to this clause (3) *less* amounts received by the Issuer or any Restricted Subsidiary from such Unrestricted Subsidiary that increased the amount available for Restricted Payments pursuant to clause (D) below; *plus*

(D) 100% of any cash dividends and other cash distributions and the Fair Market Value of property or assets other than cash received by the Issuer and the Issuer's Restricted Subsidiaries from an Unrestricted Subsidiary since May 6, 2010 to the extent not included in Consolidated Cash Flow and 100% of the net proceeds received by the Issuer or any of its Restricted Subsidiaries from the sale of any Unrestricted Subsidiary; *provided, however*, that the foregoing amount shall not exceed the amount of Restricted Investments made by the Issuer or any Restricted Subsidiary in any such Unrestricted Subsidiary following the Issue Date which reduced the amount available for Restricted Payments pursuant to this clause (3); *plus*

(E) to the extent not included in clauses (A) through (D) above, an amount equal to the net reduction in Restricted Investments of the Issuer and its Restricted Subsidiaries following May 6, 2010 resulting from payments in cash of interest on Indebtedness, dividends or repayment of loans or advances, or other transfers of property, in each case, to the Issuer or to a Restricted Subsidiary or from the net cash proceeds from the sale, conveyance, liquidation or other disposition of any such Restricted Investment; *plus*

(F) \$150.0 million.

(b) The foregoing provisions shall not prohibit the following (*provided* that with respect to clauses (9) and (10) below, no Default or Event of Default shall have occurred and be continuing):

(1) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or the giving of a redemption notice related thereto, if at the date of declaration or notice such payment would have complied with the provisions of this Indenture;

(2) the redemption, repurchase, retirement or other acquisition of (x) any Equity Interests of the Issuer in exchange for, or out of the net proceeds of the issue or sale within 60 days of, Equity Interests (other than Disqualified Stock) of the Issuer (other than Equity Interests (other than Disqualified Stock) issued or sold to any Subsidiary) or (y) Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the issuance and sale within 60 days of, Qualified Capital Stock, (b) in exchange for, or out of the proceeds of the incurrence within 60 days of, Refinancing Indebtedness permitted to be incurred under clause (10) of Section 4.09(b) or other Indebtedness permitted to be incurred under Section 4.09 or (c) with the Net Proceeds from an Asset Sale or upon a Change of Control, in each case, to the extent required by the agreement governing such Subordinated Indebtedness but only if the Issuer shall have previously applied such Net Proceeds to make an Excess Proceeds Offer or made a Change of Control Offer, as the case may be, in accordance with Sections 4.10 and 4.15 and purchased all Notes validly tendered pursuant to the relevant offer prior to redeeming or repurchasing such Subordinated Indebtedness;

(3) on or after the Restriction End Date, the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries or shares of Preferred Equity Interests of any Restricted Subsidiary issued in accordance with Section 4.09;

(4) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants or upon the vesting of restricted stock units if such Equity Interests represent the exercise price of such options or warrants or represent withholding taxes due upon such exercise or vesting;

(5) [reserved];

(6) the repurchase, retirement or other acquisition for value of Equity Interests of the Issuer or any Restricted Subsidiary of the Issuer held by any future, present or former employee, director or consultant of the Issuer or of any Subsidiary of the Issuer (or any such Person's estates or heirs) pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided* that the aggregate amounts paid under this clause (6) do not exceed \$10.0 million in any calendar year;

(7) payments or distributions by the Issuer or any of its Restricted Subsidiaries to dissenting stockholders pursuant to applicable law in connection with any merger or acquisition consummated on or after the Issue Date and not prohibited by this Indenture;

(8) purchases, redemptions or acquisitions of fractional shares of Equity Interests arising out of stock dividends, splits or combinations or business combinations;

(9) on or after the Restriction End Date, the declaration and payment of dividends or distributions to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date; *provided, however*, that (a) the Consolidated Fixed Charge Coverage Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such Designated Preferred Stock is issued, after giving effect to such issuance (and the payment of dividends or distributions) on a *pro forma* basis, would have been at least 2.00 to 1.00 and (b) the aggregate amount of dividends declared and paid pursuant to this clause (9) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(10) on or after the Restriction End Date, any Restricted Payment if after giving effect to such Restricted Payment, the Consolidated Leverage Ratio of the Issuer on a pro forma basis is equal to or less than 3.75 to 1.00;

(11) to the extent constituting Restricted Payments, payments to counterparties under Hedging Obligations or other hedge, swap or option agreements entered into in connection with the issuance of convertible debt or upon the exercise thereof; and

(12) other Restricted Payments in an amount not to exceed the greater of (x) \$500.0 million and (y) 7.5% of Consolidated Tangible Assets at the time of such Restricted Payment; *provided* that no Restricted Payment shall be made pursuant to this clause (12) prior to the first day on or following the Restriction End Date.

(c) Restricted Payments made pursuant to Section 4.07(a) and clause (1) of Section 4.07(b) and, to the extent made with the proceeds of the issuance of Qualified Capital Stock, Investments made pursuant to clause (j) of the definition of "Permitted Investments," shall be included as Restricted Payments in any computation made pursuant to clause (3) of Section 4.07(a). Restricted Payments made pursuant to clauses (2) through (10) of Section 4.07(b) shall not be included as Restricted Payments in any computation made pursuant to clause (3) of Section 4.07(a).

If the Issuer or any Restricted Subsidiary makes a Restricted Investment and the Person in which such Investment was made subsequently becomes a Restricted Subsidiary, to the extent such Investment resulted in a reduction in the amounts calculated under clause (3) of Section 4.07(a) or under any other provision of this Section 4.07, (which was not subsequently reversed), then such amount shall be increased by the amount of such reduction.

For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the categories described in clauses (b)(1) through (b)(12) above, or is permitted pursuant to Section 4.07(a), the Issuer shall be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07.

SECTION 4.08 *Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.*

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(a) pay dividends or make any other distribution to the Issuer or any of the Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

(c) transfer any of the Issuer's properties or assets to the Issuer or any of its Restricted Subsidiaries,

except for such encumbrances or restrictions existing under or by reason of:

(i) Existing Indebtedness and existing agreements as in effect on the Issue Date;

(ii) applicable law or regulation;

(iii) any instrument governing Acquired Debt and any other agreement or instrument of an acquired Person or any of its Subsidiaries as in effect at the time of acquisition (except to the extent such Indebtedness or other agreement or instrument was incurred in connection with, or in contemplation of, such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired or any of its Subsidiaries;

(iv) by reason of customary nonassignment provisions in leases entered into in the ordinary course of business;

(v) Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced;

(vi) this Indenture, the Notes and the Collateral Documents or the Issuer's other Indebtedness ranking *pari passu* with the Notes; *provided* that except as set forth in clause (vii) below such restrictions are no more restrictive taken as a whole than those imposed by this Indenture, the Notes and the Collateral Documents;

(vii) any Credit Facility; *provided* that the restrictions therein (i) are not materially more restrictive than the agreements governing such Indebtedness as in effect on the Issue Date or (ii) will not affect the Issuer's ability to make principal or interest payments on the Notes (as determined by the Issuer in good faith);

(viii) customary non-assignment provisions in contracts, leases, sub-leases and licenses entered into in the ordinary course of business;

(ix) any agreement for the sale or other disposition of a Restricted Subsidiary or any of its assets in compliance with the terms of this Indenture that restricts distributions by that Restricted Subsidiary pending such sale or other disposition;

Indebtedness of such joint venture, which limitation is applicable only to the assets that are the subject of such agreements;

(xi) Permitted Liens;

(xii) any agreement for the sale of any Subsidiary or its assets that restricts distributions by that Subsidiary (or sale of such Subsidiary's Equity Interests) pending its sale; *provided* that during the entire period in which such encumbrance or restriction is effective, such sale (together with any other sales pending) would be permitted under the terms of this Indenture;

(xiii) secured Indebtedness otherwise permitted to be incurred by this Indenture that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(xiv) Purchase Money Indebtedness that imposes restrictions of the type described in clause (c) above on the property so acquired;

(xv) any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xiv) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the Issuer's good faith judgment, not materially more restrictive as a whole with respect to such encumbrances and restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;

(xvi) Indebtedness or other agreements, including, without limitation, agreements described in clause (x) of this paragraph, of any non-Guarantor Subsidiary which imposes restrictions solely on such non-Guarantor Subsidiary and its Subsidiaries; or

(xvii) any restriction on cash or other deposits or net worth imposed by customers, licensors or lessors or required by insurance, surety or bonding companies, in each case under contracts entered into in the ordinary course of business.

SECTION 4.09 *Limitation on Incurrence of Indebtedness.*

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to (collectively, "incur") any Indebtedness (including Acquired Debt) or permit any of its Restricted Subsidiaries to issue any Preferred Equity Interests; *provided, however*, that, notwithstanding the foregoing, the Issuer and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) and any Guarantor may issue Preferred Equity Interests, if, after giving effect to the incurrence of such Indebtedness or the issuance of such Preferred Equity Interests and the application of the net proceeds thereof on a *pro forma* basis, the Issuer's Consolidated Fixed Charge Coverage Ratio would have been at least 2.0 to 1.0; *provided* that Restricted Subsidiaries of the Issuer that are not Guarantors may not incur Indebtedness or issue any Preferred Equity Interests pursuant to this paragraph if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), the aggregate amount of outstanding Indebtedness or Preferred Equity Interests of Restricted Subsidiaries of the Issuer that are not Guarantors at any one time outstanding incurred pursuant to the foregoing proviso exceeds the greater of (x) \$200.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence.

(b) The foregoing limitation shall not apply to any of the following incurrences of Indebtedness:

(1) Indebtedness represented by the Notes and the Guarantees issued on the Issue Date;

(2) Indebtedness of the Issuer or any Restricted Subsidiary under any Credit Facility in an aggregate principal amount at any one time outstanding not to exceed \$2,835.0 million;

(3) (x) unsecured Indebtedness among the Issuer and the Restricted Subsidiaries and (y) Preferred Equity Interests of a Restricted Subsidiary held by the Issuer or a Restricted Subsidiary; *provided* that if such Preferred Equity Interests are issued by a Guarantor, such Preferred Equity Interests are held by the Issuer or a Guarantor;

(4) Acquired Debt of a Person incurred prior to the date upon which such Person was acquired by the Issuer or any Restricted Subsidiary (and not created in contemplation of such acquisition); *provided* that (x) the aggregate principal amount of Acquired Debt pursuant to this clause (4)(x) (when aggregated with the amount of Refinancing Indebtedness outstanding under clause (10) below in respect of Indebtedness incurred pursuant to this clause (4)(x)) shall not exceed \$250.0 million at any one time outstanding or (y) after giving effect to the incurrence of such Acquired Debt on a *pro forma* basis, the Issuer's Consolidated Fixed Charge Coverage Ratio either (A) would have been at least 2.0 to 1.0 or (B) would have been greater than immediately prior to such acquisition;

(5) Existing Indebtedness (other than Indebtedness incurred under clause (2) above);

(6) Indebtedness consisting of Purchase Money Indebtedness in an aggregate amount (when aggregated with the amount of Refinancing Indebtedness outstanding under clause (10) below in respect of Indebtedness incurred pursuant to this clause (6)) not to exceed an amount at any one time outstanding equal to the greater of (x) \$300.0 million or (y) 2.5% of Consolidated Total Assets at the time of incurrence;

(7) Hedging Obligations of the Issuer or any of the Restricted Subsidiaries covering Indebtedness of the Issuer or such Restricted Subsidiary; *provided, however,* that such Hedging Obligations are entered into for bona fide hedging activities, including the issuance of convertible debt, and not for speculative purposes;

(8) Foreign Currency Obligations of the Issuer or any of the Restricted Subsidiaries entered into to manage exposure of the Issuer and the Restricted Subsidiaries to fluctuations in currency values and not for speculative purposes;

(9) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness in respect of letters of credit, bank guarantees, workers' compensation claims, self-insurance obligations, bankers' acceptances, guarantees, performance, surety, statutory, appeal, completion, export or import, indemnities, customs, revenue bonds or similar instruments in the ordinary course of business, including guarantees or obligations with respect thereto (in each case other than for an obligation for money borrowed);

(10) the incurrence by the Issuer or any Restricted Subsidiary of Indebtedness issued in exchange for, or the proceeds of which are used to extend, refinance, renew, replace, substitute or refund in whole or in part, Indebtedness referred to in clause (a) of this Section 4.09 or in clause (1), (4), (5) or (6) or this clause (10) of this Section 4.09(b) ("*Refinancing Indebtedness*"); *provided, however,* that:

(A) the principal amount of such Refinancing Indebtedness shall not exceed the principal amount and accrued interest of the Indebtedness so exchanged, extended, refinanced, renewed, replaced, substituted or refunded and any premiums payable and reasonable fees, expenses, commissions and costs in connection therewith;

(B) the Refinancing Indebtedness shall have a final maturity equal to or later than, and a Weighted Average Life to Maturity equal to or greater than, the earlier of (i) 91 days after the final maturity date of the Notes and (ii) the final maturity and Weighted Average Life to

Maturity, respectively, of the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded;

(C) the Refinancing Indebtedness shall be subordinated in right of payment to the Notes and the Guarantees, if at all, on terms at least as favorable to the Holders of Notes as those contained in the documentation governing the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded; and

(D) if the Indebtedness to be exchanged, refinanced, renewed, replaced, substituted or refunded was the obligation of the Issuer or Guarantor, such Indebtedness shall not be incurred by any of the Restricted Subsidiaries other than a Guarantor or any Restricted Subsidiary that was an obligor under the Indebtedness so refinanced;

(11) additional Indebtedness of the Issuer and any of its Restricted Subsidiaries in an aggregate principal amount not to exceed at any one time outstanding an amount equal to the greater of (x) \$500.0 million or (y) 7.5% of Consolidated Total Assets at the time of incurrence;

(12) the guarantee by the Issuer or any Guarantor of Indebtedness of the Issuer or a Restricted Subsidiary that was permitted to be incurred by another provision of this Section 4.09 and the guarantee by any Restricted Subsidiary that is not a Guarantor of any Indebtedness of any Restricted Subsidiary that is not a Guarantor;

(13) the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock;

(14) the incurrence by the Issuer or its Subsidiaries of guarantees in respect of obligations of joint ventures; *provided* that the aggregate principal amount of Indebtedness incurred pursuant to this clause (14) shall not exceed at any one time outstanding an amount equal to the greater of (x) \$200.0 million and (y) 2.5% of Consolidated Total Assets at the time of incurrence;

(15) Indebtedness of Foreign Subsidiaries in an aggregate principal amount at any one time outstanding not to exceed the greater of (x) \$500.0 million and (y) 7.5% of Consolidated Total Assets at the time of incurrence that are attributable to Restricted Subsidiaries that are Foreign Subsidiaries;

(16) overdrafts paid within 10 Business Days;

(17) customary purchase price adjustments and indemnifications in connection with acquisition or disposition of stock or assets;

(18) guarantees to suppliers, licensors, artists or franchisees (other than guarantees of Indebtedness) in the ordinary course of business;

(19) Indebtedness arising in connection with endorsement of instruments for collection or deposit in the ordinary course of business;

(20) Indebtedness consisting of obligations to pay insurance premiums in an amount not to exceed the annual premiums in respect of such insurance premiums at any one time outstanding;

(21) Indebtedness the proceeds of which are applied to defease or discharge the Notes pursuant to Article 8;

(22) Preferred Equity Interests of the Issuer or any of its Restricted Subsidiaries issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or

any other event that results in any Restricted Subsidiary that holds such Preferred Equity Interests of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Preferred Equity Interests (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of Preferred Equity Interests not permitted by this clause (22);

(23) Indebtedness of Foreign Subsidiaries arising under Euro-denominated and Sterling-denominated cash pooling arrangements; *provided* that the net obligations (after notional offsets for pooling participants, cash and Cash Equivalents) for such shall not exceed €10,000,000 for Euro-denominated arrangements and £10,000,000 for Sterling-denominated, and such Indebtedness may benefit from cross-guarantees from pooling participants and a guarantee from the Issuer; and

(24) Indebtedness incurred by any Subsidiary of the Issuer organized under the laws of a jurisdiction of Australia (which is not guaranteed by any Subsidiary that is not organized under the laws of a jurisdiction of Australia) in an aggregate principal amount at any time outstanding not to exceed the U.S. dollar equivalent of AU\$75.0 million.

(c) For purposes of determining compliance with this Section 4.09, (1) the outstanding principal amount of any item of Indebtedness shall be counted only once, and any obligation arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness incurred in compliance with this Section 4.09 shall be disregarded, and (2) if an item of Indebtedness meets the criteria of more than one of the categories described in clauses (b)(1) through (23) above or is permitted to be incurred pursuant to Section 4.09(a) and also meets the criteria of one or more of the categories described in clauses (1) through (23) of Section 4.09(b), the Issuer shall, in its sole discretion, classify such item of Indebtedness in any manner that complies with this Section 4.09 and may from time to time reclassify such item of Indebtedness in any manner in which such item could be incurred at the time of such reclassification; *provided* that Indebtedness outstanding under the Credit Agreement on the Issue Date (and any Indebtedness secured by a Lien that refinances such Indebtedness) shall be deemed to be outstanding under clause (b)(2) above and may not be reclassified.

(d) Accrual of interest or dividends on Preferred Equity Interests, the accretion of original issue discount and the payment of interest or dividends on Preferred Equity Interests in the form of additional Indebtedness or Preferred Equity Interests of the same class shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09. Any increase in the amount of Indebtedness solely by reason of currency fluctuations shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09. A change in GAAP that results in an obligation existing at the time of such change, not previously classified as Indebtedness, becoming Indebtedness shall not be deemed to be an incurrence of Indebtedness for purposes of determining compliance with this Section 4.09.

(e) The amount of indebtedness outstanding as of any date shall be (1) the accreted value thereof, in the case of any Indebtedness issued with original issue discount, (2) the principal amount thereof, in the case of any other Indebtedness, (3) in the case of the guarantee by the specified Person of any Indebtedness of any other Person, the maximum liability to which the specified Person may be subject upon the occurrence of the contingency giving rise to the obligation and (4) in the case of Indebtedness of others guaranteed by means of a Lien on any asset of the specified Person, the lesser of (A) the Fair Market Value of such asset on the date on which Indebtedness is required to be determined pursuant to this Indenture and (B) the amount of the Indebtedness so secured.

(f) For purposes of determining compliance with any U.S. dollardenominated restriction on the incurrence of Indebtedness, the U.S. dollarequivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated by the Issuer based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollardominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollardominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Issuer may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, (1) if incurred in a different currency from the Indebtedness being refinanced, shall be calculated by the Issuer based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing and (2) shall be deemed to be outstanding only when the proceeds thereof are not applied to effect such refinancing (and to pay any fees, expenses, commissions and costs in connection therewith) substantially concurrently.

SECTION 4.10 *Limitation on Asset Sales.*

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(1) the Issuer or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (determined as of the time of contractually agreeing to such Asset Sale) of the assets included in such Asset Sale (such Fair Market Value to be determined by (i) an executive officer of the Issuer or such Subsidiary if the value is less than \$75.0 million or (ii) in all other cases by a resolution of the Issuer's Board of Directors (or of a committee appointed thereby for such purposes)); and

(2) at least 75% of the total consideration in such Asset Sale consists of cash or Cash Equivalents or Marketable Securities.

For purposes of clause (2), the following shall be deemed to be cash:

(a) the amount (without duplication) of any Indebtedness (other than Subordinated Indebtedness) of the Issuer or such Restricted Subsidiary that is expressly assumed by the transferee in such Asset Sale and with respect to which the Issuer or such Restricted Subsidiary, as the case may be, is unconditionally released by the holder of such Indebtedness,

(b) the amount of any obligations or securities received from such transferee that are within 180 days converted by the Issuer or such Restricted Subsidiary to cash (to the extent of the cash actually so received), and

(c) the Fair Market Value of any assets (other than securities) received by the Issuer or any Restricted Subsidiary to be used by the Issuer or any Restricted Subsidiary in a Permitted Business.

(b) If the Issuer or any Restricted Subsidiary engages in an Asset Sale, the Issuer or such Restricted Subsidiary shall apply all or any of the Net Proceeds therefrom to:

(1) at the Issuer's election, either (x) repay First Lien Obligations (and in the case of any such repayment under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility) or (y) repay, redeem or purchase the Notes; *provided* that if the Issuer or such Restricted Subsidiary repays First Lien Obligations (other than the Notes) pursuant to clause (b)(i)(x) of this Section 4.10, the Issuer shall equally and ratably reduce the Notes Obligations in accordance with the procedures set forth under Section 3.07, by making an Excess Proceeds Offer;

(2) to the extent the Property disposed of in the Asset Sale does not constitute Collateral, repay (and in the case of any such repayment under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility) Obligations under other Indebtedness of any Restricted Subsidiary that is not a Guarantor; or

(3) (A) invest all or any part of the Net Proceeds thereof in capital expenditures or the purchase of assets to be used by the Issuer or any Restricted Subsidiary in a Permitted Business, (B) acquire Equity Interests in a Person that is a Restricted Subsidiary or in a Person engaged primarily in a Permitted Business that shall become a Restricted Subsidiary immediately upon the consummation of such acquisition or (C) a combination of (A) and (B).

(c) Any Net Proceeds from any Asset Sale that are not applied or invested (or committed pursuant to a written agreement to be applied) as provided in the preceding paragraph within 365 days after the receipt thereof and, in the case of any amount committed to a reinvestment, which are not actually so applied within 180 days following such 365 day period shall constitute “*Excess Proceeds*” and shall be applied pursuant to Section 4.10(d) hereof. Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary may temporarily reduce revolving indebtedness under a Credit Facility, if any, or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(d) When the cumulative amount of Excess Proceeds that have not been applied in accordance with this Section 4.10 exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes (an “*Excess Proceeds Offer*”) to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in Section 3.08 hereof. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero.

SECTION 4.11 *Limitation on Transactions with Affiliates.*

The Issuer shall not and shall not permit any Restricted Subsidiary to, directly or indirectly, sell, lease, transfer or otherwise dispose of any of the Issuer’s or any Restricted Subsidiary’s properties or assets to, or purchase any property or assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (including any Unrestricted Subsidiary) (each of the foregoing, an “*Affiliate Transaction*”), unless:

(a) such Affiliate Transaction is on terms that are not materially less favorable, taken as a whole, to the Issuer or such Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; *provided* that such transaction shall be deemed to be at least as favorable as the terms that could have been obtained in a comparable transaction with an unrelated Person if such transaction is approved by the members of (x) the Board of Directors or (y) any duly constituted committee thereof, in each case including a majority of the disinterested members thereof who meet the independence requirements of the New York Stock Exchange or NASDAQ; and

(b) if such Affiliate Transaction involves aggregate payments in excess of \$75.0 million, such Affiliate Transaction has either (i) been approved by a resolution of the members of (x) the Board of Directors of the Issuer or (y) any duly constituted committee thereof, in each case including a majority of the disinterested members thereof who meet the independence requirements of the New York Stock Exchange or NASDAQ or (ii) if there are no disinterested directors on the Board of Directors of the Issuer, the Issuer or such Restricted Subsidiary has obtained the favorable opinion of an Independent Financial Advisor as to the fairness of such Affiliate Transaction to the Issuer or the relevant Restricted Subsidiary, as the case may be, from a financial point of view;

provided, however, that the following shall, in each case, not be deemed Affiliate Transactions:

(i) the entry into employment agreements and the adoption of compensation or benefit plans for the benefit of, or the payment of compensation to, directors and management of the Issuer and its Subsidiaries (including, without limitation, salaries, fees, bonuses, equity and incentive arrangements and payments);

(ii) indemnification or similar arrangements for officers, directors, employees or agents of the Issuer or any of the Restricted Subsidiaries pursuant to charter, bylaw, statutory or contractual provisions;

(iii) transactions between or among the Issuer and the Restricted Subsidiaries;

(iv) Restricted Payments not prohibited by Section 4.07 and Permitted Investments;

(v) any transactions between the Issuer or any of the Restricted Subsidiaries and any Affiliate of the Issuer the Equity Interests of which Affiliate are owned solely by the Issuer or one of the Restricted Subsidiaries, on the one hand, and by Persons who are not Affiliates of the Issuer or Restricted Subsidiaries, on the other hand;

(vi) any agreements or arrangements in effect on the Issue Date and described or incorporated by reference in the Offering Memorandum and any modifications, extensions or renewals thereof that are no less favorable to the Issuer or the applicable Restricted Subsidiary in any material respect than such agreement as in effect on the Issue Date;

(vii) so long as they comply with clause (a) above, transactions with customers, clients, lessors, landlords, suppliers, contractors or purchasers or sellers of goods or services that are Affiliates, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture;

(viii) [reserved];

(ix) transactions with Persons who are Affiliates of the Issuer solely as a result of the Issuer's or a Restricted Subsidiary's Investment in such Person;

(x) sales of Equity Interests to Affiliates of the Issuer or its Restricted Subsidiaries not otherwise prohibited by this Indenture and the granting of registration and other customary rights in connection therewith;

(xi) transactions with an Affiliate where the only consideration paid is Equity Interests of the Issuer other than Disqualified Stock;

(xii) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, deliver to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of this covenant;

(xiii) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business; and

(xiv) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer; *provided, however*, that such director abstains from voting as a director on any matter involving such other Person.

SECTION 4.12 *Limitation on Liens.*

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien on any asset now owned or hereafter acquired, or on any income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens.

SECTION 4.13 *Additional Subsidiary Guarantees.*

If any of the Issuer's Domestic Restricted Subsidiaries that is not a Guarantor guarantees or becomes otherwise obligated under a Credit Facility incurred under Section 4.09(b)(2) or Indebtedness incurred in reliance on Section 4.09(a) (other than under the second proviso thereto), then in each case such guarantor or obligor shall (i) execute and deliver to the Trustee and Collateral Agent a supplemental indenture in form reasonably satisfactory to the Trustee and the Collateral Agent pursuant to which such Restricted Subsidiary shall unconditionally guarantee

all of the Issuer's obligations under the Notes and this Indenture on the terms set forth in this Indenture, (ii) execute and deliver to the Trustee and Collateral Agent joinders or supplements, as applicable, to the Collateral Documents and the First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement), together with any other filings and agreements (subject to customary extension periods) required by the Collateral Documents to create or perfect the security interests of the Collateral Agent for its benefit and for the benefit of the Trustee and the holders of the Notes in the Collateral of such Restricted Subsidiary and (iii) deliver to the Trustee and the Collateral Agent an Officers' Certificate and an Opinion of Counsel that such supplemental indenture and joinders or supplements to the Collateral Documents and First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement) have been duly authorized, executed and delivered by such Restricted Subsidiary and constitute legal, valid, binding and enforceable obligations of such Restricted Subsidiary. Thereafter, such Restricted Subsidiary shall be a Guarantor for all purposes of this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement).

SECTION 4.14 *Organizational Existence.*

Subject to Article 5 hereof and the proviso to this Section 4.14, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its existence as a corporation and, subject to Section 4.10 hereof, the corporate, limited liability company, partnership or other existence of any Significant Subsidiary, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any Significant Subsidiary and (ii) subject to Section 4.10 hereof, the rights (charter and statutory), licenses and franchises of the Issuer and its Significant Subsidiaries; *provided, however*, that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any Significant Subsidiary if the Board of Directors of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

SECTION 4.15 *Change of Control.*

Upon the occurrence of a Change of Control, the Issuer shall make an offer (a "*Change of Control Offer*") to each Holder of Notes to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of such Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date) (in either case, the "*Change of Control Payment*"). Within 30 days following any Change of Control, the Issuer shall send or otherwise deliver a notice to each Holder with a copy to the Trustee stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15;
- (2) the purchase price and the purchase date, which shall be no earlier than 30 days and not later than 60 days after the date such notice is sent (the "*Change of Control Payment Date*");
- (3) that any Notes not tendered shall continue to accrue interest in accordance with the terms of this Indenture;
- (4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;
- (5) that Holders shall be entitled to withdraw their election if the paying agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is unconditionally withdrawing its election to have such Notes purchased;

(6) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof; and

(7) any other information material to such Holder's decision to tender Notes.

The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes required in the event of a Change of Control. The Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to Change of Control Offer made by the Issuer. The Issuer's obligations in respect of a Change of Control Offer can be modified with the consent of Holders of a majority of the aggregate principal amount of Notes then outstanding at any time prior to the occurrence of a Change of Control. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer, as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party shall have the right, upon not less than 15 nor more than 60 days' prior notice, given not more than 15 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to, but not including, the date of redemption.

SECTION 4.16 *Suspension of Covenants.*

(a) During any period of time after the Issue Date that (i) the Notes are rated Investment Grade by both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "*Covenant Suspension Event*"), the Issuer and its Restricted Subsidiaries shall not be subject to the following Sections of this Indenture (the "*Suspended Covenants*"):

(1) Section 4.07;

(2) Section 4.08;

(3) Section 4.09;

(4) Section 4.10;

(5) Section 4.11; and

(6) clause (d) of the first paragraph of Section 5.01.

(b) At such time as Sections 4.07, 4.08, 4.09, 4.10, 4.11 and clause (d) of the first paragraph of Section 5.01 are suspended (a "*Suspension Period*"), the Issuer shall no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") one or both of the Rating Agencies withdraw their Investment Grade rating or downgrade the rating assigned to the Notes below Investment Grade, then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenant with respect to future events.

(d) On each Reversion Date, all Indebtedness incurred during the Suspension Period prior to such Reversion Date shall be deemed to be Existing Indebtedness. For purposes of calculating the amount available to be made as Restricted Payments under clause (3) of Section 4.07(a), calculations under such section shall be made as though such section had been in effect during the entire period of time after the Issue Date (including the Suspension Period). Restricted Payments made during the Suspension Period not otherwise permitted pursuant to any of clauses (2) through (10) under Section 4.07(b) shall reduce the amount available to be made as Restricted Payments under clause (3) of such Section 4.07(a); *provided* that the amount available to be made as Restricted Payments on the Reversion Date shall not be reduced to below zero solely as a result of such Restricted Payments. For purposes of Section 4.10(d), on the Reversion Date, the unutilized amount of Net Proceeds shall be reset to zero. Notwithstanding the foregoing, neither (a) the continued existence, after the Reversion Date, of facts and circumstances or obligations that were incurred or otherwise came into existence during a Suspension Period nor (b) the performance of any such obligations, shall constitute a breach of any covenant set forth herein or cause a Default or Event of Default thereunder; *provided* that (1) the Issuer and its Restricted Subsidiaries did not incur or otherwise cause such facts and circumstances or obligations to exist in anticipation of a withdrawal or downgrade by the applicable Rating Agency below an Investment Grade rating and (2) the Issuer reasonably believed that such incurrence or actions would not result in such withdrawal or downgrade.

The Issuer shall provide an Officers' Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event, Suspension Period or Reversion Date. The Trustee shall have no obligation to monitor the ratings of the Notes, independently determine or verify if such events have occurred or notify the holders of Notes of any Covenant Suspension Event, Suspension Period or Reversion Date. The Trustee may provide a copy of such Officers' Certificate to any Holder of Notes upon request.

SECTION 4.17 *After-acquired Collateral.*

From and after the Issue Date, if the Issuer or any Guarantor creates any additional security interest upon any Property that would constitute Collateral to secure any First Lien Obligations, the Issuer and each of the Guarantors shall grant a first-priority perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Notes Obligations, subject to the limitations and exceptions set forth in the Collateral Documents.

SECTION 4.18 *Further Assurances.*

As set forth in the Collateral Documents and this Indenture, the Issuer and the Guarantors shall, at their expense, duly execute and deliver, or cause to be duly executed and delivered, such further agreements, documents, instruments, financing and continuation statements and amendments thereto and do or cause to be done such further acts as may be necessary or proper or reasonably requested by the Collateral Agent to evidence, perfect, maintain and enforce the security interests and the priority thereof in the Collateral in favor of the Collateral Agent for the benefit of the Notes Secured Parties, and to otherwise effectuate the provisions or purposes of this Indenture and the Collateral Documents.

ARTICLE 5

SUCCESSORS

SECTION 5.01 *Merger, Consolidation or Sale of Assets.*

The Issuer shall not consolidate or merge with or into (whether or not the Issuer is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person unless:

(a) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, limited partnership or limited liability company organized or

existing under the laws of the United States, any state thereof or the District of Columbia; *provided, however*, that if the surviving Person is a limited liability company or limited partnership, such entity shall also form a co-issuer that is a corporation;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the Issuer's obligations under the Notes, this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement) pursuant to a supplemental indenture and joinders or supplements, as applicable, to the Collateral Documents and the First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement), in each case, in form reasonably acceptable to the Trustee and Collateral Agent;

(c) immediately after such transaction, no Event of Default exists; and

(d) the Issuer or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (i) will have a Consolidated Fixed Charge Coverage Ratio immediately after the transaction (but prior to any purchase accounting adjustments or accrual of deferred tax liabilities resulting from the transaction) not less than the Issuer's Consolidated Fixed Charge Coverage Ratio immediately preceding the transaction or (ii) would, at the time of such transaction after giving *pro forma* effect thereto as if such transaction had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.09(a).

Notwithstanding the foregoing, but subject to Sections 10.03 and 10.04, any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or another Restricted Subsidiary.

Notwithstanding the foregoing clauses (c) and (d), this Article 5 shall not apply to a merger of the Issuer with a Restricted Subsidiary solely for the purpose of reorganizing the Issuer in another jurisdiction of the United States or any State thereof or the District of Columbia so long as the amount of Indebtedness of the Issuer and the Restricted Subsidiary is not increased thereby.

SECTION 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer in accordance with Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Issuer is merged or to which such sale, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions hereof referring to the Issuer shall refer instead to the successor corporation and not to the Issuer), and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person has been named as the Issuer herein. When a successor Person assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to this Article 5, the applicable predecessor shall be released from the obligations so assumed.

ARTICLE 6 DEFAULTS AND REMEDIES

SECTION 6.01 *Events of Default.*

Each of the following constitutes an "*Event of Default*":

(a) default for 30 days in the payment when due of interest or additional interest, if any, on the Notes;

(b) default in payment when due of principal of or premium, if any, on the Notes at maturity, upon repurchase, redemption or otherwise;

(c) failure to comply for 30 days after notice with any obligations under the provisions described under Sections 3.08 (other than a failure to purchase Notes duly tendered to the Issuer for repurchase pursuant to a Change of Control Offer or an Excess Proceeds Offer), 4.10, 4.15 and 5.01;

(d) subject to the second paragraph of Section 6.02, default under any other provision of this Indenture, the Notes or the Collateral Documents, which default remains uncured for 60 days after notice from the Trustee or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes;

(e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer and any of the Restricted Subsidiaries), which default is caused by a failure to pay the principal of such Indebtedness at the final stated maturity thereof within the grace period provided in such Indebtedness (a "Payment Default"), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$75.0 million or more;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer or any of the Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity not rescinded or cured within 30 days after such acceleration, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated and remains undischarged after such 30 day period, aggregates \$75.0 million or more;

(g) failure by the Issuer and any of the Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating \$75.0 million or more, which judgments are not stayed within 60 days after their entry;

(h) any Guarantee of a Significant Subsidiary shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor that qualifies as a Significant Subsidiary, or any Person acting on behalf of any Guarantor that qualifies as a Significant Subsidiary, shall deny or disaffirm its obligations under its Guarantee;

(i) the Issuer or any Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors;

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Issuer or any Significant Subsidiary of the Issuer in an involuntary case; (ii) appoints a custodian of the Issuer or any Significant Subsidiary of the Issuer or for all or substantially all of the property of the Issuer or any Significant Subsidiary of the Issuer; or (iii) orders the liquidation of the Issuer or any Significant Subsidiary of the Issuer, and the order or decree remains unstayed and in effect for 60 consecutive days; and

(k) any Collateral Document after delivery thereof shall for any reason cease (or shall be asserted in writing by the Issuer or any Guarantor to cease) to create a valid and perfected first-priority Lien to the extent required by the Collateral Documents (subject to no other Liens other than Permitted Liens) on Collateral that is (i) purported to be covered thereby and (ii) comprises Property which, when taken

together with all Property as to which such a Lien has so ceased to be effective, has a fair market value in excess of \$50.0 million (other than (x) in accordance with the terms of this Indenture or the terms of the Credit Facilities or the Security Documents or (y) except to the extent that any such cessation of the Liens results from the failure of the administrative agent under the Credit Facilities or the Applicable Authorized Representative, as the case may be, to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents); *provided* that if a failure of the sort described in this clause (k) is susceptible of cure without loss of priority (other than with respect to Permitted Liens (except Permitted Liens pursuant to clauses (b), (w) and (bb) of the definition of “Permitted Liens”), no Event of Default shall arise under this clause (k) with respect thereto until 30 days after notice of such failure shall have been given to the Issuer by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes issued under this Indenture.

SECTION 6.02 *Acceleration.*

If any Event of Default occurs and is continuing, the Trustee, by notice to the Issuer, or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes, by written notice to the Issuer and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in paragraph (i) or (j) of Section 6.01 hereof with respect to the Issuer, all outstanding Notes shall become and shall be immediately due and payable without further action or notice. Holders of the Notes may not enforce this Indenture or the Notes except as provided in this Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest.

Any failure to perform, or breach of, any covenant or agreement pursuant to Section 4.03 shall not be a Default or an Event of Default until the 121st day after the Issuer has received the notice referred to in clause (d) of Section 6.01 (at which point, unless cured or waived, such failure to perform or breach shall constitute an Event of Default). Prior to such 121st day, remedies against the Issuer for any such failure or breach will be limited to additional interest at a rate per year equal to 0.25% of the principal amount of such Notes from the 60th day following such notice to and including the 121st day following such notice. A failure to perform, or breach of any covenant or agreement pursuant to Section 4.03, shall automatically cease to be outstanding and shall be deemed to be cured at such time as the Issuer furnishes or files the applicable information or report.

SECTION 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture and, subject to the First Lien Intercreditor Agreement, the Collateral Agent may pursue any available remedy under the Collateral Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee, the Collateral Agent or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of Notes then outstanding, by written notice to the Trustee, may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose hereof; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05 *Control by Majority.*

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Collateral Agent or exercising any trust or power conferred on it. However, either the Trustee or the Collateral Agent may refuse to follow any direction that conflicts with the law or this Indenture that the Trustee or the Collateral Agent, as applicable, determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee or the Collateral Agent in personal liability.

SECTION 6.06 *Limitation on Suits.*

A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07 *Rights of Holders of Notes To Receive Payment.*

Notwithstanding any other provision hereof, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder of the Note.

SECTION 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(a) or (b) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), the Issuer's creditors or the Issuer's property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by

each Holder of a Note to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders of the Notes, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the Holders of the Notes may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Note any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder of a Note thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Note in any such proceeding.

SECTION 6.10 *Priorities.*

Subject to the First Lien Intercreditor Agreement, if the Trustee or the Collateral Agent collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

First: to the Trustee and the Collateral Agent, their respective agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the Collateral Agent and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct in writing.

The Trustee may fix a record date and payment date for any payment to Holders of Notes.

SECTION 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes pursuant to this Article 6.

ARTICLE 7

TRUSTEE

SECTION 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default,

(i) the duties of the Trustee shall be determined solely by the express provisions hereof and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements hereof. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements hereof but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision hereof shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders of Notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document (whether in original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document;

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care;

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture;

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer;

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction;

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture;

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(i) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

SECTION 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not the Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if any of the Notes are registered pursuant to the Securities Act), or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04 *Trustee's Disclaimer.*

(a) The Trustee shall not be responsible for and makes no representation as to the validity or adequacy hereof or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision hereof, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

(b) The Trustee shall not be bound to make any investigation into facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

SECTION 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail or otherwise deliver to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

SECTION 7.06 *Limitation on Duty in Respect of Collateral.*

Beyond the exercise of reasonable care in the custody thereof, neither the Collateral Agent nor the Trustee shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or as to preservation of rights against prior parties or any other rights pertaining thereto. Neither the Collateral Agent nor the Trustee shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each of the Trustee and the Collateral Agent shall be deemed to have exercised reasonable care with respect to the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which the Trustee or the Collateral Agent, as applicable, accords its own property and neither the Trustee nor the Collateral Agent shall be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee or the Collateral Agent in accordance with Section 7.02(c) or Section 11.07(b), as applicable.

The Trustee and the Collateral Agent shall not be responsible (i) for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Trustee and the Collateral Agent, (ii) for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, (iii) for the validity of the title of the Issuer to the Collateral, or (iv) for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral, in each case, except with respect to stock certificates, stock powers or other possessory collateral delivered to the Collateral Agent to the extent required under the Collateral Documents. The Trustee and the Collateral Agent shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement (if any) or the Collateral Documents by the Issuer, any Guarantor, or the Credit Agreement Collateral Agent.

SECTION 7.07 *Compensation and Indemnity.*

The Issuer shall pay to the Trustee and Collateral Agent from time to time reasonable compensation for its acceptance hereof and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and Collateral Agent promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's and Collateral Agent's agents and counsel.

The Issuer shall indemnify each of the Trustee and Collateral Agent and their respective agents, employees, officers, stockholders and directors for, and hold them harmless against any and all losses, liabilities, claims, damages or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture (including any other Note Document), except any such loss, liability, claim, damage or expense as shall be determined to have been caused by the negligence or willful misconduct of the Trustee or the Collateral Agent. Each of the Trustee and Collateral Agent shall notify the Issuer promptly of any claim of which a Responsible Officer has received written notice for which it may seek indemnity. Failure by the Trustee and Collateral Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee and Collateral Agent shall cooperate in the defense. The Trustee and Collateral

Agent may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge hereof or the earlier resignation or removal of the Trustee.

To secure the Issuer's payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge hereof.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(i) or (j) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08 *Replacement of Trustee.*

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time upon 30 days written notice and be discharged from the trust hereby created by so notifying the Issuer. The Holders of at least a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer with 30 days prior notice. The Issuer may remove the Trustee if upon 30 days written notice:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee after written request by any Holder of a Note who has been a Holder of a Note for at least six months fails to comply with Section 7.10 hereof, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

If a Trustee resigns or is removed all fees and expenses of the Trustee incurred in the administration of the trust or in the performance of the duties hereunder shall be paid to the Trustee.

SECTION 7.09 *Successor Trustee by Merger, Etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any state thereof authorized under such laws to exercise corporate trustee power, shall be subject to supervision or examination by federal or state authority and shall have a combined capital and surplus of at least \$25 million as set forth in its most recent published annual report of condition.

SECTION 7.11 *Collateral Documents; Intercreditor Agreements.*

By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and the Collateral Agent, as the case may be, to execute and deliver the First Lien Intercreditor Agreement, any Junior Lien Intercreditor Agreement in respect of permitted Junior Lien Obligations and any other Collateral Documents in which the Trustee or the Collateral Agent, as applicable, is named as a party, including any Collateral Documents executed after the Issue Date. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Collateral Agent are (a) expressly authorized to make the representations attributed to Holders in any such agreements and (b) not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the First Lien Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any other Collateral Documents, the Trustee and the Collateral Agent each shall have all of the rights, immunities, indemnities, privileges and other protections granted to it under this Indenture and the Collateral Documents (in addition to those that may be granted to it under the terms of such other agreement or agreements).

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01 *Termination of the Issuer's Obligations.*

(a) The Issuer may terminate its Obligations as to all outstanding Notes and the Liens on Collateral securing the Notes shall be released, except those obligations referred to in paragraph (b) of this Section 8.01, when

(1) either:

(a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable or, within one year will become due and payable or subject to redemption as set forth in Section 3.07 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes

not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Issuer has paid all other sums payable under this Indenture by the Issuer; and

(3) the Issuer has delivered to the Trustee and the Collateral Agent an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge hereof have been complied with; *provided, however*, that such counsel may rely, as to matters of fact, on a certificate or certificates of Officers of the Issuer.

(b) Notwithstanding paragraph (a) of this Section 8.01, the Issuer's obligations in Sections 2.03, 2.04, 2.05, 2.06, 7.07, 7.08, 8.07 and 8.08 hereof, and the rights, powers, trust, duties and immunities of the Trustee and the Collateral Agent, and the Issuer's obligations in connection therewith, shall survive until the Notes are no longer outstanding pursuant to Section 2.08 hereof. After the Notes are no longer outstanding, the Issuer's obligations in Sections 7.07, 7.08, 8.07 and 8.08 hereof shall survive such satisfaction and discharge.

SECTION 8.02 *Option To Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, with respect to the Notes, elect to have either Section 8.03 or 8.04 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.03 *Legal Defeasance and Covenant Discharge.*

Upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.03, the Issuer shall be deemed to have been discharged from their obligations with respect to all outstanding Notes, each Guarantor's obligation shall be discharged with respect to its Guarantee and the Liens on the Collateral securing the outstanding Notes shall be automatically terminated and released on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.06 hereof and the other Sections hereof referred to in clauses (a) and (b) below, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due, or on the redemption date, as the case may be; (b) the Issuer's obligations with respect to such Notes under Sections 2.05, 2.07, 2.08, 2.10, 2.11 and 4.02 hereof; (c) the rights, powers, trust, duties and immunities of the Trustee and the Collateral Agent hereunder, and the Issuer's obligations in connection therewith; and (d) this Section 8.03. Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.03 notwithstanding the prior exercise of its option under Section 8.04 hereof with respect to the Notes.

SECTION 8.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.04, the Issuer shall be released from its obligations under the covenants contained in Sections 3.08, 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 (other than existence of the Issuer (subject to Section 5.01), 4.15, 4.17, 4.18, 5.01 (except clauses (a) and (b)) and 10.03 hereof with respect to the outstanding Notes and the Liens on Collateral securing the outstanding Notes shall be automatically terminated and released on and after the date the conditions set forth below are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for

all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for GAAP). For this purpose, such Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01(c) hereof, but, except as specified above, the remainder hereof and such Notes shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.02 hereof of the option applicable to this Section 8.04, Sections 6.01(c) through 6.01(g) shall not constitute Events of Default.

SECTION 8.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 8.03 or Section 8.04 hereof to the outstanding Notes:

- (a) the Issuer shall have irrevocably deposited with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable U.S. government obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes on the stated maturity or on the applicable optional redemption date, as the case may be;
- (b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that (A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in each case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance, and will be subject to federal income tax in the same amount, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel confirming that the holders of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit;
- (e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;
- (f) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit made by the Issuer pursuant to its election under Section 8.03 and 8.04 hereof was not made by the Issuer with the intent of preferring the Holders of the Notes over any of its other creditors or with the intent of defeating, hindering, delaying or defrauding any of its other creditors or others; and
- (g) the Issuer shall have delivered to the Trustee an Officers' Certificate and Opinion of Counsel stating that all conditions precedent provided for or relating to the Legal Defeasance under Section 8.03 hereof or the Covenant Defeasance under Section 8.04 hereof (as the case may be) have been complied with as contemplated by this Section 8.05.

SECTION 8.06 *Deposited Money and Government Securities To Be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.07 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.06, the “Trustee”) pursuant to Section 8.05 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.05 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.05 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.05(a) hereof), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.07 *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on their request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustees thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 8.08 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any United States Dollars or Government Securities in accordance with Section 8.03 or 8.04 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer’s obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.03 or 8.04 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.03 or 8.04 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee and the Collateral Agent (as applicable) may amend or supplement this Indenture, the Notes or the Guarantees or amend or supplement any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement or any amended or supplemental indenture or any amendment or supplement to the Notes, the Guarantees, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement without the consent of any Holder of a Note:

- (a) to cure any ambiguity, defect or inconsistency (as determined by the Issuer in good faith);
- (b) to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees *provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);
- (c) to provide for the assumption of the obligations of the Issuer or any Guarantor to the Holders of the Notes in the case of a merger, consolidation or sale of all or substantially all of the assets of the Issuer or such Guarantor, pursuant to Article 5 or Article 10 hereof;
- (d) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the rights under this Indenture of any Holder of the Notes in any material respect;
- (e) to provide for the issuance of additional Notes in accordance with the provisions set forth in this Indenture;
- (f) to evidence and provide for the acceptance of an appointment of a successor trustee or a successor collateral agent;
- (g) to comply with the rules of any applicable securities depository;
- (h) to add Guarantees with respect to the Notes;
- (i) to add Collateral with respect to the Notes and the Guarantees;
- (j) to conform this Indenture, the Notes, the Guarantees, the Collateral Documents and the First Lien Intercreditor Agreement to the "Description of notes" section in the Offering Memorandum;
- (k) to release Collateral from any Liens securing the Notes and the Guarantees when permitted or required by the Collateral Documents, this Indenture, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement;
- (l) to enter into any intercreditor agreement having substantially similar terms with respect to the holders of Notes as those set forth in the First Lien Intercreditor Agreement, or any joinder thereto or to enter into any Junior Lien Intercreditor Agreement in connection with the incurrence of any Future First Lien Obligations or Junior Lien Obligations not otherwise prohibited by this Indenture; or
- (m) with respect to the Collateral Documents and the First Lien Intercreditor Agreement, as provided in the relevant Collateral Document or First Lien Intercreditor Agreement.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors of the Issuer and a resolution of the Board of Directors of each Guarantor and upon receipt by the Trustee and Collateral Agent of the documents described in Sections 7.02, 9.06 and 11.04 hereof, the Trustee and Collateral Agent shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and shall make any further appropriate agreements and stipulations which may be therein contained, but neither the Trustee nor the Collateral Agent shall be obligated to enter into such amended or supplemental indenture or any amendment or supplement to the Notes, the Guarantees, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement which affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02 *With Consent of Holders of Notes.*

The Issuer, the Guarantors and the Trustee and/or Collateral Agent (as applicable) may amend or supplement this Indenture, the Notes, the Guarantees, the Collateral Documents, the First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement or any amended or supplemental indenture or any amendment or supplement to the Notes, the Guarantees, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement with the written consent of the Holders of at least a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes), and any existing Default and its consequences or compliance with any provision of this Indenture, the Notes, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement may be waived with the consent of the Holders of a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes). Notwithstanding the foregoing, without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder):

- (a) reduce the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than as provided in clause (h) below);
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (e) make any Note payable in money other than that stated in the Notes;
- (f) make any change in the provisions hereof relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes;
- (g) waive a redemption payment or mandatory redemption with respect to any Note (other than as provided in clause (h) below);
- (h) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control after such Change of Control has occurred;
- (i) release all or substantially all of the Guarantees of the Guarantors other than in accordance with Article 10; or
- (j) make any change in the foregoing amendment and waiver provisions.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors of the Issuer and a resolution of the Board of Directors of each Guarantor, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Sections 7.02, 9.06 and 11.04 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture or amended or supplemental indenture or any amendment or supplement to the Notes, the Guarantees, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement unless such amended or supplemental indenture or amendment or supplement to the Notes, the Guarantees, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture or such amendment or supplement to the Notes, the Guarantees, any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Issuer with any provision of this Indenture or of the Notes.

Notwithstanding the foregoing, without the consent of holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (i) release all or substantially all of the Collateral from the Liens securing the Notes Obligations created by the Collateral Documents or (ii) change or alter the priority of the Liens securing the Notes Obligations created by the Collateral Documents in any material portion of the Collateral in any manner adverse to the holders of the Notes, other than, in each case, as provided under the terms of the Collateral Documents or the First Lien Intercreditor Agreement.

SECTION 9.03 *[Reserved]*.

SECTION 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder of a Note.

The Issuer may fix a record date for determining which Holders of the Notes must consent to such amendment, supplement or waiver. If the Issuer fixes a record date, the record date shall be fixed at (i) the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders of Notes furnished to the Trustee prior to such solicitation pursuant to Section 2.05 hereof or (ii) such other date as the Issuer shall designate.

SECTION 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06 *Trustee, Collateral Agent To Sign Amendments, Etc.*

In executing, or accepting the additional trusts created by, any amendment, supplement or waiver permitted by this Article or the modification thereby of the trusts created by this Indenture, each of the Trustee and Collateral Agent, as applicable, shall receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture. The Trustee and Collateral Agent may, but shall not be obligated to, enter into any such amendment, supplement or waiver which affects, as the case may be, the Trustee's or Collateral Agent's own rights, duties or immunities under this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement or otherwise.

ARTICLE 10

GUARANTEES

SECTION 10.01 *Guarantee.*

Subject to this Article 10, each of the Guarantors, jointly and severally, hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and the Collateral Agent and their respective successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or thereunder, that:

(a) the principal of, premium, if any, and interest on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(b) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each of the Guarantors, jointly and severally, will be obligated to pay the same immediately.

Each of the Guarantors, jointly and severally, hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of a Note with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

Each of the Guarantors, jointly and severally, hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee will not be discharged except by complete performance of the Obligations guaranteed hereby. If any Holder or the Trustee is required by any court or otherwise, or any custodian, Trustee, liquidator or other similar official acting in relation to

either the Issuer or any Guarantor, to return to the Issuer or any Guarantor any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each of the Guarantors, jointly and severally, agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each of the Guarantors, jointly and severally, further agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Guarantee. Notwithstanding the foregoing, in the event that any Guarantee would constitute or result in a violation of any applicable fraudulent conveyance or similar law of any relevant jurisdiction, the liability of the applicable Guarantor under its Guarantee shall be reduced to the maximum amount permissible under such fraudulent conveyance or similar law.

The Guarantors hereby agree as among themselves that each Guarantor that makes a payment or distribution under a Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment hereunder based on the respective net worth of all the Guarantors at the time of such payment determined in accordance with GAAP. The preceding sentence shall in no way affect the rights of the Holders of Notes, the Trustee or the Collateral Agent to the benefits hereof, the Notes, the Guarantees or the Collateral Documents.

Nothing contained in this Section 10.01 or elsewhere in this Indenture, the Notes or the Guarantees shall impair, as between any Guarantor and the Holder of any Note, the obligation of such Guarantor, which is unconditional and absolute, to pay to the Holder thereof the principal of, premium, if any, and interest on such Notes in accordance with their terms and the terms of the Guarantee and this Indenture, nor shall anything herein or therein prevent the Trustee, the Collateral Agent or the Holder of any Note from exercising all remedies otherwise permitted by applicable law or hereunder or thereunder upon the occurrence of an Event of Default.

SECTION 10.02 *Execution and Delivery of Guarantees.*

To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Guarantee substantially in the form of Exhibit B hereto shall be endorsed by an officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor by any of its Officers. Each of the Guarantors, jointly and severally, hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee. If an officer or Officer whose signature is on this Indenture or on the Guarantee of a Guarantor no longer holds that office at the time the Trustee authenticates the Note on which the Guarantee of such Guarantor is endorsed, the Guarantee of such Guarantor shall be valid nevertheless. The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantees set forth in this Indenture on behalf of the Guarantors.

SECTION 10.03 *Merger, Consolidation or Sale of Assets of Guarantors.*

Subject to Section 10.05 hereof, a Guarantor may not, and the Issuer shall not cause or permit any Guarantor to, consolidate or merge with or into (whether or not such Guarantor is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person other than the Issuer or another Guarantor (in each case other than in accordance with Section 4.10) unless:

- (a) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, lease,

conveyance or other disposition shall have been made is a corporation, limited partnership or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of the Guarantor under this Indenture, the Notes, the Collateral Documents and the First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement) pursuant to a supplemental indenture and joinders or supplements, as applicable, to the Collateral Documents and the First Lien Intercreditor Agreement (and, if applicable, any Junior Lien Intercreditor Agreement), in each case, in form reasonably satisfactory to the Trustee and the Collateral Agent; and

(c) immediately after such transaction, no Event of Default exists.

Nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor that is a wholly owned Restricted Subsidiary of the Issuer or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor that is a wholly owned Restricted Subsidiary of the Issuer. Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor that is a Restricted Subsidiary of the Issuer or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor that is a Restricted Subsidiary of the Issuer.

SECTION 10.04 *Successor Corporation Substituted.*

Upon any consolidation, merger, sale or conveyance described in paragraphs (a) through (c) of Section 10.03 hereof, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of any Guarantee previously signed by the Guarantor and the due and punctual performance of all of the covenants and conditions hereof to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Guarantees to be issuable hereunder by such Guarantor and delivered to the Trustee. All the Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Guarantees had been issued at the date of the execution of such Guarantee by such Guarantor. When a successor Person assumes all the obligations of the Issuer under the Notes and this Indenture pursuant to Article 5 hereof, the applicable predecessor shall be released from the obligations so assumed.

SECTION 10.05 *Releases from Guarantees.*

A Guarantor shall be released and relieved of its obligations under its Guarantee upon:

(1) in connection with any direct or indirect sale, conveyance or other disposition of all the Capital Stock of such Guarantor (including any sale, conveyance or other disposition after which such Guarantor is no long a Restricted Subsidiary) or of all or substantially all of the assets and property of such Guarantor, if such sale or disposition is made in compliance with Section 4.10;

(2) such Guarantor is liquidated in accordance with the provisions hereof;

(3) the Issuer designates any such Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture;

(4) upon the release or discharge of the guarantees by such Guarantor under any Credit Facility incurred under Section 4.09(b)(2), except a release or discharge by or as a result of payment under such guarantee or payment in full of such Credit Facility; or

(5) upon the satisfaction and discharge of this Indenture in accordance with Section 8.01 or upon any Legal Defeasance or Covenant Defeasance.

Upon delivery by the Issuer to the Trustee and the Collateral Agent of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Issuer in accordance with the provisions hereof, including without limitation Section 4.10 hereof, if applicable, or that such Guarantor has been released from its obligations under its Guarantee in accordance with any other provision of this Section 10.05, the Trustee and the Collateral Agent shall execute any documents pursuant to written direction of the Issuer in order to evidence the release of any such Guarantor from its obligations under its Guarantee. Any such Guarantor not released from its obligations under its Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of such Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11

COLLATERAL

SECTION 11.01 *Collateral Documents.*

The due and punctual payment of the principal of, premium on, if any, and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest on the Notes and performance of all other Notes Obligations of the Issuer and the Guarantors to the Holders of the Notes or the Trustee and/or Collateral Agent (as applicable), according to the terms of this Indenture, the Notes and the Guarantees, shall be secured as provided in the Collateral Documents, which the Issuer and the Guarantors entered into on the Issue Date and which define the terms of the Liens that secure the Notes Obligations, subject to the terms of the First Lien Intercreditor Agreement.

The Trustee, the Issuer and the Guarantors hereby acknowledge and agree that the Collateral Agent holds the Collateral for the benefit of the Holders, the Trustee and the Collateral Agent and pursuant to the terms of the Collateral Documents and the First Lien Intercreditor Agreement. Each Holder, by accepting a Note, consents and agrees to the terms of the Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the First Lien Intercreditor Agreement, each as may be in effect or may be amended from time to time in accordance with their terms and the terms of this Indenture, and authorizes and directs the Collateral Agent and/or the Trustee, as applicable, to enter into the Collateral Documents and the First Lien Intercreditor Agreement on the Issue Date, and, at any time after the Issue Date, if applicable, any Junior Lien Intercreditor Agreement in respect of permitted Junior Lien Obligations, and any amendments, supplements, and/or joinders to the foregoing to which it is a party, at any time after the Issue Date, if applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

The Issuer shall deliver to the Collateral Agent copies of all documents required to be filed pursuant to the Collateral Documents, and shall do or cause to be done all such acts and things as may be necessary, proper, or as may be required by the Collateral Documents, to assure and confirm to the Collateral Agent the security interest in the Collateral contemplated hereby, by the Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. On or following the Issue Date and subject to the First Lien Intercreditor Agreement, the Issuer and the Guarantors shall execute any and all further documents, financing statements (including continuation statements and amendments to financing statements), agreements and instruments, make all filings (including filings of financing statements under the UCC and continuation statements and amendments to such financing statements that may be necessary to continue the effectiveness of such financing statements), and take all further action that may be required under applicable law in order to grant, preserve,

maintain, protect and perfect (or continue the perfection of) the validity and priority of the Liens and security interests created or intended to be created by the Collateral Documents in the Collateral, subject to Permitted Liens.

SECTION 11.02 *Release of Collateral.*

The Liens on the Collateral owned by any Guarantor shall be automatically released when such Guarantor's Guarantee is released in accordance with the terms of this Indenture. In addition, the Liens securing the Notes and the Guarantees shall be released automatically:

(i) in whole, upon payment in full of all principal, interest and the other Notes Obligations or upon the satisfaction and discharge of this Indenture in accordance with Section 8.01 or upon any Legal Defeasance or Covenant Defeasance;

(ii) in whole or in part, with the consent of the requisite holders of Notes in accordance with Section 9.02;

(iii) in part, as to any Property constituting Collateral that is disposed of to a Person other than the Issuer or a Restricted Subsidiary in a transaction permitted pursuant to Section 4.10 and not otherwise prohibited by this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement;

(iv) with respect to any Collateral that becomes Excluded Property, upon such Collateral becoming Excluded Property pursuant to a transaction or circumstance not prohibited by the terms of this Indenture;

(v) with respect to Collateral that is Capital Stock, upon the dissolution or liquidation of the issuer of such Capital Stock in a transaction that is not prohibited by the terms of this Indenture;

(vi) upon the release of all Liens on such Collateral securing each other then outstanding Series of First Lien Obligations (other than in connection with the repayment in full of such Series of First Lien Obligations); and

(vii) in accordance with the First Lien Intercreditor Agreement.

The Collateral Agent shall, without recourse, representation or warranty, execute documents reasonably requested by the Issuer or the Guarantors to evidence the release of the Collateral as set forth above in accordance with the provisions of this Indenture, at the expense of the Issuer and the Guarantors, upon receipt of an Officers' Certificate of the Issuer certifying that such release of Collateral is in accordance with the terms of this Indenture and that all conditions precedent relating to the release of Collateral have been satisfied. The Collateral Agent shall not be liable for any such release undertaken in reliance upon any such Officers' Certificate, and notwithstanding any term hereof or in any Collateral Document or any other Notes Document to the contrary, the Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction, discharge or termination, unless and until it receives such Officers' Certificate.

SECTION 11.03 *Suits to Protect the Collateral.*

Subject to the provisions of Article 7, the Collateral Documents and the First Lien Intercreditor Agreement, the Trustee may or may direct the Collateral Agent, in each case on behalf of the Holders of the Notes, to take all actions it determines necessary or appropriate in order to:

(a) enforce any of the terms of the Collateral Documents; and

(b) collect and receive any and all amounts payable in respect of the Obligations of the Issuer and the Guarantors hereunder.

Subject to the provisions of the Collateral Documents and the First Lien Intercreditor Agreement, the Trustee and the Collateral Agent shall have the power to institute and to maintain such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 11.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Collateral Agent.

SECTION 11.04 *Authorization of Receipt of Funds by the Trustee Under the Collateral Documents.*

Subject to the provisions of the First Lien Intercreditor Agreement, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Collateral Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Upon the full and final payment and performance of all Notes Obligations of the Issuer and the Guarantors under this Indenture and the Notes or upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture in accordance with Section 8.01 hereof, the Trustee will, at the request of the Issuer, deliver a certificate to the Collateral Agent stating that such Notes Obligations have been paid in full, and instruct the Collateral Agent to release the Liens pursuant to this Indenture and the Collateral Documents.

SECTION 11.05 *Purchaser Protected.*

In no event shall any purchaser in good faith of any property purported to be released hereunder or under any Collateral Document be bound to ascertain the authority of the Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 11 to be sold be under any obligation to ascertain or inquire into the authority of the Issuer or the applicable Guarantor to make any such sale or other transfer.

SECTION 11.06 *Powers Exercisable by Receiver or Trustee.*

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Issuer or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article 11; and if the Trustee or the Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Collateral Agent.

SECTION 11.07 *Collateral Agent.*

(a) Each of the Holders by acceptance of the Notes hereby designates and appoints the Collateral Agent as its agent under this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, and each of the Holders by acceptance of the Notes and the Trustee hereby irrevocably authorizes the Collateral Agent to take such action on their behalf under the provisions of this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, and consents and agrees to the terms of the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and each Collateral Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Collateral Agent accepts such appointment and agrees to act as such on the express conditions contained in this Section 11.07. Each Holder agrees that any action taken by the Collateral Agent in accordance

with the provisions of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents, and the exercise by the Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, the duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the other Notes Documents to which the Collateral Agent is a party, nor shall the Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder, the Issuer or any Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, or otherwise exist, against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Collateral Agent may perform any of its duties under this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, by or through receivers, agents, employees or attorneys-in-fact and shall be entitled to advice of counsel of its selection concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by such counsel. The Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee or attorney-in-fact that it selects as long as such selection was made in good faith and with due care.

(c) The Collateral Agent shall not (i) be liable for any action taken or omitted to be taken by it under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Collateral Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Issuer or any other Guarantor or Affiliate of any Guarantor, or any Officer thereof, contained in this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement, or the Junior Lien Intercreditor Agreement, if any, or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, or for any failure of the Issuer, any Guarantor or any other party to this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, to perform its obligations hereunder or thereunder. The Collateral Agent shall not be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, or to inspect the properties, books, or records of the Issuer, any Guarantor or any of their Affiliates.

(d) The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer or any Guarantor), independent accountants and other experts and advisors selected by the Collateral Agent. The Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, unless it shall

first receive such advice or concurrence of the Holders of a majority in aggregate principal amount of the Notes and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Event of Default, unless a Responsible Officer of the Collateral Agent shall have received written notice from the Trustee or the Issuer referring to this Indenture, describing such Event of Default and stating that such notice is a "notice of default." The Collateral Agent shall take such action with respect to such Event of Default as may be requested in accordance with, and subject to the provisions of, Article 6 by the Trustee or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 11.07 and the terms of the First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement).

(f) The Collateral Agent may resign at any time upon 30 days' advance written notice to the Trustee and the Issuer, such resignation to be effective upon the acceptance of a successor agent to its appointment as Collateral Agent. If the Collateral Agent resigns under this Indenture, the Issuer shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Collateral Agent (as stated in the notice of resignation), the Collateral Agent may appoint, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, a successor collateral agent, subject to the consent of the Issuer (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Issuer pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Collateral Agent, and the term "Collateral Agent" shall mean such successor collateral agent, and the retiring Collateral Agent's appointment, powers and duties as the Collateral Agent shall be terminated. After the retiring Collateral Agent's resignation hereunder, the provisions of this Section 11.07 (and Section 7.07 hereof) shall continue to inure to its benefit and the retiring Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Collateral Agent under this Indenture, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement.

(g) U.S. Bank National Association shall initially act as Collateral Agent and shall be authorized to appoint co-Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Collateral Documents or the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, neither the Collateral Agent nor any of its respective officers, directors, employees or agents shall be liable to Issuer, any Guarantor or any Notes Secured Party for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) By their acceptance of a Note hereunder, the Collateral Agent is authorized and directed by the Holders to (i) enter into the Collateral Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the First Lien Intercreditor Agreement on the Issue Date, (iii) enter into the Junior Lien Intercreditor Agreement, if any, after the Issue Date, (iv) make the representations of the Holders set forth in the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, (v) bind the Holders on the terms as set forth in the Collateral Documents, the First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement, if any, (vi) perform and observe its obligations under the Collateral Documents, the First

Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any; and (vii) release any Collateral in accordance with Section 11.02.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article 6, the Trustee shall promptly turn the same over to the Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Collateral Agent such proceeds to be applied by the Collateral Agent pursuant to the terms of this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement (if any).

(j) The Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the UCC can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Issuer, the Trustee shall notify the Collateral Agent thereof and promptly shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

(k) The Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by the Issuer, any Guarantor or is cared for, protected, or insured or has been encumbered, or that the Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all or the Issuer's or any Guarantor's property constituting Collateral intended to be subject to the Lien and security interest of the Collateral Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Collateral Agent pursuant to this Indenture, any Collateral Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Collateral Documents. Neither the Trustee nor the Collateral Agent shall have a duty or obligation to monitor the condition, financial or otherwise, of the Issuer or any Guarantor.

(l) If the Issuer or any Guarantor (i) incurs any obligations in respect of First Lien Obligations or Junior Lien Obligations at any time when no applicable intercreditor agreement is in effect or at any time when Indebtedness constituting First Lien Obligations or Junior Lien Obligations entitled to the benefit of an existing First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement is concurrently retired, and (ii) delivers to the Collateral Agent an Officer's Certificate so stating and requesting the Collateral Agent to enter into an intercreditor agreement (on substantially the same terms as the First Lien Intercreditor Agreement or, in the case of the Junior Lien Intercreditor Agreement, in customary market form (as reasonably determined by the Issuer as set forth in an Officer's Certificate delivered to the Trustee and the Collateral Agent)) in favor of a designated agent or representative for the holders of the First Lien Obligations or Junior Lien Obligations so incurred, the Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuer, including reasonable legal fees and expenses of the Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

(m) No provision of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or any Collateral Document shall require the Collateral Agent or the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders unless it shall have received indemnity satisfactory to the Collateral Agent against potential costs and liabilities incurred by the Collateral Agent relating thereto.

Notwithstanding anything to the contrary contained in this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or the Collateral Documents, in the event the Collateral

Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Collateral Agent has determined that the Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances in an amount and in a form all satisfactory to the Collateral Agent in its sole discretion, protecting the Collateral Agent from all such liability. The Collateral Agent shall at any time be entitled to cease taking any action described in this clause (m) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

(n) The Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Collateral Agent may agree in writing with the Issuer (and money held in trust by the Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Collateral Agent shall not be construed to impose duties to act.

(o) The Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Guarantor under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents. The Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or in any certificate, report, statement, or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or any Collateral Document; the execution, validity, genuineness, effectiveness or enforceability of the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and any Collateral Documents of any other party thereto. The Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents, or the satisfaction of any conditions precedent contained in this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and any Collateral Documents. The Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents unless expressly set forth hereunder or thereunder or as directed by Holders of a majority in aggregate principal amount of the Notes. The Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any.

(p) The parties hereto and the Holders hereby agree and acknowledge that neither the Collateral Agent shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, the Collateral Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents, the Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Collateral Agent in the Collateral

and that any such actions taken by the Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral, as those terms are defined in Section 101(20)(E) of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§ 9601 et seq., as amended.

(q) Upon the receipt by the Collateral Agent of a written request of the Issuer signed by an Officer (a "*Collateral Document Order*"), the Collateral Agent is hereby authorized to execute and enter into, and if satisfactory in form to the Collateral Agent, shall execute and enter into, without the further consent of any Holder or the Trustee, any Collateral Document or amendment or supplement thereto to be executed after the Issue Date to the extent entry into such Collateral Documents is otherwise permitted by the terms of this Indenture. Such Collateral Document Order shall (i) state that it is being delivered to the Collateral Agent pursuant to, and is a Collateral Document Order referred to in, this Section 11.07(r), and (ii) instruct the Collateral Agent to execute and enter into such Collateral Document. Any such execution of a Collateral Document shall be at the direction and expense of the Issuer, upon delivery to the Collateral Agent of an Officer's Certificate and Opinion of Counsel stating that all conditions precedent to the execution and delivery of the Collateral Document have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Collateral Agent to execute such Collateral Documents.

(r) Subject to the provisions of the applicable Collateral Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, each Holder, by acceptance of the Notes, agrees that the Collateral Agent shall execute and deliver the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Collateral Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, except as expressly set forth herein, in the Collateral Documents, in the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement, the Collateral Agent shall have no discretion under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or the Collateral Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes.

(s) After the occurrence and continuance of an Event of Default, the Trustee may direct the Collateral Agent in connection with any action required or permitted by this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any.

(t) The Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, and to the extent not prohibited under the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement.

(u) In each case that the Collateral Agent may or is required hereunder or under any Collateral Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, to take any action (an "Action"), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Collateral Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, the Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Collateral Agent shall be entitled to refrain from such Action unless and until the Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Collateral Agent shall not incur liability to any Person by reason of so refraining.

(v) Notwithstanding anything to the contrary in this Indenture, in any Collateral Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, in no event shall the Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Collateral Agent or the Trustee be responsible for, and neither the Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Collateral Documents or the security interests or Liens intended to be created thereby.

(w) Before the Collateral Agent acts or refrains from acting in each case at the request or direction of the Issuer or the Guarantors, or in connection with any Collateral Document, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement, it may require an Officer's Certificate and an Opinion of Counsel, which shall conform to the provisions of this Section 11.07 and Section 12.04 hereof. The Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(x) Notwithstanding anything to the contrary contained herein but subject to the terms of the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement, the Collateral Agent shall act pursuant to the instructions of the Note Secured Parties as provided in this Indenture solely with respect to the Collateral Documents.

(y) If any Collateral Agent consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business (including this transaction) to, another corporation, the successor corporation without any further act shall be the successor of such Collateral Agent.

If the Issuer elects to give the Trustee and Collateral Agent e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee and Collateral Agent in their discretion elects to act upon such instructions, the Trustee's and Collateral Agent's understanding of such instructions shall be deemed controlling. Neither the Trustee nor the Collateral Agent shall be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's or Collateral Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee and Collateral Agent, including without limitation the risk of the Trustee or Collateral Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 12.03 *[Reserved]*.

SECTION 12.04 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Issuer to the Trustee or the Collateral Agent to take any action under this Indenture (other than the application for authentication of the Initial Notes), the Issuer shall furnish to the Trustee:

- (d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

SECTION 12.06 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders of Notes. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

SECTION 12.07 *No Personal Liability of Directors, Owners, Employees, Incorporators and Stockholders.*

No director, owner, officer, employee, incorporator or stockholder of the Issuer, the Guarantors or any of their Affiliates, as such, shall have any liability for any obligations of the Issuer, the Guarantors or any of their Affiliates under the Notes, the Guarantees, this Indenture, the First Lien Intercreditor Agreement, any Junior Lien Intercreditor Agreement, if applicable, or any Collateral Document or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of the Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

SECTION 12.08 *Governing Law.*

THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

SECTION 12.09 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret another indenture, loan or debt agreement of the Issuer or any of its respective Subsidiaries. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

SECTION 12.10 *Successors.*

All agreements of the Issuer and the Guarantors in this Indenture and the Notes and the Guarantees shall bind the successors of the Issuer and the Guarantors, respectively. All agreements of the Trustee and the Collateral Agent in this Indenture shall bind its respective successor.

SECTION 12.11 Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 12.12 Counterpart Originals.

This Indenture may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart (including a counterpart executed by electronic signature) of a signature page of this Indenture by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Indenture. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Indenture or any document to be signed in connection with this Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means. All notices, approvals, consents, requests and any communications hereunder must be in writing (provided that any such communication sent to the Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign, AdobeSign or such other digital signature provider as specified in writing to the Trustee by the authorized representative of the Company. The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based recordkeeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code. The Company agrees to assume all risks arising out of the use of using digital signatures and electronic methods to submit communications to Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 12.13 Table of Contents, Headings, Etc.

The Table of Contents, Cross-Reference Table and headings of the Articles and Sections hereof have been inserted for convenience of reference only, are not to be considered a part hereof and shall in no way modify or restrict any of the terms or provisions hereof.

SECTION 12.14 Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics or pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 12.15 Waiver of Jury Trial.

EACH OF THE ISSUER, the Guarantors, THE HOLDERS BY their ACCEPTANCE OF THE NOTES, AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 12.16 *Certain Tax Matters Related to the Trustee.*

In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time ("*Applicable Law*"), the Issuer agrees (i) to provide to U.S. Bank National Association sufficient information about holders or other applicable parties and/or transactions (including any modification to the terms of such transactions) so U.S. Bank National Association can determine whether it has tax related obligations under Applicable Law, (ii) that U.S. Bank National Association shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with Applicable Law for which U.S. Bank National Association shall not have any liability, and (iii) to hold harmless U.S. Bank National Association for any losses it may suffer due to the actions it takes to comply with such Applicable Law. The terms of this section shall survive the termination of this Indenture.

SECTION 12.17 *Submission to Jurisdiction.*

The Issuer and each Guarantor hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Borough of Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture, the Guarantees and the Notes, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

SECTION 12.18 *Intercreditor Agreements.*

Reference is made to the First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement (if applicable). Each Holder, by its acceptance of a Note, (a) consents to the priority of Liens and payments provided for in the First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement or any such Junior Lien Intercreditor Agreement and (c) authorizes and instructs the Collateral Agent and the Trustee to enter into the First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement as the Collateral Agent and as representative on behalf of such Holder, including without limitation, making the representations of the Holders contained therein, and including any amendments, restatements or supplements thereto providing for, inter alia, substantially the same rights, priorities and obligations referred to in the applicable intercreditor agreement and covering any other matters incidental thereto.

Cert. No. []

CUSIP No. []

Live Nation Entertainment, Inc.

promises to pay to []

or its registered assigns

the principal sum of _____

Dollars on May 15, 2027

Interest Payment Dates: May 15 and November 15, commencing November 15, 2020.

Record Dates: May 1 and November 1 (whether or not a Business Day).

(Back of Note)

Capitalized terms used herein have the meanings assigned to them in the Indenture (as defined below) unless otherwise indicated.

(1) *Interest.* Live Nation Entertainment, Inc., a Delaware Corporation (the “*Issuer*”) promises to pay interest on the principal amount of this Note at the rate and in the manner specified below. Interest will accrue at 6.500% per annum and will be payable semi-annually in cash on each May 15 and November 15, commencing November 15, 2020, or if any such day is not a Business Day on the next succeeding Business Day (each, an “*Interest Payment Date*”) to Holders of record of the Notes at the close of business on the immediately preceding May 1 and November 1, whether or not a Business Day. Interest will be computed on the basis of a 360day year consisting of twelve 30day months. Interest shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance. To the extent lawful, the Issuer shall pay interest on overdue principal at the rate of the then applicable interest rate on the Notes; it shall pay interest on overdue installments of interest (without regard to any applicable grace periods) at the same rate to the extent lawful.

(2) *Method of Payment.* The Issuer shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the record date next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Issuer will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. The Notes will be payable both as to principal and interest at the office or agency of the Issuer maintained for such purpose or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders of Notes at their respective addresses set forth in the register of Holders of Notes. Unless otherwise designated by the Issuer, the Issuer’s office or agency will be the office of the Trustee maintained for such purpose.

(3) *Paying Agent and Registrar.* Initially, the Trustee will act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder of a Note. The Issuer may act in any such capacity.

(4) *Indenture.* The Issuer issued the Notes under an Indenture, dated as of May 20, 2020 (the “*Indenture*”), among the Issuer, the Guarantors, and U.S. Bank National Association, as trustee (in such capacity, the “*Trustee*”) and as notes collateral agent (in such capacity, the “*Collateral Agent*”). This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The Issuer shall be entitled to issue additional Notes pursuant to Section 2.02 of the Indenture. All Notes issued under the Indenture shall be treated as a single class of Notes under the Indenture. The terms of the Indenture shall govern any inconsistencies between the Indenture and the Notes. The Notes are senior secured obligations of the Issuer and the Guarantors, secured by a first-priority security interest in the Collateral.

(5) *Optional Redemption.*

(a) Except as provided in paragraphs (b) and (c) below and clause (6) below, the Notes will not be redeemable at the Issuer’s option prior to May 15, 2023. Thereafter, the Notes will be subject to redemption at the option of the Issuer, in whole or in part, upon not less than 15 days’ or more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon to the applicable redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), if redeemed during the 12-month period beginning on May 15 of the years indicated below:

Year	Percentage
2023	104.875%
2024	103.250%
2025	101.625%
2026 and thereafter	100.000%

(b) Notwithstanding the foregoing, at any time and from time to time prior to May 15, 2023, the Issuer may redeem up to 35% of the original aggregate principal amount of the Notes outstanding at a redemption price equal to 106.500% of the principal amount thereof on the repurchase date, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), with the net cash proceeds of one or more public or private sales of Qualified Capital Stock (each, an “*Equity Offering*”), other than proceeds from a sale to the Issuer or any of its Subsidiaries or any employee benefit plan in which the Issuer or any of its Subsidiaries participates; *provided* that (i) at least 65% in aggregate principal amount of the Notes originally issued remains outstanding immediately after the occurrence of such redemption and (ii) such redemption occurs no later than the 120th day following such sale of Qualified Capital Stock.

(c) In addition, at any time and from time to time prior to May 15, 2023, the Issuer may redeem all or any portion of the Notes outstanding at a redemption price equal to (i) 100% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest to such redemption date (subject to the rights of Holders of record of the Notes on the relevant record date to receive payments of interest on the related interest payment date), *plus* (ii) the Make Whole Amount.

“*Make Whole Amount*” means, with respect to any Note at any redemption date, as determined by the Issuer, the greater of (i) 1.0% of the principal amount of such Note and (ii) the excess, if any, of (A) an amount equal to the present value of (1) the redemption price of such Note at May 15, 2023 *plus* (2) the remaining scheduled interest payments on the Notes to be redeemed (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date) to May 15, 2023 (other than interest accrued to the redemption date), computed using a discount rate equal to the Treasury Rate *plus* 50 basis points, *over* (B) the principal amount of the Notes to be redeemed. The Trustee shall have no obligation to calculate or verify the calculation of the Make Whole Amount.

“*Treasury Rate*” means, at the time of computation, the weekly average for each business day during the most recent week that has ended at least two business days prior to the redemption date of the yield to maturity of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (or, if such statistical release is not so published or available, any publicly available source of similar market data selected by the Issuer in good faith) most nearly equal to the period from the redemption date to May 15, 2023; *provided*, however, that if the period from the redemption date to May 15, 2023 is not equal to the constant maturity of a United States Treasury security for which a yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the yields of United States Treasury securities for which such yields are given, except that if the period from the redemption date to May 15, 2023 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

(d) In connection with any redemption of Notes described in clauses (a), (b) and (c) above, such redemption may, at the Issuer’s discretion, be subject to one or more conditions precedent, including any related Equity Offering, issuance of Indebtedness or other transaction. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer’s discretion, such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date.

(6) *Repurchase at Option of Holder.* Upon the occurrence of a Change of Control, the Issuer shall make an offer to each Holder of Notes to repurchase on the Change of Control Payment Date all or any part of such

Holder's Notes (equal to \$1,000 or an integral multiple thereof) at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date). Holders of Notes that are subject to an offer to purchase will receive a Change of Control Offer from the Issuer prior to any related Change of Control Payment Date and may elect to have such Notes purchased by completing the form entitled "Option of Holder To Elect Purchase" appearing below.

When the cumulative amount of Excess Proceeds that have not been applied in accordance with Section 4.10 of the Indenture exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes (an "*Excess Proceeds Offer*") to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in the Indenture. To the extent the Issuer or a Restricted Subsidiary is required under the terms of other First Lien Obligations of the Issuer or such Restricted Subsidiary (other than Subordinated Indebtedness), the Issuer shall also make a *pro rata* offer to the holders of such First Lien Obligations (including the Notes) with such proceeds. If the aggregate principal amount of Notes and other First Lien Obligations surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes to be purchased on a *pro rata* basis by lot, and, in the case of global notes, in accordance with the procedures of the Depository. To the extent that the principal amount of Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds, the Issuer may use any remaining Excess Proceeds in any manner not prohibited by the Indenture. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are subject to an offer to purchase will receive an Excess Proceeds Offer from the Issuer prior to any related Purchase Date and may elect to have such Notes purchased by completing the form entitled "Option of Holder To Elect Purchase" appearing below.

(7) *Notice of Redemption.* Notice of redemption shall be transmitted at least 15 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address (with a copy to the Trustee). Notes may be redeemed in part but only in amounts of \$2,000 or whole multiples of \$1,000 that are equal to or in excess of \$2,000, unless all of the Notes held by a Holder of Notes are to be redeemed. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption unless the Issuer fails to redeem such Notes or such portions thereof.

(8) *Suspension of Covenants.* During any period of time after the Issue Date that (i) the Notes are rated Investment Grade by both Rating Agencies and (ii) no Default has occurred and is continuing under the Indenture, the Issuer and its Restricted Subsidiaries will not be subject to Sections 4.07 (Limitation on Restricted Payments), 4.08 (Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries), 4.09 (Limitation on Incurrence of Indebtedness), 4.10 (Limitation on Asset Sales), 4.11 (Limitation on Transactions with Affiliates) and clause (d) of the first paragraph of Section 5.01 (Merger, Consolidation or Sale of Assets).

(9) *Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder of a Note, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Neither the Issuer nor the Registrar is required to exchange or register the transfer of any Note or portion of a Note selected for redemption. Also, it need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

(10) *Persons Deemed Owners.* Prior to due presentment to the Trustee for registration of the transfer of this Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name this Note is registered as its absolute owner for the purpose of receiving payment of principal of, premium, if any, and interest on this Note and for all other purposes whatsoever, whether or not this Note is overdue, and neither the Trustee, any Agent nor the Issuer shall be affected by notice to the contrary. The registered Holder of a Note shall be treated as its owner for all purposes.

(11) *Amendments, Supplement and Waivers.* Subject to certain exceptions, the Indenture, the Notes, the Collateral Documents, the First Lien Intercreditor Agreement, any Junior Lien Intercreditor Agreement and the Guarantees or any amended or supplemental indenture may be amended or supplemented with the written consent of the Holders of at least a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes), and any existing Default and its consequences or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority of the aggregate principal amount of Notes then outstanding (including consents obtained in connection with an exchange offer or tender offer for the Notes). Notwithstanding the foregoing, without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder of Notes) (a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than as provided in clause (h) below); (c) reduce the rate of or change the time for payment of interest on any Note; (d) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration); (e) make any Note payable in money other than that stated in the Notes; (f) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes; (g) waive a redemption payment or mandatory redemption with respect to any Note (other than as provided in clause (h) below); (h) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control after such Change of Control has occurred; (i) release all or substantially all of the Guarantees of the Guarantors other than in accordance with Article 10 of the Indenture; or (j) make any change in the foregoing amendment and waiver provisions. Notwithstanding the foregoing, without the consent of any Holder of a Note, the Indenture, the Notes, the Guarantees, the Collateral Documents or any amended or supplemental indenture may be amended or supplemented: to cure any ambiguity, defect or inconsistency (as determined by the Issuer in good faith); to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees; to provide for the assumption of the obligations of the Issuer or any Guarantor to the Holders of the Notes in the case of a merger or consolidation pursuant to Article 5 or Article 10 of the Indenture; to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the rights under the Indenture of any Holder of the Notes in any material respect; to provide for the issuance of additional Notes in accordance with the provisions set forth in the Indenture; to evidence and provide for the acceptance of an appointment of a successor Trustee; to comply with the rules of any applicable securities depository; to add Guarantees with respect to the Notes; to conform the Indenture, the Notes, the Guarantees, the First Lien Intercreditor Agreement or the Collateral Documents to the "Description of notes" section in the Offering Memorandum; to release Collateral from the Liens securing the Notes and the Guarantees when permitted or required by the Collateral Documents, the Indenture, the First Lien Intercreditor Agreement or any Junior Lien Intercreditor Agreement; to enter into any intercreditor agreement having substantially similar terms with respect to the holders of the Notes as those set forth in the First Lien Intercreditor Agreement, or any joinder thereto, or to enter into any Junior Lien Intercreditor Agreement in connection with the incurrence of any Future First Lien Obligations or Junior Lien Obligations not otherwise prohibited by the Indenture; or with respect to the Collateral Documents and the First Lien Intercreditor Agreement, as provided in the relevant Collateral Document or First Lien Intercreditor Agreement.

Notwithstanding the foregoing, without the consent of holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (i) release all or substantially all of the Collateral from the Liens securing the Notes Obligations created by the Collateral Documents, (ii) change or alter the priority of the Liens securing the Notes Obligations created by the Collateral Documents in any material portion of the Collateral in any manner adverse to the holders of the Notes, other than, in each case, as provided under the terms of the Collateral Documents or the First Lien Intercreditor Agreement.

(12) *Defaults and Remedies.* Each of the following constitutes an Event of Default:

- (a) default for 30 days in the payment when due of interest or additional interest, if any, on the Notes;

(b) default in payment when due of principal of or premium, if any, on the Notes at maturity, upon repurchase, redemption or otherwise;

(c) failure to comply for 30 days after notice with any obligations under the provisions described under Sections 3.08 (other than a failure to purchase Notes duly tendered to the Issuer for repurchase pursuant to a Change of Control Offer or an Excess Proceeds Offer), 4.10, 4.15 and 5.01 of the Indenture;

(d) subject to Section 6.04 of the Indenture, default under any other provision of the Indenture or the Notes, which default remains uncured for 60 days after notice from the Trustee or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes;

(e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer and any of the Restricted Subsidiaries), which default is caused by a failure to pay the principal of such Indebtedness at the final stated maturity thereof within the grace period provided in such Indebtedness (a "Payment Default"), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$75.0 million or more;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer and any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity not rescinded or cured within 30 days after such acceleration, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated and remains undischarged after such 30 day period, aggregates \$75.0 million or more;

(g) failure by the Issuer and any of the Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating \$75.0 million or more, which judgments are not stayed within 60 days after their entry;

(h) any Guarantee of a Significant Subsidiary shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor that qualifies as a Significant Subsidiary, or any person acting on behalf of any Guarantor that qualifies as a Significant Subsidiary, shall deny or disaffirm its obligations under its Guarantee;

(i) the Issuer or any Significant Subsidiary of the Issuer pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors; and

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Issuer or any Significant Subsidiary of the Issuer in an involuntary case; (ii) appoints a custodian of the Issuer or any Significant Subsidiary of the Issuer or for all or substantially all of the property of the Issuer or any Significant Subsidiary of the Issuer; or (iii) orders the liquidation of the Issuer or any Significant Subsidiary of the Issuer, and the order or decree remains unstayed and in effect for 60 consecutive days.

(k) any Collateral Document after delivery thereof shall for any reason cease (or shall be asserted in writing by the Issuer or any Guarantor to cease) to create a valid and perfected first-priority Lien to the extent required by the Collateral Documents (subject to no other Liens other than Permitted Liens) on Collateral that is (i) purported to be covered thereby and (ii) comprises Property which, when taken

together with all Property as to which such a Lien has so ceased to be effective, has a fair market value in excess of \$50.0 million (other than (x) in accordance with the terms of the Indenture or the terms of the Credit Facilities or the Security Documents or (y) except to the extent that any such cessation of the Liens results from the failure of the administrative agent under the Credit Facilities or the Applicable Authorized Representative, as the case may be, to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents); provided that if a failure of the sort described in this clause (k) is susceptible of cure without loss of priority (other than with respect to Permitted Liens (except Permitted Liens pursuant to clauses (b), (w) and (bb) of the definition of "Permitted Liens")), no Event of Default shall arise under this clause (k) with respect thereto until 30 days after notice of such failure shall have been given to the Issuer by the Trustee or the holders of at least 25% in principal amount of the then outstanding Notes issued under the Indenture.

If any Event of Default occurs and is continuing, the Trustee, by notice to the Issuer, or the Holders of at least 25% of the aggregate principal amount then outstanding of the Notes, by written notice to the Issuer and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in paragraph (i) or (j) of Section 6.01 of the Indenture, all outstanding Notes shall become and shall be immediately due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest.

Any failure to perform under, or breach of, Section 4.03 of the Indenture shall not be a Default or an Event of Default until the 121st day after the Issuer has received the notice referred to in clause (d) of Section 6.01 of the Indenture (at which point, unless cured or waived, such failure to perform or breach shall constitute an Event of Default). Prior to such 121st day, remedies against the Issuer for any such failure or breach will be limited to additional interest at a rate per year equal to 0.25% of the principal amount of such Notes from the 60th day following such notice to and including the 121st day following such notice. Any failure to perform, or breach of any covenant or agreement pursuant to Section 4.03 of the Indenture, shall automatically cease to be outstanding and shall be deemed to be cured at such time as the Issuer furnishes or files the applicable information or report.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all the Holders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. The Holders of a majority in aggregate principal amount of the then outstanding Notes, by written notice to the Trustee, may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of interest or premium on, or principal of, the Notes.

The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture.

(13) *Trustee Dealings with Issuer.* The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledges of the Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have had if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if any of the Notes are registered pursuant to the Securities Act), or resign.

(14) *No Personal Liability of Directors, Owners, Employees, Incorporators and Stockholders.* No director, owner, officer, employee, incorporator or stockholder of the Issuer, the Guarantors or any of their Affiliates, as such, shall have any liability for any obligations of the Issuer, the Guarantors or any of their Affiliates under this Note, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of the Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(15) *Guarantees.* Payment of principal and interest (including interest on overdue principal and overdue interest, if lawful) is unconditionally guaranteed, jointly and severally, by each of the Guarantors.

(16) *Authentication.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *Abbreviations.* Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) *CUSIP Numbers.* Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders of Notes. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed herein.

The Issuer will furnish to any Holder of a Note upon written request and without charge a copy of the Indenture. Requests may be made to:
