**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**(UNAUDITED)**

## NOTE 1—BASIS OF PRESENTATION AND OTHER INFORMATION

***Preparation of Interim Financial Statements***

The accompanying unaudited consolidated financial statements have been prepared in accordance with GAAP for interim financial information and the instructions to Form 10-Q and Article 10 of Regulation S-X issued by the SEC. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, they include all normal and recurring accruals and adjustments necessary to present fairly the results of the interim periods shown. The financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in our 2022 Annual Report on Form 10-K filed with the SEC on February 23, 2023.

***Use of Estimates***

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates, judgments, and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes including, but not limited to, legal, tax and insurance accruals, acquisition accounting and impairments. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could differ from those estimates.

***Seasonality***

Our Concerts and Sponsorship & Advertising segments typically experience higher revenue and operating income in the second and third quarters as our outdoor venue concerts and festivals primarily occur from May through October in most major markets. Our Ticketing segment revenue is impacted by fluctuations in the availability and timing of events for sale to the public, which vary depending upon scheduling by our clients.

Cash flows from our Concerts segment typically have a slightly different seasonality as partial payments are often made for artist performance fees and production costs for tours in advance of the date the related event tickets go on sale. These artist fees and production costs are expensed when the event occurs. Once tickets for an event go on sale, we generally begin to receive payments from ticket sales in advance of when the event occurs. In the United States, this cash is largely associated with events in our operated venues, notably amphitheaters, festivals, theaters and clubs. Internationally, this cash is from a combination of both events in our operated venues, as well as events in third-party venues associated with our promoter's share of tickets in allocation markets. We record these ticket sales as revenue when the event occurs. Our seasonality also results in higher balances in cash and cash equivalents, accounts receivable, prepaid expenses, accrued expenses and deferred revenue at different times in the year.

We expect our seasonality trends to evolve as we continue to expand our global operations.

***Variable Interest Entities***

In the normal course of business, we enter into joint ventures or make investments in companies that will allow us to expand our core business and enter new markets. In certain instances, such ventures or investments may be considered a VIE because the equity owners or the equity holders, as a group, lack the characteristics of a controlling financial interest. In determining whether we are the primary beneficiary of a VIE, we assess whether we have the power to direct activities that most significantly impact the economic performance of the entity and have the obligation to absorb losses or the right to receive benefits from the entity that could potentially be significant to the VIE. The activities we believe most significantly impact the economic performance of our VIEs include the unilateral ability to approve the annual budget, to terminate key management and to approve entering into agreements with artists, among others. We have certain rights and obligations related to our involvement in the VIEs, including the requirement to provide operational cash flow funding. As of March 31, 2023 and December 31, 2022, excluding intercompany balances and allocated goodwill and intangible assets, there were approximately $938 million and $514 million of assets and $791 million and $427 million of liabilities, respectively, related to VIEs included in our balance sheets. None of our VIEs are significant on an individual basis.

***Cash and Cash Equivalents***

Included in the March 31, 2023 and December 31, 2022 cash and cash equivalents balance is $1.4 billion and $1.5 billion, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges ("client cash"), which amounts are to be remitted to these clients. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to our clients on a regular basis. These amounts due to our clients are included in accounts payable, client accounts.

***Income Taxes***

Each reporting period, we evaluate the realizability of our deferred tax assets in each tax jurisdiction. As of March 31, 2023, we continued to maintain a full valuation allowance against our net deferred tax assets in certain jurisdictions due to cumulative pre-tax losses. As a result of the valuation allowances, no tax benefits have been recognized for losses incurred, if any, in those tax jurisdictions for the first three months of 2023.

In August 2022, the Inflation Reduction Act (IRA) was enacted in the United States, which includes health care, clean energy, and income tax provisions. The income tax provisions amend the Internal Revenue Code to include amongst other things a corporate alternative minimum tax starting in the 2023 tax year. The Company is still assessing the impact due to lack of United States Treasury regulations; however, the IRA is not expected to have a material impact on the Company's financial statements due to net operating losses and full valuation allowances for the United States, which is our most significant jurisdiction. We will continue to monitor to ensure our financial results and related tax disclosures are in compliance with the IRA tax legislation.

***Accounting Pronouncements - Adopted***

In October 2021, the FASB issued Accounting Standards Update (ASU) 2021-08, Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers, which requires contract assets and contract liabilities acquired in a business combination to be recognized and measured by the acquirer on the acquisition date in accordance with Accounting Standards Codification (ASC) 606, Revenue from Contracts with Customers. This ASU should be applied prospectively to acquisitions occurring on or after the effective date of December 15, 2022, and early adoption is permitted. We adopted this guidance on January 1, 2023. The adoption did not have a material impact on our consolidated financial statements.

[1] Other primarily includes intangible assets for non-compete agreements.

[2] Other primarily includes netdowns of fully amortized or impaired assets.

Included in the current year acquisitions amounts above are definite-lived intangible assets primarily associated with the acquisitions of certain venue management businesses located in the United States.

The 2023 additions to definite-lived intangible assets from acquisitions have weighted-average lives as follows:

| | Weighted-Average Life (years) |
|---|---|
| Client/vendor relationships | 3 |
| Venue management and leaseholds | 9 |
| All categories | 8 |

Amortization of definite-lived intangible assets for the three months ended March 31, 2023 and 2022 was $57.5 million and $49.7 million, respectively. As acquisitions and dispositions occur in the future and the valuations of intangible assets for recent acquisitions are completed, amortization will vary.

The following table presents our estimate of amortization expense for the remainder of the current year and the four succeeding fiscal years for definite-lived intangible assets that exist at March 31, 2023:

| | *(in thousands)* |
|---|---|
| Remainder of 2023 | $ 155,399 |

We are in various stages of finalizing our acquisition accounting for recent acquisitions, which may include the use of external valuation consultants, and the completion of this accounting could result in a change to the associated purchase price allocations, including goodwill and our allocation between segments.

***Investments in Nonconsolidated Affiliates***

At March 31, 2023 and December 31, 2022, we had investments in nonconsolidated affiliates of $361.5 million and $408.8 million, respectively, included in other long-term assets on our consolidated balance sheets.

**NOTE 3—LEASES**

The significant components of operating lease expense are as follows:

| | Three Months Ended March 31, | |
|---|---|---|
| | 2023 | 2022 |
| | *(in thousands)* | |
| Operating lease expense | $ 65,329 | $ 63,761 |
| Variable and short-term lease expense | 31,342 | 18,032 |
| Sublease income | (2,188) | (970) |
| Net lease expense | $ 94,483 | $ 80,823 |

Many of our leases contain contingent rent obligations based on revenue, tickets sold or other variables, while others include periodic adjustments to rent obligations based on the prevailing inflationary index or market rental rates. Contingent rent obligations are not included in the initial measurement of the lease asset or liability and are recorded as rent expense in the period that the contingency is resolved.

Supplemental cash flow information for our operating leases is as follows:

| | Three Months Ended March 31, | |
|---|---|---|
| | 2023 | 2022 |
| | *(in thousands)* | |

As of March 31, 2023, we have additional operating leases that have not yet commenced, with total lease payments of $174.5 million. These operating leases, which are not included on our consolidated balance sheets, have commencement dates ranging from April 2023 to June 2030 due to certain offices and venues under construction with lease terms ranging from 2 to 30 years.

***3.125% Convertible Senior Notes due 2029***

In January 2023, we issued $1.0 billion principal amount of 3.125% convertible senior notes due 2029. Interest on the 3.125% convertible senior notes due 2029 is payable semi-annually in arrears on January 15 and July 15, beginning July 15, 2023, at a rate of 3.125% per annum. The notes will mature on January 15, 2029. The notes will be convertible, under certain circumstances, until October 15, 2028, and on or after such date without condition, at an initial conversion rate of 9.2259 shares of our common stock per $1,000 principal amount of notes, subject to adjustment, which represents a 50% conversion premium based on the last reported sale price for our common stock of $72.26 on January 9, 2023 prior to issuing the debt. Upon conversion, the notes may be settled in, at our election, shares of common stock or cash or a combination of cash and shares of common stock. Assuming we fully settle the notes in shares, the maximum number of shares that could be issued to satisfy the conversion is 13.8 million as of March 31, 2023.

We may redeem for cash all or any portion of the notes, at our option, on or after January 21, 2026 and before the 41st scheduled trading day before the maturity date, if the sales price of our common stock reaches specified targets as defined in the indenture. The redemption price will equal 100% of the principal amount of the notes plus accrued interest, if any.

If we experience a fundamental change, as defined in the indenture governing the notes, the holders of the 3.125% convertible senior notes due 2029 may require us to purchase for cash all or a portion of their notes, subject to specified exceptions, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest, if any.

As of March 31, 2023, the remaining period for the unamortized debt issuance costs balance of $15.0 million was approximately six years and the value of the notes, if converted and fully settled in shares, did not exceed the principal amount of the notes. As of March 31, 2023, the effective interest rate on the notes was 3.4%.

In connection with the issuance of the 3.125% convertible senior notes due 2029, we entered into privately negotiated capped call transactions with several counterparties. The cap price of the capped call transactions is initially $144.52, which represents a premium of 100% over the last reported sale price of the Company's common stock on January 9, 2023. The cost of the capped call transactions was a $75.5 million impact to additional paid-in capital.

***Debt Extinguishment***

In conjunction with the issuance of the 3.125% convertible senior notes due 2029, we used approximately $485.8 million of the net proceeds to repurchase $440.0 million aggregate principal amount of the 2.5% convertible senior notes due 2023 resulting in a loss on debt repurchase of $18.4 million and a charge to additional paid-in capital for the induced conversion of $27.3 million. On March 15, 2023, we redeemed the remaining $110.0 million aggregate principal amount of the 2.5% convertible senior notes and issued 156,750 common shares of stock.

***Senior Secured Facility Amendment***

In February 2023, we amended our senior secured credit facility. The amendments provides for, among other things: (i) replacement of the benchmark reference rate of the Eurodollar Rate (as defined in the Credit Agreement) with the Term SOFR Rate for borrowings denominated in Dollars and for each Alternative Currency (as defined in the Credit Agreement), a corresponding reference rate, as set forth in the Amended Credit Agreement, (ii) deletion of the provisions regarding Canadian bankers' acceptances, and (iii) the addition of the Company's ability to draw letters of credit in Canadian Dollars.

***Other Long-term Debt***

As of March 31, 2023, other long-term debt includes $270.7 million for a note due in 2026 related to an acquisition of a venue management business during the first quarter of 2023 in the United States.

## NOTE 5—FAIR VALUE MEASUREMENTS

***Recurring***

The following table shows the fair value of our significant financial assets that are required to be measured at fair value on a recurring basis, which are classified on the consolidated balance sheets as cash and cash equivalents.

| | Estimated Fair Value | | | | | |
|---|---|---|---|---|---|---|
| | March 31, 2023 | | | December 31, 2022 | | |
| | Level 1 | Level 2 | Total | Level 1 | Level 2 | Total |
| | | | *(in thousands)* | | | |
| Assets: | | | | | | |
| Cash equivalents | $ 794,275 | $ — | $ 794,275 | $ 503,964 | $ — | $ 503,964 |
| Interest rate swaps | — | 43,400 | 43,400 | — | 41,515 | 41,515 |

Cash equivalents consist of money market funds. Fair values for cash equivalents are based on quoted prices in an active market. The fair value for our interest rate swaps are based upon inputs corroborated by observable market data with similar tenors.

Our outstanding debt held by third-party financial institutions is carried at cost, adjusted for any discounts or debt issuance costs. Our debt is not publicly traded and the carrying amounts typically approximate fair value for debt that accrues interest at a variable rate, which are considered to be Level 2 inputs as defined in the FASB guidance.

The following table presents the estimated fair values of our senior secured notes, senior notes and convertible senior notes:

| | Estimated Fair Value at | |
|---|---|---|
| | March 31, 2023 | December 31, 2022 |
| | Level 2 | |
| | *(in thousands)* | |
| 6.5% Senior Secured Notes due 2027 | $ 1,213,140 | $ 1,175,460 |
| 3.75% Senior Secured Notes due 2028 | $ 448,095 | $ 429,035 |
| 4.875% Senior Notes due 2024 | $ 563,903 | $ 560,027 |
| 5.625% Senior Notes due 2026 | $ 291,978 | $ 285,315 |
| 4.75% Senior Notes due 2027 | $ 880,698 | $ 847,562 |
| 2.5% Convertible Senior Notes due 2023 | $ — | $ 588,473 |
| 2.0% Convertible Senior Notes due 2025 | $ 391,052 | $ 397,536 |
| 3.125% Convertible Senior Notes due 2029 | $ 985,040 | $ — |

The estimated fair value of our third-party fixed-rate debt is based on quoted market prices in active markets for the same or similar debt, which are considered to be Level 2 inputs.

## NOTE 6—COMMITMENTS AND CONTINGENT LIABILITIES

**Litigation**

***Consumer Class Actions***

The following putative class action lawsuits were filed against Live Nation and/or Ticketmaster in Canada: Thompson-Marcial and Smith v. Ticketmaster Canada Holdings ULC (Ontario Superior Court of Justice, filed September 2018); McPhee v. Live Nation Entertainment, Inc., et al. (Superior Court of Quebec, District of Montreal, filed September 2018); Crystal Watch v. Live Nation Entertainment, Inc., et al. (Court of Queen's Bench for Saskatchewan, by amendments filed September 2018); and Gomel v. Live Nation Entertainment, Inc., et al. (Supreme Court of British Columbia, Vancouver Registry, filed October 2018). Similar putative class actions were filed in the United States during the same time period, but as of November 2020, each of the lawsuits filed in the United States has been dismissed with prejudice.

The Canadian lawsuits make similar factual allegations that Live Nation and/or Ticketmaster engage in conduct that is intended to encourage the resale of tickets on secondary ticket exchanges at elevated prices. Based on these allegations, each

plaintiff asserts violations of different provincial and federal laws. Each plaintiff also seeks to represent a class of individuals who purchased tickets on a secondary ticket exchange, as defined in each plaintiff's complaint. The Watch complaint also makes claims related to Ticketmaster's fee display practices on the primary market. The complaints seek a variety of remedies, including unspecified compensatory damages, punitive damages, restitution, injunctive relief and attorneys' fees and costs.

In April 2021, the court in the Gomel lawsuit declined to certify all claims other than those pled under British Columbia's Business Practices and Consumer Protection Act and claims for punitive damages. The court did certify a class of British Columbia residents who purchased tickets to an event in Canada on any secondary market exchange from June 2015 through April 2021 that were initially purchased on Ticketmaster.ca. In May 2021, Ticketmaster and Live Nation filed a notice of appeal of the class certification ruling, and the plaintiff filed a cross-appeal shortly thereafter. The appeals were heard in early February 2023.

The court in the Watch matter issued its class certification ruling in November 2022. The court declined to certify and dismissed all claims other than those pled under provincial consumer protection statutes relating to drip pricing and certified a class of consumers who purchased tickets between September 2015 and June 2018 from Ticketmaster.ca on the primary market. In December 2022, the parties filed cross-notices of appeal of the court's ruling. A hearing on the parties' motions for leave to appeal took place in March 2023.

The class certification hearing in the Thompson-Marcial matter has not yet been scheduled. The McPhee matter is stayed pending the outcome of the Watch matter.

Based on information presently known to management, we do not believe that a loss is probable of occurring at this time, and we believe that the potential liability, if any, will not have a material adverse effect on our financial position, cash flows or results of operations. Further, we do not currently believe that the claims asserted in these lawsuits have merit, and considerable uncertainty exists regarding any monetary damages that will be asserted against us. We continue to vigorously defend these actions.

***Astroworld Litigation***

On November 5, 2021, the Astroworld music festival was held in Houston, Texas. During the course of the festival, ten members of the audience sustained fatal injuries and others suffered non-fatal injuries. Following these events, approximately 450 civil lawsuits have been filed against Live Nation Entertainment, Inc. and related entities, asserting insufficient crowd control and other theories, seeking compensatory and punitive damages. Pursuant to a February 2022 order of the state Multidistrict Litigation Panel, matter 21-1033, the civil cases have been assigned to Judge Kristen Hawkins of the 11th District Court of Harris County, Texas, for oversight of pretrial matters under Texas's rules governing multidistrict litigation. Discovery is underway. Confidential settlements were reached with the families of three of the deceased plaintiffs in August through December 2022.

We are currently unable to reliably predict the developments in, outcome of, and economic costs and other consequences of pending or future litigation related to these matters. We will continue to investigate the factual and legal defenses, and evaluate these matters based on subsequent events, new information and future circumstances. We currently expect that liability insurance can provide sufficient coverage, but at this time there are no assurances of such coverage. Given that these cases are in the early stages and in light of the uncertainties surrounding them, we do not currently possess sufficient information to determine a range of reasonably possible liability. Notwithstanding the foregoing, and without admitting liability or wrongdoing, we may incur material liabilities from the 2021 Astroworld event, which could have a material impact on our business, financial condition, results of operations and/or cash flows.

***Other Litigation***

From time to time, we are involved in other legal proceedings arising in the ordinary course of our business, including proceedings and claims based upon purported violations of antitrust laws, intellectual property rights and tortious interference, which could cause us to incur significant expenses. We have also been the subject of personal injury and wrongful death claims relating to accidents at our venues in connection with our operations. As required, we have accrued our estimate of the probable settlement or other losses for the resolution of any outstanding claims. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, including, in some cases, estimated redemption rates for the settlement offered, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in our assumptions or the effectiveness of our strategies related to these proceedings.

## NOTE 7—EQUITY

### *Earnings Per Share*

Basic net income (loss) per common share is computed by dividing the net income (loss) available to common stockholders by the weighted average number of common shares outstanding during the period. The calculation of diluted net income (loss) per common share includes the effects of the assumed exercise of any outstanding stock options, the assumed vesting of shares of restricted and deferred stock awards and the assumed conversion of our convertible senior notes, where dilutive. For the three months ended March 31, 2023 and 2022, there were no reconciling items to the weighted average common shares outstanding in the calculation of diluted net loss per common share.

The following table shows securities excluded from the calculation of diluted net income (loss) per common share because such securities are anti-dilutive:

| | Three Months Ended March 31, | |
|---|---|---|
| | 2023 | 2022 |
| Options to purchase shares of common stock | 3,237,229 | 6,705,816 |

| Conversion shares related to the convertible senior notes | 13,004,660 | 11,864,035 |
| Number of anti-dilutive potentially issuable shares excluded from diluted common shares outstanding | 19,835,291 | 22,375,537 |

## NOTE 8—SEGMENTS AND REVENUE RECOGNITION

For the three months ended March 31, 2023 and 2022, our reportable segments are Concerts, Ticketing and Sponsorship & Advertising. We use AOI to evaluate the performance of our operating segments and define AOI as operating income (loss) before certain stock-based compensation expense, loss (gain) on disposal of operating assets, depreciation and amortization (including goodwill impairment), amortization of non-recoupable ticketing contract advances and acquisition expenses (including transaction costs, changes in the fair value of accrued acquisition-related contingent consideration obligations, and acquisition-related severance and compensation). AOI assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results.

Revenue and expenses earned and charged between segments are eliminated in consolidation. Our capital expenditures below include accruals for amounts incurred but not yet paid for, but are not reduced by reimbursements received from outside parties such as landlords and noncontrolling interest partners or replacements funded by insurance proceeds.

We manage our working capital on a consolidated basis. Accordingly, segment assets are not reported to, or used by, our management to allocate resources to or assess performance of our segments, and therefore, total segment assets and related depreciation and amortization have not been presented.

The following table presents the results of operations for our reportable segments for the three months ended March 31, 2023 and 2022:

We amortized $20.4 million and $18.5 million for the three months ended March 31, 2023 and 2022, respectively, related to non-recoupable ticketing contract advances.

***Sponsorship Agreements***

At March 31, 2023, we had contracted sponsorship agreements with terms greater than one year that had approximately $1.5 billion of revenue related to future benefits to be provided by us. We expect to recognize, based on current projections, approximately 30%, 26%, 19% and 25% of this revenue in the remainder of 2023, 2024, 2025 and thereafter, respectively.

***Deferred Revenue***

The majority of our deferred revenue is typically classified as current and is shown as a separate line item on the consolidated balance sheets. Deferred revenue that is not expected to be recognized within the next twelve months is classified as long-term and reflected in other long-term liabilities on the consolidated balance sheets. We had current deferred revenue of $3.1 billion and $2.8 billion at December 31, 2022 and 2021, respectively.

The table below summarizes the amount of the preceding December 31 current deferred revenue recognized during the three months ended March 31, 2023 and 2022:

### Executive Overview

For the second year in a row, the first quarter was a record start to the year for the Company with exceptional fan demand across all our markets. Our overall revenue increased by 73% to $3.1 billion on a reported basis, or 76% growth on a constant currency basis as compared to the same period of the prior year. All three of our reporting segments had at least 40% revenue growth in the quarter. The most significant growth came from our Concerts segment as a result of increased shows, fans, and onsite spend and contributed to the success of our other divisions. Our operating income for the quarter improved by $116 million, from $27 million in the first quarter of 2022 to $143 million in the first quarter of 2023 due to higher performance from all three of our major business segments. The improvement in operating income was $121 million at constant currency.

All of our markets and venues are now fully open, including Asia Pacific which had one of its busiest and most successful quarters in the first quarter of 2023. This, coupled with our event related deferred revenue balance of $4.4 billion as of March 31, 2023 and ongoing sales trends suggest continued strong demand for concerts, making us hopeful for continued success in the remainder of the year.

All of the segment financial comments to follow are based on reported foreign currency exchange rates.

Our Concerts segment revenue for the quarter increased by $1.1 billion, or 89%, from $1.2 billion in the first quarter of 2022 to $2.3 billion in the first quarter of 2023. The revenue growth was largely the result of more shows and fans coming back to venues to enjoy their favorite artists. The number of events for the first quarter of 2023 was approximately 9,600 compared to approximately 6,700 in the first quarter of 2022, an increase of 2,900 events or 43%. The number of fans for the quarter was 19.5 million compared to approximately 10.9 million last year, a growth of 8.6 million fans or 79%. The growth was largely in our international markets – in particular in Asia Pacific, mainland Europe and Latin America. Some of the larger acts touring in the first quarter included the Red Hot Chili Peppers, Harry Styles, BLACKPINK and RBD. While most of our on-site spend occurs during the summer season when our festival and amphitheater shows occur, we did see an increase in on-site per fan spending at our United States and United Kingdom theaters and clubs as well as our European arenas in the first quarter of 2023 as compared to the first quarter of 2022. Concerts operating loss for the quarter improved by $65 million, from a loss of $150 million in the first quarter of 2022 to $84 million in the first quarter of 2023.

Our Ticketing segment revenue for the quarter increased by $197 million, or 41%, from $480 million in the first quarter of 2022 to $678 million in the first quarter of 2023. The improvement resulted from an increase in ticket sales, upward pricing momentum due to higher fan demand and higher non-service fee revenue. We sold approximately 73 million fee-bearing tickets in the first quarter of 2023 compared to 52 million tickets in the same period of the prior year, an increase of 41%. North America fee-bearing ticket volume increased by 38% in the quarter while International rose even more, by 48%. With GTV, North America increased by 54% on fee-bearing ticket sales while International rose by 86% compared to the same period last year. Pricing on our fee-bearing tickets increased by double-digits, reflecting strong consumer demand, particularly for premium seats and VIP experiences. Our resale business also continued to expand, with secondary GTV growing double digits in the first quarter of 2023 compared to the same period of the prior year. Ticketing operating income for the quarter improved by $66 million, from $155 million in the first quarter of 2022 to $221 million in the first quarter of 2023.

Our Sponsorship & Advertising segment revenue for the quarter increased by $54 million, or 47%, from $116 million in the first quarter of 2022 to $170 million in the first quarter of 2023. The improvement was due to higher activations with our marketing partners driven by more high profile artists going on sale in more markets as well as re-opened venues in markets that were still shut-down in the first quarter of last year. Operating income for the quarter increased by $18 million, from $59 million in the first quarter of 2022 to income of $77 million in the first quarter of 2023.

Serving artists remains at the center of our strategy and we work with them to continue improving the fan experience. Delivering on this priority includes our recently proposed Fair Ticketing Act, which is garnering industry support from talent agencies, brand managers and sports leagues.

We are optimistic about the long-term potential of our Company and are focused on the key elements of our business model: expanding our concerts platform with more shows and fans in existing and new markets as well as improving the on-site experience for our fans by enhancing food and beverage products and premium service offerings. We will drive conversion of ticket sales through development of innovative products that support selling tickets to fans. Our ticket marketplaces have reduced friction in the ticket purchase experience and created additional revenue opportunities. In addition, we continue to grow our sponsorship and advertising partnerships and our clients are able to reach their customers via the powerful connection that live shows creates with ardent fans.

** Constant currency is a non-GAAP financial measure. We calculate currency impacts as the difference between current period activity translated using the current period's currency exchange rates and the comparable prior period's currency exchange rates. We present constant currency information to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency rate fluctuations.

***Revenue***

Revenue increased $1.3 billion during the three months ended March 31, 2023 as compared to the same period of the prior year driven by increased revenue in our Concerts segment of $1.1 billion, Ticketing segment of $197.3 million and Sponsorship & Advertising of $54.4 million as further discussed within each segment's operating results.

***Operating income***

Operating income increased $115.7 million during the three months ended March 31, 2023 as compared to the same period of the prior year primarily driven by increased operating income in our Concerts segment of $65.2 million, Ticketing segment of $66.1 million and Sponsorship & Advertising segment of $18.1 million as further discussed within each segment's operating results, partially offset by higher Corporate expenses primarily due to lower compensation expense in the first quarter of 2022 due to the COVID-19 pandemic and headcount growth as a result of the increased operating opportunities in 2023.

***Interest expense***

Interest expense increased $22.4 million, or 34%, during the three months ended March 31, 2023 as compared to the same period of the prior year, primarily driven by the issuance of our 3.125% convertible senior notes due 2029 in January 2023.

***Interest income***

Interest income increased $32.7 million during the three months ended March 31, 2023 as compared to the same period of the prior year, primarily attributed to higher rate of return on our cash and cash equivalents in 2023 and increase in cash and cash equivalents.

***Income tax expense***

For the three months ended March 31, 2023, we had a net tax expense of $23.8 million on income before income taxes of $68.0 million compared to a net tax expense of $11.7 million on a loss before income taxes of $37.3 million for the three months ended March 31, 2022. For the three months ended March 31, 2023, the income tax expense consisted of $20.3 million related to foreign entities, $0.5 million related to United States federal taxes, and $3.0 million related to state and local income taxes. The net increase in tax expense of $12.1 million was primarily due to profits in certain non-United States jurisdictions.

***Net income attributable to noncontrolling interests***

Net income attributable to noncontrolling interests increased $46.1 million during the three months ended March 31, 2023 as compared to the same period of the prior year primarily due to higher operating results from certain concert and festival promotion businesses during the first three months of 2023 as compared to the prior year.

**Segment Overview**

Our reportable segments are Concerts, Ticketing and Sponsorship & Advertising.

***Concerts***

Revenue and related costs for events are generally deferred and recognized when the event occurs. All advertising costs incurred during the year for shows in future years are expensed at the end of the year. If a current year event is rescheduled into a future year, all advertising costs incurred to date are expensed in the period when the event is rescheduled.

Concerts direct operating expenses include artist fees, event production costs, show-related marketing and advertising expenses, along with other costs.

To judge the health of our Concerts segment, we primarily monitor the number of confirmed events and fan attendance in our network of operated and third-party venues, talent fees, average paid attendance, market ticket pricing, advance ticket sales and the number of major artist clients under management. In addition, at our operated venues and festivals, we monitor APF and premium ticket sales. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

***Ticketing***

Revenue related to ticketing service charges is recognized when the ticket is sold for our third-party clients. For our own events, where our concert promoters control ticketing, revenue is deferred and recognized when the event occurs. GTV represents the total amount of the transaction related to a ticket sale and includes the face value of the ticket as well as the service charge.

Ticketing direct operating expenses include call center costs and credit card fees, along with other costs.

To judge the health of our Ticketing segment, we primarily review the GTV and the number of tickets sold through our ticketing operations, the number of clients renewed or added and the average royalty rate paid to clients who use our ticketing services. In addition, we review the number of visits to our websites, cost of customer acquisition, the purchase conversion rate, and the per ticket non-service fee revenue streams. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

***Sponsorship & Advertising***

Revenue related to sponsorship and advertising programs is recognized over the term of the agreement or operating season as the benefits are provided to the sponsor unless the revenue is associated with a specific event, in which case it is recognized when the event occurs.

Sponsorship & Advertising direct operating expenses include fulfillment costs related to our sponsorship programs, along with other costs.

To judge the health of our Sponsorship & Advertising segment, we primarily review the revenue generated through sponsorship arrangements and online advertising, the percentage of expected revenue under contract, and what portion of our sponsorship business is driven by large multi-element, multi-year relationships. For business that is conducted in foreign markets, we also compare the operating results from our foreign operations to prior periods without the impact of changes in foreign exchange rates.

**Non-GAAP Measure**

***AOI Margin***

AOI margin is a non-GAAP financial measure that we calculate by dividing AOI by revenue. We use AOI margin to evaluate the performance of our operating segments. We believe that information about AOI margin assists investors by allowing them to evaluate changes in the operating results of our portfolio of businesses separate from non-operational factors that affect net income (loss), thus providing insights into both operations and the other factors that affect reported results. AOI margin is not calculated or presented in accordance with GAAP. A limitation of the use of AOI margin as a performance measure is that it does not reflect the periodic costs of certain amortizing assets used in generating revenue in our business. Accordingly, AOI margin should be considered in addition to, and not as a substitute for, operating income (loss) margin, and other measures of financial performance reported in accordance with GAAP. Furthermore, this measure may vary among other companies; thus, AOI margin as presented herein may not be comparable to similarly titled measures of other companies.

**Key Operating Metrics**

(1) Events generally represent a single performance by an artist. Fans generally represent the number of people who attend an event. Festivals are counted as one event in the quarter in which the festival begins, but the number of fans is based on the days the fans were present at the festival and thus can be reported across multiple quarters. Events and fan attendance metrics are estimated each quarter.

(2) The fee-bearing tickets estimated above include primary and secondary tickets that are sold using our Ticketmaster systems or that we issue through affiliates. This includes primary tickets sold during the year regardless of event timing, except for our own events where our concert promoters control ticketing which are reported when the events occur. The non-fee-bearing tickets estimated above include primary tickets sold using our Ticketmaster systems, through season seat packages and our venue clients' box offices, along with tickets sold on our "do it yourself" platform. These metrics are net of any refunds requested and any cancellations that occurred during the period, which may result in a negative number.

***Three Months***

*Revenue*

Concerts revenue increased $1.1 billion during the three months ended March 31, 2023 as compared to the same period of the prior year, primarily due to more shows and festivals in the Asia Pacific, Europe, and Latin America markets, which were largely closed during the first quarter of 2022. In addition, there was increased activity in the United States during the first quarter of 2023. Concerts had incremental revenue of $184.9 million during the three months ended March 31, 2023 from acquisitions and new venues.

*Operating results*

Concerts AOI increased $50.0 million and operating loss decreased $65.2 million for the three months ended March 31, 2023 as compared to the same period of the prior year. The increase in AOI was primarily driven by increases in revenue associated with the higher number of shows and festivals discussed above. These increases were partially offset by related costs, including increased compensation expenses due to increased headcount as more markets were reopened compared to the prior period. The increase in operating income outside of AOI of $15.2 million is primarily associated to lower stock-based compensation of $22.0 million due to timing of grants partially offset by higher depreciation and amortization of $9.4 million for additional capital expenditures incurred to support the increased operations.

**Ticketing**

Our Ticketing segment operating results were, and discussions of significant variances are, as follows:

***Three Months***

*Revenue*

Ticketing revenue increased $197.3 million during the three months ended March 31, 2023 as compared to the same period of the prior year. This increase is primarily due to higher primary and secondary sales volumes driven by more events on sale and upward pricing momentum due to more fan demand and artist mix in 2023 as compared to 2022.

*Operating results*

Ticketing AOI increased by $64.8 million and operating income increased $66.1 million during the three months ended March 31, 2023 as compared to the same period of the prior year. These increases was primarily driven by increased ticketing activity discussed above. These increases were partially offset by higher direct operating expenses to support the increased operations and enterprise growth as well as higher selling, general and administrative expenses attributable to increased compensation expenses from increased headcount as compared to the prior year.

**Sponsorship & Advertising**

Our Sponsorship & Advertising segment operating results were, and discussions of significant variances are, as follows:

***Three Months***

*Revenue*

Sponsorship & Advertising revenue increased $54.4 million during the three months ended March 31, 2023 as compared to the same period of the prior year primarily driven by more client activations for artist onsales, new venue sponsorships, and activity in international markets that were not open in the first quarter of 2022.

*Operating results*

Sponsorship & Advertising AOI increased $25.8 million and operating income increased $18.1 million for the three months ended March 31, 2023 as compared to the same period of the prior year. These increases were primarily due to increased revenues from higher sponsorship activity discussed above and incremental operating income from acquisitions. The increases were partially offset by increases in direct operating expenses, including higher artist activation costs, and depreciation and amortization to support higher activity levels as compared to the prior year.

**Liquidity and Capital Resources**

Our cash is centrally managed on a worldwide basis. Our primary short-term liquidity needs are to fund general working capital requirements, capital expenditures and debt service requirements while our long-term liquidity needs are primarily related to acquisitions and debt repayment. Our primary sources of funds for our short-term liquidity needs will be cash flows from operations and borrowings under our amended senior secured credit facility, while our long-term sources of funds will be from cash flows from operations, long-term bank borrowings and other debt or equity financings. We may from time to time engage in open market purchases of our outstanding debt securities or redeem or otherwise repay such debt.

Our balance sheet reflects cash and cash equivalents of $7.0 billion at March 31, 2023 and $5.6 billion at December 31, 2022. Included in the March 31, 2023 and December 31, 2022 cash and cash equivalents balances are $1.4 billion and $1.5 billion, respectively, of cash received that includes the face value of tickets sold on behalf of our ticketing clients and their share of service charges, which we refer to as client cash. We generally do not utilize client cash for our own financing or investing activities as the amounts are payable to clients on a regular basis. Our foreign subsidiaries held approximately $2.6 billion in cash and cash equivalents, excluding client cash, at March 31, 2023. We generally do not repatriate these funds, but if we did, we would need to accrue and pay United States state income taxes as well as any applicable foreign withholding or transaction taxes on future repatriations. We may from time to time enter into borrowings under our revolving credit facility. If the original maturity of these borrowings is 90 days or less, we present the borrowings and subsequent repayments on a net basis in the statement of cash flows to better represent our financing activities. Our balance sheet reflects total net debt of $6.6 billion and $5.9 billion, respectively, at March 31, 2023 and December 31, 2022. Our weighted-average cost of debt, excluding unamortized debt discounts and debt issuance costs on our term loans and notes, was 4.7% at March 31, 2023, with approximately 87% of our debt at fixed rates.

Our cash and cash equivalents are held in accounts managed by third-party financial institutions and consist of cash in our operating accounts and invested cash. Cash held in non-interest-bearing and interest-bearing operating accounts in many cases exceeds the Federal Deposit Insurance Corporation insurance limits. The invested cash is in interest-bearing funds consisting primarily of bank deposits and money market funds. While we monitor cash and cash equivalents balances in our operating accounts on a regular basis and adjust the balances as appropriate, these balances could be impacted if the underlying financial institutions fail. To date, we have experienced no loss or lack of access to our cash and cash equivalents; however, we can provide no assurances that access to our cash and cash equivalents will not be impacted by adverse conditions in the financial markets.

For our Concerts segment, we often receive cash related to ticket revenue in advance of the event, which is recorded in deferred revenue until the event occurs. In the United States, this cash is largely associated with events in our operated venues, notably amphitheaters, festivals, theaters and clubs. Internationally, this cash is from a combination of both events in our operated venues, as well as events in third-party venues associated with our promoter's share of tickets in allocation markets. With the exception of some upfront costs and artist advances, which are recorded in prepaid expenses until the event occurs, we pay the majority of event-related expenses at or after the event. Artists are paid when the event occurs under one of several different formulas, which may include fixed guarantees and/or a percentage of ticket sales or event profits, net of any advance they have received. When an event is cancelled, any cash held in deferred revenue is reclassified to accrued expenses as those funds are typically refunded to the fan within 30 days of event cancellation. When a show is rescheduled, fans have the ability to request a refund if they do not want to attend the event on the new date, although historically we have had low levels of refund requests for rescheduled events.

We view our available cash as cash and cash equivalents, less ticketing-related client cash, less event-related deferred revenue, less accrued expenses due to artists and cash collected on behalf of others, plus event-related prepaid expenses. This is essentially our cash available to, among other things, repay debt balances, make acquisitions, and finance capital expenditures.

Our intra-year cash fluctuations are impacted by the seasonality of our various businesses. Examples of seasonal effects include our Concerts segment, which reports the majority of its revenue in the second and third quarters. Cash inflows and outflows depend on the timing of event-related payments but the majority of the inflows generally occur prior to the event. See "—Seasonality" below. We believe that we have sufficient financial flexibility to fund these fluctuations and to access the global capital markets on satisfactory terms and in adequate amounts, although there can be no assurance that this will be the case, and capital could be less accessible and/or more costly given current economic conditions. We expect cash flows from operations and borrowings under our amended senior secured credit facility, along with other financing alternatives, to satisfy working capital requirements, capital expenditures and debt service requirements for at least the succeeding year.

We may need to incur additional debt or issue equity to make other strategic acquisitions or investments. There can be no assurance that such financing will be available to us on acceptable terms or at all. We may make significant acquisitions in the near term, subject to limitations imposed by our financing agreements and market conditions.

The lenders under our revolving loans and counterparties to our interest rate hedge agreements consists of banks and other third-party financial institutions. While we currently have no indications or expectations that such lenders will be unable to fund their commitments as required, we can provide no assurances that future funding availability will not be impacted by adverse conditions in the financial markets. Should an individual lender default on its obligations, the remaining lenders would not be required to fund the shortfall, resulting in a reduction in the total amount available to us for future borrowings, but would remain obligated to fund their own commitments. Should the counterparty to our interest rate hedge agreement default on its obligation, we could experience higher interest rate volatility during the period of any such default.

**Sources of Cash**

In January 2023, we issued $1.0 billion principal amount of 3.125% convertible senior notes due 2029. In conjunction with this issuance, we used approximately $485.8 million of the net proceeds to repurchase $440.0 million aggregate principal amount of the 2.5% convertible senior notes due 2023, entered into capped call transactions at a cost of $75.5 million, paid debt issuance costs of $15.0 million and any remaining proceeds are available for general corporate purposes.

***Amended Senior Secured Credit Facility***

In February 2023, we amended our senior secured credit facility. The amendments provides for, among other things: (i) replacement of the benchmark reference rate of the Eurodollar Rate (as defined in the Credit Agreement) with the Term SOFR Rate for borrowings denominated in Dollars and for each Alternative Currency (as defined in the Credit Agreement), a corresponding reference rate, as set forth in the Amended Credit Agreement, (ii) deletion of the provisions regarding Canadian bankers' acceptances, and (iii) the addition of the Company's ability to draw letters of credit in Canadian Dollars.

Our senior secured credit facility consists of (i) a $400 million term loan A facility, (ii) a $950 million term loan B facility, (iii) a $500 million revolving credit facility and (iv) a $130 million incremental revolving credit facility. In addition, subject to certain conditions, we have the right to increase such facilities by an amount equal to the sum of (x) $855 million, (y) the aggregate principal amount of voluntary prepayments of the term loan A and term loan B and permanent reductions of the revolving credit facility commitments, in each case, other than from proceeds of long-term indebtedness, and (z) additional amounts so long as the senior secured leverage ratio calculated on a pro-forma basis (as defined in the agreement) is no greater than 3.75x. The combined revolving credit facilities provide for borrowings up to $630 million with sublimits of up to (i) $150 million for the issuance of letters of credit, (ii) $50 million for swingline loans, (iii) $300 million for borrowings in Dollars, Euros or British Pounds and (iv) $100 million for borrowings in those or one or more other approved currencies. The amended senior secured credit facility is secured by a first priority lien on substantially all of the tangible and intangible personal property of LNE and LNE's domestic subsidiaries that are guarantors, and by a pledge of substantially all of the shares of stock, partnership interests and limited liability company interests of our direct and indirect domestic subsidiaries and 65% of each class of capital stock of any first-tier foreign subsidiaries, subject to certain exceptions.

The interest rates per annum applicable to revolving credit facility loans and term loan A under the amended senior secured credit facility are, at our option, equal to either Term Benchmark Loans or RFR Loans (as defined in the Credit Agreement) plus 2.25% or a base rate plus 1.25%. The interest rates per annum applicable to the term loan B are, at our option, equal to either Term Benchmark Loans or RFR Loans plus 1.75% or a base rate plus 0.75%. We have an interest rate swap agreement that ensures the interest rate on $500.0 million principal amount of our outstanding term loan B does not exceed 3.445% through October 2026. The agreement was amended in February 2023 along with the transition from LIBOR to SOFR. The interest rates per annum applicable to the incremental revolving credit facility are, at our option, equal to either Term Benchmark Loans or RFR Loans plus 2.5% or a base rate plus 1.5%. We are required to pay a commitment fee of 0.5% per year on the undrawn portion available under the revolving credit facility, 1.75% per year on the undrawn portion available under the incremental revolving credit facility and variable fees on outstanding letters of credit.

For the term loan A, we are required to make quarterly payments increasing over time from $2.5 million to $5.0 million with the balance due at maturity in October 2024. For the term loan B, we are required to make quarterly payments of $2.4 million with the balance due at maturity in October 2026. Both the existing and incremental revolving credit facilities mature in October 2024. We are also required to make mandatory prepayments of the loans under the amended credit agreement, subject to specified exceptions, from excess cash flow and with the proceeds of asset sales, debt issuances and specified other events. As of March 31, 2023, the outstanding principal amount of our term loan A facility is $377.5 million and term loan B facility is $843.5 million.

There were no borrowings under the revolving credit facilities as of March 31, 2023. Based on our outstanding letters of credit of $50.3 million, $579.7 million was available for future borrowings from revolving credit facilities.

***Debt Covenants***

As of March 31, 2023, we believe we were in compliance with all of our debt covenants related to our senior secured credit facility and our corporate senior secured notes, senior notes and convertible senior notes. We expect to remain in compliance with all of these covenants throughout 2023.

**Uses of Cash**

***Acquisitions***

During the three months ended March 31, 2023, we completed various acquisitions that resulted in cash acquired, net of cash paid of $96.4 million. This includes acquisition of businesses for which we assumed debt of $271.2 million.

***Capital Expenditures***

Venue and ticketing operations are capital intensive businesses, requiring continual investment in our existing venues and ticketing systems in order to address fan and artist expectations, technological industry advances and various federal, state and/or local regulations.

We categorize capital outlays between maintenance capital expenditures and revenue generating capital expenditures. Maintenance capital expenditures are associated with the renewal and improvement of existing venues and technology systems, web development and administrative offices. Revenue generating capital expenditures generally relate to the construction of new venues, major renovations to existing buildings or buildings that are being added to our venue network, the development of new ticketing tools and technology enhancements. Revenue generating capital expenditures can also include smaller projects whose purpose is to increase revenue and/or improve operating income. Capital expenditures typically increase during periods when our venues are not in operation since that is the time that such improvements can be completed.

Our capital expenditures, including accruals for amounts incurred but not yet paid for, but net of expenditures funded by outside parties such as landlords and noncontrolling interest partners or expenditures funded by insurance proceeds, consisted of the following:

| | Three Months Ended March 31, | |
|---|---|---|
| | 2023 | 2022 |
| | *(in thousands)* | |
| Revenue generating | $ 57,428 | $ 33,127 |
| Maintenance | 8,640 | 13,761 |
| Total capital expenditures | $ 66,068 | $ 46,888 |

Revenue generating capital expenditures during the first three months of 2023 increased from the same period of the prior year primarily due to enhancements at our theaters and amphitheaters in North America.

We currently expect capital expenditures to be approximately $450 million for the full year of 2023 as we continue catching up on projects delayed due to supply chain constraints and further expand our global platform, with approximately two-thirds of this capital expenditure to be for revenue generating projects.

**Cash Flows**

| | Three Months Ended March 31, | |
|---|---|---|
| | 2023 | 2022 |
| | *(in thousands)* | |
| Cash provided by (used in): | | |
| Operating activities | $ 1,155,848 | $ 1,198,300 |
| Investing activities | $ (59,789) | $ (114,953) |
| Financing activities | $ 225,701 | $ (75,041) |

***Operating Activities***

Cash provided by operating activities decreased $42.5 million for the three months ended March 31, 2023 as compared to the same period of the prior year primarily due to decreases in accounts payable, accrued expenses and other liabilities from the timing of payments. This was partially offset by higher deferred revenue from more events on sale during the current year and

an increase in first quarter of 2023 operating results compared to the first quarter of 2022 due to certain markets largely closed during the first quarter of 2022 due to the COVID-19 pandemic.

***Investing Activities***

Cash used in investing activities decreased $55.2 million for the three months ended March 31, 2023 as compared to the prior year primarily due to cash acquired from acquisitions, net of cash paid of $96.4 million during the current year whereas the prior year was cash paid for acquisitions, net of cash acquired of $14.0 million. This was partially offset by $54.4 million in higher purchases of property, plant and equipment in 2023 for revenue generating and maintenance capital expenditures. See "—Uses of Cash - Acquisitions and Capital Expenditures" above for further discussion.

***Financing Activities***

Cash provided by financing activities was $225.7 million for the three months ended March 31, 2023 as compared to cash used in financing activities of $75.0 million for the same period of the prior year primarily due to proceeds in 2023 from the issuance of the 3.125% convertible senior notes partially offset by the repurchase of the 2.5% convertible senior notes and capped call transactions in connection with the issuance of the 3.125% convertible senior notes. See "—Sources of Cash" above for further discussion.

**Seasonality**

Information regarding the seasonality of our business can be found in Part I—Financial Information—Item 1.—Financial Statements—Note 1 – Basis of Presentation and Other Information.

**Market Risk**

We are exposed to market risks arising from changes in market rates and prices, including movements in foreign currency exchange rates and interest rates.

***Foreign Currency Risk***

We have operations in countries throughout the world. The financial results of our foreign operations are measured in their local currencies. Our foreign subsidiaries also carry certain net assets or liabilities that are denominated in a currency other than that subsidiary's functional currency. As a result, our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in the foreign markets in which we have operations. Currently, we do not have significant operations in hyper-inflationary countries. Our foreign operations reported an operating income of $25.7 million for the three months ended March 31, 2023. We estimate that a 10% change in the value of the United States dollar relative to foreign currencies would change our operating income for the three months ended March 31, 2023 by $2.6 million. As of March 31, 2023, our most significant foreign exchange exposure included the Euro, British Pound, Australian Dollar, Canadian Dollar and Mexican Peso. This analysis does not consider the implication such currency fluctuations could have on the overall economic conditions of the United States or other foreign countries in which we operate or on the results of operations of our foreign entities. In addition, the reported carrying value of our assets and liabilities, including the total cash and cash equivalents held by our foreign operations, will also be affected by changes in foreign currency exchange rates.

We primarily use forward currency contracts, in addition to options, to reduce our exposure to foreign currency risk associated with short-term artist fee commitments. At March 31, 2023, we had forward currency contracts outstanding with an aggregate notional amount of $354.3 million.

***Interest Rate Risk***

Our market risk is also affected by changes in interest rates. We had $6.7 billion of total debt, excluding unamortized debt discounts and issuance costs, outstanding as of March 31, 2023. Of the total amount, we had $5.8 billion of fixed-rate debt and $0.9 billion of floating-rate debt.

Based on the amount of our floating-rate debt as of March 31, 2023, each 25-basis point increase or decrease in interest rates would increase or decrease our annual interest expense and cash outlay by approximately $2.1 million. This potential increase or decrease is based on the simplified assumption that the level of floating-rate debt remains constant with an immediate across-the-board increase or decrease as of March 31, 2023 with no subsequent change in rates for the remainder of the period.

In January 2020, we entered into an interest rate swap agreement that is designated as a cash flow hedge for accounting purposes to effectively convert a portion of our floating-rate debt to a fixed-rate basis. The agreement was amended in February 2023 along with the transition from LIBOR to SOFR. The swap agreement expires in October 2026, has a notional amount of $500.0 million and ensures that a portion of our floating-rate debt does not exceed 3.445%.

**Accounting Pronouncements**

Information regarding recently issued and adopted accounting pronouncements can be found in Part I — Financial Information—Item 1.—Financial Statements—Note 1 – Basis of Presentation and Other Information.

**Critical Accounting Policies and Estimates**

The preparation of our financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. On an ongoing basis, we evaluate our estimates that are based on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of revenue and expenses that are not readily apparent from other sources. Because future events and their effects cannot be determined with certainty, actual results could differ from our assumptions and estimates, and such difference could be material.

Management believes that the accounting estimates involved in business combinations, impairment of long-lived assets and goodwill, revenue recognition, and income taxes are the most critical to aid in fully understanding and evaluating our reported financial results, and they require management's most difficult, subjective or complex judgments, resulting from the need to make estimates about the effect of matters that are inherently uncertain. These critical accounting estimates, the judgments and assumptions and the effect if actual results differ from these assumptions are described in Part II—Financial Information—Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our 2022 Annual Report on Form 10-K filed with the SEC on February 23, 2023.

There have been no changes to our critical accounting policies during the three months ended March 31, 2023.

**Item 3. Quantitative and Qualitative Disclosures About Market Risk**

Required information is within Part I — Financial Information—Item 2.—Management's Discussion and Analysis of Financial Condition and Results of Operations—Market Risk.

**Item 4. Controls and Procedures**

**Evaluation of Disclosure Controls and Procedures**

We have established disclosure controls and procedures to ensure that material information relating to our company, including our consolidated subsidiaries, is made known to the officers who certify our financial reports and to other members of senior management and our board of directors.

Based on their evaluation as of March 31, 2023, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) are effective to ensure that (1) the information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and (2) the information we are required to disclose in such reports is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls and procedures or internal controls will prevent all possible errors and fraud. Our disclosure controls and procedures are, however, designed to provide reasonable assurance of achieving their objectives, and our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures are effective at that reasonable assurance level.

**Changes in Internal Control Over Financial Reporting**

There has been no change in our internal control over financial reporting during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

(i) The Company may elect to make payment of any Defaulted Amounts to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a special record date for the payment of such Defaulted Amounts, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of the Defaulted Amounts proposed to be paid on each Note and the date of the proposed payment (which shall be not less than 25 days after the receipt by the Trustee of such notice, unless the Trustee shall consent to an earlier date), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount to be paid in respect of such Defaulted Amounts or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Amounts as in this clause provided. Thereupon the Company shall fix a special record date for the payment of such Defaulted Amounts which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment, and not less than 10 days after the receipt by the Trustee of the

notice of the proposed payment. The Company shall promptly notify the Trustee in writing of such special record date and the Trustee, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Amounts and the special record date therefor to be sent to each Holder not less than 10 days prior to such special record date. Notice of the proposed payment of such Defaulted Amounts and the special record date therefor having been so mailed, such Defaulted Amounts shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such special record date and shall no longer be payable pursuant to the following clause (ii) of this Section 2.03(c).

(ii) The Company may make payment of any Defaulted Amounts in any other lawful manner not inconsistent with the requirements of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, and upon such notice as may be required by such exchange or automated quotation system, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

*Section 2.04 Execution, Authentication and Delivery of Notes.* The Notes shall be signed in the name and on behalf of the Company by the manual or facsimile signature of an Officer.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Notes, and the Trustee in accordance with such Company Order shall authenticate and deliver such Notes, without any further action by the Company hereunder.

Only such Notes as shall bear thereon a certificate of authentication substantially in the form set forth on the Form of Note attached as Exhibit A hereto, executed manually by an authorized signatory of the Trustee (or an authenticating agent appointed by the Trustee as provided by Section 16.10), shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee (or such an authenticating agent) upon any Note executed by the Company shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

In case any Officer of the Company who shall have signed any of the Notes shall cease to be such Officer before the Notes so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Company, such Notes nevertheless may be authenticated and delivered or disposed of as though the person who signed such Notes had not ceased to be such Officer of the Company; and any Note may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Note, shall be the Officers of the Company, although at the date of the execution of this Indenture any such person was not such an Officer.

*Section 2.05 Exchange and Registration of Transfer of Notes; Restrictions on Transfer; Depositary.*

(a) The Company shall cause to be kept at the Corporate Trust Office a register (the register maintained in such office or in any other office or agency of the Company designated pursuant to Section 4.02, the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Notes and of transfers of Notes. Such register shall be in written form or in any form capable of being converted into written form within a reasonable period of time. The Trustee is hereby initially appointed the

"**Note Registrar**" for the purpose of registering Notes and transfers of Notes as herein provided. The Company may appoint one or more co-Note Registrars in accordance with Section 4.02.

Upon surrender for registration of transfer of any Note to the Note Registrar or any co-Note Registrar, and satisfaction of the requirements for such transfer set forth in this Section 2.05, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by this Indenture.

Notes may be exchanged for other Notes of any authorized denominations and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at any such office or agency maintained by the Company pursuant to Section 4.02. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive, bearing registration numbers not contemporaneously outstanding.

All Notes presented or surrendered for registration of transfer or for exchange, repurchase or conversion shall (if so required by the Company, the Trustee, the Note Registrar or any co-Note Registrar) be duly endorsed, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and duly executed, by the Holder thereof or its attorney-in-fact duly authorized in writing.

No service charge shall be imposed by the Company, the Trustee, the Note Registrar, any co-Note Registrar or the Paying Agent for any exchange or registration of transfer of Notes, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of new Notes issued upon such exchange or registration of transfer being different from the name of the Holder of the old Notes surrendered for exchange or registration of transfer.

None of the Company, the Trustee, the Note Registrar or any co-Note Registrar shall be required to exchange or register a transfer of (i) any Notes surrendered for conversion or, if a portion of any Note is surrendered for conversion, such portion thereof surrendered for conversion, (ii) any Notes, or a portion of any Note, surrendered for repurchase (and not withdrawn) in accordance with Article 14 or (iii) any Notes selected for redemption in accordance with Article 15, except the unredeemed portion of any Note being redeemed in part.

All Notes issued upon any registration of transfer or exchange of Notes in accordance with this Indenture shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

(b) So long as the Notes are eligible for book-entry settlement with the Depositary, unless otherwise required by law, subject to the fourth paragraph from the end of Section 2.05(c) all Notes shall be represented by one or more Notes in global form (each, a "**Global Note**") registered in the name of the Depositary or the nominee of the Depositary. The transfer and exchange of beneficial interests in a Global Note that does not involve the issuance of a Physical Note shall be effected through the Depositary (but not the Trustee or the Custodian) in accordance with this Indenture (including the restrictions on transfer set forth herein) and the procedures of the Depositary therefor.

(c) Subject to Section 2.06, Every Note that bears or is required under this Section 2.05(c) to bear the legend set forth in this Section 2.05(c) (together with any Common Stock issued upon conversion of the Notes that is required to bear the legend set forth in Section

2.05(d), collectively, the "**Restricted Securities**") shall be subject to the restrictions on transfer set forth in this Section 2.05(c) (including the legend set forth below), unless such restrictions on transfer shall be eliminated or otherwise waived by written consent of the Company, and the Holder of each such Restricted Security, by such Holder's acceptance thereof, agrees to be bound by all such restrictions on transfer. As used in this Section 2.05(c) and Section 2.05(d), the term "**transfer**" encompasses any sale, pledge, transfer or other disposition whatsoever of any Restricted Security.

Subject to Section 2.06, until the date (the "**Resale Restriction Termination Date**") that is the later of (1) the date that is one year after the Last Original Issuance Date of the Notes, or such shorter period of time as permitted by Rule 144 or any successor provision thereto, and (2) such later date, if any, as may be required by applicable law, any certificate evidencing such Note (and all securities issued in exchange therefor or substitution thereof, other than Common Stock, if any, issued upon conversion thereof, which shall bear the legend set forth in Section 2.05(d), if applicable) shall bear a legend (the "**Restricted Note Legend**") in substantially the following form (unless such Notes have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company in writing, with written notice thereof to the Trustee):

THIS SECURITY AND THE COMMON STOCK, IF ANY, ISSUABLE UPON CONVERSION OF THIS SECURITY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS A "QUALIFIED INSTITUTIONAL BUYER" (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF LIVE NATION ENTERTAINMENT, INC. (THE "**COMPANY**") THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN PRIOR TO THE DATE THAT IS THE LATER OF (X) ONE YEAR AFTER THE LAST ORIGINAL ISSUE DATE HEREOF OR SUCH SHORTER PERIOD OF TIME AS PERMITTED BY RULE 144 UNDER THE SECURITIES ACT OR ANY SUCCESSOR PROVISION THERETO AND (Y) SUCH LATER DATE, IF ANY, AS MAY BE REQUIRED BY APPLICABLE LAW, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR

(B) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR

(C) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR

(D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER

AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D) ABOVE, THE COMPANY AND THE TRUSTEE RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

No transfer of any Note prior to the Resale Restriction Termination Date will be registered by the Note Registrar unless the applicable box on the Form of Assignment and Transfer has been checked.

The Notes issued pursuant to the Purchase Agreement will initially be issued with a restricted CUSIP number.

Without limiting the generality of Section 2.06, any Note (or security issued in exchange or substitution therefor) (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred pursuant to a registration statement that has become effective or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of such Note for exchange to the Note Registrar in accordance with the provisions of this Section 2.05, be exchanged for a new Note or Notes, of like tenor and aggregate principal amount, which shall not bear the restrictive legend required by this Section 2.05(c) and shall not be assigned a restricted CUSIP number. The Company shall be entitled to instruct the Custodian in writing to so surrender any Global Note as to which any of the conditions set forth in clause (i) through (iii) of the immediately preceding sentence have been satisfied, and, upon such instruction, the Custodian shall so surrender such Global Note for exchange; and any new Global Note so exchanged therefor shall not bear the restrictive legend specified in this Section 2.05(c) and shall not be assigned a restricted CUSIP number.

Notwithstanding any other provisions of this Indenture (other than the provisions set forth in this Section 2.05(c)), a Global Note may not be transferred as a whole or in part except (i) by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary and (ii) for exchange of a Global Note or a portion thereof for one or more Physical Notes in accordance with the second immediately succeeding paragraph.

The Depositary shall be a clearing agency registered under the Exchange Act. The Company initially appoints The Depository Trust Company to act as Depositary with respect to each Global Note. Initially, each Global Note shall be issued to the Depositary, registered in the name of Cede & Co., as the nominee of the Depositary, and deposited with the Trustee as Custodian.

If (i) the Depositary notifies the Company at any time that the Depositary is unwilling or unable to continue as depositary for the Global Notes and a successor depositary is not appointed within 90 days, (ii) the Depositary ceases to be registered as a clearing agency under the Exchange Act and a successor depositary is not appointed within 90 days, (iii) an Event of

Default with respect to the Notes has occurred and is continuing and a beneficial owner of any Note requests that its beneficial interest therein be issued as a Physical Note or (iv) the Company and a beneficial owner of a Note agree, the Company shall execute, and the Trustee, upon receipt of an Officer's Certificate and a Company Order for the authentication and delivery of Notes, shall authenticate and deliver (x) in the case of clause (iii) or (iv), a Physical Note to such beneficial owner in a principal amount equal to the principal amount of such Note corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical Notes to each beneficial owner of the related Global Notes (or a portion thereof) in an aggregate principal amount equal to the aggregate principal amount of such Global Notes in exchange for such Global Notes, and upon delivery of the Global Notes to the Trustee such Global Notes shall be canceled.

Physical Notes issued in exchange for all or a part of the Global Note pursuant to this Section 2.05(c) shall be registered in such names and in such authorized denominations as the Depositary, pursuant to instructions from its direct or indirect participants or otherwise, or, in the case of clause (iii) or (iv) of the immediately preceding paragraph, the relevant beneficial owner, shall instruct the Trustee. Upon execution and authentication, the Trustee shall deliver such Physical Notes to the Persons in whose names such Physical Notes are so registered.

At such time as all interests in a Global Note have been converted, canceled, repurchased, redeemed or transferred, such Global Note shall be, upon receipt thereof, canceled by the Trustee in accordance with standing procedures and existing instructions between the Depositary and the Custodian. At any time prior to such cancellation, if any interest in a Global Note is exchanged for Physical Notes, converted, canceled, repurchased, redeemed or transferred to a transferee who receives Physical Notes therefor or any Physical Note is exchanged or transferred for part of such Global Note, the principal amount of such Global Note shall, in accordance with the standing procedures and instructions existing between the Depositary and the Custodian, be appropriately reduced or increased, as the case may be, and an endorsement shall be made on such Global Note, by the Trustee or the Custodian, at the direction of the Trustee, to reflect such reduction or increase.

None of the Company, the Trustee or any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by the Depositary with respect to Global Notes.

(d) Until the Resale Restriction Termination Date, any stock certificate representing Common Stock issued upon conversion of a Note shall bear a legend in substantially the following form (unless such Common Stock has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or such Common Stock has been issued upon conversion of a Note that has transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company with written notice thereof to the Trustee and any transfer agent for the Common Stock):

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN

ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS A "QUALIFIED INSTITUTIONAL BUYER" (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF LIVE NATION ENTERTAINMENT, INC. (THE " **COMPANY**") THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN PRIOR TO THE DATE THAT IS THE LATER OF (X) ONE YEAR AFTER THE LAST ORIGINAL ISSUE DATE OF THE SERIES OF NOTES UPON THE CONVERSION OF WHICH THIS SECURITY WAS ISSUED OR SUCH SHORTER PERIOD OF TIME AS PERMITTED BY RULE 144 UNDER THE SECURITIES ACT OR ANY SUCCESSOR PROVISION THERETO AND (Y) SUCH LATER DATE, IF ANY, AS MAY BE REQUIRED BY APPLICABLE LAW, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR

(B) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR

(C) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR

(D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D) ABOVE, THE COMPANY AND THE TRANSFER AGENT FOR THE COMPANY'S COMMON STOCK RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

Any such Common Stock (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred (or issued upon conversion of a Note that has been transferred) pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold (or issued upon conversion of a Note that has been sold) pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of the certificates representing such shares of Common Stock for exchange in accordance with the procedures of the transfer agent for the Common Stock, be exchanged for a new certificate or certificates for a like aggregate number of shares of Common Stock, which shall not bear the restrictive legend required by this Section 2.05(d).

(e) The Company shall use commercially reasonable efforts to prevent any of its controlled Affiliates from acquiring any Note (or any beneficial interest therein), unless any

Notes acquired by any of them are promptly sent to the Trustee for cancellation. The Company shall cause any Note that is repurchased or owned by it to be surrendered to the Trustee for cancellation in accordance with Section 2.09.

(f) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

*Section 2.06 Removal of Transfer Restrictions*. Without limiting the generality of any other provision of this Indenture (including Section 4.06(d) and Section 4.06(e)), the Restricted Note Legend affixed to any Note will be deemed, pursuant to this Section 2.06 and the footnote to such Restricted Note Legend, to be removed therefrom upon the Company's delivery to the Trustee of notice, signed on behalf of the Company by one of its Officers, to such effect (and, for the avoidance of doubt, such notice need not be accompanied by an Officer's Certificate or an Opinion of Counsel in order to be effective to cause such Restricted Note Legend to be deemed to be removed from such Note). If such Note bears a "restricted" CUSIP or ISIN number at the time of such delivery, then, upon such delivery, such Note will be deemed, pursuant to this Section 2.06 and the footnotes to the CUSIP and ISIN numbers set forth on the face of the certificate representing such Note, to thereafter bear the "unrestricted" CUSIP and ISIN numbers identified in such footnotes; *provided*, *however*, that if such Note is a Global Note and the Depositary thereof requires a mandatory exchange or other procedure to cause such Global Note to be identified by "unrestricted" CUSIP and ISIN numbers in the facilities of such Depositary, then (a) the Company shall effect such exchange or procedure as soon as reasonably practicable; and (b) for purposes of Section 4.06(e), such Global Note shall not be deemed to be identified by "unrestricted" CUSIP and ISIN numbers until such time as such exchange or procedure is effected.

*Section 2.07 Mutilated, Destroyed, Lost or Stolen Notes*. In case any Note shall become mutilated or be destroyed, lost or stolen, the Company in its discretion may execute, and upon its written request the Trustee or an authenticating agent appointed by the Trustee shall authenticate and deliver, a new Note, bearing a registration number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless from any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

The Trustee or such authenticating agent may authenticate any such substituted Note and deliver the same upon the receipt of such security or indemnity as the Trustee, the Company and, if applicable, such authenticating agent may require. No service charge shall be imposed by the Company, the Trustee, the Note Registrar, any co-Note Registrar or the Paying Agent upon the issuance of any substitute Note, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of the new substitute Note being different from the name of the Holder of the old Note that became mutilated or was destroyed, lost or stolen. In case any Note that has matured or is about to mature or has been surrendered for required repurchase or for

redemption or is about to be converted in accordance with Article 13 shall become mutilated or be destroyed, lost or stolen, the Company may, in its sole discretion, instead of issuing a substitute Note, pay or authorize the payment of or convert or authorize the conversion of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or conversion shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, evidence satisfactory to the Company, the Trustee and, if applicable, any Paying Agent or Conversion Agent evidence of their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Every substitute Note issued pursuant to the provisions of this Section 2.07 by virtue of the fact that any Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Notes duly issued hereunder. To the extent permitted by law, all Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement, redemption, payment, conversion or repurchase of mutilated, destroyed, lost or stolen Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement, redemption, payment, conversion or repurchase of negotiable instruments or other securities without their surrender.

*Section 2.08 Temporary Notes*. Pending the preparation of Physical Notes, the Company may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon written request of the Company, authenticate and deliver temporary Notes (printed or lithographed). Temporary Notes shall be issuable in any authorized denomination, and substantially in the form of the Physical Notes but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Company. Every such temporary Note shall be executed by the Company and authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Physical Notes. Without unreasonable delay, the Company shall execute and deliver to the Trustee or such authenticating agent Physical Notes (other than any Global Note) and thereupon any or all temporary Notes (other than any Global Note) may be surrendered in exchange therefor, at each office or agency maintained by the Company pursuant to Section 4.02 and the Trustee or such authenticating agent shall authenticate and deliver in exchange for such temporary Notes an equal aggregate principal amount of Physical Notes. Such exchange shall be made by the Company at its own expense and without any charge therefor. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Physical Notes authenticated and delivered hereunder.

*Section 2.09 Cancellation of Notes Paid, Converted, Etc.* The Company shall cause all Notes surrendered for the purpose of payment, repurchase, redemption, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee (including any of the Company's agents, Subsidiaries or Affiliates), to be surrendered to the Trustee for cancellation. All Notes delivered to the Trustee shall be canceled promptly by it, and no Notes shall be authenticated in exchange thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall dispose of canceled Notes in accordance with its customary procedures and, after such disposition, shall deliver a certificate of such disposition to the Company, at the Company's written request in a Company Order.

*Section 2.10 CUSIP Numbers*. The Company in issuing the Notes may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in all notices issued to Holders as a convenience to such Holders; *provided* that the Trustee shall have

no liability for any defect in the "CUSIP" numbers as they appear on any Note, notice or elsewhere; *provided further* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or on such notice and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

*Section 2.11 Additional Notes; Repurchases*. The Company may, without the consent of the Holders and notwithstanding Section 2.01, reopen this Indenture and issue additional Notes hereunder with the same terms as the Notes initially issued hereunder (other than differences in the issue price and the date from which interest will accrue) in an unlimited aggregate principal amount; *provided* that if any such additional Notes are not fungible with the Notes initially issued hereunder for U.S. federal income tax purposes or securities law purposes, such additional Notes shall have a separate CUSIP number. For the avoidance of doubt, notwithstanding any other provision of this Indenture to the contrary, for purposes of Section 4.06(d) and Section 4.06(e), in the event additional Notes are issued pursuant to this Section 2.11, references to the "Last Original Issuance Date" of the Notes with respect to such additional Notes shall refer only to such additional Notes. Prior to the issuance of any such additional Notes, the Company shall deliver to the Trustee a Company Order, an Officer's Certificate and an Opinion of Counsel, such Officer's Certificate and Opinion of Counsel to cover such matters, in addition to those required by Section 16.05, as the Trustee shall reasonably request. In addition, the Company may, to the extent permitted by law, and directly or indirectly (regardless of whether such Notes are surrendered to the Company), repurchase Notes in the open market or otherwise, whether by the Company or its Subsidiaries or through a private or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives. The Company shall cause any Notes so repurchased (other than Notes repurchased pursuant to cash-settled swaps or other cash-settled derivatives) to be surrendered to the Trustee for cancellation in accordance with Section 2.09.

## Article 3
## Satisfaction and Discharge

*Section 3.01 Satisfaction and Discharge*. This Indenture shall upon request of the Company contained in an Officer's Certificate cease to be of further effect, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when (a) (i) all Notes theretofore authenticated and delivered (other than Notes which have been destroyed, lost or stolen and which have been replaced, paid or converted as provided in Section 2.07) have been delivered to the Note Registrar for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Notes have become due and payable, whether on the Maturity Date, any Redemption Date, any Fundamental Change Repurchase Date, upon conversion or otherwise, cash or cash and/or shares of Common Stock or, if applicable, other Reference Property (in respect of conversions) sufficient in the opinion of a nationally recognized bank, appraisal firm or firm of independent public accountants to pay all of the outstanding Notes and all other sums due and payable under this Indenture by the Company; and (b) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with; *provided* that such counsel may rely, as to matters of fact, on a certificate or certificates of the Company's Officers. Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.06 shall survive.

## Article 4
## Particular Covenants of the Company

*Section 4.01 Payment of Principal and Interest*. The Company covenants and agrees that it will cause to be paid the principal (including the Redemption Price or Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes.

*Section 4.02 Maintenance of Office or Agency.* The Company will maintain in the continental United States an office or agency where the Notes may be surrendered for registration of transfer or exchange or for presentation for payment or repurchase ("Paying Agent") or for conversion ("Conversion Agent") and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office or the office or agency of the Trustee in the continental United States.

The Company may also from time to time designate as co-Note Registrars one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the continental United States for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency. The terms "**Paying Agent**" and "**Conversion Agent**" include any such additional or other offices or agencies, as applicable.

The Company hereby initially designates the Trustee as the Paying Agent, Note Registrar, Custodian and Conversion Agent and the Corporate Trust Office as the office or agency in the continental United States where Notes may be surrendered for registration of transfer or exchange or for presentation for payment, redemption or repurchase or for conversion and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served.

*Section 4.03 Appointments to Fill Vacancies in Trustee's Office*. The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.09, a Trustee, so that there shall at all times be a Trustee hereunder.

*Section 4.04 Provisions as to Paying Agent.*

(a) If the Company shall appoint a Paying Agent other than the Trustee, the Company will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 4.04:

(i) that it will hold all sums held by it as such agent for the payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes in trust for the benefit of the Holders of the Notes;

(ii) that it will give the Trustee prompt notice of any failure by the Company to make any payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes when the same shall be due and payable; and

(iii) that at any time during the continuance of an Event of Default, upon request of the Trustee, it will forthwith pay to the Trustee all sums so held in trust.

The Company shall, on or before each due date of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, the Notes, deposit with the Paying Agent a sum sufficient to pay such principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) or accrued and unpaid interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee in writing of any failure to take such action; *provided* that if such deposit is made on the due date, such deposit must be received by the Paying Agent by 11:00 a.m., New York City time, on such date.

(b) If the Company shall act as its own Paying Agent, it will, on or before each due date of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes, set aside, segregate and hold in trust for the benefit of the Holders of the Notes a sum sufficient to pay such principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) and accrued and unpaid interest so becoming due and will promptly notify the Trustee in writing of any failure to take such action and of any failure by the Company to make any payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, the Notes when the same shall become due and payable.

(c) Anything in this Section 4.04 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay, cause to be paid or deliver to the Trustee all sums or amounts held in trust by the Company or any Paying Agent hereunder as required by this Section 4.04, such sums or amounts to be held by the Trustee upon the trusts herein contained and upon such payment or delivery by the Company or any Paying Agent to the Trustee, the Company or such Paying Agent shall be released from all further liability but only with respect to such sums or amounts.

(d) Any money and shares of Common Stock deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, accrued and unpaid interest on and the consideration due upon conversion of any Note and remaining unclaimed for two years after such principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable), interest or consideration due upon conversion has become due and payable shall be paid to the Company on request of the Company contained in an Officer's Certificate, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money and shares of Common Stock, and all liability of the Company as trustee thereof, shall thereupon cease; *provided*, *however*, that each of the Trustee and Paying Agent shall withhold paying such money or securities back to the Company until, at the Company's expense, they publish (in no event later than five days after the Company requests repayment) in a newspaper of general circulation in The City of New York, or mail or send to each registered Holder, a notice stating that such money or securities shall be paid back to the Company if unclaimed after a date no less than 30 days from the date of such publication or notification.

*Section 4.05 Existence.* Subject to Article 11, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

*Section 4.06 Rule 144A Information Requirement and Annual Reports; Additional Interest.*

(a) At any time the Company is not subject to Section 13 or 15(d) of the Exchange Act, the Company shall, so long as any of the Notes or any shares of Common Stock issuable upon conversion thereof shall, at such time, constitute "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act (assuming such securities have not been owned by an Affiliate of the Company), promptly provide to the Trustee and any Holder or beneficial owner of such Notes or any shares of Common Stock issuable upon conversion of such Notes and, upon written request, any securities analyst or prospective investors in such Notes or such shares of Common Stock, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) The Company shall file with the Trustee, within 15 days after the same are required to be filed with the Commission, copies of any documents or reports that the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act (giving effect to any grace period provided by Rule 12b-25 under the Exchange Act). Any such document or report that the Company files with the Commission via the Commission's EDGAR system shall be deemed to be filed with the Trustee for purposes of this Section 4.06(b) at the time such documents are filed via the EDGAR system; *provided* that the Trustee shall have no obligation to determine whether such documents or reports have been filed via the EDGAR system.

(c) Delivery of the reports and documents described in subsection (b) above to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to conclusively rely on an Officer's Certificate).

(d) If, at any time during the six-month period beginning on, and including, the date that is six months after the Last Original Issuance Date of any Note, the Company fails to timely file any document or report that it is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, as applicable (after giving effect to all applicable grace periods thereunder and other than reports on Form 8-K), or such Note is not otherwise freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates or Holders that were the Company's Affiliates at any time during the three months preceding (as a result of restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes), the Company shall pay Additional Interest on such Note. Such Additional Interest shall accrue on such Note at the rate of 0.50% per annum of the principal amount of such Note outstanding for each day during such period for which the Company's failure to file has occurred and is continuing or such Note is not otherwise freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates (or Holders that have been the Company's Affiliates at any time during the three months preceding) without restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes. For purposes of this Section 4.06(d) (and, for the avoidance of doubt, not for purposes of Section 4.06(e), the existence of a customary legend on any certificate representing the Notes referring to transfer restrictions under the Securities Act (including the Restricted Note Legend) will not be deemed to cause the Notes not to be "freely tradable" as provided above. As used in this Section 4.06(d), documents or reports that the Company is required to "file" with the Commission pursuant to Section 13 or 15(d) of the Exchange Act do not include documents or reports that the Company furnishes to the Commission pursuant to Section 13 or 15(d) of the Exchange Act.

(e) If, and for so long as, the Restricted Note Legend has not been removed (including pursuant to Section 2.06), any Note is assigned a restricted CUSIP or any Note is not otherwise freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates or Holders that were the Company's Affiliates at any time during the three months preceding (without restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes)

as of the De-Legending Deadline Date for such Note, the Company shall pay Additional Interest on such Note at a rate equal to 0.50% per annum of the principal amount of such Note outstanding until the Restricted Note Legend has been removed in accordance with Section 2.05(c) or Section 2.06, such Note is assigned an unrestricted CUSIP and such Note is freely tradable pursuant to Rule 144 by Holders other than the Company's Affiliates (or Holders that were the Company's Affiliates at any time during the three months preceding) without restrictions pursuant to U.S. securities laws or the terms of this Indenture or the Notes.

(f) Additional Interest will be payable in arrears on each Interest Payment Date following accrual in the same manner as regular interest on the Notes.

(g) In no event shall any Additional Interest that may accrue pursuant to Section 4.06(d) or Section 4.06(e), together with any interest that may accrue in the event the Company elects to pay Additional Interest in respect of an Event of Default relating to its failure to comply with its obligations as set forth under Section 6.03, accrue at a rate in excess of 0.50% per annum, regardless of the number of events or circumstances giving rise to the requirement to pay such Additional Interest.

(h) If Additional Interest is payable by the Company pursuant to Section 4.06(d) or Section 4.06(e), the Company shall deliver to the Trustee an Officer's Certificate to that effect stating (i) the amount of such Additional Interest that is payable and (ii) the date on which such Additional Interest is payable. Unless and until a Responsible Officer of the Trustee receives at the Corporate Trust Office such a certificate, the Trustee may assume without inquiry that no such Additional Interest is payable. If the Company has paid Additional Interest directly to the Persons entitled to it, the Company shall deliver to the Trustee an Officer's Certificate setting forth the particulars of such payment.

(i) Notwithstanding anything to the contrary in this Section 4.06, the Company shall not be required to pay Additional Interest pursuant to Section 4.06(d) or Section 4.06(e) (i) on any date on which (w) the Company shall have filed a shelf registration statement for the resale of the Notes and any shares of Common Stock issuable upon conversion of the Notes, (x) such shelf registration statement is effective and usable by Holders identified therein as selling security holders for the resale of the Notes and any shares of Common Stock issued upon conversion of the Notes, (y) the Holders may register the resale of their Notes under such shelf registration statement on terms customary for the resale of convertible securities offered in reliance on Rule 144A and (z) the Notes and/or shares of Common Stock sold pursuant to such shelf registration statement become freely tradable pursuant to Rule 144 as a result of such sale or (ii) once the Company shall have complied with the requirements set forth in clause (i) above for a period of one year.

*Section 4.07 Stay, Extension and Usury Laws*. The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law that would prohibit or forgive the Company from paying all or any portion of the principal of or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture; and the Company (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

*Section 4.08 Compliance Certificate; Statements as to Defaults.* The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company (beginning with the fiscal year ending on December 31, 2023) an Officer's Certificate stating

whether the signers thereof have knowledge of any failure by the Company to comply with all conditions and covenants then required to be performed under this Indenture and, if so, specifying each such failure and the nature thereof.

In addition, the Company shall deliver to the Trustee, as soon as possible, and in any event within 30 days after the occurrence of any Event of Default or Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the action that the Company is taking or proposing to take in respect thereof.

*Section 4.09 Further Instruments and Acts*. Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

## Article 5
## Lists of Holders and Reports by the Company and the Trustee

*Section 5.01 Lists of Holders*. At any time the Trustee is not acting as Note Registrar, the Company shall furnish or cause to be furnished to the Trustee, semi-annually, not more than 15 days after each January 1 and July 1 in each year beginning with July 1, 2023, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished.

*Section 5.02 Preservation and Disclosure of Lists*. The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in Section 5.01 or maintained by the Trustee in its capacity as Note Registrar, if so acting. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

## Article 6
## Defaults and Remedies

*Section 6.01 Events of Default*. Each of the following events shall be an "**Event of Default**" with respect to the Notes:

(a) default in the payment of principal of any Note when due on the Maturity Date, upon Optional Redemption, upon Fundamental Change Repurchase or otherwise;

(b) default in the payment of any interest on any Note when due and payable, and such default continues for a period of 30 days past the applicable due date;

(c) failure by the Company to issue a Fundamental Change Company Notice in accordance with Section 14.01(c) or notice of a Make-Whole Fundamental Change or a Share Exchange Event in accordance with Section 13.01(b)(iii), as required by this Indenture;

(d) failure by the Company to comply with its obligations under Article 11;

(e) following the exercise by the Holder of the right to convert a Note in accordance with Article 13 hereof, failure by the Company to deliver the applicable Conversion Obligation when due and such failure continues for a period of five Business Days or more;

(f) default by the Company in its obligation to repurchase any Note, or any portion thereof, surrendered for repurchase pursuant to and in accordance with Article 14;

(g) failure by the Company to perform or observe any other covenant or agreement in the Notes or this Indenture and such failure continues for 60 days after receipt by the Company of written notice from the Trustee to the Company or from the Holders of at least 25% in principal amount of the Notes then outstanding to the Trustee and the Company (such written notice with respect to any default, a "**Notice of Default**");

(h) failure to pay when due at maturity (which failure continues after any applicable grace or notice period), or a default that results in the acceleration of any indebtedness for borrowed money of the Company or any Subsidiary of the Company (other than indebtedness that is non-recourse to the Company or any Subsidiary of the Company) in an aggregate amount of $150 million (or its foreign currency equivalent) or more, unless the acceleration is rescinded, stayed or annulled within 30 days after receipt by the Company of a Notice of Default;

(i) one or more judgments for the payment of money in an aggregate amount in excess of $150 million (or its foreign currency equivalent) (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage) shall be rendered against the Company or any of its Significant Subsidiaries and the same shall remain unpaid or undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed;

(j) commencement by the Company or any Significant Subsidiary of the Company of a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or any such Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any such Significant Subsidiary or any substantial part of its property, or consent, by the Company or any of its Significant Subsidiaries, to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or the making, by the Company or any of its Significant Subsidiaries, of a general assignment for the benefit of creditors, or failure, by the Company or any of its Significant Subsidiaries, generally to pay its debts as they become due; or

(k) commencement of an involuntary case or other proceeding against the Company or any Significant Subsidiary of the Company seeking liquidation, reorganization or other relief with respect to the Company or such Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or such Significant Subsidiary or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 30 consecutive days.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

*Section 6.02 Acceleration; Rescission and Annulment.* If one or more Events of Default shall have occurred and be continuing, then, and in each and every such case (other than

an Event of Default specified in Section 6.01(j) or Section 6.01(k) with respect to the Company), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding determined in accordance with Section 8.04, by notice in writing to the Company (and to the Trustee if given by Holders), may declare 100% of the principal of, and accrued and unpaid interest on, all the Notes then outstanding to be immediately due and payable, and upon any such declaration the same shall become and shall automatically be immediately due and payable. If an Event of Default specified in Section 6.01(j) or Section 6.01(k) with respect to the Company occurs and is continuing, 100% of the principal of, and accrued and unpaid interest, if any, on, all Notes shall become and shall automatically be immediately due and payable.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all Notes and the principal of any and all Notes that shall have become due otherwise than by acceleration (with interest on overdue installments of accrued and unpaid interest to the extent that payment of such interest is enforceable under applicable law, and on such principal at the rate borne by the Notes at such time) and amounts due to the Trustee pursuant to Section 7.06, and if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) any and all existing Events of Default under this Indenture, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on Notes that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 6.09, then and in every such case (except as provided in the immediately succeeding sentence) the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and to the Trustee, may waive all Defaults or Events of Default with respect to the Notes and rescind and annul such declaration and its consequences and such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon. Notwithstanding anything to the contrary herein, no such waiver or rescission and annulment shall extend to or shall affect any Default or Event of Default resulting from (i) the nonpayment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, any Notes, (ii) a failure to repurchase or redeem any Notes when required, (iii) a failure to pay or deliver, as the case may be, the consideration due upon conversion of the Notes or (iv) a default in respect of a covenant or provision hereof which under Article 10 cannot be modified or amended without the consent of each Holder of an outstanding Note affected.

*Section 6.03 Additional Interest*.

(a) Notwithstanding anything in this Indenture or in the Notes to the contrary (but subject to Section 6.03(b)), to the extent the Company elects, the sole remedy for an Event of Default relating to the Company's failure to comply with its obligations as set forth in Section 4.06(b) shall after the occurrence of such an Event of Default consist exclusively of the right to receive Additional Interest on the Notes at a rate equal to 0.50% per annum of the principal amount of the Notes outstanding for each day on which such Event of Default is continuing during the 365-day period beginning on, and including, the date on which such an Event of Default first occurs to, but not including, the 365th day thereafter. Additional Interest payable pursuant to this Section 6.03 shall be payable in the same manner as Additional Interest payable pursuant to Section 4.06(d) and Section 4.06(e). On the 365th day after such Event of Default (if the Event of Default relating to the Company's failure to file is not cured or waived prior to such 365th day), such Additional Interest shall cease to accrue and the Notes shall be immediately

subject to acceleration as provided in Section 6.02. The provisions of this paragraph will not affect the rights of Holders of Notes in the event of the occurrence of any Event of Default other than the Company's failure to comply with its obligations as set forth in Section 4.06(b). In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this Section 6.03 or the Company elected to make such payment but does not pay the Additional Interest when due, the Notes shall be immediately subject to acceleration as provided in Section 6.02.

In order to elect to pay Additional Interest as the sole remedy during the first 365 days after the occurrence of any Event of Default described in the immediately preceding paragraph, the Company must notify all Holders of the Notes and, in writing, the Trustee and the Paying Agent, of such election prior to the beginning of such 365-day period. Upon the failure to timely give such notice, the Notes shall be immediately subject to acceleration as provided in Section 6.02.

(b) Section 6.03(a) shall cease to be applicable (other than the requirement to pay any Additional Interest theretofore accrued pursuant to such Section) in the event and as of the date that the facts giving rise to the Event of Default under Section 4.06(b) shall also give rise to a default under, and result in the acceleration of, other indebtedness for borrowed money of the Company or its Subsidiaries (other than indebtedness that is non-recourse to the Company or any of its Subsidiaries), in which case the Event of Default under Section 4.06(b) shall then be subject to the remedies otherwise applicable to Events of Default as provided in this Indenture (including acceleration pursuant to Section 6.02).

(c) In no event shall any Additional Interest that may accrue in the event the Company elects to pay Additional Interest in respect of an Event of Default relating to its failure to comply with its obligations under Section 4.06(b) as set forth in this Section 6.03, together with any interest that may accrue pursuant to Section 4.06(d) or Section 4.06(e) accrue at a rate in excess of 0.50% per annum, regardless of the number of events or circumstances giving rise to the requirement to pay such Additional Interest.

*Section 6.04 Payments of Notes on Default; Suit Therefor*. If an Event of Default described in clause (a) or (b) of Section 6.01 shall have occurred, the Company shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of the Notes, the whole amount then due and payable on the Notes for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by the Notes at such time, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 7.06. If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Notes, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Notes under Title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Notes, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be

entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Notes, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceedings relative to the Company or any other obligor on the Notes, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due to the Trustee under Section 7.06; and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for compensation, expenses, advances and disbursements, including agents and counsel fees, and including any other amounts due to the Trustee under Section 7.06, incurred by it up to the date of such distribution. To the extent that such payment of compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders of the Notes may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting such Holder or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Holders of the Notes parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver pursuant to Section 6.09 or any rescission and annulment pursuant to Section 6.02 or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders and the Trustee shall continue as though no such proceeding had been instituted.

*Section 6.05 Application of Monies Collected by Trustee*. Any monies collected by the Trustee pursuant to this Article 6 with respect to the Notes shall be applied in the following order, at the date or dates fixed by the Trustee for the distribution of such monies, upon presentation of the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

**First**, to the payment of all amounts due the Trustee (including any other role or capacities in which the Trustee acts with respect to the Notes) under Section 7.06;

**Second**, in case the principal of the outstanding Notes shall not have become due and be unpaid, to the payment of interest on, and any cash due upon conversion of, the Notes in default in the order of the date due of the payments of such interest and cash due upon conversion, as the case may be, with interest (to the extent that such interest has been collected by the Trustee) upon such overdue payments at the rate borne by the Notes at such time, such payments to be made ratably to the Persons entitled thereto;

**Third**, in case the principal of the outstanding Notes shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount (including, if applicable, the payment of the Redemption Price, the Fundamental Change Repurchase Price and any cash due upon conversion) then owing and unpaid upon the Notes for principal and interest, if any, with interest on the overdue principal and, to the extent that such interest has been collected by the Trustee, upon overdue installments of interest at the rate borne by the Notes at such time, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Notes, then to the payment of such principal (including, if applicable, the Redemption Price, the Fundamental Change Repurchase Price and the cash due upon conversion) and interest without preference or priority of principal over interest, or of interest over principal or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably to the aggregate of such principal (including, if applicable, the Redemption Price, the Fundamental Change Repurchase Price and any cash due upon conversion) and accrued and unpaid interest; and

**Fourth**, to the payment of the remainder, if any, to the Company.

*Section 6.06 Proceedings by Holders*. Except to enforce the right to receive payment of principal (including, if applicable, the Redemption Price and the Fundamental Change Repurchase Price) or interest when due, or the right to receive payment or delivery of the consideration due upon conversion, no Holder of any Note shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, unless:

(a) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as herein provided;

(b) Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;

(c) such Holders shall have offered to the Trustee such security or indemnity satisfactory to it against all costs, liability or expenses to be incurred therein or thereby;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of such security or indemnity, shall have neglected or refused to institute any such action, suit or proceeding; and

(e) no direction that, in the opinion of the Trustee, is inconsistent with such written request shall have been given to the Trustee by the Holders of a majority of the aggregate principal amount of the Notes then outstanding within such 60-day period pursuant to Section 6.09,

it being understood and intended, and being expressly covenanted by the taker and Holder of every Note with every other taker and Holder and the Trustee that no one or more Holders shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders), or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Note, the right of any Holder to receive payment or delivery, as the case may be, of (x) the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion of, such Note, on or after the respective due dates expressed or provided for in such Note or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, as the case may be, on or after such respective dates against the Company shall not be impaired or affected without the consent of such Holder.

*Section 6.07 Proceedings by Trustee*. In case of an Event of Default, the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

*Section 6.08 Remedies Cumulative and Continuing*. Except as provided in the last paragraph of Section 2.07, all powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of the Notes, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Notes to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders. The Trustee may maintain a proceeding even if it does not possess any Notes or does not produce any Notes in the proceeding.

*Section 6.09 Direction of Proceedings and Waiver of Defaults by Majority of Holders*. The Holders of a majority of the aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 8.04 shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes; *provided*, *however*, that (a) such direction shall not be in conflict with any rule of law or with this Indenture, and (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. The Trustee may refuse to follow any direction that it determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. The Holders of a majority in aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 8.04 may on behalf of the Holders of all of

the Notes waive any past Default or Event of Default hereunder and its consequences except (i) a default in the payment of accrued and unpaid interest, if any, on, or the principal (including any Redemption Price and any Fundamental Change Repurchase Price) of, the Notes when due that has not been cured pursuant to the provisions of Section 6.01, (ii) a failure by the Company to pay or deliver, as the case may be, the consideration due upon conversion of the Notes or (iii) a default in respect of a covenant or provision hereof which under Article 10 cannot be modified or amended without the consent of each Holder of an outstanding Note affected. Upon any such waiver the Company, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Notes and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

*Section 6.10 Notice of Defaults*. The Trustee shall, within 90 days after the occurrence and continuance of a Default of which a Responsible Officer has actual knowledge, send to all Holders as the names and addresses of such Holders appear upon the Note Register, notice of all Defaults known to a Responsible Officer, unless such Defaults shall have been cured or waived before the giving of such notice; *provided* that, except in the case of a Default in the payment of the principal of (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable), or accrued and unpaid interest on, any of the Notes or a Default in the payment or delivery of the consideration due upon conversion, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interests of the Holders.

*Section 6.11 Undertaking to Pay Costs*. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.11 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Notes at the time outstanding determined in accordance with Section 8.04, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Note (including, but not limited to, the Redemption Price and the Fundamental Change Repurchase Price, if applicable) on or after the due date expressed or provided for in such Note or to any suit for the enforcement of the right to convert any Note, or receive the consideration due upon conversion, in accordance with the provisions of Article 13.

## Article 7
## Concerning the Trustee

*Section 7.01 Duties and Responsibilities of Trustee*. The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In the event an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the

circumstances in the conduct of such person's own affairs; *provided* that if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered and, if requested, provided to the Trustee indemnity or security satisfactory to it against any costs, liability or expense that might be incurred by it in compliance with such request or direction.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default that may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith and willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions that by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein);

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved, as determined by a court of competent jurisdiction by a final and non-appealable judgment, that the Trustee was grossly negligent in ascertaining the pertinent facts;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority of the aggregate principal amount of the Notes at the time outstanding determined as provided in Section 8.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(d) whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section;

(e) the Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any Paying Agent or any records maintained by any co-Note Registrar with respect to the Notes;

(f) if any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on

its failure to receive such notice as reason to act as if no such event occurred, unless a Responsible Officer of the Trustee had actual knowledge of such event;

(g) in the absence of specific written investment direction from the Company, all cash received by the Trustee shall be placed in a non-interest bearing trust account, and in no event shall the Trustee be liable for the selection of investments or for investment losses or other costs, fees or expenses incurred in connection therewith or for losses incurred as a result of the liquidation of any such investment prior to its maturity date or the failure of the party directing such investments prior to its maturity date or the failure of the party directing such investment to provide timely written investment direction, and the Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of such specific written investment direction from the Company (but it is understood and agreed that the Trustee or its Affiliates are permitted to receive additional compensation or fees (that could be deemed to be in the Trustee's economic self-interest) associated with any investments hereunder);

(h) in the event that the Trustee is also acting as Custodian, Note Registrar, Paying Agent, Conversion Agent, Bid Solicitation Agent or transfer agent hereunder, the rights and protections afforded to the Trustee pursuant to this Article 7, including, without limitation, its right to be indemnified, shall also be afforded to such Custodian, Note Registrar, Paying Agent, Conversion Agent, Bid Solicitation Agent or transfer agent; and

(i) any of the Trustee, its officers, directors, employees and affiliates may become the owner of, or acquire any interest in, any Notes with the same rights that they would have if the Trustee were not appointed hereunder, and may engage or be interested in any financial or other transaction with the Company and may act on, or as depositary, trustee or Trustee for, any committee or body of holders of Notes or in connection with any other obligations of the Company as freely as if the Trustee were not appointed hereunder.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

*Section 7.02 Reliance on Documents, Opinions, Etc.* Except as otherwise provided in Section 7.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, note, coupon or other paper or document, whether sent by letter, email, facsimile or other electronic communication, believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties, even if it contains errors or is later deemed not authentic;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officer's Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel and other professional advisors of its own choosing and require an Opinion of Counsel (at the expense of the Company) and any advice of such counsel or other professional advisors or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel, and the Trustee shall not be responsible for the content of any Opinion of Counsel in connection with this Indenture, whether delivered to it or on its behalf;

(d) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation;

(e) the Trustee shall not be bound to make any investigation as to the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Indenture;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, custodians, nominees or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, custodian, nominee or attorney appointed by it with due care hereunder;

(g) the permissive rights of the Trustee enumerated herein shall not be construed as duties;

(h) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(i) the Holders shall not have the right to compel disclosure of information made available to the Trustee in connection with this Indenture, unless otherwise required by applicable law or the express terms of this Indenture;

(j) the Trustee shall have the right to participate in defense of any claim against it, even if defense is assumed by an indemnifying party;

(k) the Trustee shall have no duty to make any documents available to the Holders unless otherwise required by applicable law or the express terms of this Indenture, *provided* that the Trustee shall provide a copy of this Indenture to a Holder upon proof that such Person is a Holder;

(l) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture;

(m) with respect to payments due with respect to the Notes, the Trustee (in its capacity as Trustee or as Paying Agent) shall only be obligated to pay amounts which it has actually received; and

(n) the Trustee shall be entitled to take any action or to refuse to take any action which the Trustee regards as necessary for the Trustee to comply with any applicable law.

In no event shall the Trustee be liable for any special, indirect, punitive or consequential loss or damage, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The Trustee shall not be charged with knowledge of any Default or Event of Default or any other fact, unless either (1) a Responsible Officer shall have actual knowledge of such Default or Event of Default or (2) written notice of such Default or Event of Default shall have been received by the Trustee at the Corporate Trust Office of the

Trustee, from the Company or any Holder of the Notes, and such notice references the Notes and this Indenture.

*Section 7.03 No Responsibility for Recitals, Etc.* The recitals contained herein and in the Notes shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes or other transaction documents. The Trustee shall not be accountable for the use or application by the Company of any Notes or the proceeds of any Notes authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

*Section 7.04 Trustee, Paying Agents, Conversion Agents, Bid Solicitation Agent or Note Registrar May Own Notes*. The Trustee, any Paying Agent, any Conversion Agent, Bid Solicitation Agent or Note Registrar, in its individual or any other capacity, may become the owner or pledgee of Notes with the same rights it would have if it were not the Trustee, Paying Agent, Conversion Agent, Bid Solicitation Agent or Note Registrar.

*Section 7.05 Monies and Shares of Common Stock to Be Held in Trust*. All monies and shares of Common Stock received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money and shares of Common Stock held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money or shares of Common Stock received by it hereunder and will not be deemed an investment manager.

*Section 7.06 Compensation and Expenses of Trustee.* The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as mutually agreed to in writing between the Trustee and the Company, and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances reasonably incurred or made by the Trustee in accordance with any of the provisions of this Indenture in any capacity thereunder (including (a) the reasonable compensation and the expenses and disbursements of its agents and counsel and of all Persons not regularly in its employ and (b) stamp, issue, registration, documentary or other taxes and duties) except any such expense, disbursement or advance as shall have been caused by its gross negligence, willful misconduct or bad faith. The Company also covenants to indemnify the Trustee in any capacity under this Indenture and any other document or transaction entered into in connection herewith and its agents and any authenticating agent for, and to hold them harmless against, any loss, claim, damage, liability or expense incurred without gross negligence, willful misconduct or bad faith on the part of the Trustee, its officers, directors, agents or employees, or such agent or authenticating agent, as the case may be, as determined by a court of competent jurisdiction by a final and non-appealable judgment, and arising out of or in connection with the acceptance or administration of this Indenture or in any other capacity hereunder, including the costs and expenses of defending themselves against any claim of liability in the premises. The obligations of the Company under this Section 7.06 to compensate or indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall be secured by a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by the Trustee, except, subject to the effect of Section 6.05, funds held in trust herewith for the benefit of the Holders of particular Notes. The Trustee's right to receive payment of any amounts due under this Section 7.06 shall not be subordinate to any other liability or indebtedness of the Company. The obligation of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal or the Trustee. The Company need not pay for any settlement made without its consent, which

consent shall be promptly given unless such settlement is unreasonable. The indemnification provided in this Section 7.06 shall extend to the officers, directors, agents and employees of the Trustee.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 6.01(j) or Section 6.01(k) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

*Section 7.07 Officer's Certificate as Evidence.* Except as otherwise provided in Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of gross negligence, willful misconduct and bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee, and such Officer's Certificate, in the absence of gross negligence, willful misconduct and bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken or omitted by it under the provisions of this Indenture upon the faith thereof.

*Section 7.08 Eligibility of Trustee*. There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act (as if the Trust Indenture Act were applicable hereto) to act as such and has a combined capital and surplus of at least $50,000,000. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

*Section 7.09 Resignation or Removal of Trustee.*

(a) The Trustee may at any time resign by giving written notice of such resignation to the Company and by mailing notice thereof to the Holders at their addresses as they shall appear on the Note Register. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the mailing of such notice of resignation to the Holders, the resigning Trustee may, upon ten Business Days' notice to the Company and the Holders, petition any court of competent jurisdiction for the appointment of a successor trustee, or any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, subject to the provisions of Section 6.11, on behalf of himself or herself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(ii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in either case, the Company may by a Board Resolution remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.11, any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee. If the Trustee is removed, but no successor trustee has been appointed and accepted such appointment, the removed Trustee may, upon the terms and conditions and otherwise as in Section 7.09(a) provided, petition, at the expense of the Company, any court of competent jurisdiction for an appointment of a successor trustee.

(c) The Holders of a majority in aggregate principal amount of the Notes at the time outstanding, as determined in accordance with Section 8.04, may at any time remove the Trustee and nominate a successor trustee that shall be deemed appointed as successor trustee unless within ten days after notice to the Company of such nomination the Company objects thereto, in which case the Trustee so removed or any Holder, upon the terms and conditions and otherwise as in Section 7.09(a) provided, may petition any court of competent jurisdiction for an appointment of a successor trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.09 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.10.

*Section 7.10 Acceptance by Successor Trustee*. Any successor trustee appointed as provided in Section 7.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by such trustee as such, except for funds held in trust for the benefit of Holders of particular Notes, to secure any amounts then due it pursuant to the provisions of Section 7.06.

No successor trustee shall accept appointment as provided in this Section 7.10 unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 7.08.

Upon acceptance of appointment by a successor trustee as provided in this Section 7.10, each of the Company and the successor trustee, at the written direction and at the expense of the Company, shall mail or cause to be mailed notice of the succession of such trustee hereunder to

the Holders at their addresses as they shall appear on the Note Register. If the Company fails to mail such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of the Company.

*Section 7.11 Succession by Merger, Etc.* Any corporation or other entity into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Trustee (including the administration of this Indenture), shall be the successor to the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that in the case of any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Trustee such corporation or other entity shall be eligible under the provisions of Section 7.08.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee or authenticating agent appointed by such predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or an authenticating agent appointed by such successor trustee may authenticate such Notes either in the name of any predecessor trustee hereunder or in the name of the successor trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have; *provided*, *however*, that the right to adopt the certificate of authentication of any predecessor trustee or to authenticate Notes in the name of any predecessor trustee shall apply only to its successor or successors by merger, conversion or consolidation.

*Section 7.12 Trustee's Application for Instructions from the Company* . Any application by the Trustee for written instructions from the Company may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three Business Days after the date any officer that the Company has indicated to the Trustee should receive such application actually receives such application, unless any such officer shall have consented in writing to any earlier date), unless, prior to taking any such action (or the effective date in the case of any omission), the Trustee shall have received written instructions in accordance with this Indenture in response to such application specifying the action to be taken or omitted.

## Article 8
## Concerning the Holders

*Section 8.01 Action by Holders*. Whenever in this Indenture it is provided that the Holders of a specified percentage of the aggregate principal amount of the Notes may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of Article 9, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Company or the Trustee solicits the taking of any action by the Holders

of the Notes, the Company or the Trustee may, but shall not be required to, fix in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date if one is selected shall be not more than fifteen days prior to the date of commencement of solicitation of such action.

*Section 8.02 Proof of Execution by Holders*. Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Notes shall be proved by the Note Register or by a certificate of the Note Registrar. The record of any Holders' meeting shall be proved in the manner provided in Section 9.06.

*Section 8.03 Who Are Deemed Absolute Owners*. The Company, the Trustee, any authenticating agent, any Paying Agent, any Conversion Agent and any Note Registrar may deem the Person in whose name a Note shall be registered upon the Note Register to be, and may treat it as, the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Note Registrar) for the purpose of receiving payment of or on account of the principal (including any Redemption Price and any Fundamental Change Repurchase Price, if applicable) of and (subject to Section 2.03) accrued and unpaid interest on such Note, for conversion of such Note and for all other purposes; and neither the Company nor the Trustee nor any Paying Agent nor any Conversion Agent nor any Note Registrar shall be affected by any notice to the contrary. All such payments or deliveries so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sums or shares of Common Stock so paid or delivered, effectual to satisfy and discharge the liability for monies payable or shares deliverable upon any such Note. Notwithstanding anything to the contrary in this Indenture or the Notes following an Event of Default, any holder of a beneficial interest in a Global Note may directly enforce against the Company, without the consent, solicitation, proxy, authorization or any other action of the Depositary or any other Person, such holder's right to exchange such beneficial interest for a Note in certificated form in accordance with the provisions of this Indenture.

*Section 8.04 Company-Owned Notes Disregarded*. Without limiting Section 2.11, in determining whether the Holders of the requisite aggregate principal amount of Notes have concurred in any direction, consent, waiver or other action under this Indenture, Notes that are owned by the Company, by any Subsidiary thereof or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Subsidiary thereof shall be disregarded and deemed not to be outstanding for the purpose of any such determination; *provided* that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action only Notes that a Responsible Officer actually knows are so owned shall be so disregarded. Notes so owned that have been pledged in good faith may be regarded as outstanding for the purposes of this Section 8.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to so act with respect to such Notes and that the pledgee is not the Company, a Subsidiary thereof or a Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or a Subsidiary thereof. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Notes, if any, known by the Company to be owned or held by or for the account of any of the above described Persons; and, subject to Section 7.01, the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

*Section 8.05 Revocation of Consents; Future Holders Bound*. At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the Holders of the percentage of the aggregate principal amount of the Notes specified in this Indenture in connection with such action, any Holder of a Note that is shown by the evidence to be included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor or upon registration of transfer thereof, irrespective of whether any notation in regard thereto is made upon such Note or any Note issued in exchange or substitution therefor or upon registration of transfer thereof.

## Article 9
## Holders' Meetings

*Section 9.01 Purpose of Meetings*. A meeting of Holders may be called at any time and from time to time pursuant to the provisions of this Article 9 for any of the following purposes:

(a) to give any notice to the Company or to the Trustee or to give any directions to the Trustee permitted under this Indenture, or to consent to the waiving of any Default or Event of Default hereunder (in each case, as permitted under this Indenture) and its consequences, or to take any other action authorized to be taken by Holders pursuant to any of the provisions of Article 6;

(b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article 7;

(c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or

(d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Notes under any other provision of this Indenture or under applicable law.

*Section 9.02 Call of Meetings by Trustee*. The Trustee may at any time call a meeting of Holders to take any action specified in Section 9.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 8.01, shall be mailed to Holders of such Notes at their addresses as they shall appear on the Note Register. Such notice shall also be mailed to the Company. Such notices shall be mailed not less than 20 nor more than 90 days prior to the date fixed for the meeting.

Any meeting of Holders shall be valid without notice if the Holders of all Notes then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Notes then outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

*Section 9.03 Call of Meetings by Company or Holders*. In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% of the aggregate principal amount of the Notes then outstanding, shall have requested the Trustee to call a meeting of Holders, by written request setting forth in reasonable detail the action proposed to be

taken at the meeting, and the Trustee shall not have mailed the notice of such meeting within 20 days after receipt of such request, then the Company or such Holders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 9.01, by mailing notice thereof as provided in Section 9.02.

*Section 9.04 Qualifications for Voting*. To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Notes on the record date pertaining to such meeting or (b) be a Person appointed by an instrument in writing as proxy by a Holder of one or more Notes on the record date pertaining to such meeting. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

*Section 9.05 Regulations*. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders, in regard to proof of the holding of Notes and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 9.03, in which case the Company or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in aggregate principal amount of the Notes represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 8.04, at any meeting of Holders each Holder or proxyholder shall be entitled to one vote for each $1,000 principal amount of Notes held or represented by him or her; *provided*, *however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Notes held by it or instruments in writing as aforesaid duly designating it as the proxy to vote on behalf of other Holders. Any meeting of Holders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of Notes represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

*Section 9.06 Voting*. The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the outstanding aggregate principal amount of the Notes held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 9.02. The record shall show the aggregate principal amount of the Notes voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

*Section 9.07 No Delay of Rights by Meeting.* Nothing contained in this Article 9 shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Holders under any of the provisions of this Indenture or of the Notes.

## Article 10
## Supplemental Indentures

*Section 10.01 Supplemental Indentures Without Consent of Holders*. Notwithstanding anything to the contrary in this Indenture or the Notes, the Company, when authorized by the resolutions of the Board of Directors and the Trustee, at the Company's expense, may from time to time and at any time enter into an indenture or indentures supplemental hereto for one or more of the following purposes:

(a) to add guarantees with respect to the Notes or to secure the Notes;

(b) to evidence the assumption by a Successor Entity of the obligations of the Company under this Indenture pursuant to Article 11;

(c) in connection with any Share Exchange Event, to provide that the notes are convertible into Reference Property, subject to the provisions of Section 13.02, and make such related changes to the terms of the Notes to the extent expressly required by Section 13.07;

(d) to irrevocably elect one Settlement Method or irrevocably eliminate one or more Settlement Methods or irrevocably elect a Specified Dollar Amount to be applicable to Combination Settlements; *provided*, *however*, that no such election or elimination shall affect any Settlement Method theretofore elected (or deemed to be elected) with respect to the conversion of any Note pursuant to the provisions of Article 13;

(e) to surrender any right or power herein conferred upon the Company;

(f) to add to the covenants or Events of Default of the Company for the benefit of the Holders;

(g) to cure any ambiguity or correct or supplement any defect or inconsistency in this Indenture, *provided* that such action shall not adversely affect the interests of the Holders of the Notes in any material respect;

(h) to modify or amend the Indenture to permit the qualification of the Indenture or any indenture supplemental thereto under the Trust Indenture Act;

(i) to establish the form of the Notes, if issued in definitive form;

(j) to evidence the acceptance of the appointment under this Indenture of a successor Trustee in accordance with the terms of this Indenture;

(k) to conform, as necessary, the provisions of this Indenture or the Notes to the "Description of notes" section of the Offering Memorandum, as set forth in an Officer's Certificate;

(l) to provide for conversion rights of Holders of Notes if any reclassification or change of the Common Stock or any merger, consolidation or sale of all or substantially all of the Company's assets occurs; or

(m) to change the Conversion Rate in accordance with this Indenture.

Upon the written request of the Company, the Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 10.01 may be executed by the Company and the Trustee without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 10.02.

*Section 10.02 Supplemental Indentures with Consent of Holders*. With the consent (evidenced as provided in Article 8) of the Holders of at least a majority of the aggregate principal amount of the Notes then outstanding (determined in accordance with Article 8 and including, without limitation, consents obtained in connection with a repurchase of, or tender or exchange offer for, Notes), the Company, when authorized by the resolutions of the Board of Directors and the Trustee, at the Company's expense, may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or of modifying in any manner the rights of the Holders; *provided*, *however*, that, without the consent of each Holder of an outstanding Note affected, no such supplemental indenture shall:

(a) reduce the principal amount of, or change the Maturity Date or an Interest Payment Date of, any Note;

(b) reduce or alter the manner of calculating the interest rate or extend the stated time for payment of interest on any Note;

(c) reduce the Redemption Price or the Fundamental Change Repurchase Price of any Note, or change the time at which or circumstances under which any Note may or shall be repurchased or redeemed;

(d) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(e) change the currency of payment of the Notes or interest on any Note;

(f) make any change that adversely affects the repurchase option of a Holder pursuant to Article 14 or the right of a Holder to convert any Note or reduce the consideration receivable upon conversion of any Note except as otherwise permitted by the Indenture;

(g) change the Company's obligation to maintain an office or agency as described in Section 4.02;

(h) modify any of the provisions of this Article 10, or reduce the percentage of the aggregate principal amount of outstanding Notes required to amend, modify or supplement the Indenture or the Notes or waive an Event of Default, except to provide that certain other

provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby; or

(i) reduce the percentage of Notes whose Holders must consent to an amendment.

Upon the written request of the Company, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid and subject to Section 10.05, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

Holders do not need under this Section 10.02 to approve the particular form of any proposed supplemental indenture. It shall be sufficient if such Holders approve the substance thereof. After any such supplemental indenture under Section 10.01 or under this Section 10.02 becomes effective, the Company shall mail to the Holders a notice briefly describing such supplemental indenture. However, the failure to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of the supplemental indenture.

*Section 10.03 Effect of Supplemental Indentures*. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10, this Indenture and the Notes shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the Holders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

*Section 10.04 Notation on Notes*. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may, at the Company's expense, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may, at the Company's expense, be prepared and executed by the Company, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 16.10) and delivered in exchange for the Notes then outstanding, upon surrender of such Notes then outstanding.

*Section 10.05 Evidence of Compliance of Supplemental Indenture to Be Furnished to Trustee*. In addition to the documents required by Section 16.05, the Trustee shall receive an Officer's Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto is permitted or authorized by this Indenture.

## Article 11
## Consolidation, Merger, Sale, Conveyance and Lease

*Section 11.01 Company May Consolidate, Etc. on Certain Terms.* Subject to the provisions of Section 11.02, the Company shall not consolidate with or merge with or into any other Person or convey, transfer, sell, lease or otherwise dispose of all or substantially all of its assets to another Person, unless:

(a) the resulting, surviving or transferee Person (the "**Successor Entity**") shall be a corporation (or, if such transaction is an Exempted Fundamental Change, shall be a corporation,

limited liability company, limited partnership or other similar entity) organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and the Successor Entity (if not the Company) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all of the obligations of the Company under the Notes and this Indenture; and

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing under this Indenture.

For purposes of this Section 11.01, the conveyance, transfer, sale, lease or other disposition of all or substantially all of the assets of one or more Subsidiaries of the Company to another Person, which assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the assets of the Company on a consolidated basis, shall be deemed to be the conveyance, transfer, sale, lease or other disposition of all or substantially all of the assets of the Company to another Person. The provisions of this Article 11 shall not apply to the Company's conveyance, transfer, sale, lease or other disposition of all or substantially all of its assets to solely one or more of the Company's Wholly Owned Subsidiaries.

*Section 11.02 Successor Entity to Be Substituted.* In case of any such consolidation, merger, conveyance, transfer, sale, lease or other disposition and upon the assumption by the Successor Entity, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and accrued and unpaid interest on all of the Notes, the due and punctual delivery or payment, as the case may be, of any consideration due upon conversion of the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Company, such Successor Entity (if not the Company) shall succeed to and, except in the case of a lease of all or substantially all of the Company's assets, shall be substituted for the Company, with the same effect as if it had been named herein as the party of the first part. Such Successor Entity thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Entity instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Notes that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Notes that such Successor Entity thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Notes so issued shall in all respects have the same legal rank and benefit under this Indenture as the Notes theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Notes had been issued at the date of the execution hereof. In the event of any such consolidation, merger, conveyance, transfer, sale or other disposition (but not in the case of a lease), upon compliance with this Article 11 the Person named as the "Company" in the first paragraph of this Indenture (or any successor that shall thereafter have become such in the manner prescribed in this Article 11) may be dissolved, wound up and liquidated at any time thereafter and, except in the case of a lease, such Person shall be released from its liabilities as obligor and maker of the Notes and from its obligations under this Indenture and the Notes.

In case of any such consolidation, merger, conveyance, transfer, sale, lease or other disposition, such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

*Section 11.03 Opinion of Counsel to Be Given to Trustee.* No such consolidation, merger, conveyance, transfer, sale, lease or other disposition shall be effective unless the Trustee shall receive an Officer's Certificate and an Opinion of Counsel as conclusive evidence that any such consolidation, merger, conveyance, transfer, sale, lease or other disposition and any such

assumption and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, complies with the provisions of this Article 11.

## Article 12
## Immunity of Incorporators, Stockholders, Officers and Directors

*Section 12.01 Indenture and Notes Solely Corporate Obligations*. No recourse for the payment of the principal of or accrued and unpaid interest on any Note, nor for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in this Indenture or in any supplemental indenture or in any Note, nor because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, Officer or director or Subsidiary, as such, past, present or future, of the Company or of any successor entity, either directly or through the Company or any successor entity, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Notes.

## Article 13
## Conversion of Notes

*Section 13.01 Conversion Privilege.*

(a) Subject to and upon compliance with the provisions of this Article 13, each Holder of a Note shall have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is $1,000 principal amount or an integral multiple thereof) of such Note (i) subject to satisfaction of the conditions described in Section 13.01(b), at any time prior to the close of business on the Business Day immediately preceding October 15, 2028 under the circumstances and during the periods set forth in Section 13.01(b), and (ii) regardless of the conditions described in Section 13.01(b), on or after October 15, 2028 and prior to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, in each case, at an initial conversion rate of 9.2259 shares of Common Stock (subject to adjustment as provided in this Article 13, the "**Conversion Rate**") per $1,000 principal amount of Notes (subject to, and in accordance with, the settlement provisions of Section 13.02, the "**Conversion Obligation**").

(b) (i) Prior to the close of business on the Business Day immediately preceding October 15, 2028, a Holder may surrender all or any portion of its Notes for conversion at any time during the five Business Day period immediately after any ten consecutive Trading Day period (the "**Measurement Period**") in which the Trading Price per $1,000 principal amount of Notes, as determined following a request by a Holder of Notes in accordance with this subsection (b)(i), for each Trading Day of the Measurement Period was less than 98% of the product of the Closing Price of the Common Stock and the Conversion Rate on each such Trading Day. The Trading Prices shall be determined by the Bid Solicitation Agent pursuant to this subsection (b)(i) and the definition of Trading Price set forth in this Indenture. Unless the Company is acting as Bid Solicitation Agent, the Company shall provide written notice to the Bid Solicitation Agent of the three independent nationally recognized securities dealers selected by the Company pursuant to the definition of Trading Price, along with appropriate contact information for each. The Bid Solicitation Agent (if not the Company) shall have no obligation to determine the Trading Price per $1,000 principal amount of Notes unless the Company has requested such determination, and the Company shall have no obligation to make such request (or, if the Company is acting as Bid Solicitation Agent, the Company shall have no obligation to determine

the Trading Price per $1,000 principal amount of Notes) unless a Holder provides the Company with reasonable evidence that the Trading Price per $1,000 principal amount of Notes would be less than 98% of the product of the Closing Price of the Common Stock and the Conversion Rate, at which time the Company shall (if the Company is acting as Bid Solicitation Agent) or the Company shall instruct the Bid Solicitation Agent (if the Company is not acting as Bid Solicitation Agent), in writing, to determine the Trading Price per $1,000 principal amount of Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price per $1,000 principal amount of Notes is greater than or equal to 98% of the product of the Closing Price of the Common Stock and the Conversion Rate. If the Company does not instruct the Bid Solicitation Agent in writing to determine the Trading Price per $1,000 principal amount of Notes when obligated as provided in the preceding sentence, or if the Company instructs the Bid Solicitation Agent in writing to obtain bids and the Bid Solicitation Agent fails to make such determination, or if the Company is acting as Bid Solicitation Agent and the Company fails to determine the Trading Price per $1,000 principal amount of Notes when the Company is required to do so, then, in each case, the Trading Price per $1,000 principal amount of Notes shall be deemed to be less than 98% of the product of the Closing Price of the Common Stock and the Conversion Rate on each Trading Day of such failure. In the event that the Company is not acting as Bid Solicitation Agent and the Bid Solicitation Agent is required to determine the Trading Price, but cannot, in its own determination, act in such capacity, the Bid Solicitation Agent shall notify the Company and the Company shall promptly appoint a substitute Bid Solicitation Agent. If the Trading Price condition set forth above has been met, the Company shall so notify the Trustee and the Conversion Agent (if other than the Trustee) in accordance with Section 16.03 and shall so notify the Holders by issuing a press release or providing notice on the Company's website and, in respect of Global Notes, shall provide notice through the Depositary in accordance with the procedures thereof. If, at any time after the Trading Price condition set forth above has been met, the Trading Price per $1,000 principal amount of Notes is greater than or equal to 98% of the product of the Closing Price of the Common Stock and the Conversion Rate for such date, the Company shall so notify the Holders of the Notes, the Trustee and the Conversion Agent (if other than the Trustee) as described in the preceding sentence.

(ii) If, prior to the close of business on the Business Day immediately preceding October 15, 2028, the Company elects to:

(A) distribute to all holders of the Common Stock any rights or warrants (other than any issuance of rights, options or warrants issued under a shareholder rights plan that are (1) transferable with shares of the Common Stock, including upon conversion of a Note, and (2) not exercisable until the occurrence of a Trigger Event; *provided* that any such rights, options or warrants will be deemed distributed under this Section 13.01(b)(ii)(A) upon the separation of such rights, options or warrants from the Common Stock, or upon the occurrence of a Trigger Event) entitling them to purchase, for a period of not more than 45 calendar days after the Ex-Dividend Date for such distribution, shares of the Common Stock at a price per share that is less than the average of the Closing Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution; or

(B) distribute to all holders of the Common Stock the Company's assets (including cash), debt securities or rights or warrants to purchase securities of the Company, which distribution has a per share value, as determined by the Board of Directors, exceeding 10% of the Closing Price of the Common Stock on the

Trading Day immediately preceding the date of announcement for such distribution,

then, in either case, the Company shall notify all Holders of the Notes and, in writing, the Trustee and the Conversion Agent (if other than the Trustee), at least 50 Scheduled Trading Days prior to the Ex-Dividend Date for such distribution. Notwithstanding anything to the contrary in the preceding sentence, if the Company is then otherwise permitted to settle conversions by Physical Settlement (and, for the avoidance of doubt, the Company has not elected another Settlement Method to apply, including pursuant to Section 13.02(a)(iii)), then the Company may instead elect to provide such notice at least 10 Scheduled Trading Days before such Ex-Dividend Date, in which case the Company shall be required to settle all conversions with a Conversion Date occurring on or after the date the Company provides such notice and on or before the Business Day immediately preceding the Ex-Dividend Date for such distribution (or any earlier announcement that such distribution will not take place) by Physical Settlement, and the Company shall describe the same in the notice. Notwithstanding anything to the contrary in this Indenture or the Notes, in the case of any separation of rights, options or warrants or the occurrence of a Trigger Event of the type described in Section 13.01(b)(ii)(A), the Company shall not be required to provide any related notice of convertibility pursuant to the preceding provisions before the Business Day after the first date on which the Company becomes aware that such separation or Trigger Event has occurred.

The Company shall notify the Holders of the Notes if the Notes become convertible pursuant to this Section 13.01(b)(ii) by issuing a press release or providing a notice on the Company's website and, in respect of Global Notes, shall provide notice through the Depositary in accordance with the procedures thereof. Once the Company has given such notice, a Holder may surrender all or any portion of its Notes for conversion at any time until the earlier of (1) the close of business on the Business Day immediately preceding the Ex-Dividend Date for such distribution and (2) the Company's announcement that such distribution will not take place, in each case, even if the Notes are not otherwise convertible at such time; *provided* that no Holder of a Note shall have the right to convert if the Holder otherwise would participate in such distribution without conversion in respect of Notes held by such Holder as if such Holder held a number of shares of Common Stock equal to the Conversion Rate for each $1,000 principal amount of Notes it holds.

(iii) If a transaction or event that constitutes a Fundamental Change or a Make-Whole Fundamental Change occurs prior to the close of business on the Business Day immediately preceding October 15, 2028, or if the Company is a party to a Share Exchange Event (other than a Share Exchange Event that is solely to change the jurisdiction of the Company's organization and that does not constitute a Fundamental Change or a Make-Whole Fundamental Change) that occurs prior to the close of business on the Business Day immediately preceding October 15, 2028 (each such Fundamental Change, Make-Whole Fundamental Change or Share Exchange Event, a "**Corporate Event**"), in each case, regardless of whether a Holder has the right to require the Company to repurchase the Notes pursuant to Section 14.01, all or any portion of a Holder's Notes may be surrendered for conversion at any time from the effective date of such Corporate Event until 35 Trading Days after such effective date or, if such Corporate Event constitutes a Fundamental Change (other than an Exempted Fundamental Change), until the related Fundamental Change Repurchase Date. The Company shall notify Holders and, in writing, the Trustee and the Conversion Agent (if other than the Trustee) of any Corporate Event and the corresponding right to convert the Notes no later than the Business Day following the effective date of such Corporate Event. Such notice to the Holders shall be given by issuing a press release or providing a

notice on the Company's website and, in respect of Global Notes, through the Depositary in accordance with the procedures thereof.

(iv) Prior to the close of business on the Business Day immediately preceding October 15, 2028, a Holder may surrender all or any portion of its Notes for conversion at any time during any fiscal quarter commencing after the fiscal quarter ending on June 30, 2023 (and only during such fiscal quarter), if the Closing Price of the Common Stock for at least 20 Trading Days (whether or not consecutive) during the period of 30 consecutive Trading Days ending on, and including, the last Trading Day of the immediately preceding fiscal quarter is greater than or equal to 130% of the Conversion Price on each applicable Trading Day.

(v) If the Company calls any Notes for Optional Redemption pursuant to Article 15, then a Holder may surrender all or any portion of such Notes called for Optional Redemption (including, for the avoidance of doubt, any such Notes deemed called pursuant to the third paragraph of Section 15.02(d)) for conversion at any time prior to the close of business on the second Business Day immediately preceding the related Redemption Date, even if the Notes are not otherwise convertible at such time. After that time, the right to convert any such Notes pursuant to this subsection (b)(v) shall expire, unless the Company defaults in the payment of the Redemption Price, in which case a Holder of such Notes may convert all or any portion of such Notes until the Business Day immediately preceding the date on which the Redemption Price has been paid or duly provided for.

*Section 13.02 Conversion Procedure; Settlement Upon Conversion.*

(a) Subject to this Section 13.02, Section 13.03(b) and Section 13.07(a), upon conversion of any Note, the Company shall pay or deliver, as the case may be, to the converting Holder, in respect of each $1,000 principal amount of Notes being converted, cash ("**Cash Settlement**"), shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 13.02 ("**Physical Settlement**") or a combination of cash and shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 13.02 ("**Combination Settlement**"), at its election, as set forth in this Section 13.02.

(i) All conversions for which the relevant Conversion Date occurs on or after the Company's issuance of a Redemption Notice with respect to the Notes and on or prior to the second Business Day immediately preceding the related Redemption Date, all conversions for which the relevant Conversion Date occurs on or after October 15, 2028 and all conversions for which the Company has irrevocably elected to fix the Settlement Method to Physical Settlement pursuant to Section 13.01(b)(ii) shall be settled using the same Settlement Method.

(ii) Except for any conversions for which the relevant Conversion Date occurs after the Company's issuance of a Redemption Notice with respect to the Notes and on or prior to the second Business Day immediately preceding the related Redemption Date, any conversions for which the relevant Conversion Date occurs on or after October 15, 2028 and any conversions for which the Company has irrevocably elected to fix the Settlement Method to Physical Settlement pursuant to Section 13.01(b)(ii), the Company shall use the same Settlement Method for all conversions with the same Conversion Date, but the Company shall not have any obligation to use the same Settlement Method with respect to conversions with different Conversion Dates.

(iii) If, in respect of any Conversion Date (or the period described in the third immediately succeeding set of parentheses, as the case may be), the Company elects to deliver a notice (the "**Settlement Notice**") of the relevant Settlement Method in respect of such Conversion Date (or such period, as the case may be), the Company shall inform the Trustee and, through the Trustee, shall deliver such Settlement Notice to converting Holders no later than the close of business on the first VWAP Trading Day immediately following the relevant Conversion Date (or, in the case of any conversions for which the relevant Conversion Date occurs (x) on or after the date of issuance of a Redemption Notice with respect to the Notes and on or before the second Business Day immediately preceding the related Redemption Date, in such Redemption Notice or (y) on or after October 15, 2028, no later than October 15, 2028). With respect to any conversion, if the Company does not elect a Settlement Method prior to the deadline set forth in the immediately preceding sentence, then the Company shall be deemed to have elected the Default Settlement Method with respect to such conversion. If the Company chooses Combination Settlement, it will specify the applicable Specified Dollar Amount. However, if the Company delivers a Settlement Notice electing Combination Settlement in respect of its Conversion Obligation but does not indicate a Specified Dollar Amount per $1,000 principal amount of Notes in such Settlement Notice, the Specified Dollar Amount per $1,000 principal amount of Notes shall be deemed to be $1,000. For the avoidance of doubt, the Company's failure to timely elect a Settlement Method or specify the applicable Specified Dollar Amount will not constitute a Default under this Indenture. Notwithstanding anything to the contrary herein, if the Company calls any Notes for redemption pursuant to Article 15 and the related Redemption Date is on or after October 15, 2028, then the Settlement Method that shall apply to all conversions with a Conversion Date that occurs on or after the date the Company sends the related Redemption Notice and on or before the second Business Day immediately preceding the such Redemption Date shall be set forth in such Redemption Notice and shall be the same Settlement Method that applies to all conversions with a Conversion Date that occurs on or after October 15, 2028.

The Company may, from time to time, change the Default Settlement Method prior to October 15, 2028 by sending notice of the new Default Settlement Method to the Holders (with a copy to the Trustee and the Conversion Agent); and the Company may, by notice to the Holders prior to October 15, 2028 (with a copy to the Trustee and the Conversion Agent), elect to irrevocably fix the Settlement Method or to irrevocably elect Combination Settlement and eliminate a Specified Dollar Amount or range of Specified Dollar Amounts, *provided* the Company is then otherwise permitted to elect the applicable Settlement Method(s). If the Company makes such an irrevocable election, then such election shall apply to all conversions of Notes with a Conversion Date that is on or after the date the Company sends such notice. In addition, if the Company irrevocably elects Combination Settlement and eliminates a Specified Dollar Amount or range of Specified Dollar Amounts, then the Company shall, if needed, simultaneously change the Default Settlement Method to Combination Settlement with a Specified Dollar Amount that is consistent with such irrevocable election. However, in all cases, no such irrevocable election or change of Default Settlement Method, as the case may be, will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to this Indenture. For the avoidance of doubt, any such irrevocable election, if made, will be effective without the need to amend this Indenture or the Notes, including pursuant to Section 10.01(d) (but the Company may nonetheless choose to execute such an amendment at its option). If the Company changes the Default Settlement Method, if the Company irrevocably fixes the Settlement Method or if the Company irrevocably elects Combination Settlement and eliminates a Specified Dollar Amount or range of Specified Dollar Amounts, in each case, pursuant to this paragraph, then promptly (but in any event within two (2) Business Days of providing notice to

Holders of such change or election) the Company shall either post the Default Settlement Method or such irrevocable election, as the case may be, on its website or disclose the same in a current report on Form 8-K (or any successor form) that is filed with, or furnished to, the Commission.

(iv) The cash, shares of Common Stock or combination of cash and shares of Common Stock in respect of any conversion of Notes (the "**Settlement Amount**") shall be computed as follows:

(A) if Physical Settlement applies, the Company shall deliver to the converting Holder in respect of each $1,000 principal amount of Notes being converted a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date (*provided* that the Company shall deliver cash in lieu of fractional shares as described in Section 13.02(j));

(B) if Cash Settlement applies, the Company shall pay to the converting Holder in respect of each $1,000 principal amount of Notes being converted cash in an amount equal to the sum of the Daily Conversion Values for each of the 40 consecutive VWAP Trading Days during the related Conversion Reference Period; and

(C) if Combination Settlement applies, the Company shall pay or deliver, as the case may be, in respect of each $1,000 principal amount of Notes being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each of the 40 consecutive VWAP Trading Days during the related Conversion Reference Period.

(v) The Daily Settlement Amounts (if applicable) and the Daily Conversion Values (if applicable) shall be determined by the Company promptly following the last day of the Conversion Reference Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional share of Common Stock, the Company shall notify the Trustee and the Conversion Agent (if other than the Trustee) in writing of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering fractional shares of Common Stock. The Trustee and the Conversion Agent (if other than the Trustee) shall have no responsibility for any such determination.

(b) Subject to Section 13.02(e), before any Holder of a Note shall be entitled to convert a Note as set forth above, such Holder shall (i) in the case of a Physical Note (1) complete, manually sign and deliver an irrevocable notice to the Conversion Agent as set forth in the Form of Notice of Conversion (or a facsimile thereof) (a "**Notice of Conversion**") at the office of the Conversion Agent and state in writing therein the principal amount of Notes to be converted and the name or names (with addresses) in which such Holder wishes the certificate or certificates for any shares of Common Stock to be delivered upon settlement of the Conversion Obligation to be registered, (2) surrender such Notes, duly endorsed to the Company or in blank (and accompanied by appropriate endorsement and transfer documents), at the office of the Conversion Agent, (3) if required, furnish appropriate endorsements and transfer documents, (4) if required, pay all transfer or similar taxes as set forth in Section 13.02(d) and Section 13.02(e) and (5) if required, pay funds equal to interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in Section 13.02(h) and (ii) in the case of a Global Note, comply with the procedures of the Depositary in effect at that time and comply with

Section 13.02(b)(3), (4) and (5). The Trustee (and if different, the Conversion Agent) shall notify the Company of any conversion pursuant to this Article 13 on the Conversion Date for such conversion. No Notice of Conversion with respect to any Notes may be surrendered by a Holder thereof if such Holder has also delivered a Fundamental Change Repurchase Notice to the Company in respect of such Notes and has not validly withdrawn such Fundamental Change Repurchase Notice in accordance with Section 14.02. A Holder of a Note may obtain copies of the required Form of Notice of Conversion from the Conversion Agent.

If more than one Note shall be surrendered for conversion at one time by the same Holder, the Conversion Obligation with respect to such Notes shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted thereby) so surrendered.

(c) A Note shall be deemed to have been converted immediately prior to the close of business on the date (the "**Conversion Date**") that the Holder has complied with the requirements set forth in subsection (b) above. Except as set forth in Section 13.03(b) and Section 13.07(a), the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the second Business Day immediately following the relevant Conversion Date, if the Company elects Physical Settlement, or on the second Business Day immediately following the last VWAP Trading Day of the Conversion Reference Period, in the case of any other Settlement Method. If any shares of Common Stock are due to converting Holders, the Company shall issue or cause to be issued, and deliver to the Conversion Agent or to such Holder, or such Holder's nominee or nominees, a book-entry transfer of such shares of Common Stock through the Depositary for the full number of shares of Common Stock to which such Holder shall be entitled in satisfaction of the Company's Conversion Obligation.

(d) In case any Note shall be surrendered for partial conversion, the Company shall execute and the Trustee shall authenticate and deliver to or upon the written order of the Holder of the Note so surrendered a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Note, without payment of any service charge by the converting Holder but, if required by the Company or Trustee, with payment of a sum sufficient to cover any documentary, stamp or similar issue or transfer tax or similar governmental charge required by law or that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such conversion being different from the name of the Holder of the old Notes surrendered for such conversion.

(e) If a Holder submits a Note for conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of any shares of Common Stock upon conversion, unless the tax is due because the Holder requests such shares to be issued in a name other than the Holder's name, in which case the Holder shall pay that tax. The Conversion Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder's name until the Trustee receives a sum sufficient to pay any tax that is due by such Holder in accordance with the immediately preceding sentence.

(f) Except as provided in Section 13.04, no adjustment shall be made for dividends on any shares of Common Stock issued upon the conversion of any Note as provided in this Article 13.

(g) Upon the conversion of an interest in a Global Note, the Trustee, or the Custodian at the direction of the Trustee, shall make a notation on such Global Note as to the reduction in the principal amount represented thereby. The Company shall notify the Trustee in writing of any conversion of Notes effected through any Conversion Agent other than the Trustee.

(h) Upon conversion, a Holder shall not receive any separate cash payment for accrued and unpaid interest, if any, except as set forth below. The Company's settlement of the full Conversion Obligation shall be deemed to satisfy in full its obligation to pay the principal amount of the Note and accrued and unpaid interest, if any, to, but not including, the relevant Conversion Date. As a result, accrued and unpaid interest, if any, to, but not including, the relevant Conversion Date shall be deemed to be paid in full rather than cancelled, extinguished or forfeited. Upon a conversion of Notes into a combination of cash and shares of Common Stock, accrued and unpaid interest will be deemed to be paid first out of the cash paid upon such conversion. Notwithstanding the foregoing, if Notes are converted with a Conversion Date occurring after a Regular Record Date but prior to the next Interest Payment Date, Holders of such Notes as of the close of business on such Regular Record Date will receive, on or, at the Company's election, before such Interest Payment Date, the full amount of interest payable on such Notes on such Interest Payment Date notwithstanding the conversion. Notes that are converted with a Conversion Date occurring after a Regular Record Date bur prior to the next Interest Payment Date, upon their surrender for such conversion, must be accompanied by funds equal to the amount of interest payable on such Notes so converted on such Interest Payment Date; *provided* that no such payment shall be required (1) if such Conversion Date is after the Regular Record Date immediately preceding the Maturity Date; (2) if the Company has specified a Redemption Date that is after such Regular Record Date and on or prior to the second Business Day immediately following such Interest Payment Date; (3) if the Company has specified a Fundamental Change Repurchase Date that is after such Regular Record Date and on or prior to the Business Day immediately following such Interest Payment Date; or (4) to the extent of any Defaulted Amounts, if any Defaulted Amounts exist at the time of conversion with respect to such Notes. Therefore, for the avoidance of doubt, all Holders of record as of the close of business on the Regular Record Date immediately preceding the Maturity Date shall receive the full interest payment due on the Maturity Date regardless of whether their Notes have been converted following such Regular Record Date.

(i) The Person in whose name the shares of Common Stock shall be issuable upon conversion shall become the stockholder of record as of the close of business on the relevant Conversion Date (if the Company elects to satisfy the related Conversion Obligation by Physical Settlement) or the last VWAP Trading Day of the relevant Conversion Reference Period (if the Company elects to satisfy the related Conversion Obligation by Combination Settlement), as the case may be. Upon a conversion of Notes, such Person shall no longer be a Holder of such Notes surrendered for conversion.

(j) The Company shall not issue any fractional share of Common Stock upon conversion of the Notes and shall instead pay cash in lieu of delivering any fractional share of Common Stock issuable upon conversion based on the Daily VWAP for the relevant Conversion Date (in the case of Physical Settlement) or based on the Daily VWAP for the last VWAP Trading Day of the relevant Conversion Reference Period (in the case of Combination Settlement). For each Note surrendered for conversion, if the Company has elected Combination Settlement, the full number of shares that shall be issued upon conversion thereof shall be computed on the basis of the aggregate Daily Settlement Amounts for the relevant Conversion Reference Period and any fractional shares remaining after such computation shall be paid in cash.

*Section 13.03 Increased Conversion Rate Applicable to Certain Notes Surrendered in Connection with Make-Whole Fundamental Changes or a Redemption Notice.*

(a) If (i) (A) the Effective Date of a Make-Whole Fundamental Change occurs prior to the Maturity Date or (B) the Company delivers a Redemption Notice with respect to any Notes pursuant to Section 15.02 and, in each case, (ii) a Holder elects to convert its Notes in connection with such Make-Whole Fundamental Change or a Holder of any Notes called for redemption

pursuant to such Redemption Notice (including, for the avoidance of doubt, any Notes deemed called for redemption pursuant to the third paragraph of Section 15.02(d)) converts such Notes in connection with such Redemption Notice, as applicable, the Company shall, under the circumstances described below, increase the Conversion Rate for the Notes so surrendered for conversion by a number of additional shares of Common Stock (the "**Additional Shares**"), as provided below. A conversion of Notes shall be deemed for these purposes to be "in connection with" such Make-Whole Fundamental Change if the relevant Conversion Date occurs during the period from, and including, the Effective Date of the Make-Whole Fundamental Change up to, and including, the Business Day immediately prior to the related Fundamental Change Repurchase Date (or, in the case of an Exempted Fundamental Change or a Make-Whole Fundamental Change that would have been a Fundamental Change but for the *proviso* in clause (b) of the definition thereof, the 35th Trading Day immediately following the Effective Date of such Make-Whole Fundamental Change). A conversion of Notes called (or deemed called) for Optional Redemption shall be deemed for these purposes to be "in connection with" the related Redemption Notice if the relevant Conversion Date occurs during the period from, and including, the date of such Redemption Notice to, and including, the second Business Day immediately preceding the related Redemption Date.

(b) Upon surrender of Notes for conversion in connection with a Make-Whole Fundamental Change pursuant to Section 13.01(b)(iii) or a Redemption Notice pursuant to Section 13.01(b)(v), the Company shall, at its option, satisfy the related Conversion Obligation by Physical Settlement, Cash Settlement or Combination Settlement in accordance with Section 13.02; *provided*, *however*, that if, following a Make-Whole Fundamental Change described in clause (b) of the definition of Fundamental Change, the Reference Property is composed entirely of cash, for any conversion of Notes following the Effective Date of such Make-Whole Fundamental Change, the Conversion Obligation shall be calculated based solely on the Stock Price for the transaction and shall be deemed to be an amount of cash per $1,000 principal amount of converted Notes equal to the Conversion Rate (including any adjustment for Additional Shares), *multiplied by* such Stock Price. In such event, the Conversion Obligation shall be paid to Holders in cash on the second Business Day following the Conversion Date. The Company shall notify the Holders of Notes of the Effective Date of any Make-Whole Fundamental Change and issue a press release announcing such Effective Date no later than fifteen days after such Effective Date.

(c) The number of Additional Shares, if any, by which the Conversion Rate shall be increased shall be determined by reference to the table below, based on the date on which the Make-Whole Fundamental Change occurs or becomes effective, or the date of the relevant Redemption Notice, as the case may be (such date, as applicable, the "**Effective Date**") and the price paid (or deemed to be paid) per share of the Common Stock in the Make-Whole Fundamental Change or determined with respect to the Optional Redemption, as the case may be (the "**Stock Price**"). If all holders of the Common Stock receive in exchange for their Common Stock only cash in a Make-Whole Fundamental Change described in clause (b) of the Fundamental Change definition, the Stock Price shall be the cash amount paid per share. Otherwise, the Stock Price shall be the average of the Closing Prices of the Common Stock on the five Trading Days immediately prior to, but not including, the applicable Effective Date. The Board of Directors shall make appropriate adjustments to the Stock Price, in its good faith determination, to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date (as such term is used in Section 13.04) or Expiration Date (as such term is used in Section 13.04) of the event occurs during such five consecutive Trading Day period.

(d) The Stock Prices set forth in the first row of the table below (i.e., the column headers) shall be adjusted as of any date on which the Conversion Rate of the Notes is adjusted as described in Section 13.04. The adjusted Stock Prices shall equal the Stock Prices applicable

immediately prior to such adjustment, *multiplied by* a fraction, the numerator of which is the Conversion Rate immediately prior to such adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of Additional Shares set forth in the table below shall be adjusted in the same manner and at the same time as the Conversion Rate as set forth in Section 13.04.

(e) The following table sets forth the number of Additional Shares of Common Stock by which the Conversion Rate shall be increased per $1,000 principal amount of Notes pursuant to this Section 13.03 for each Stock Price and Effective Date set forth below:

| | Stock Price | | | | | | | | | | | | | | |

The exact Stock Prices and Effective Dates may not be set forth in the table above, in which case:

(i) if the Stock Price is between two Stock Price amounts in the table above or the Effective Date is between two Effective Dates in the table, the number of Additional Shares shall be determined by straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Price amounts and the two Effective Dates, as applicable, based on a 365- or 366-day year, as applicable;

(ii) if the Stock Price is in excess of $900.00 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (d) above), no Additional Shares shall be added to the Conversion Rate; and

(iii) if the Stock Price is less than $72.26 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (d) above), no Additional Shares shall be added to the Conversion Rate.

Notwithstanding the foregoing, in no event shall the number of Shares of Common Stock issuable upon conversion exceed 13.8389 shares of Common Stock per $1,000 principal amount of Notes, subject to adjustment in the same manner as the Conversion Rate pursuant to Section 13.04.

For the avoidance of doubt, if the Company calls less than all of the outstanding Notes for Optional Redemption, then the Notes not selected for Optional Redemption will not be entitled to an increase to the Conversion Rate, pursuant to the provisions above, in connection with such Optional Redemption, except to the extent provided in the third paragraph of Section 15.02(d).

(f) Nothing in this Section 13.03 shall prevent an adjustment to the Conversion Rate pursuant to Section 13.04 in respect of a Make-Whole Fundamental Change.

*Section 13.04 Adjustment of Conversion Rate.* The Conversion Rate shall be adjusted from time to time by the Company if any of the following events occurs, except that the

Company shall not make any adjustments to the Conversion Rate if Holders of the Notes participate (other than in the case of (x) a share split or share combination or (y) a tender or exchange offer), at the same time and upon the same terms as holders of the Common Stock and solely as a result of holding the Notes, in any of the transactions described in this Section 13.04, without having to convert their Notes, as if they held a number of shares of Common Stock equal to the Conversion Rate immediately prior to the event that otherwise would result in an adjustment pursuant to this Section 13.04, *multiplied by* the principal amount (expressed in thousands) of Notes held by such Holder.

(a) If the Company issues shares of Common Stock as a dividend or distribution on shares of the Common Stock, or if the Company effects a share split or share combination, the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS'}{OS_0}$$

where,

$CR_0$ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date of such dividend or distribution, or immediately prior to the open of business on the Effective Date of such share split or share combination, as applicable;

CR' = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date or Effective Date;

$OS_0$ = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date, as applicable; and

OS' = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 13.04(a) shall become effective immediately after (x) the open of business on the Ex-Dividend Date for such dividend or distribution or (y) the open of business on the Effective Date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this Section 13.04(a) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Company distributes to all holders of the Common Stock any rights or warrants (other than rights issued pursuant to a shareholder rights plan) entitling them to purchase, for a period of not more than 45 calendar days after the Ex-Dividend Date of such distribution, shares of the Common Stock at a price per share that is less than the average of the Closing Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

$CR_0$ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CR' = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

$OS_0$ = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date;

X = the total number of shares of Common Stock issuable pursuant to such rights or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights or warrants, *divided by* the average of the Closing Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution.

Any increase made under this Section 13.04(b) shall be made successively whenever any such rights or warrants are distributed and shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. If any right or warrant described in this Section 13.04(b) is not exercised or converted prior to the expiration of the exercisability or convertibility thereof, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect if such right or warrant had not been so distributed. If such rights or warrants are not so distributed, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such Ex-Dividend Date for such distribution had not occurred.

For purposes of this Section 13.04(b) and for the purpose of Section 13.01(b)(ii)(A), in determining whether any rights or warrants entitle the holders to subscribe for or purchase shares of the Common Stock at less than such average of the Closing Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the declaration date for such distribution, and in determining the aggregate exercise or conversion price payable for such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights or warrants and any amount payable on exercise or conversion thereof, with the value of such consideration, if other than cash, to be determined in good faith by the Board of Directors.

(c) If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company or rights, options or warrants to acquire its Capital Stock or other securities, to all holders of the Common Stock, excluding (i) dividends or distributions referred to in Section 13.04(a) or Section 13.04(b), (ii) dividends or distributions paid exclusively in cash, (iii) rights issued pursuant to a shareholder rights plan, except to the extent set forth in Section 13.09, (iv) a distribution in exchange for or upon conversion of the Common Stock pursuant to a Share Exchange Event, as to which Section 13.07 shall apply and (v) Spin-Offs as to which the provisions set forth below in this Section 13.04(c) shall apply (any of such shares of Capital Stock, evidences of indebtedness or other assets or property or rights, options or warrants to acquire Capital Stock or other securities, the "**Distributed Property**"), then the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

$CR_0$ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CR' = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

$SP_0$ = the average of the Closing Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the fair market value (as determined in good faith by the Company) of the Distributed Property with respect to each outstanding share of the Common Stock on the Ex-Dividend Date for such distribution.

Any increase made under the portion of this Section 13.04(c) above shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if "FMV" (as defined above) is equal to or greater than "$SP_0$" (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, in respect of each $1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock receive the Distributed Property, the amount and kind of Distributed Property such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex-Dividend Date for the distribution. If the Board of Directors determines the "FMV" (as defined above) of any distribution for purposes of this Section 13.04(c) by reference to the actual or when-issued trading market for any securities, it shall in doing so consider the prices in such market over the same period used in computing the Closing Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution.

With respect to an adjustment pursuant to this Section 13.04(c) where there has been a payment of a dividend or other distribution on the Common Stock of shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company, that are, or, when issued, will be, listed or admitted for trading on a U.S. national securities exchange (a "**Spin-Off**"), the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

$CR_0$ = the Conversion Rate in effect immediately prior to the close of business on the last Trading Day of the Valuation Period;

$CR'$ = the Conversion Rate in effect immediately after the close of business on the last Trading Day of the Valuation Period;

$FMV_0$ = the average of the Closing Prices of the Capital Stock or similar equity interest distributed to holders of the Common Stock applicable to one share of the Common Stock (determined by reference to the definitions of Closing Price and Trading Day as set forth in Section 1.01, as if references therein to Common Stock were to such Capital Stock or similar equity interest) over the first 10 consecutive Trading Day period immediately following, and including, the Ex-Dividend Date of the Spin-Off (the "**Valuation Period**"); and

$MP_0$ = the average of the Closing Prices of the Common Stock over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall become effective immediately after the close of business on the last Trading Day of the Valuation Period; *provided* that (x) in respect of any conversion of Notes for which Physical Settlement is applicable, if the relevant Conversion Date occurs during the Valuation Period, the references to "10" or "tenth" in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such Conversion Date in determining the Conversion Rate as of such Conversion Date and (y) in respect of any conversion of Notes for which Cash Settlement or Combination Settlement is applicable, for any VWAP Trading Day that falls within the relevant Conversion Reference Period for such conversion and within the Valuation Period, the references to "10" or "tenth" in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such VWAP Trading Day in determining the Conversion Rate as of such VWAP Trading Day.

If any dividend or distribution described in this Section 13.04(c) is declared but not paid or made, the Conversion Rate shall be readjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

For purposes of this Section 13.04(c) (and subject in all respect to Section 13.09), rights, options or warrants distributed by the Company to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Company's Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events ("**Trigger Event**"): (i) are deemed to be transferred with such shares of the Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 13.04(c) (and no adjustment to the Conversion Rate under this Section 13.04(c) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 13.04(c). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Ex-Dividend Date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under

this Section 13.04(c) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Conversion Rate shall be readjusted as if such rights, options or warrants had not been distributed and (y) the Conversion Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options and warrants had not been distributed.

For purposes of Section 13.04(a), Section 13.04(b) and this Section 13.04(c), if any dividend or distribution to which this Section 13.04(c) is applicable also includes one or both of:

(A) a dividend or distribution of shares of Common Stock to which Section 13.04(a) is applicable (the "**Clause A Distribution**"); or

(B) a dividend or distribution of rights, options or warrants to which Section 13.04(b) is applicable (the "**Clause B Distribution**"),

then, in either case, (1) such dividend or distribution, other than the Clause A Distribution and the Clause B Distribution, shall be deemed to be a dividend or distribution to which this Section 13.04(c) is applicable (the "**Clause C Distribution**") and any Conversion Rate adjustment required by this Section 13.04(c) with respect to such Clause C Distribution shall then be made, and (2) the Clause A Distribution and Clause B Distribution shall be deemed to immediately follow the Clause C Distribution and any Conversion Rate adjustment required by Section 13.04(a) and Section 13.04(b) with respect thereto shall then be made, except that, if determined by the Company (I) the "Ex-Dividend Date" of the Clause A Distribution and the Clause B Distribution shall be deemed to be the Ex-Dividend Date of the Clause C Distribution and (II) any shares of Common Stock included in the Clause A Distribution or Clause B Distribution shall be deemed not to be "outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date" within the meaning of Section 13.04(a) or "outstanding immediately prior to the open of business on such Ex-Dividend Date" within the meaning of Section 13.04(b).

(d) If any cash dividend or distribution is made to all holders of the Common Stock, the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

$CR_0$ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution;

CR' = the Conversion Rate in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution;

$SP_0$ = the Closing Price of the Common Stock on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

C = the amount in cash per share the Company distributes to holders of the Common Stock.

Any increase pursuant to this Section 13.04(d) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution. If such dividend or distribution is declared but not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to pay or make such dividend or distribution, to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. Notwithstanding the foregoing, if "C" (as defined above) is equal to or greater than "$SP_0$" (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, for each $1,000 principal amount of Notes, at the same time and upon the same terms as holders of shares of the Common Stock, the amount of cash that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the Ex-Dividend Date for such cash dividend or distribution.

(e) If the Company or any of its Subsidiaries make a payment in respect of a tender offer or exchange offer for the Common Stock, to the extent that the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the Closing Price of the Common Stock on the Trading Day next succeeding the last date (such last date, the "**Expiration Date**") on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'}$$

where,

$CR_0$ = the Conversion Rate in effect immediately prior to the close of business on the tenth Trading Day immediately following such Expiration Date;

CR' = the Conversion Rate in effect immediately after the close of business on the tenth Trading Day immediately following such Expiration Date;

AC = the aggregate value of all cash and any other consideration (as determined in good faith by the Company) paid or payable for shares of Common Stock purchased in such tender or exchange offer;

$OS_0$ = the number of shares of Common Stock outstanding immediately prior to such Expiration Date (including the shares of Common Stock purchased or exchanged pursuant to such tender or exchange offer);

OS' = the number of shares of Common Stock outstanding immediately after such Expiration Date (excluding the shares of Common Stock purchased or exchanged pursuant to such tender or exchange offer); and

SP' = the average of the Closing Prices of the Common Stock over the 10 consecutive Trading Days commencing on, and including, the Trading Day next succeeding such Expiration Date.

The increase to the Conversion Rate under this Section 13.04(e) shall become effective immediately after the close of business on the tenth Trading Day immediately following such Expiration Date; *provided* that (x) in respect of any conversion of Notes for which Physical Settlement is applicable, if the relevant Conversion Date occurs during the 10 consecutive Trading Days immediately following, and including, the Trading Day next succeeding such Expiration Date, each reference to "10" or "tenth" in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding such Expiration Date to, and including, such Conversion Date in determining the Conversion Rate as of such Conversion Date; and (y) in respect of any conversion of Notes for which Cash Settlement or Combination Settlement is applicable, for any VWAP Trading Day that falls within the relevant Conversion Reference Period for such conversion and within the 10 Trading Days immediately following, and including, the Trading Day next succeeding such Expiration Date, each reference to "10" or "tenth" in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding such Expiration Date to, and including, such VWAP Trading Day in determining the Conversion Rate as of such VWAP Trading Day. If the Company or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender or exchange offer, but the Company or such Subsidiary is permanently prevented by applicable law from effecting all or any such purchases or all or any portion of such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made or had only been made in respect of the purchases that had been effected.

(f) Notwithstanding this Section 13.04 or any other provision of this Indenture or the Notes, if, in respect of any conversion of the Notes to which Physical Settlement applies or to which Combination Settlement applies and, on any VWAP Trading Day during the relevant Conversion Reference Period, shares of the Common Stock are deliverable as part of the Daily Settlement Amount for such VWAP Trading Day, any adjustment to the Conversion Rate described in clauses (a), (b), (c), (d) or (e) of this Section 13.04 becomes effective on any Ex-Dividend Date, and the Holder of such Notes would (i) receive shares of the Common Stock in respect of such conversion (in the case of Physical Settlement) or in respect of such VWAP Trading Day (in the case of Combination Settlement) based on an adjusted Conversion Rate and (ii) be a record holder of such shares of Common Stock as of the Record Date for the relevant dividend, distribution or other event giving rise to the adjustment to the Conversion Rate, then, notwithstanding the Conversion Rate adjustment provisions in this Section 13.04, in lieu of receiving shares of Common Stock at such an adjusted Conversion Rate, such Holder shall receive a number of shares of Common Stock based on the unadjusted Conversion Rate and such shares of Common Stock shall participate in the related dividend, distribution or other event giving rise to such adjustment.

(g) If, in the case of any conversion of a Note, where either (x) Combination Settlement applies and on any VWAP Trading Day during the Conversion Reference Period corresponding to the Conversion Date for such Note, shares of Common Stock are deliverable as part of the Daily Settlement Amount for such VWAP Trading Day or (y) Physical Settlement applies to such conversion, and, in either case:

(i) the related Record Date for any issuance, dividend or distribution, the Effective Date for any share split or combination or the Expiration Date for any tender or exchange offer by the Company or its Subsidiaries that, in each case, would require an adjustment to the Conversion Rate pursuant to any of clauses (a), (b), (c), (d) or (e) of this Section 13.04 occurs on or prior to such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement);

(ii) the applicable Conversion Rate for such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement) will not reflect such adjustment; and

(iii) the shares of Common Stock that the Company shall deliver to the converting Holder for such conversion (in the case of Physical Settlement) or in respect of such VWAP Trading Day (in the case of Combination Settlement) are not entitled to participate in the relevant event (because such shares were not held by such Holder on the related Record Date, Effective Date, Expiration Date or otherwise),

then, solely for purposes of such conversion, the Company shall, without duplication, give effect to such adjustment in respect of such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement). In such case, if the date the Company is otherwise required to deliver the consideration due upon such conversion is before the first date on which the amount of such adjustment can be determined, then the Company shall delay the settlement of such conversion until the second Business Day after such first date.

(h) Except as stated herein, the Company shall not adjust the Conversion Rate for the issuance of shares of the Common Stock or any securities convertible into or exchangeable for shares of the Common Stock or the right to purchase shares of the Common Stock or such convertible or exchangeable securities. If, however, the application of the formulas in clauses (a), (b), (c), (d) and (e) of this Section 13.04 would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate shall be made (except on account of share combinations, and without limiting the operation of any provision of Section 13.04 providing for the readjustment of the Conversion Rate).

(i) In addition to those adjustments required by clauses (a), (b), (c), (d) and (e) of this Section 13.04, and to the extent permitted by applicable law and subject to the applicable rules of any exchange on which any of the Company's securities are then listed, the Company from time to time may increase the Conversion Rate by any amount for a period of at least 20 Business Days if the Company has determined that such increase would be in the Company's best interest. If the Company makes such a determination, it shall be conclusive. In addition, to the extent permitted by applicable law and subject to the applicable rules of any exchange on which any of the Company's securities are then listed, the Company may (but is not required to) in its sole discretion increase the Conversion Rate as the Company deems advisable to avoid or diminish any income tax to holders of the Notes resulting from any dividend or distribution of Capital Stock issuable upon conversion of the Notes (or rights to acquire such Capital Stock) or from any event treated as such for income tax purposes. Whenever the Conversion Rate is increased pursuant to this Section 13.04(i), the Company shall give in writing to the Trustee and the Conversion Agent (if other than the Trustee) and mail to the Holder of each Note at its last address appearing on the Note Register a written notice of the increase no later than the first day on which such increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(j) Notwithstanding anything to the contrary in this Article 13, the Conversion Rate shall not be adjusted:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program or employee stock purchase plan of or assumed by the Company or any of the Company's Subsidiaries;

(iii) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (ii) of this subsection and outstanding as of the date the Notes were first issued;

(iv) solely for a change in the par value of the Common Stock; or

(v) for accrued and unpaid interest, if any.

(k) All calculations and other determinations under this Article 13 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share. The Company shall not adjust the Conversion Rate pursuant to this Section 13.04 unless the adjustment would result in a change of at least 1% in the then-effective Conversion Rate. However, the Company shall carry forward any adjustment that it would otherwise have to make and take that adjustment into account in any subsequent adjustment. Notwithstanding the foregoing, all such carried-forward adjustments shall be made with respect to the Notes (i) in connection with any subsequent adjustment to the Conversion Rate that (taken together with such carried-forward adjustments) would result in a change of at least 1% in the Conversion Rate, (ii)(x) on the Conversion Date for any Notes (in the case of Physical Settlement) or (y) on each VWAP Trading Day of any Conversion Reference Period related to the conversion of Notes (in the case of Cash Settlement or Combination Settlement), (iii) on the date any Fundamental Change or Make-Whole Fundamental Change occurs, (iv) on the date the Company delivers a Redemption Notice for all or any Notes and (v) on October 15, 2028.

(l) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee (and the Conversion Agent if not the Trustee) an Officer's Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officer's Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume without inquiry that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Rate to each Holder at its last address appearing on the Note Register of this Indenture. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(m) For purposes of this Section 13.04, the number of shares of Common Stock at any time outstanding shall not include shares of Common Stock held in the treasury of the Company so long as the Company does not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company, but shall include shares of Common Stock issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

*Section 13.05 Adjustments of Prices.* Whenever any provision of this Indenture requires the Company to calculate the Closing Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts over a span of multiple days (including a Conversion Reference Period and the period, if any, for determining the Stock Price for purposes of a Make-Whole Fundamental Change or a Redemption Notice), the Company shall make appropriate adjustments to each to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective

Date or Expiration Date, as the case may be, of the event occurs, at any time during the period when the Closing Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts are to be calculated.

*Section 13.06 Shares to Be Fully Paid, Etc.* The Company shall provide, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, sufficient shares of Common Stock to provide for conversion of the Notes from time to time as such Notes are presented for conversion (assuming that at the time of computation of such number of shares, all such Notes would be converted by a single Holder and that Physical Settlement were applicable). The Company covenants that all shares of Common Stock issued upon conversion of Notes will be fully paid and non-assessable by the Company and free from all taxes, liens and charges with respect to the issue thereof. The Company further covenants that if at any time the Common Stock shall be listed on any national securities exchange or automated quotation system the Company will use commercially reasonable efforts to list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, any Common Stock issuable upon conversion of the Notes.

*Section 13.07 Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.*

(a) In the case of:

(i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination),

(ii) any consolidation, merger, binding share exchange or combination involving the Company, or

(iii) any sale, lease or other conveyance to another Person or entity of all or substantially all of the Company's assets,

in each case, as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof) (any such event, a "**Share Exchange Event**", and such stock, other securities, other property or assets, the "**Reference Property**," and the amount and kind of Reference Property that a holder of one share of Common Stock would be entitled to receive on account of such Share Exchange Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property) a "**Reference Property Unit**"), then, at and after the effective time of such Share Exchange Event, (A) the consideration due upon conversion of any Note, and the conditions to any such conversion, shall be determined in the same manner as if each reference to any number of shares of Common Stock in Article 13 (or in any related definitions or provisions) were instead a reference to the same number of Reference Property Units; (B) the Daily VWAP shall be calculated based on the value of a Reference Property Unit; (C) for purposes of the definitions of "Fundamental Change" and "Make-Whole Fundamental Change," the term "Common Stock" shall be deemed to mean Common Equity (or ADRs or other interests in respect of Common Equity), if any, forming part of such Reference Property; and (D) for purposes of Article 15, each reference to any number of shares of Common Stock in Article 15 (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units. In addition, prior to or at the effective time of such Share Exchange Event, the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture permitted under Section 10.01(c) providing that the Notes will be convertible as described in this Section 13.07.

If the Share Exchange Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then the composition of the Reference Property Unit shall be deemed to be the weighted average of the types and amounts of consideration actually received by all holders of Common Stock. The Company shall notify Holders and, in writing, the Trustee and the Conversion Agent (if other than the Trustee) of such composition of the Reference Property Unit as soon as practicable after such determination is made. If the holders of the Common Stock receive only cash in such Share Exchange Event, then for all conversions for which the relevant Conversion Date occurs on or after the effective date of such Share Exchange Event (i) the consideration due upon conversion of each $1,000 principal amount of Notes shall be solely cash in an amount equal to the Conversion Rate in effect on the Conversion Date (as may be increased by any Additional Shares pursuant to Section 13.03), *multiplied by* the price paid per share of Common Stock in such Share Exchange Event and (ii) the Company shall satisfy the Conversion Obligation by paying cash to converting Holders on or before the second Business Day immediately following the relevant Conversion Date.

Such supplemental indenture providing that the Notes will be convertible as described in the second immediately preceding paragraph shall, to the extent applicable, also provide for anti-dilution and other adjustments that shall be as nearly equivalent as is possible to the adjustments provided for in this Article 13. If, in the case of any Share Exchange Event, the Reference Property includes shares of stock, securities or other property or assets (including cash or any combination thereof) of a Person other than the successor or purchasing corporation, as the case may be, in such Share Exchange Event, then such supplemental indenture shall also be executed by such other Person and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Company shall reasonably consider necessary by reason of the foregoing, including the provisions providing for the purchase rights set forth in Article 14.

(b) When the Company executes a supplemental indenture pursuant to subsection (a) of this Section 13.07, the Company shall promptly file with the Trustee an Officer's Certificate briefly stating the reasons therefor, the kind or amount of cash, securities or property or asset that will comprise a Reference Property Unit after any such Share Exchange Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with, and shall promptly mail notice thereof to all Holders. The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder, at its address appearing on the Note Register provided for in this Indenture, within 20 days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

(c) The Company shall not become a party to any Share Exchange Event unless its terms are consistent with this Section 13.07. None of the foregoing provisions shall affect the right of a holder of Notes to convert its Notes into cash, shares of Common Stock or a combination of cash and shares of Common Stock, as applicable, as set forth in Section 13.01 and Section 13.02 prior to the effective date of such Share Exchange Event.

(d) The above provisions of this Section shall similarly apply to successive Share Exchange Events.

*Section 13.08 Responsibility of Trustee*. The Trustee and any other Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine the Conversion Rate (or any adjustment thereto) or whether any facts exist that may require any adjustment (including any increase) of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the

validity or value (or the kind or amount) of any shares of Common Stock, or of any securities, property or cash that may at any time be issued or delivered upon the conversion of any Note; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 13.07 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Holders upon the conversion of their Notes after any event referred to in such Section 13.07 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 7.01, may accept (without any independent investigation) as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officer's Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. Neither the Trustee nor the Conversion Agent shall be responsible for determining whether any event contemplated by Section 13.01(b) has occurred that makes the Notes eligible for conversion or no longer eligible therefor until the Company has delivered to the Trustee and the Conversion Agent the notices referred to in Section 13.01(b) with respect to the commencement or termination of such conversion rights, on which notices the Trustee and the Conversion Agent may conclusively rely, and the Company agrees to deliver such notices to the Trustee and the Conversion Agent immediately after the occurrence of any such event or at such other times as shall be provided for in Section 13.01(b).

*Section 13.09 Stockholder Rights Plans.* To the extent that the Company has a stockholder rights plan in effect upon conversion of the Notes into Common Stock, a Holder who converts Notes shall receive, in addition to the Common Stock, the rights under the rights plan (and the certificates representing the Common Stock upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any such stockholder rights plan, as the same may be amended from time to time), unless prior to any conversion, the rights have separated from the Common Stock, in which case the Conversion Rate shall be adjusted at the time of separation as if the Company distributed to all holders of Common Stock shares of the Company's Capital Stock, evidences of indebtedness or assets or property as described in Section 13.04(c) above, subject to readjustment in the event of the expiration, termination or redemption of such rights. A further adjustment shall occur as described in Section 13.04(c) if such rights become exercisable to purchase different securities, evidences of indebtedness or assets or property, subject to readjustment in the event of the expiration, termination or redemption of such rights. Notwithstanding anything to the contrary, the adoption or distribution of rights pursuant to a rights plan will not result in an adjustment to the Conversion Rate pursuant to Section 13.04 or this Section 13.09 except to the extent described in the preceding two sentences.

## Article 14

## Repurchase of Notes at Option of Holders

*Section 14.01 Repurchase at Option of Holders Upon a Fundamental Change.*

(a) If a Fundamental Change occurs at any time, each Holder shall have the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes, or any portion thereof that is equal to $1,000 or an integral multiple of $1,000, on the date (the "**Fundamental Change Repurchase Date**") specified by the Company that is no less than 20 Business Days and no more than 40 calendar days after the date of the Fundamental Change

Company Notice at a repurchase price equal to 100% of the principal amount thereof, *plus* any accrued and unpaid interest thereon to, but not including, the Fundamental Change Repurchase Date (the "**Fundamental Change Repurchase Price**"), unless the Fundamental Change Repurchase Date falls after a Regular Record Date but on or prior to the immediately succeeding Interest Payment Date to which such Regular Record Date relates, in which case the Company shall instead pay, on or, at the Company's election, before such Interest Payment Date, the full amount of such accrued and unpaid interest due on such Interest Payment Date to Holders of record as of the close of business on such Regular Record Date, and the Fundamental Change Repurchase Price shall be equal to 100% of the principal amount of Notes to be repurchased pursuant to this Article 14. The Fundamental Change Repurchase Date shall be subject to postponement in order to allow the Company to comply with any change in applicable law after the date of this Indenture.

(b) Repurchases of Notes under this Section 14.01 shall be made, at the option of the Holder thereof, upon:

(i) delivery to the Paying Agent by a Holder of a duly completed notice (the "**Fundamental Change Repurchase Notice**") in the form set forth in Attachment 2 to the Form of Note attached hereto as Exhibit A, if the Notes are Physical Notes, or in compliance with the Depositary's procedures for surrendering interests in Global Notes, if the Notes are Global Notes, in each case, on or before the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date; and

(ii) delivery of the Notes, if the Notes are Physical Notes, to the Paying Agent at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements for transfer) at the Corporate Trust Office of the Paying Agent, or book-entry transfer of the Notes, if the Notes are Global Notes, in compliance with the procedures of the Depositary, in each case such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor.

The Fundamental Change Repurchase Notice in respect of any Notes to be repurchased shall state:

(i) if Physical Notes have been issued, the certificate numbers of the Notes to be delivered for repurchase;

(ii) the portion of the principal amount of Notes to be repurchased, which must be $1,000 or an integral multiple thereof; and

(iii) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and this Indenture;

*provided*, *however*, that if the Notes are Global Notes, the Fundamental Change Repurchase Notice must comply with appropriate Depositary procedures.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Fundamental Change Repurchase Notice contemplated by this Section 14.01 shall have the right to withdraw, in whole or in part, such Fundamental Change Repurchase Notice by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 14.02 prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date.

The Paying Agent shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof.

(c) No later than 20 calendar days after the occurrence of the effective date of a Fundamental Change, the Company shall provide to all Holders of Notes, the Trustee and the Paying Agent (in the case of a Paying Agent other than the Trustee), a notice in writing (the "**Fundamental Change Company Notice**") of the occurrence of the effective date of the Fundamental Change and of the repurchase right at the option of the Holders arising as a result thereof and the procedures that each Holder of a Note must follow to require the Company to repurchase such Note. In the case of Physical Notes, such notice shall be by first class mail or, in the case of Global Notes, such notice shall be delivered in accordance with the applicable procedures of the Depositary. Each Fundamental Change Company Notice shall specify:

(i) the events causing the Fundamental Change;

(ii) the date of the Fundamental Change;

(iii) the last date on which a Holder may exercise the repurchase right pursuant to this Article 14;

(iv) the Fundamental Change Repurchase Price;

(v) the Fundamental Change Repurchase Date;

(vi) the name and address of the Paying Agent and the Conversion Agent, if applicable;

(vii) the Conversion Rate and, if applicable, any adjustments to the Conversion Rate;

(viii) that the Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of this Indenture; and

(ix) the procedures that Holders must follow to require the Company to repurchase their Notes.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders' repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 14.01.

At the Company's written request, the Trustee shall give such notice in the Company's name and at the Company's expense; *provided*, *however*, that, in all cases, the text of such Fundamental Change Company Notice shall be prepared by the Company.

(d) Notwithstanding the foregoing, no Notes may be repurchased by the Company on any date at the option of the Holders upon a Fundamental Change if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes). The Paying Agent will promptly return to the respective Holders thereof any Physical Notes held by it during the acceleration of the Notes (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes), or any instructions for book-entry transfer of the Notes in compliance with the procedures of the Depositary shall be deemed to have been cancelled, and, upon such return or

cancellation, as the case may be, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

(e) Notwithstanding anything to the contrary in this Indenture, the Company shall be deemed to satisfy its obligations to repurchase Notes upon a Fundamental Change pursuant to this Article 14 if one or more third parties conduct the repurchase offer and repurchase Notes surrendered for repurchase in a manner that would have satisfied the Company's obligations to do the same if conducted directly by the Company.

(f) Notwithstanding anything to the contrary in this Indenture, the Company shall not be required to send a Fundamental Change Company Notice, or offer to repurchase or repurchase any Notes pursuant to this Article 14, in connection with a Fundamental Change occurring pursuant to clause (b)(i) or (b)(ii) (or pursuant to clause (a) that also constitutes a Fundamental Change pursuant to clause (b)(i) or (b)(ii)) of the definition thereof, if:

(i) such Fundamental Change constitutes a Share Exchange Event for which the resulting Reference Property consists entirely of cash in U.S. dollars;

(ii) immediately after such Fundamental Change, the Notes become convertible (pursuant to the provisions described in Section 13.07 and, if applicable, Section 13.03) into consideration that consists solely of U.S. dollars in an amount per $1,000 principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per $1,000 principal amount of Notes (calculated assuming a Fundamental Change Repurchase Date that results in a Fundamental Change Repurchase Price that includes the maximum amount of accrued interest); and

(iii) the Company timely sends the notice relating to such Fundamental Change required pursuant to Section 13.01(b)(iii).

*Section 14.02 Withdrawal of Fundamental Change Repurchase Notice*. A Fundamental Change Repurchase Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Corporate Trust Office of the Paying Agent in accordance with this Section 14.02 at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date, specifying:

(a) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted,

(b) if Physical Notes have been issued, the certificate number of the Note in respect of which such notice of withdrawal is being submitted, and

(c) the principal amount of such Note, if any, that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of $1,000 or an integral multiple of $1,000;

*provided*, *however*, that if the Notes are Global Notes, the notice of withdrawal must comply with appropriate procedures of the Depositary.

*Section 14.03 Deposit of Fundamental Change Repurchase Price.*

(a) The Company shall deposit with the Trustee (or other Paying Agent appointed by the Company, or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 4.04) on or prior to 11:00 a.m., New York City time, on the Fundamental Change Repurchase Date an amount of money sufficient to repurchase all of the

Notes to be repurchased at the appropriate Fundamental Change Repurchase Price. Subject to receipt of funds and/or Notes by the Trustee (or other Paying Agent appointed by the Company), payment for Notes surrendered for repurchase (and not withdrawn prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date) will be made on the later of (i) the Fundamental Change Repurchase Date (*provided* the Holder has satisfied the conditions in Section 14.01) and (ii) the time of book-entry transfer or the delivery of such Note to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by Section 14.01 by mailing checks for the amount payable to the Holders of such Notes entitled thereto as they shall appear in the Note Register; *provided*, *however*, that payments to the Depositary shall be made by wire transfer of immediately available funds to the account of the Depositary or its nominee. The Trustee shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(b) If by 11:00 a.m. New York City time, on the Fundamental Change Repurchase Date, the Trustee (or other Paying Agent appointed by the Company) holds money sufficient to make payment on all the Notes or portions thereof that are to be repurchased on such Fundamental Change Repurchase Date, then, with respect to the Notes that have been properly surrendered for repurchase and have not been validly withdrawn, immediately after the Fundamental Change Repurchase Date i) such Notes will cease to be outstanding, ii) interest will cease to accrue on such Notes (whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Trustee or Paying Agent) and iii) all other rights of the Holders of such Notes will terminate, other than the right to receive the Fundamental Change Repurchase Price and, if applicable, accrued and unpaid interest, upon book-entry transfer of such Notes or delivery of such Notes to the Trustee or Paying Agent.

(c) Upon surrender of a Note that is to be repurchased in part pursuant to Section 14.01, the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Note in an authorized denomination equal in principal amount to the unrepurchased portion of the Note surrendered.

*Section 14.04 Covenant to Comply with Applicable Laws Upon Repurchase of Notes.* In connection with any repurchase offer, the Company will, if required:

(a) comply with the provisions of Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act;

(b) file a Schedule TO or any other required schedule under the Exchange Act; and

(c) otherwise comply with all federal and state securities laws in connection with any offer by the Company to repurchase the Notes;

in each case, so as to permit the rights and obligations under this Article 14 to be exercised in the time and in the manner specified in this Article 14.

## Article 15
## Optional Redemption

*Section 15.01 Optional Redemption*. No sinking fund is provided for the Notes. The Notes shall not be redeemable by the Company prior to January 21, 2026. On or after January 21, 2026, the Company may redeem (an "**Optional Redemption**") for cash all or any portion of the Notes (subject to the Partial Redemption Limitation), at the Company's option, on a Redemption Date occurring on or after January 21, 2026 and before the 41st Scheduled Trading

Day before the Maturity Date, at the Redemption Price, but only if the Last Reported Sale Price of the Common Stock has been at least 130% of the Conversion Price then in effect for each of at least 20 Trading Days (whether or not consecutive), including the Trading Day immediately preceding the date on which the Company provides the Redemption Notice in accordance with Section 15.02, during the 30 consecutive Trading Days ending on, and including, the Trading Day immediately preceding the date on which the Company provides such Redemption Notice in accordance with Section 15.02.

*Section 15.02 Notice of Optional Redemption; Selection of Notes.*

(a) If the Company exercises its Optional Redemption right to redeem all or any part of the Notes pursuant to Section 15.01, it shall fix a date for redemption (each, a "**Redemption Date**") and it or, at its written request received by the Trustee not less than 53 Scheduled Trading Days (or, if the Company is relying on the second proviso to this sentence, 35 calendar days) prior to the Redemption Date (or such shorter period of time as may be acceptable to the Trustee), the Trustee, in the name of and at the expense of the Company, shall deliver or cause to be delivered a notice of such Optional Redemption (a "**Redemption Notice**") not less than 50 nor more than 65 Scheduled Trading Days prior to the Redemption Date to each Holder of Notes so to be redeemed as a whole or in part; *provided*, *however*, that, if the Company shall give such notice, it shall also give written notice of the Redemption Date to the Trustee and the Paying Agent (if other than the Trustee); *provided further*, that if, in accordance with Section 13.02, the Company elects to settle all conversions with a Conversion Date that occurs on or after the date on which the Company provides the Redemption Notice and on or before the second Business Day immediately preceding the relevant Redemption Date by Physical Settlement, then the Company may instead provide such Redemption Notice no less than 30 nor more than 60 calendar days before the Redemption Date. The Redemption Date must be a Business Day. Upon surrender of a Note that is to be redeemed in part pursuant to this Article 15, the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Note in principal amount equal to the unredeemed portion of the Note surrendered.

(b) A Redemption Notice, if delivered in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such Redemption Notice. In any case, failure to send such Redemption Notice or any defect in the Redemption Notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. A Redemption Notice, once sent, shall be irrevocable.

(c) Each Redemption Notice shall specify:

(i) the Redemption Date;

(ii) the Redemption Price;

(iii) that on the Redemption Date, the Redemption Price will become due and payable upon each Note to be redeemed, and that interest thereon, if any, shall cease to accrue on and after the Redemption Date (except, if applicable, as provided in the parenthetical in the definition of Redemption Price);

(iv) that Holders of Notes called for Optional Redemption (or deemed called for Optional Redemption pursuant to the third paragraph of Section 15.02(d)) may surrender their Notes for conversion at any time prior to the close of business on the second Business Day immediately preceding the Redemption Date;

(v) the procedures a converting Holder must follow to convert its Notes and the Settlement Method and Specified Dollar Amount (if applicable) for Conversion Dates occurring during the period set forth in Section 13.01(b)(v);

(vi) the Conversion Rate and, if applicable, the number of Additional Shares added to the Conversion Rate pursuant to Section 13.03;

(vii) the CUSIP, ISIN or other similar numbers, if any, assigned to such Notes; and

(viii) in case the Notes are to be redeemed in part only, that upon surrender of any Note to be redeemed in part, a new Note in principal amount equal to the unredeemed portion thereof shall be issued.

(d) If the Company elects to redeem fewer than all of the outstanding Notes, at least $100,000,000 aggregate principal amount of Notes must be outstanding and not subject to Optional Redemption as of, and after giving effect to, delivery of the relevant Redemption Notice (such requirement, the "**Partial Redemption Limitation**"). If the Company is to redeem fewer than all of the outstanding Notes and the Notes to be redeemed are Global Notes, the Notes or portions thereof to be redeemed shall be selected by the Depositary in accordance with the applicable procedures of the Depositary. If the Company is to redeem fewer than all of the outstanding Notes and the Notes to be redeemed are not Global Notes, the Trustee shall select the Notes or portions thereof to be redeemed on a *pro rata* basis; *provided* that, in each case, Notes will be selected for Optional Redemption only in principal amounts of $1,000 or integral multiples of $1,000 in excess thereof.

(e) If any Note selected for partial redemption is submitted for conversion in part after such selection, the portion of the Note submitted for conversion shall be deemed to be from the portion selected for Optional Redemption. In the event of any redemption in part, the Company shall not be required to register the transfer of or exchange for other Notes any Note so selected for redemption, in whole or in part, except the unredeemed portion of any Note being redeemed in part.

If the Company elects to call fewer than all of the outstanding Notes for Optional Redemption, and the Holder of any Note, or any owner of a beneficial interest in any Global Note, is reasonably not able to determine, before the close of business on the 42nd Scheduled Trading Day (or, if, pursuant to the second proviso of the first sentence of Section 15.02, the Company irrevocably elects Physical Settlement for all conversions with a Conversion Date that occurs on or after the date the Company sends the related Redemption Notice and on or before the second Business Day immediately preceding the related Redemption Date, the tenth calendar day) immediately preceding the relevant Redemption Date, whether such Note or beneficial interest, as applicable, is to be redeemed pursuant to such Optional Redemption, then such Holder or owner, as applicable, will be entitled to convert such Note or beneficial interest, as applicable, at any time before the close of business on the second Business Day immediately preceding such Redemption Date, and each such conversion shall be deemed to be of a Note called for redemption for purposes of this Article 15, Section 13.01(b)(v) and Section 13.03.

*Section 15.03 Payment of Notes Called for Redemption.*

(a) If any Redemption Notice has been given in respect of the Notes in accordance with Section 15.02, the Notes shall become due and payable on the Redemption Date at the place or places stated in the Redemption Notice and at the applicable Redemption Price. On presentation of the Notes at the place or places stated in the Redemption Notice, the Notes shall be paid and redeemed by the Company at the applicable Redemption Price.

(b) Subject to receipt of funds by the Paying Agent, payment for the Notes to be redeemed shall be made on the Redemption Date for such Notes. The Paying Agent shall, promptly after such payment and upon written demand by the Company, return to the Company any funds deposited pursuant to Section 4.04 in excess of the Redemption Price.

*Section 15.04 Restrictions on Redemption.* The Company may not redeem any Notes on any date if the principal amount of the Notes has been accelerated in accordance with the terms of this Indenture, and such acceleration has not been rescinded, on or prior to the Redemption Date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Redemption Price with respect to such Notes).

Any notice or communication delivered or to be delivered to a Holder of Global Notes shall be delivered in accordance with the applicable procedures of the Depositary and shall be sufficiently given to it if so delivered within the time prescribed.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

*Section 16.04 Governing Law; Jurisdiction.* THIS INDENTURE AND EACH NOTE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE AND EACH NOTE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

The Company irrevocably consents and agrees, for the benefit of the Holders from time to time of the Notes and the Trustee, that any legal action, suit or proceeding against it with respect to obligations, liabilities or any other matter arising out of or in connection with this Indenture or the Notes may be brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and, until amounts due and to become due in respect of the Notes have been paid, hereby irrevocably consents and submits to the non-exclusive jurisdiction of each such court *in personam*, generally and unconditionally with respect to any action, suit or proceeding for itself in respect of its properties, assets and revenues.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Indenture brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

*Section 16.05 Evidence of Compliance with Conditions Precedent; Certificates and Opinions of Counsel to Trustee*. Upon any application or demand by the Company to the Trustee to take any action under any of the provisions of this Indenture (other than the initial application for authentication of Notes), the Company shall, if requested by the Trustee, furnish to the Trustee an Officer's Certificate and an Opinion of Counsel stating that such action is permitted by the terms of this Indenture.

Each Officer's Certificate and Opinion of Counsel provided for, by or on behalf of the Company in this Indenture and delivered to the Trustee with respect to compliance with this Indenture (other than the Officer's Certificates provided for in Section 4.08) shall include (a) a statement that the person signing such certificate is familiar with the requested action and this Indenture; (b) a brief statement as to the nature and scope of the examination or investigation upon which the statement contained in such certificate is based; (c) a statement that, in the judgment of such person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed judgment as to whether or not such action is permitted by this Indenture; and (d) a statement as to whether or not, in the judgment of such person, such action is permitted by this Indenture.

*Section 16.06 Legal Holidays*. In any case where any Interest Payment Date, the Maturity Date, any Fundamental Change Repurchase Date, any Redemption Date or any settlement date falls on a day that is not a Business Day, then any action to be taken on such date need not be taken on such date, but may be taken on the next succeeding Business Day with the

same force and effect as if taken on such date, and no interest shall accrue for the period from and after such Interest Payment Date, Maturity Date, Fundamental Change Repurchase Date, Redemption Date or settlement date, as the case may be, to that next succeeding Business Day.

*Section 16.07 No Security Interest Created*. Nothing in this Indenture or in the Notes, expressed or implied, shall be construed to constitute a security interest under the Uniform Commercial Code or similar legislation, as now or hereafter enacted and in effect, in any jurisdiction.

*Section 16.08 Benefits of Indenture*. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the Holders, the parties hereto, any Paying Agent, any Conversion Agent, any authenticating agent, any Note Registrar and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Indenture.

*Section 16.09 Table of Contents, Headings, Etc.* The table of contents and the titles and headings of the articles and sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

*Section 16.10 Authenticating Agent.* The Trustee may appoint an authenticating agent that shall be authorized to act on its behalf and subject to its direction in the authentication and delivery of Notes in connection with the original issuance thereof and transfers and exchanges of Notes hereunder, including under Section 2.04, Section 2.05, Section 2.07, Section 2.08, Section 10.04 and Section 14.03 as fully to all intents and purposes as though the authenticating agent had been expressly authorized by this Indenture and those Sections to authenticate and deliver Notes. For all purposes of this Indenture, the authentication and delivery of Notes by the authenticating agent shall be deemed to be authentication and delivery of such Notes "by the Trustee" and a certificate of authentication executed on behalf of the Trustee by an authenticating agent shall be deemed to satisfy any requirement hereunder or in the Notes for the Trustee's certificate of authentication. Such authenticating agent shall at all times be a Person eligible to serve as trustee hereunder pursuant to Section 7.08.

Any corporation or other entity into which any authenticating agent may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, consolidation or conversion to which any authenticating agent shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of any authenticating agent, shall be the successor of the authenticating agent hereunder, if such successor corporation or other entity is otherwise eligible under this Section 16.10, without the execution or filing of any paper or any further act on the part of the parties hereto or the authenticating agent or such successor corporation or other entity.

Any authenticating agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any authenticating agent by giving written notice of termination to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any authenticating agent shall cease to be eligible under this Section, the Trustee may appoint a successor authenticating agent (which may be the Trustee), shall give written notice of such appointment to the Company and shall mail notice of such appointment to all Holders as the names and addresses of such Holders appear on the Note Register.

The Company agrees to pay to the authenticating agent from time to time reasonable compensation for its services although the Company may terminate the authenticating agent, if it determines such agent's fees to be unreasonable.

Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

*Section 16.12 Severability*. In the event any provision of this Indenture or in the Notes shall be invalid, illegal or unenforceable, then (to the extent permitted by law) the validity, legality or enforceability of the remaining provisions shall not in any way be affected or impaired.

imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such exchange of Notes being different from the name of the Holder of the old Notes surrendered for such exchange.

The Notes shall be redeemable at the Company's option on or after January 21, 2026 in accordance with the terms and subject to the conditions specified in the Indenture. No sinking fund is provided for the Notes.

The definitions and provisions contained in the 2002 ISDA Equity Derivatives Definitions (the "**Equity Definitions**"), as published by the International Swaps and Derivatives Association, Inc. ("**ISDA**") are incorporated into this Confirmation. In the event of any inconsistency between the Equity Definitions and this Confirmation, this Confirmation shall govern. ʒ to the contrary in the Equity Definitions (including, but not limited to, Section 9.11 thereof), the parties acknowledge that (i) any Shares delivered to Counterparty shall be, upon delivery, subject to restrictions and limitations arising from Counterparty’s status as issuer of the Shares under applicable securities laws, (ii) Dealer may deliver any Shares required to be delivered hereunder in certificated form in lieu of delivery through the Clearance System and (iii) any Shares delivered to Counterparty may be “restricted securities” (as defined in Rule 144 under the Securities Act of 1933, as amended (the “**Securities Act**”)).

.2(e) of the Equity Definitions, a "Potential Adjustment Event" means an occurrence of any event or condition, as set forth in any Dilution Adjustment Provision, that would result in an adjustment under the Indenture to the "Conversion Rate" or the composition of a "Reference Property Unit" or to any "Closing Price," "Daily VWAP," "Daily Conversion Value," or "Daily Settlement Amount" (each as defined in the Indenture). For the avoidance of doubt, Dealer shall not have any delivery or payment obligation hereunder, and no adjustment shall be made to the terms of the Transaction, on account of (x) any distribution of cash, property or securities by Counterparty to holders of the Convertible Notes (upon conversion or otherwise) or (y) any other transaction in which holders of the Convertible Notes are entitled to participate, in each case, in lieu of an adjustment under the Indenture of the type referred to in the immediately preceding sentence (including, without limitation, pursuant to the third sentence of the second paragraph of Section 13.04(c) of the Indenture or the fourth sentence of Section 13.04(d) of the Indenture).

ent, which means that, notwithstanding Section 11.2(c) of the Equity Definitions, upon any Potential Adjustment Event, the Calculation Agent shall make a corresponding adjustment to any one or more of the Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction; provided that the parties agree that (x) open market Share repurchases at prevailing market price and (y) Share repurchases through a dealer pursuant to accelerated share repurchases, forward contracts or similar transactions that are entered into at prevailing market prices and in accordance with customary market terms for transactions of such type to repurchase the Shares shall not be considered Potential Adjustment Events, in each case, to the extent that, after giving effect to such transactions, the aggregate number of Shares repurchased during the term of the Transaction pursuant to all transactions described in this proviso would not exceed 20% of the number of Shares outstanding as of the Trade Date, as determined by the Calculation Agent.

tion Agent in good faith disagrees with any adjustment to the Convertible Notes that involves an exercise of discretion by Counterparty or its board of directors (including, without limitation, pursuant to Section 13.05 of the Indenture, Section 13.07 of the Indenture or any supplemental indenture entered into thereunder or in connection with any proportional adjustment or the determination of the fair value of any securities, property, rights or other assets), then in each such case, the Calculation Agent will, in good faith and in a commercially reasonable manner, determine the adjustment to be made to any one or more of the Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction in a commercially reasonable manner; *provided* that, notwithstanding the foregoing, if any Potential Adjustment Event occurs during the Settlement Averaging Period but no adjustment was made to any Convertible Note under the Indenture because the relevant Holder (as such term is defined in the Indenture) was deemed to be a record owner of the underlying Shares on the related Conversion Date, then the Calculation Agent shall make a commercially reasonable adjustment, as determined by it, to the terms hereof in order to account for such Potential Adjustment Event;

ı with any Potential Adjustment Event as a result of an event or condition set forth in Section 13.04(b) of the Indenture or Section 13.04(c) of the Indenture where, in either case, the period for determining "Y" (as such term is used in Section 13.04(b) of the Indenture) or "$SP_0$" (as such term is used in Section 13.04(c) of the Indenture), as the case may be, begins before Counterparty has publicly announced the event or condition giving rise to such Potential Adjustment Event, then the Calculation Agent shall, in good faith and in a commercially reasonable manner, have the right to adjust any variable relevant to the exercise, settlement or payment for the Transaction as appropriate to reflect the costs (including, but not limited to, hedging mismatches and market losses) and expenses incurred by Dealer in connection with its hedging activities, with such adjustments made assuming that Dealer maintains commercially reasonable hedge positions, as a result of such event or condition not having been publicly announced prior to the beginning of such period; and

ntial Adjustment Event is declared and (a) the event or condition giving rise to such Potential Adjustment Event is subsequently amended, modified, cancelled or abandoned, (b) the "Conversion Rate" (as defined in the Indenture) is otherwise not adjusted at the time or in the manner contemplated by the relevant Dilution Adjustment Provision based on such declaration or (c) the "Conversion Rate" (as defined in the Indenture) is adjusted as a result of such Potential Adjustment Event and subsequently re-adjusted (each of clauses (a), (b) and (c), a "**Potential Adjustment Event Change**") then, in each case, the Calculation Agent shall, in good faith and in a commercially reasonable manner, have the right to adjust any variable relevant to the exercise, settlement or payment for the Transaction as appropriate to reflect the costs (including, but not limited to, hedging mismatches and market losses) and expenses incurred by Dealer in connection with its hedging activities, with such adjustments made assuming that Dealer maintains commercially reasonable hedge positions, as a result of such Potential Adjustment Event Change.

ıotwithstanding Section 12.1(b) of the Equity Definitions, a "Merger Event" means the occurrence of any event or condition set forth in the definition of "Share Exchange Event" in Section 13.07 of the Indenture.

ıotwithstanding Section 12.1(d) of the Equity Definitions, a "Tender Offer" means the occurrence of any event or condition set forth in Section 13.04(e) of the Indenture.

12.2 and Section 12.3 of the Equity Definitions, upon the occurrence of a Merger Event or a Tender Offer, the Calculation Agent shall make a corresponding adjustment in respect of any adjustment under the Indenture to any one or more of the nature of the Shares (in the case of a Merger Event), Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction, subject to the second paragraph under "Method of Adjustment"; *provided*, *however*, that such adjustment shall be made without regard to any adjustment to the Conversion Rate pursuant to any Excluded Provision; *provided further* that if, with respect to a Merger Event or a Tender Offer, (i) the consideration for the Shares includes (or, at the option of a holder of Shares, may include) shares of an entity or person that is not a corporation or is not organized under the laws of the United States, any State thereof or the District of Columbia or (ii) the Counterparty to the Transaction following such Merger Event or Tender Offer will not be a corporation organized under the laws of the United States, any State thereof or the District of Columbia, then, in either case, Cancellation and Payment (Calculation Agent Determination) may apply at Dealer's reasonable election; *provided further* that, for the avoidance of doubt, adjustments shall be made pursuant to the provisions set forth above regardless of whether any Merger Event or Tender Offer gives rise to an Early Conversion.

ent Adjustment as set forth in Section 12.3(d) of the Equity Definitions; provided that, in respect of an Announcement Event, (w) references to "Tender Offer" shall be replaced by references to "Announcement Event" and references to "Tender Offer Date" shall be replaced by references to "date of such Announcement Event", (x) the phrase "exercise, settlement, payment or any other terms of the Transaction (including, without limitation, the spread)" shall be replaced with the phrase "Cap Price (provided that in no event shall the Cap Price be less than the Strike Price)", (y) the phrases "whether within a commercially reasonable (as determined by the Calculation Agent) period of time prior to or after the Announcement Event," shall be inserted prior to the word "which" in the seventh line, and (z) for the avoidance of doubt, the Calculation Agent shall, in good faith and in a commercially reasonable manner, determine whether the relevant Announcement Event has had an economic effect on the Transaction (and, if so, shall adjust the Cap Price accordingly) on one or more occasions on or after the date of the Announcement Event up to, and including, the Expiration Date, any Early Termination Date and/or any other date of cancellation, it being understood that (i) any adjustment in respect of an Announcement Event shall take into account any earlier adjustment relating to the same Announcement Event and (ii) in making any adjustment the Calculation Agent shall take into account volatility, liquidity or other factors before and after such Announcement Event. An Announcement Event shall be an "Extraordinary Event" for purposes of the Equity Definitions, to which Article 12 of the Equity Definitions is applicable.

ment by Counterparty, any subsidiary of Counterparty or any Valid Third-Party Entity (any such person or entity, a "**Relevant Party**") of (x) any transaction or event that, if completed, would constitute a Merger Event or Tender Offer, (y) any potential acquisition or disposition by Issuer and/or its subsidiaries where the aggregate consideration exceeds 35% of the market capitalization of Issuer as of the date of such announcement (an "**Acquisition Transaction**") or (z) the intention to enter into a Merger Event or Tender Offer or an Acquisition Transaction, (ii) the public announcement by Issuer of an intention to solicit or enter into, or to explore strategic alternatives or other similar undertaking that may include, a Merger Event or Tender Offer or an Acquisition Transaction or (iii) any subsequent public announcement by a Relevant Party of a change to a transaction or intention that is the subject of an announcement of the type described in clause (i) or (ii) of this sentence (including, without limitation, a new announcement, whether or not by the same party, relating to such a transaction or intention or the announcement of a withdrawal from, or the abandonment or discontinuation of, such a transaction or intention), as determined by the Calculation Agent. For the avoidance of doubt, the occurrence of an Announcement Event with respect to any transaction or intention shall not preclude the occurrence of a later Announcement Event with respect to such transaction or intention. For purposes of this definition of "Announcement Event," (A) "Merger Event" shall mean such term as defined under Section 12.1(b) of the Equity Definitions (but, for the avoidance of doubt, the remainder of the definition of "Merger Event" in Section 12.1(b) of the Equity Definitions following the definition of "Reverse Merger" therein shall be disregarded) and (B) "Tender Offer" shall mean such term as defined under Section 12.1(d) of the Equity Definitions; provided that (1) Section 12.1(d) of the Equity Definitions is hereby amended by (x) replacing "10%" with "25%" in the third line thereof and (y) replacing the words "voting shares of the Issuer" in the fourth line thereof with the word "Shares" and (2) Section 12.1(e) of the Equity Definitions is hereby amended by replacing the words "voting shares" in the first line thereof with the word "Shares".

Counterparty shall, on any day on which Counterparty effects any repurchase of Shares, promptly give Dealer a written notice (which, for the avoidance of doubt may be by email) of such repurchase (a "**Repurchase Notice**") on such day if following such repurchase, the number of outstanding Shares as determined on such day is (i) less than [__] million (in the case of the first such notice) or (ii) thereafter more than [__] million less than the number of Shares included in the immediately preceding Repurchase Notice; *provided* that, with respect to any repurchase of Shares pursuant to a plan under Rule 10b5-1 under the Exchange Act (as defined below), Counterparty may elect to satisfy such requirement by promptly giving Dealer written notice of entry into such plan, the maximum number of Shares that may be purchased thereunder and the approximate dates or periods during which such repurchases may occur (with such maximum number of Shares deemed repurchased on the date of such notice for purposes of this Section 9(b)). Counterparty agrees to indemnify and hold harmless Dealer and its affiliates and their respective officers, directors, employees, affiliates, advisors, agents and controlling persons (each, an "**Indemnified Person**") from and against any and all losses (including losses relating to Dealer's hedging activities as a consequence of becoming, or of the risk of becoming, a Section 16 "insider", including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages, judgments, liabilities and reasonable and documented out-of-pocket expenses (including reasonable attorney's fees), joint or several, which an Indemnified Person may become subject to, as a result of Counterparty's failure to provide Dealer with a Repurchase Notice on the day and in the manner specified in this paragraph, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other out-of-pocket expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against the Indemnified Person as a result of Counterparty's failure to provide Dealer with a Repurchase Notice in accordance with this paragraph, such Indemnified Person shall promptly notify Counterparty in writing, and Counterparty, upon request of the Indemnified Person, shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others Counterparty may designate in such proceeding and shall pay the reasonable fees and expenses of such counsel related to such proceeding. Counterparty shall not be liable for any settlement of any proceeding contemplated by this paragraph that is effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Counterparty agrees to indemnify any Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Counterparty shall not, without the prior written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding contemplated by this paragraph that is in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject matter of such proceeding on terms reasonably satisfactory to such Indemnified Person. If the indemnification provided for in this paragraph is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then Counterparty hereunder, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities. The remedies provided for in this paragraph (b) are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity. The indemnity

and contribution agreements contained in this paragraph shall remain operative and in full force and effect regardless of the termination of the Transaction.

(c) *Regulation M*. Counterparty is not on the Trade Date engaged in a distribution, as such term is used in Regulation M under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), of any securities of Counterparty, other than a distribution meeting the requirements of the exception set forth in Rules 101(b)(10) and 102(b)(7) of Regulation M. Counterparty shall not, until the second Scheduled Trading Day immediately following the Trade Date, engage in any such distribution.

(d) *No Manipulation*. Counterparty is not entering into the Transaction to create actual or apparent trading activity in the Shares (or any security convertible into or exchangeable for the Shares) or to raise or depress or otherwise manipulate the price of the Shares (or any security convertible into or exchangeable for the Shares) or otherwise in violation of the Exchange Act.

(e) *Transfer or Assignment*.

(i) Counterparty shall have the right to transfer or assign its rights and obligations hereunder with respect to all, but not less than all, of the Options hereunder (such Options, the "**Transfer Options**"); *provided* that such transfer or assignment shall be subject to reasonable conditions that Dealer may impose, including but not limited, to the following conditions:

(1) With respect to any Transfer Options, Counterparty shall not be released from its notice and indemnification obligations pursuant to Section 9(b) or any obligations under Section 9(n) or 9(s) of this Confirmation;

(2) Any Transfer Options shall only be transferred or assigned to a third party that is a United States person (as defined in the Internal Revenue Code of 1986, as amended (the "**Code**"));

(3) Such transfer or assignment shall be effected on terms, including any reasonable undertakings by such third party (including, but not limited to, an undertaking with respect to compliance with applicable securities laws in a manner that, in the reasonable judgment of Dealer, will not expose Dealer to material risks under applicable securities laws) and execution of any documentation and delivery of legal opinions with respect to securities laws and other matters by such third party and Counterparty, as are requested and reasonably satisfactory to Dealer;

(4) Dealer will not, as a result of such transfer and assignment, be required to pay the transferee on any payment date an amount under Section 2(d)(i)(4) of the Agreement greater than an amount that Dealer would have been required to pay to Counterparty in the absence of such transfer and assignment;

(5) An Event of Default, Potential Event of Default or Termination Event will not occur as a result of such transfer and assignment;

(6) Without limiting the generality of clause (B), the transferee or assignee shall make such Payee Tax Representations and provide such tax documentation as may be reasonably requested by Dealer to permit Dealer to determine that results described in clauses (D) and (E) will not occur upon or after such transfer and assignment; and

(7) Counterparty shall be responsible for all reasonable costs and expenses, including reasonable counsel fees, incurred by Dealer in connection with such transfer or assignment.

(ii) Dealer may transfer or assign all or any part of its rights or obligations under the Transaction (A) without Counterparty's consent (but with prompt subsequent (but in no event more than two Exchange Business Days) written notice to Counterparty), to any affiliate of Dealer (1) that has a long-term issuer rating that is equal to or better than Dealer's credit rating at the time of such transfer or assignment, or (2) whose obligations hereunder will be guaranteed, pursuant to the terms of a customary guarantee in a form used by Dealer generally for similar transactions, by Dealer or Dealer's ultimate parent, as applicable (*provided* that in connection with any assignment or transfer pursuant to clause (A)(2) hereof, the guarantee of any guarantor of the relevant transferee's obligations under the Transaction shall constitute a Credit Support Document under the Agreement), or (B) with Counterparty's consent (such consent not to be unreasonably withheld or delayed), to any other third party financial institution that is a recognized dealer in the market for U.S. corporate equity derivatives and that has a long-term issuer rating equal to or better than the lesser of (1) the credit rating of Dealer at the time of the transfer or assignment and (2) A- by Standard and Poor's Rating Group, Inc. or its successor ("**S&P**"), or A3 by Moody's Investor Service, Inc. or its successor ("**Moody's**") or, if either S&P or Moody's ceases to rate such debt, at least an equivalent rating or better by a substitute rating agency mutually agreed by Counterparty and Dealer; *provided* that, in the case of any transfer or assignment described in clause (A) or (B) above, (I) such a transfer or assignment shall not occur unless an Event of Default, Potential Event of Default or Termination Event will not occur as a result of such transfer and assignment; and (II) at the time of such transfer or assignment the transfer or assignment does not result in a deemed exchange by Counterparty within the meaning of Section 1001 of the Code. In addition, (A) the transferee or assignee shall agree that following such transfer or assignment, Counterparty will not (x) receive from the transferee or assignee on any payment date or delivery date (after accounting for amounts paid by the transferee or assignee under Section 2(d)(i)(4) of the Agreement as well as any withholding or deduction of Tax from the payment or delivery) an amount or a number of Shares, as applicable, lower than the amount or the number of Shares, as applicable, that Counterparty would have been entitled to receive from Dealer in the absence of such transfer or assignment or (y) be required to pay such assignee or transferee on any payment date an amount under Section 2(d)(i)(4) of the Agreement greater than an amount that Counterparty would have been required to pay to Dealer in the absence of such transfer or assignment and (B) the transferee or assignee shall make such Payee Tax Representations and shall provide such tax documentation as may be reasonably requested by Counterparty including in order to permit Counterparty to make any necessary determinations pursuant to clause (A) of this sentence. If at any time at which (A) the Section 16 Percentage exceeds 8.0%, (B) the Option Equity Percentage exceeds 14.5%, or (C) the Share Amount exceeds the Applicable Share Limit (if any applies) (any such condition described in clauses (A), (B) or (C), an "**Excess Ownership Position**"), Dealer is unable after using its commercially reasonable efforts to effect a transfer or assignment of Options to a third party on pricing terms reasonably acceptable to Dealer and within a time period reasonably acceptable to Dealer such that no Excess Ownership Position exists (after giving effect to such transfer or assignment and any resulting change in Dealer's commercially reasonable Hedge Positions), then Dealer may designate any Exchange Business Day as an Early Termination Date with respect to a portion of the Transaction (the "**Terminated Portion**"), such that following such partial termination no Excess Ownership Position exists (after giving effect to such transfer or assignment and any resulting change in Dealer's commercially reasonable Hedge Positions). In the event that Dealer so designates an Early Termination Date with respect

to a portion of the Transaction, a payment shall be made pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Options underlying the Terminated Portion, (2) Counterparty were the sole Affected Party with respect to such partial termination and (3) the Terminated Portion were the sole Affected Transaction (and, for the avoidance of doubt, the provisions of Section 9(l) shall apply to any amount that is payable by Dealer to Counterparty pursuant to this sentence as if Counterparty was not the Affected Party). The "**Section 16 Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the number of Shares that Dealer and any of its affiliates or any other person subject to aggregation with Dealer for purposes of the "beneficial ownership" test under Section 13 of the Exchange Act, or any "group" (within the meaning of Section 13 of the Exchange Act) of which Dealer is or may be deemed to be a part beneficially owns (within the meaning of Section 13 of the Exchange Act), without duplication, on such day (or, to the extent that for any reason the equivalent calculation under Section 16 of the Exchange Act and the rules and regulations thereunder results in a higher number, such higher number) and (B) the denominator of which is the number of Shares outstanding on such day. The "**Option Equity Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the sum of (1) the product of the Number of Options and the Option Entitlement and (2) the aggregate number of Shares underlying any other call option transaction sold by Dealer to Counterparty, and (B) the denominator of which is the number of Shares outstanding. The "**Share Amount**" as of any day is the number of Shares that Dealer and any person whose ownership position would be aggregated with that of Dealer (Dealer or any such person, a "**Dealer Person**") under any law, rule, regulation, regulatory order or organizational documents or contracts of Counterparty that are, in each case, applicable to ownership of Shares ("**Applicable Restrictions**"), owns, beneficially owns, constructively owns, controls, holds the power to vote or otherwise meets a relevant definition of ownership under any Applicable Restriction, as determined by Dealer in its reasonable discretion. The "**Applicable Share Limit**" means a number of Shares equal to (A) the minimum number of Shares that could give rise to reporting or registration obligations (except for any filing requirements on Form 13F, Schedule 13D or Schedule 13G under the Exchange Act, in each case, as in effect on the Trade Date) or other requirements (including obtaining prior approval from any person or entity) of a Dealer Person, or could result in an adverse effect on a Dealer Person, under any Applicable Restriction, as determined by Dealer in its reasonable discretion, *minus* (B) 1% of the number of Shares outstanding.

(iii) Notwithstanding any other provision in this Confirmation to the contrary requiring or allowing Dealer to purchase, sell, receive or deliver any Shares or other securities, or make or receive any payment in cash, to or from Counterparty, Dealer may designate any of its affiliates (each, a "**Dealer Designated Affiliate**") to purchase, sell, receive or deliver such Shares or other securities, or to make or receive such payment in cash, and otherwise to perform Dealer's obligations in respect of the Transaction and any such designee may assume such obligations; *provided*, that such Dealer Designated Affiliate shall comply with the provisions of the Transaction in the same manner as Dealer would have been required to comply. Dealer shall be discharged of its obligations to Counterparty to the extent of any such performance.

(f) *Staggered Settlement*. If upon advice of counsel with respect to applicable legal and regulatory requirements, including any requirements relating to Dealer's commercially reasonable hedging activities hereunder, Dealer reasonably determines that it would not be practicable or advisable to deliver, or to acquire Shares to deliver, any or all of the Shares to be delivered by Dealer on any Settlement Date for the Transaction, Dealer may, by notice to Counterparty on or prior to any

Settlement Date (a "**Nominal Settlement Date**"), elect to deliver the Shares on two or more dates (each, a "**Staggered Settlement Date**") as follows:

(i) in such notice, Dealer will specify to Counterparty the related Staggered Settlement Dates (each of which shall occur on or prior to such Nominal Settlement Date) and the number of Shares that it will deliver on each Staggered Settlement Date;

(ii) the aggregate number of Shares that Dealer will deliver to Counterparty hereunder on all such Staggered Settlement Dates will equal the number of Shares that Dealer would otherwise be required to deliver on such Nominal Settlement Date; and

(iii) if the Net Share Settlement terms or the Combination Settlement terms set forth above were to apply on the Nominal Settlement Date, then the Net Share Settlement terms or the Combination Settlement terms, as the case may be, will apply on each Staggered Settlement Date, except that the Shares otherwise deliverable on such Nominal Settlement Date will be allocated among such Staggered Settlement Dates as specified by Dealer in the notice referred to in clause (i) above.

(g) [*Insert any relevant agency provisions*][*Reserved*].

(h) [*Conduct Rules*. Each party acknowledges and agrees to be bound by the Conduct Rules of the Financial Industry Regulatory Authority applicable to transactions in options, and further agrees not to violate the position and exercise limits set forth therein.][*Reserved.*]

(i) *Additional Termination Events*.

(i) Notwithstanding anything to the contrary in this Confirmation, upon any Early Conversion in respect of which a Notice of Conversion (as such term is defined in the Indenture) that is effective as to Counterparty has been delivered by the relevant converting Holder (as such term is defined in the Indenture):

(A) Counterparty shall, within five Scheduled Trading Days of the Conversion Date for such Early Conversion, provide written notice (an "**Early Conversion Notice**") to Dealer specifying the number of Convertible Notes surrendered for conversion on such Conversion Date (such Convertible Notes, the "**Affected Convertible Notes**"), and the giving of such Early Conversion Notice shall constitute an Additional Termination Event as provided in this clause (i);

(B) upon receipt of any such Early Conversion Notice, Dealer shall designate an Exchange Business Day as an Early Termination Date (which Exchange Business Day shall be no earlier than one Scheduled Valid Day following the Conversion Date for such Early Conversion) with respect to the portion of the Transaction corresponding to a number of Options (the "**Affected Number of Options**") equal to the lesser of (x) the number of Affected Convertible Notes and (y) the Number of Options as of the Conversion Date for such Early Conversion;

(C) any payment hereunder with respect to such termination shall be calculated pursuant to Section 6 of the Agreement as if (x) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the Affected Number of Options, (y) Counterparty were the sole Affected Party with respect to such Additional Termination Event and (z) the terminated portion of the Transaction were the sole Affected Transaction; *provided* that the amount payable with respect to such termination shall not be greater than (1) the Applicable Percentage, *multiplied by* (2) the Affected Number of Options, *multiplied by* (3) (x) the sum

of (i) the amount of cash paid (if any) to the Holder (as such term is defined in the Indenture) of an Affected Convertible Note upon conversion of such Affected Convertible Note and (ii) the number of Shares delivered (if any) to the Holder (as such term is defined in the Indenture) of an Affected Convertible Note upon conversion of such Affected Convertible Note, *multiplied by* the Applicable Limit Price on the settlement date for the conversion of such Affected Convertible Note, *minus* (y) USD 1,000;

(D) for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, the Calculation Agent shall assume that (x) the relevant Early Conversion and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (y) no adjustments to the Conversion Rate have occurred pursuant to any Excluded Provision and (z) the corresponding Convertible Notes remain outstanding as if the circumstances related to such Early Conversion had not occurred; and

(E) the Transaction shall remain in full force and effect, except that, as of the Conversion Date for such Early Conversion, the Number of Options shall be reduced by the Affected Number of Options.

(ii) Notwithstanding anything to the contrary in this Confirmation if an event of default with respect to Counterparty occurs under the terms of the Convertible Notes as set forth in Section 6.01 of the Indenture, then such event of default shall constitute an Additional Termination Event applicable to the Transaction and, with respect to such Additional Termination Event, (A) Counterparty shall be deemed to be the sole Affected Party, (B) the Transaction shall be the sole Affected Transaction and (C) Dealer shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement.

(iii) Notwithstanding anything to the contrary in this Confirmation, the occurrence of an Amendment Event shall constitute an Additional Termination Event applicable to the Transaction and, with respect to such Additional Termination Event, (A) Counterparty shall be deemed to be the sole Affected Party, (B) the Transaction shall be the sole Affected Transaction and (C) Dealer shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement. "**Amendment Event**" means that Counterparty amends, modifies, supplements, waives or obtains a waiver in respect of any term of the Indenture or the Convertible Notes governing the principal amount, coupon, maturity, repurchase obligation of Counterparty, redemption right of Counterparty, any term relating to conversion of the Convertible Notes (including changes to the conversion rate, conversion rate adjustment provisions, conversion settlement dates or conversion conditions), or any term that would require consent of the holders of not less than 100% of the principal amount of the Convertible Notes to amend (other than, in each case, any amendment or supplement (v) pursuant to Section 10.01(a) of the Indenture, (w) pursuant to Section 10.01(k) of the Indenture that, as determined by the Calculation Agent, conforms the Indenture to the description of Convertible Notes in the Offering Memorandum, (x) pursuant to Section 10.01(d) of the Indenture, (y) pursuant to Section 13.07 of the Indenture, or (z) pursuant to Section 10.01(g) of the Indenture that, as determined by Calculation Agent, cures any ambiguity, omission, defect or inconsistency in the Indenture or in the Convertible Notes), in each case, without the consent of Dealer.

(iv) Within five Scheduled Trading Days promptly following any Repayment Event (as defined below), Counterparty (x) in the case of a Repayment Event resulting from the repurchase of any Convertible Notes by Counterparty upon the occurrence of a

"Fundamental Change" (as defined in the Indenture), shall notify Dealer in writing of such Repayment Event and (y) in the case of a Repayment Event not described in clause (x) above, may notify Dealer of such Repayment Event, in each case, including the number of Convertible Notes subject to such Repayment Event (any such notice, a "**Repayment Notice**"); *provided* that no such Repayment Notice described in clause (y) above shall be effective unless it contains the representation by Counterparty set forth in Section 8(f) hereunder as of the date of such Repayment Notice. Notwithstanding anything to the contrary in this Confirmation, the receipt by Dealer from Counterparty of any Repayment Notice shall constitute an Additional Termination Event as provided in this Section 9(i)(iv). Upon receipt of any such Repayment Notice, Dealer shall promptly designate an Exchange Business Day following receipt of such Repayment Notice (which in no event shall be earlier than the related settlement date for the relevant Repayment Event) as an Early Termination Date with respect to the portion of the Transaction corresponding to a number of Options (the "**Repayment Options**") equal to the lesser of (A) the number of such Convertible Notes specified in such Repayment Notice and (B) the Number of Options as of the date Dealer designates such Early Termination Date and, as of such date, the Number of Options shall be reduced by the number of Repayment Options. Any payment hereunder with respect to such termination (the "**Repayment Unwind Payment**") shall be calculated pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Repayment Options, (2) Counterparty were the sole Affected Party with respect to such Additional Termination Event, (3) the terminated portion of the Transaction were the sole Affected Transaction, (4) the relevant Repayment Event and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (5) no adjustments to the Conversion Rate have occurred pursuant to any Excluded Provision and (6) the corresponding Convertible Notes remain outstanding as if the circumstances related to such Repayment Event had not occurred; *provided that*, in the event of a Repayment Event pursuant to Section 14.01 of the Indenture or Section 15.01 of the Indenture, the Repayment Unwind Payment shall not be greater than (x) the number of Repayment Options multiplied by (y) the product of (A) the Applicable Percentage and (B) the excess of (I) the amount paid by the Counterparty per Convertible Note pursuant to the relevant sections of the Indenture over (II) USD 1,000. "**Repayment Event**" means that (i) any Convertible Notes are repurchased (whether pursuant to Section 14.01 of the Indenture or Section 15.01 of the Indenture or otherwise) by Counterparty or any of its subsidiaries (including in connection with, or as a result of, a Fundamental Change (as defined in the Indenture), a redemption, a tender offer, exchange offer or similar transaction or for any other reason), (ii) any Convertible Notes are delivered to Counterparty in exchange for delivery of any property or assets of Counterparty or any of its subsidiaries (howsoever described), (iii) any principal of any of the Convertible Notes is repaid in full prior to the final maturity date of the Convertible Notes (other than upon acceleration of the Convertible Notes pursuant to Section 6.02 of the Indenture), or (iv) any Convertible Notes are exchanged by or for the benefit of the "Holders" (as such term is defined in the Indenture) thereof for any other securities of Counterparty or any of its affiliates (or any other property, or any combination thereof) pursuant to any exchange offer or similar transaction. For the avoidance of doubt, any conversion of Convertible Notes (whether into cash, Shares, a combination of cash and Shares or any "Reference Property" (as defined in the Indenture)) pursuant to the terms of the Indenture shall not constitute a Repayment Event. Counterparty acknowledges and agrees that if an Additional Termination Event has occurred under this Section 9(i)(iv), then any related Convertible Notes subject to a Repayment Event will be deemed to be cancelled and disregarded and no longer outstanding for all purposes hereunder.

(j) *Amendments to Equity Definitions; Agreement*.

(i) Section 11.2(e)(vii) of the Equity Definitions is hereby replaced in its entirety with the words "any other corporate event involving the Issuer that has a material effect on the theoretical value of the Shares or the Options."

(ii) Section 12.6(a)(ii) of the Equity Definitions is hereby amended by (1) inserting "(1)" immediately following the word "means" in the first line thereof and (2) inserting immediately prior to the semi-colon at the end of subsection (B) thereof the following words: "or (2) the occurrence of any of the events specified in Section 5(a)(vii)(1) through (9) of the ISDA Master Agreement with respect to that Issuer".

(iii) Section 12.9(b)(i) of the Equity Definitions is hereby amended by (1) replacing "either party may elect" with "Dealer may elect" and (2) replacing "notice to the other party" with "notice to Counterparty" in the first sentence of such section.

(iv) Section 12(a) of the Agreement is hereby amended by (1) deleting the phrase "or email" in the third line thereof and (2) deleting the phrase "or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day" in the final clause thereof.

(k) *Setoff.* In addition to and without limiting any rights of set-off that a party hereto may have as a matter of law, pursuant to contract or otherwise, upon the occurrence of an Early Termination Date, Dealer (and only Dealer) shall have the right to set off any obligation that it may have to Counterparty under this Confirmation, including without limitation any obligation to make any payment of cash or delivery of Shares to Counterparty, against any obligation Counterparty may have to Dealer under any other agreement between Dealer and Counterparty relating to Shares (each such contract or agreement, a "**Separate Agreement**"), including without limitation any obligation to make a payment of cash or a delivery of Shares or any other property or securities. For this purpose, Dealer shall be entitled to convert any obligation (or the relevant portion of such obligation) denominated in one currency into another currency at the rate of exchange at which it would be able to purchase the relevant amount of such currency, and to convert any obligation to deliver any non-cash property into an obligation to deliver cash in an amount calculated by reference to the market value of such property as of the Early Termination Date, as determined by the Calculation Agent in its sole discretion; *provided* that in the case of a set-off of any obligation to release or deliver assets against any right to receive fungible assets, such obligation and right shall be set off in kind and; *provided further* that in determining the value of any obligation to deliver Shares, the value at any time of such obligation shall be determined by reference to the market value of the Shares at such time, as determined in good faith by the Calculation Agent. If an obligation is unascertained at the time of any such set-off, the Calculation Agent may in good faith estimate the amount or value of such obligation, in which case set-off will be effected in respect of that estimate, and the relevant party shall account to the other party at the time such obligation or right is ascertained. For the avoidance of doubt and notwithstanding anything to the contrary provided in this Section 9(k), in the event of bankruptcy or liquidation of either Counterparty or Dealer neither party shall have the right to set off any obligation that it may have to the other party under the Transaction against any obligation such other party may have to it, whether arising under the Agreement, this Confirmation or any other agreement between the parties hereto, by operation of law or otherwise.

(l) *Alternative Calculations and Payment on Early Termination and on Certain Extraordinary Events*. If (a) an Early Termination Date (whether as a result of an Event of Default or a Termination Event) occurs or is designated with respect to the Transaction or (b) the Transaction is cancelled or terminated upon the occurrence of an Extraordinary Event (except as a result of (i) a Nationalization, Insolvency or Merger Event in which the consideration to be paid to holders of Shares consists solely of cash, (ii) an Announcement Event, Merger Event or Tender Offer that is

within Counterparty's control, or (iii) an Event of Default in which Counterparty is the Defaulting Party or a Termination Event in which Counterparty is the Affected Party other than an Event of Default of the type described in Section 5(a)(iii), (v), (vi), (vii) or (viii) of the Agreement or a Termination Event of the type described in Section 5(b) of the Agreement, in each case that resulted from an event or events outside Counterparty's control), and if Dealer would owe any amount to Counterparty pursuant to Section 6(d)(ii) of the Agreement or any Cancellation Amount pursuant to Article 12 of the Equity Definitions (any such amount, a "**Payment Obligation**"), then Dealer shall satisfy the Payment Obligation by the Share Termination Alternative (as defined below), unless (a) Counterparty gives irrevocable telephonic notice to Dealer, confirmed in writing within one Scheduled Trading Day, no later than 12:00 p.m. (New York City time) on the date of the Announcement Event, Merger Date, Tender Offer Date, Announcement Date (in the case of a Nationalization, Insolvency or Delisting), Early Termination Date or date of cancellation, as applicable, of its election that the Share Termination Alternative shall not apply, (b) Counterparty remakes the representation set forth in Section 8(f) as of the date of such election and (c) Dealer agrees, in its commercially reasonable discretion, to such election, in which case the provisions of Section 12.7 or Section 12.9 of the Equity Definitions, or the provisions of Section 6(d)(ii) of the Agreement, as the case may be, shall apply.

Share Termination Alternative: If applicable, Dealer shall deliver to Counterparty the Share Termination Delivery Property on, or within a commercially reasonable period of time after, the date when the relevant Payment Obligation would otherwise be due pursuant to Section 12.7 or 12.9 of the Equity Definitions or Section 6(d)(ii) and 6(e) of the Agreement, as applicable, in satisfaction of such Payment Obligation in the manner reasonably requested by Counterparty free of payment.

Share Termination Delivery Property: A number of Share Termination Delivery Units, as calculated by the Calculation Agent, equal to the Payment Obligation divided by the Share Termination Unit Price. The Calculation Agent shall adjust the Share Termination Delivery Property by replacing any fractional portion of a security therein with an amount of cash equal to the value of such fractional security based on the values used to calculate the Share Termination Unit Price.

Share Termination Unit Price: The value to Dealer of property contained in one Share Termination Delivery Unit, as determined by the Calculation Agent in its discretion by commercially reasonable means and notified by the Calculation Agent to Dealer at the time of notification of the Payment Obligation. For the avoidance of doubt, the parties agree that in determining the Share Termination Delivery Unit Price the Calculation Agent may consider the purchase price paid in connection with the purchase of Share Termination Delivery Property.

Share Termination Delivery Unit: One Share or, if the Shares have changed into cash or any other property or the right to receive cash or any other property as the result of a Nationalization, Insolvency or Merger Event (any such cash or other property, the "**Exchange Property**"), a unit

consisting of the type and amount of such Exchange Property received by a holder of one Share (without consideration of any requirement to pay cash or other consideration in lieu of fractional amounts of any securities) in such Nationalization, Insolvency or Merger Event, as determined by the Calculation Agent.

Failure to Deliver: Applicable

Other applicable provisions: If Share Termination Alternative is applicable, the provisions of Sections 9.8, 9.9 and 9.11 (as modified above) of the Equity Definitions and the provisions set forth opposite the caption "Representation and Agreement" in Section 2 will be applicable, except that all references in such provisions to "Physically-settled" shall be read as references to "Share Termination Settled" and all references to "Shares" shall be read as references to "Share Termination Delivery Units". "Share Termination Settled" in relation to the Transaction means that Share Termination Alternative is applicable to the Transaction.

(m) *Waiver of Jury Trial*. Each party waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to the Transaction. Each party (i) certifies that no representative, agent or attorney of either party has represented, expressly or otherwise, that such other party would not, in the event of such a suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into the Transaction, as applicable, by, among other things, the mutual waivers and certifications provided herein.

(n) *Registration.* Counterparty hereby agrees that if, in the good faith reasonable judgment of Dealer, the Shares ("**Hedge Shares**") acquired by Dealer for the purpose of hedging its obligations pursuant to the Transaction cannot be sold in the public market by Dealer without registration under the Securities Act, Counterparty shall, at its election, either (i) in order to allow Dealer to sell the Hedge Shares in a registered offering, make available to Dealer an effective registration statement under the Securities Act and enter into an agreement, in form and substance reasonably satisfactory to Dealer, substantially in the form of an underwriting agreement for a registered secondary offering; *provided, however*, that if Dealer, in its sole reasonable discretion, is not satisfied with access to due diligence materials, the results of its due diligence investigation, or the procedures and documentation for the registered offering referred to above, then clause (ii) or clause (iii) of this paragraph shall apply at the election of Counterparty, (ii) in order to allow Dealer to sell the Hedge Shares in a private placement, enter into a private placement agreement substantially similar to private placement purchase agreements customary for private placements of equity securities, in form and substance reasonably satisfactory to Dealer (in which case, the Calculation Agent shall make any adjustments to the terms of the Transaction that are necessary, in its reasonable judgment, to compensate Dealer for any discount from the public market price of the Shares incurred on the sale of Hedge Shares in a private placement), or (iii) purchase the Hedge Shares from Dealer at the then-current market price on such Exchange Business Days, and in the amounts and at such time(s), requested by Dealer.

(o) *Tax Disclosure*. Effective from the date of commencement of discussions concerning the Transaction, Counterparty and each of its employees, representatives, or other agents may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the

Transaction and all materials of any kind (including opinions or other tax analyses) that are provided to Counterparty relating to such tax treatment and tax structure.

(p) *Right to Extend*. Dealer may postpone or add, in whole or in part, any Valid Day or Valid Days during the Settlement Averaging Period or any other date of valuation, payment or delivery by Dealer, with respect to some or all of the Options hereunder, if Dealer reasonably determines, in its commercially reasonable judgment (in the case of clause (i) below) or based on the advice of counsel (in the case of clause (ii) below), that such action is reasonably necessary or appropriate (i) to preserve Dealer's commercially reasonable hedging or hedge unwind activity hereunder in light of existing liquidity conditions or (ii) to enable Dealer to effect transactions with respect to Shares in connection with its commercially reasonable hedging, hedge unwind or settlement activity hereunder in a manner that would, if Dealer were Counterparty or an affiliated purchaser of Counterparty, be in compliance with applicable legal, regulatory or self-regulatory requirements, or with related policies and procedures applicable to Dealer; *provided* that such policies and procedures have been adopted by Dealer in good faith and are generally applicable in similar situations and applied in a non-discriminatory manner; *provided*, *further* that no such Valid Day or any other date of valuation, payment or delivery may be postponed or added more than 40 Valid Days after the original Valid Day or any other date of valuation, payment or delivery, as the case may be.

(q) *Status of Claims in Bankruptcy*. Dealer acknowledges and agrees that this Confirmation is not intended to convey to Dealer rights against Counterparty with respect to the Transaction that are senior to the claims of common stockholders of Counterparty in any United States bankruptcy proceedings of Counterparty; *provided* that nothing herein shall limit or shall be deemed to limit Dealer's right to pursue remedies in the event of a breach by Counterparty of its obligations and agreements with respect to the Transaction; *provided*, *further* that nothing herein shall limit or shall be deemed to limit Dealer's rights in respect of any transactions other than the Transaction.

(r) *Securities Contract; Swap Agreement*. The parties hereto intend for (i) the Transaction to be a "securities contract" and a "swap agreement" as defined in the Bankruptcy Code, and the parties hereto to be entitled to the protections afforded by, among other Sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code, (ii) a party's right to liquidate the Transaction and to exercise any other remedies upon the occurrence of any Event of Default under the Agreement with respect to the other party to constitute a "contractual right" as described in the Bankruptcy Code, and (iii) each payment and delivery of cash, securities or other property hereunder to constitute a "margin payment" or "settlement payment" and a "transfer" as defined in the Bankruptcy Code.

(s) *Notice of Certain Other Events*. Counterparty covenants and agrees that:

(i) Promptly as reasonably practicable following the public announcement of the results of any election by the holders of Shares with respect to the consideration due upon consummation of any Merger Event, Counterparty shall give Dealer written notice of the weighted average of the types and amounts of consideration received by holders of Shares upon consummation of such Merger Event (the date of such notification, the "**Consideration Notification Date**"); *provided* that in no event shall the Consideration Notification Date be later than the date on which such Merger Event is consummated; and

(ii) (A) Counterparty shall give Dealer commercially reasonable advance (but in no event less than one Exchange Business Day) written notice of the section or sections of the Indenture and, if applicable, the formula therein, pursuant to which any adjustment will be made to the Convertible Notes in connection with any Potential Adjustment Event, Merger Event or Tender Offer and (B) promptly following any such adjustment, Counterparty shall give Dealer written notice of the details of such adjustment.

(t) *Wall Street Transparency and Accountability Act*. In connection with Section 739 of the Wall Street Transparency and Accountability Act of 2010 ("**WSTAA**"), the parties hereby agree that neither the enactment of WSTAA or any regulation under the WSTAA, nor any requirement under WSTAA or an amendment made by WSTAA, shall limit or otherwise impair either party's otherwise applicable rights to terminate, renegotiate, modify, amend or supplement this Confirmation or the Agreement, as applicable, arising from a termination event, force majeure, illegality, increased costs, regulatory change or similar event under this Confirmation, the Equity Definitions incorporated herein, or the Agreement (including, but not limited to, rights arising from Change in Law, Hedging Disruption, Increased Cost of Hedging, an Excess Ownership Position, or Illegality (as defined in the Agreement)).

(u) *Agreements and Acknowledgements Regarding Hedging*. Counterparty understands, acknowledges and agrees that: (A) at any time on and prior to the Expiration Date, Dealer and its affiliates may buy or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to adjust its hedge position with respect to the Transaction; (B) Dealer and its affiliates also may be active in the market for Shares other than in connection with hedging activities in relation to the Transaction; (C) Dealer shall make its own determination as to whether, when or in what manner any hedging or market activities in securities of Issuer shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to the Relevant Prices; and (D) any market activities of Dealer and its affiliates with respect to Shares may affect the market price and volatility of Shares, as well as the Relevant Prices, each in a manner that may be adverse to Counterparty.

(v) *Early Unwind*. In the event the sale of the "Firm Securities" (as defined in the Purchase Agreement) is not consummated with the Initial Purchasers for any reason, or Counterparty fails to deliver to Dealer opinions of counsel as required pursuant to Section 9(a), in each case by 5:00 p.m. (New York City time) on the Premium Payment Date, or such later date as agreed upon by the parties (the Premium Payment Date or such later date the "**Early Unwind Date**"), the Transaction shall automatically terminate (the "**Early Unwind**"), on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Dealer and Counterparty under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Each of Dealer and Counterparty represents and acknowledges to the other that upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.

(w) *Payment by Counterparty*. In the event that, following payment of the Premium, (i) an Early Termination Date occurs or is designated with respect to the Transaction as a result of a Termination Event or an Event of Default (other than an Event of Default arising under Section 5(a)(ii) or 5(a)(iv) of the Agreement) and, as a result, Counterparty owes to Dealer an amount calculated under Section 6(e) of the Agreement, or (ii) Counterparty owes to Dealer, pursuant to Section 12.7 or Section 12.9 of the Equity Definitions, an amount calculated under Section 12.8 of the Equity Definitions, such amount shall be deemed to be zero.

(x) *Other Adjustments Pursuant to the Equity Definitions*. Notwithstanding anything to the contrary in this Confirmation, solely for the purpose of adjusting the Cap Price, the terms "Potential Adjustment Event," "Merger Event," and "Tender Offer" shall each have the meanings assigned to such term in the Equity Definitions (as amended by Section 9(j)(i) or, if applicable, by the definition of "Announcement Event", and provided that for purposes of the foregoing (1) Section 12.1(d) of the Equity Definitions shall be amended by (x) replacing "10%" with "25%" in the third line thereof and (y) replacing the words "voting shares of the Issuer" in the fourth line thereof with the word "Shares" and (2) Section 12.1(e) of the Equity Definitions is hereby amended by replacing the words "voting shares" in the first line thereof with the word "Shares"), and upon the occurrence of a Merger Date, the occurrence of a Tender Offer Date, or declaration by

Counterparty of the terms of any Potential Adjustment Event, respectively, as such terms are defined in the Equity Definitions, the Calculation Agent shall determine whether such occurrence or declaration, as applicable, has had a material economic effect on the Transaction and, if so, shall adjust the Cap Price as the Calculation Agent determines appropriate to account for the economic effect on the Transaction of such occurrence or declaration, as applicable; *provided* that in no event shall the Cap Price be less than the Strike Price. Solely for purposes of this Section 9(x) "Extraordinary Dividend" means any cash dividend on the Shares.

Re: Additional Call Option Transaction

The purpose of this letter agreement (this "**Confirmation**") is to confirm the terms and conditions of the call option transaction entered into between [DEALER] ("**Dealer**") and Live Nation Entertainment, Inc. ("**Counterparty**") as of the Trade Date specified below (the "**Transaction**"). This letter agreement constitutes a "Confirmation" as referred to in the ISDA Master Agreement specified below. Each party further agrees that this Confirmation together with the Agreement evidence a complete binding agreement between Counterparty and Dealer as to the subject matter and terms of the Transaction to which this Confirmation relates, and shall supersede all prior or contemporaneous written or oral communications with respect thereto.

The definitions and provisions contained in the 2002 ISDA Equity Derivatives Definitions (the "**Equity Definitions**"), as published by the International Swaps and Derivatives Association, Inc. ("**ISDA**") are incorporated into this Confirmation. In the event of any inconsistency between the Equity Definitions and this Confirmation, this Confirmation shall govern. Certain defined terms used herein are based on terms that are defined in the Offering Memorandum dated January [__], 2023 (the "**Offering Memorandum**") relating to the [__]% Convertible Senior Notes due 2029 (as originally issued by Counterparty, the "**Convertible Notes**" and each USD 1,000 principal amount of Convertible Notes, a "**Convertible Note**") issued by Counterparty in an aggregate initial principal amount of USD [_____] (as increased by an aggregate principal amount of USD [_____] pursuant to the exercise by the Initial Purchasers (as defined herein) of their option to purchase additional Convertible Notes pursuant to the Purchase Agreement (as defined herein)) pursuant to an Indenture to be dated January [__], 2023 between Counterparty and HSBC Bank USA, National Association, as trustee (the "**Indenture**"). In the event of any inconsistency between the terms defined in the Offering Memorandum, the Indenture and this Confirmation, this Confirmation shall govern. The parties acknowledge that this Confirmation is entered into on the date hereof with the understanding that (i) definitions set forth in the Indenture which are also defined herein by reference to the Indenture and (ii) sections of the Indenture that are referred to herein will conform to the descriptions thereof in the Offering Memorandum. If any such definitions in the Indenture or any such sections of the Indenture differ from the descriptions thereof in the Offering Memorandum, the descriptions thereof in the Offering Memorandum will govern for purposes of this Confirmation. The parties further acknowledge that the Indenture section numbers used herein are based on the draft of the Indenture last reviewed by Dealer as of the date of this Confirmation, and if any such section numbers are changed in the Indenture as executed, the parties will amend this Confirmation in good faith to preserve the intent of the parties. Subject to the foregoing, references to the Indenture herein are references to the Indenture as in effect on the date of its execution, and if the Indenture is amended or supplemented following such date (other than any amendment or supplement (x) pursuant to Section 10.01(k) of the Indenture that, as determined by the Calculation Agent, conforms the Indenture to the description of Convertible Notes in the Offering Memorandum or (y) pursuant to Section 13.07 of the Indenture, subject, in the case of this clause (y), to the second paragraph under "Method of Adjustment" in Section 3), any such amendment or supplement will be disregarded for purposes of this Confirmation (other than as provided in Section 9(i)(iii) below) unless the parties agree otherwise in writing.

Each party is hereby advised, and each such party acknowledges, that the other party has engaged in, or refrained from engaging in, substantial financial transactions and has taken other material actions in reliance upon the parties' entry into the Transaction to which this Confirmation relates on the terms and conditions set forth below.

1. This Confirmation evidences a complete and binding agreement between Dealer and Counterparty as to the terms of the Transaction to which this Confirmation relates. This Confirmation shall supplement, form a part of, and be subject to an agreement in the form of the 2002 ISDA Master Agreement (the "**Agreement**") as if Dealer and Counterparty had executed an agreement in such form (but without any Schedule except for (i) the election of the laws of the State of New York as the governing law (without reference to choice of law doctrine), (ii) in respect of Section 5(a)(vi) of the Agreement, the election that the "Cross Default" provisions shall apply to Dealer with (a) a "Threshold Amount" with respect to Dealer of three percent of the shareholders' equity of [Dealer][[*Dealer Parent*] ("**Dealer Parent**")] as of the Trade Date, (b) the deletion of the phrase ", or becoming capable at such time of being declared," from clause (1) and (c) the following language added to the end thereof: "Notwithstanding the foregoing, a default under subsection (2) hereof shall not constitute an Event of Default if (x) the default was caused solely by error or omission of an administrative or operational nature, (y) funds were available to enable the party to make the payment when due" and (z) the payment is made within two Local Business Days of such party's receipt of written notice of its failure to pay.", (iii) the modification that the term "Specified Indebtedness" shall have the meaning specified in Section 14 of the Agreement, except that such term shall not include obligations in respect of deposits received in the ordinary course of a party's banking business, and (iv) the modification that following the payment of the Premium, the condition precedent in Section 2(a)(iii) of the Agreement with respect to Events of Default or Potential Events of Default (other than an Event of Default or Potential Event of Default arising under Section 5(a)(ii), 5(a)(iv) or 5(a)(vii) of the Agreement) shall not apply to a payment or delivery owing by Dealer to Counterparty) on the Trade Date. In the event of any inconsistency between provisions of the Agreement and this Confirmation, this Confirmation will prevail for the purpose of the Transaction to which this Confirmation relates. *provided* that in no event shall the sum of (x) the Combination Settlement Cash Amount for any Option and (y) the Combination Settlement Share Amount for such Option multiplied by the Applicable Limit Price on the Settlement Date for such Option, exceed the Applicable Limit for such Option.

Dealer will pay cash in lieu of delivering any fractional Shares to be delivered with respect to any Combination Settlement Share Amount valued at the Relevant Price for the last Valid Day of the Settlement Averaging Period.

Cash Settlement: If Cash Settlement is applicable to any Option exercised or deemed exercised hereunder, in lieu of Section 8.1 of the Equity Definitions, Dealer will pay to Counterparty, on the relevant Settlement Date for each such Option, an amount of cash (the "**Cash Settlement Amount**") equal to the sum, for each Valid Day during the Settlement Averaging Period for such Option, of (i) the Daily Option Value for such Valid Day, divided by (ii) the number of Valid Days in the Settlement Averaging Period; provided that in no event shall the Cash Settlement Amount for any Option exceed the Applicable Limit for such Option.

In no event will the Daily Option Value be less than zero. |

| Representation and Agreement: | Notwithstanding anything to the contrary in the Equity Definitions (including, but not limited to, Section 9.11 thereof), the parties acknowledge that (i) any Shares delivered to Counterparty shall be, upon delivery, subject to restrictions and limitations arising from Counterparty's status as issuer of the Shares under applicable securities laws, (ii) Dealer may deliver any Shares required to be delivered hereunder in certificated form in lieu of delivery through the Clearance System and (iii) any Shares delivered to Counterparty may be "restricted securities" (as defined in Rule 144 under the Securities Act of 1933, as amended (the "**Securities Act**")). |

**3. Additional Terms applicable to the Transaction.**

Adjustments applicable to the Transaction:

| | |
|---|---|
| Potential Adjustment Events: | Notwithstanding Section 11.2(e) of the Equity Definitions, a "Potential Adjustment Event" means an occurrence of any event or condition, as set forth in any Dilution Adjustment Provision, that would result in an adjustment under the Indenture to the "Conversion Rate" or the composition of a "Reference Property Unit" or to any "Closing Price," "Daily VWAP," "Daily Conversion Value," or "Daily Settlement Amount" (each as defined in the Indenture). For the avoidance of doubt, Dealer shall not have any delivery or payment obligation hereunder, and no adjustment shall be made to the terms of the Transaction, on account of (x) any distribution of cash, property or securities by Counterparty to holders of the Convertible Notes (upon conversion or otherwise) or (y) any other transaction in which holders of the Convertible Notes are entitled to participate, in each case, in lieu of an adjustment under the Indenture of the type referred to in the immediately preceding sentence (including, without limitation, pursuant to the third sentence of the second paragraph of Section 13.04(c) of the Indenture or the fourth sentence of Section 13.04(d) of the Indenture). |
| Potential Adjustment Events: | Notwithstanding Section 11.2(e) of the Equity Definitions, a "Potential Adjustment Event" means an occurrence of any event or condition, as set forth in any Dilution Adjustment Provision, that would result in an adjustment under the Indenture to the "Conversion Rate" or the composition of a "Reference Property Unit" or to any "Closing Price," "Daily VWAP," "Daily Conversion Value," or "Daily Settlement Amount" (each as defined in the Indenture). For the avoidance of doubt, Dealer shall not have any delivery or payment obligation hereunder, and no adjustment shall be made to the terms of the Transaction, on account of (x) any distribution of cash, property or securities by Counterparty to holders of the Convertible Notes (upon conversion or otherwise) or (y) any other transaction in which holders of the Convertible Notes are entitled to participate, in each case, in lieu of an adjustment under the Indenture of the type referred to in the immediately preceding sentence (including, without limitation, pursuant to the third sentence of the second paragraph of Section 13.04(c) of the Indenture or the fourth sentence of Section 13.04(d) of the Indenture). |

Method of Adjustment: Calculation Agent Adjustment, which means that, notwithstanding Section 11.2(c) of the Equity Definitions, upon any Potential Adjustment Event, the Calculation Agent shall make a corresponding adjustment to any one or more of the Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction; provided that the parties agree that (x) open market Share repurchases at prevailing market price and (y) Share repurchases through a dealer pursuant to accelerated share repurchases, forward contracts or similar transactions that are entered into at prevailing market prices and in accordance with customary market terms for transactions of such type to repurchase the Shares shall not be considered Potential Adjustment Events, in each case, to the extent that, after giving effect to such transactions, the aggregate number of Shares repurchased during the term of the Transaction pursuant to all transactions described in this proviso would not exceed 20% of the number of Shares outstanding as of the Trade Date, as determined by the Calculation Agent.

(i) if the Calculation Agent in good faith disagrees with any adjustment to the Convertible Notes that involves an exercise of discretion by Counterparty or its board of directors (including, without limitation, pursuant to Section 13.05 of the Indenture, Section 13.07 of the Indenture or any supplemental indenture entered into thereunder or in connection with any proportional adjustment or the determination of the fair value of any securities, property, rights or other assets), then in each such case, the Calculation Agent will, in good faith and in a commercially reasonable manner, determine the adjustment to be made to any one or more of the Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction in a commercially reasonable manner; provided that, notwithstanding the foregoing, if any Potential Adjustment Event occurs during the Settlement Averaging Period but no adjustment was made to any Convertible Note under the Indenture because the relevant Holder (as such term is defined in the Indenture) was deemed to be a record owner of the underlying Shares on the related Conversion Date, then the Calculation Agent shall make a commercially reasonable adjustment, as determined by it, to the terms hereof in order to account for such Potential Adjustment Event;

(ii) in connection with any Potential Adjustment Event as a result of an event or condition set forth in Section 13.04(b) of the Indenture or Section 13.04(c) of the Indenture where, in either case, the period for determining "Y" (as such term is used in Section 13.04(b) of the Indenture) or "SP0" (as such term is used in Section 13.04(c) of the Indenture), as the case may be, begins before Counterparty has publicly announced the event or condition giving rise to such Potential Adjustment Event, then the Calculation Agent shall, in good faith and in a commercially reasonable manner, have the right to adjust any variable relevant to the exercise, settlement or payment for the Transaction as appropriate to reflect the costs (including, but not limited to, hedging mismatches and market losses) and expenses incurred by Dealer in connection with its hedging activities, with such adjustments made assuming that Dealer maintains commercially reasonable hedge positions, as a result of such event or condition not having been publicly announced prior to the beginning of such period; and

(iii) if any Potential Adjustment Event is declared and (a) the event or condition giving rise to such Potential Adjustment Event is subsequently amended, modified, cancelled or abandoned, (b) the "Conversion Rate" (as defined in the Indenture) is otherwise not adjusted at the time or in the manner contemplated by the relevant Dilution Adjustment Provision based on such declaration or (c) the "Conversion Rate" (as defined in the Indenture) is adjusted as a result of such Potential Adjustment Event and subsequently re-adjusted (each of clauses (a), (b) and (c), a "**Potential Adjustment Event Change**") then, in each case, the Calculation Agent shall, in good faith and in a commercially reasonable manner, have the right to adjust any variable relevant to the exercise, settlement or payment for the Transaction as appropriate to reflect the costs (including, but not limited to, hedging mismatches and market losses) and expenses incurred by Dealer in connection with its hedging activities, with such adjustments made assuming that Dealer maintains commercially reasonable hedge positions, as a result of such Potential Adjustment Event Change.

|---|---|
| Dilution Adjustment Provisions: | Sections 13.04(a), (b), (c), (d) and (e) and Section 13.05 of the Indenture. |
| Extraordinary Events applicable to the Transaction: | |
| Merger Events: | Applicable; provided that notwithstanding Section 12.1(b) of the Equity Definitions, a "Merger Event" means the occurrence of any event or condition set forth in the definition of "Share Exchange Event" in Section 13.07 of the Indenture. |
| Tender Offers: | Applicable; provided that notwithstanding Section 12.1(d) of the Equity Definitions, a "Tender Offer" means the occurrence of any event or condition set forth in Section 13.04(e) of the Indenture. |
| Consequences of Merger Events/ Tender Offers: | Notwithstanding Section 12.2 and Section 12.3 of the Equity Definitions, upon the occurrence of a Merger Event or a Tender Offer, the Calculation Agent shall make a corresponding adjustment in respect of any adjustment under the Indenture to any one or more of the nature of the Shares (in the case of a Merger Event), Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction, subject to the second paragraph under "Method of Adjustment"; provided, however, that such adjustment shall be made without regard to any adjustment to the Conversion Rate pursuant to any Excluded Provision; provided further that if, with respect to a Merger Event or a Tender Offer, (i) the consideration for the Shares includes (or, at the option of a holder of Shares, may include) shares of an entity or person that is not a corporation or is not organized under the laws of the United States, any State thereof or the District of Columbia or (ii) the Counterparty to the Transaction following such Merger Event or Tender Offer will not be a corporation organized under the laws of the United States, any State thereof or the District of Columbia, then, in either case, Cancellation and Payment (Calculation Agent Determination) may apply at Dealer's reasonable election; provided further that, for the avoidance of doubt, adjustments shall be made pursuant to the provisions set forth above regardless of whether any Merger Event or Tender Offer gives rise to an Early Conversion. |

| | |
|---|---|
| Consequences of Announcement Events: | Modified Calculation Agent Adjustment as set forth in Section 12.3(d) of the Equity Definitions; provided that, in respect of an Announcement Event, (w) references to "Tender Offer" shall be replaced by references to "Announcement Event" and references to "Tender Offer Date" shall be replaced by references to "date of such Announcement Event", (x) the phrase "exercise, settlement, payment or any other terms of the Transaction (including, without limitation, the spread)" shall be replaced with the phrase "Cap Price (provided that in no event shall the Cap Price be less than the Strike Price)", (y) the phrases "whether within a commercially reasonable (as determined by the Calculation Agent) period of time prior to or after the Announcement Event," shall be inserted prior to the word "which" in the seventh line, and (z) for the avoidance of doubt, the Calculation Agent shall, in good faith and in a commercially reasonable manner, determine whether the relevant Announcement Event has had an economic effect on the Transaction (and, if so, shall adjust the Cap Price accordingly) on one or more occasions on or after the date of the Announcement Event up to, and including, the Expiration Date, any Early Termination Date and/or any other date of cancellation, it being understood that (i) any adjustment in respect of an Announcement Event shall take into account any earlier adjustment relating to the same Announcement Event and (ii) in making any adjustment the Calculation Agent shall take into account volatility, liquidity or other factors before and after such Announcement Event. An Announcement Event shall be an "Extraordinary Event" for purposes of the Equity Definitions, to which Article 12 of the Equity Definitions is applicable. |
| Announcement Event: | (i) The public announcement by Counterparty, any subsidiary of Counterparty or any Valid Third-Party Entity (any such person or entity, a "**Relevant Party**") of (x) any transaction or event that, if completed, would constitute a Merger Event or Tender Offer, (y) any potential acquisition or disposition by Issuer and/or its subsidiaries where the aggregate consideration exceeds 35% of the market capitalization of Issuer as of the date of such announcement (an "**Acquisition Transaction**") or (z) the intention to enter into a Merger Event or Tender Offer or an Acquisition Transaction, (ii) the public announcement by Issuer of an intention to solicit or enter into, or to explore strategic alternatives or other similar undertaking that may include, a Merger Event or Tender Offer or an Acquisition Transaction or (iii) any subsequent public announcement by a Relevant Party of a change to a transaction or intention that is the subject of an announcement of the type described in clause (i) or (ii) of this sentence (including, without limitation, a new announcement, whether or not by the same party, relating to such a transaction or intention or the announcement of a withdrawal from, or the abandonment or discontinuation of, such a transaction or intention), as determined by the Calculation Agent. For the avoidance of doubt, the occurrence of an Announcement Event with respect to any transaction or intention shall not preclude the occurrence of a later Announcement Event with respect to such transaction or intention. For purposes of this definition of "Announcement Event," (A) "Merger Event" shall mean such term as defined under Section 12.1(b) of the Equity Definitions (but, for the avoidance of doubt, the remainder of the definition of "Merger Event" in Section 12.1(b) of the Equity Definitions following the definition of "Reverse Merger" therein shall be disregarded) and (B) "Tender Offer" shall mean such term as defined under Section 12.1(d) of the Equity Definitions; provided that (1) Section 12.1(d) of the Equity Definitions is hereby amended by (x) replacing "10%" with "25%" in the third line thereof and (y) replacing the words "voting shares of the Issuer" in the fourth line thereof with the word "Shares" and (2) Section 12.1(e) of the Equity Definitions is hereby amended by replacing the words "voting shares" in the first line thereof with the word "Shares". |
| Valid Third Party Entity: | In respect of any transaction or event, any third party that has a bona fide intent to enter into or consummate such transaction (it being understood and agreed that in determining, in a commercially reasonable manner, whether such third party has such a bona fide intent, the Calculation Agent shall take into consideration whether the relevant announcement by such party has had a material economic effect on the Shares and/or Options on the Shares). |

| | |
|---|---|
| Nationalization, Insolvency or Delisting: | Cancellation and Payment (Calculation Agent Determination); provided that, in addition to the provisions of Section 12.6(a)(iii) of the Equity Definitions, it will also constitute a Delisting if the Exchange is located in the United States and the Shares are not immediately re-listed, re-traded or re-quoted on any of the New York Stock Exchange, The Nasdaq Global Select Market or The Nasdaq Global Market (or their respective successors); if the Shares are immediately re-listed, re-traded or re-quoted on any of the New York Stock Exchange, The Nasdaq Global Select Market or The Nasdaq Global Market (or their respective successors), such exchange or quotation system shall thereafter be deemed to be the Exchange. |
| Additional Disruption Events: | |
| Change in Law: | Applicable; provided that Section 12.9(a)(ii) of the Equity Definitions is hereby amended by (i) replacing the phrase "the interpretation" in the third line thereof with the phrase ", or public announcement of, the formal or informal interpretation", (ii) replacing the word "Shares" where it appears in clause (X) thereof with the words "Hedge Position" and (iii) replacing the parenthetical beginning after the word "regulation" in the second line thereof with the words "(including, for the avoidance of doubt and without limitation, (x) any tax law or (y) adoption, effectiveness or promulgation of new regulations authorized or mandated by existing statute)". |
| Failure to Deliver: | Applicable |
| Hedging Disruption: | Applicable; provided that:<br><br>(i) Section 12.9(a)(v) of the Equity Definitions is hereby amended by inserting the following two phrases at the end of such Section:<br><br>"For the avoidance of doubt, the term "equity price risk" shall be deemed to include, but shall not be limited to, stock price and volatility risk. And, for the further avoidance of doubt, any such transactions or assets referred to in phrases (A) or (B) above must be available on commercially reasonable pricing terms."; and<br><br>(ii) Section 12.9(b)(iii) of the Equity Definitions is hereby amended by inserting in the third line thereof, after the words "to terminate the Transaction", the words "or a portion of the Transaction affected by such Hedging Disruption". |

| Hedging Party: | For all applicable Additional Disruption Events, Dealer. |
| Determining Party: | For all applicable Extraordinary Events, Dealer. |
| Non-Reliance: | Applicable |
| Agreements and Acknowledgments Regarding Hedging Activities: | Applicable |

| | |
|---|---|
| Additional Acknowledgments: | Applicable |
| Hedging Adjustment: | For the avoidance of doubt, whenever Hedging Party, Determining Party or the Calculation Agent makes an adjustment, calculation or determination permitted or required to be made pursuant to the terms of this Confirmation or the Equity Definitions to take into account the effect of any event (other than an adjustment, calculation or determination made by reference to the Indenture), the Calculation Agent, Determining Party or Hedging Party, as the case may be, shall make such adjustment, calculation or determination in a commercially reasonable manner and by reference to the effect of such event on Dealer assuming that Dealer maintains a commercially reasonable hedge position. |
| **4. Calculation Agent.** | Dealer; provided that all calculations and determinations by the Calculation Agent (other than calculations or determinations made by reference to the Indenture) shall be made in good faith and in a commercially reasonable manner and assuming for such purposes that Dealer is maintaining, establishing and/or unwinding, as applicable, a commercially reasonable hedge position; provided further that if an Event of Default of the type described in Section 5(a)(vii) of the Agreement with respect to which Dealer is the sole Defaulting Party occurs, Counterparty shall have the right to appoint a successor calculation agent which shall be a nationally recognized third-party dealer in over-the-counter corporate equity derivatives. The Calculation Agent agrees that it will promptly (but in any event within five (5) Exchange Business Days), upon written notice from Counterparty, provide a statement displaying in reasonable detail the basis for such determination, adjustment or calculation, as the case may be (including any quotations, market data or information from internal or external sources used in making such determination, adjustment or calculation, it being understood that the Calculation Agent shall not be required to disclose any confidential information or proprietary models used by it in connection with such determination, adjustment or calculation, as the case may be). |

(d) Counterparty is not and, after consummation of the transactions contemplated hereby, will not be required to register as an "investment company" as such term is defined in the Investment Company Act of 1940, as amended.

(e) Counterparty is an "eligible contract participant" (as such term is defined in Section 1a(18) of the Commodity Exchange Act, as amended, other than a person that is an eligible contract participant under Section 1a(18)(C) of the Commodity Exchange Act).

(g) No state or local (including any non-U.S. jurisdiction's) law, rule, regulation or regulatory order applicable to the Shares would give rise to any reporting, consent, registration or other requirement (including without limitation a requirement to obtain prior approval from any person or entity) as a result of Dealer or its affiliates owning or holding (however defined) Shares.

(h) Counterparty (A) is capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities; (B) will exercise independent judgment in evaluating the recommendations of any broker-dealer or its associated persons, unless it has otherwise notified the broker-dealer in writing; and (C) has total assets of at least USD 50 million.

Counterparty further represents and warrants that the Premium is not being paid, in whole or in part, directly or indirectly, with funds received under or pursuant to any program or facility, including the U.S. Small Business Administration's "Paycheck Protection Program", that (a) is established under applicable law (whether in existence as of the Trade Date or subsequently enacted, adopted or amended), including without limitation the CARES Act and the Federal Reserve Act, as amended, and (b) requires under such applicable law (or any regulation, guidance, interpretation or other pronouncement of a governmental authority with jurisdiction for such program or facility) that such funds be used for specified or enumerated purposes that do not include the purchase of the Transaction (either by specific

(b) *Repurchase Notices*. Counterparty shall, on any day on which Counterparty effects any repurchase of Shares, promptly give Dealer a written notice (which, for the avoidance of doubt may be by email) of such repurchase (a "**Repurchase Notice**") on such day if following such repurchase, the number of outstanding Shares as determined on such day is (i) less than [__]million (in the case of the first such notice) or (ii) thereafter more than [__]million less than the number of Shares included in the immediately preceding Repurchase Notice; *provided* that, with respect to any repurchase of Shares pursuant to a plan under Rule 10b5-1 under the Exchange Act (as defined below), Counterparty may elect to satisfy such requirement by promptly giving Dealer written notice of entry into such plan, the maximum number of Shares that may be purchased thereunder and the approximate dates or periods during which such repurchases may occur (with such maximum number of Shares deemed repurchased on the date of such notice for purposes of this Section 9(b)). Counterparty agrees to indemnify and hold harmless Dealer and its affiliates and their respective officers, directors, employees, affiliates, advisors, agents and controlling persons (each, an "**Indemnified Person**") from and against any and all losses (including losses relating to Dealer's hedging activities as a consequence of becoming, or of the risk of becoming, a Section 16 "insider", including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages, judgments, liabilities and reasonable and documented out-of-pocket expenses (including reasonable attorney's fees), joint or several, which an Indemnified Person may become subject to, as a result of Counterparty's failure to provide Dealer with a Repurchase Notice on the day and in the manner specified in this paragraph, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other out-of-pocket expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against the Indemnified Person as a result of Counterparty's failure to provide Dealer with a Repurchase Notice in accordance with this paragraph, such Indemnified Person shall promptly notify Counterparty in writing, and Counterparty, upon request of the Indemnified Person, shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others Counterparty may designate in such proceeding and shall pay the reasonable fees and expenses of such counsel related to such proceeding. Counterparty shall not be liable for any settlement of any proceeding contemplated by this paragraph that is effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Counterparty agrees to indemnify any Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Counterparty shall not, without the prior written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding contemplated by this paragraph that is in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject

matter of such proceeding on terms reasonably satisfactory to such Indemnified Person. If the indemnification provided for in this paragraph is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then Counterparty hereunder, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities. The remedies provided for in this paragraph (b) are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity. The indemnity and contribution agreements contained in this paragraph shall remain operative and in full force and effect regardless of the termination of the Transaction.

(c) *Regulation M*. Counterparty is not on the Trade Date engaged in a distribution, as such term is used in Regulation M under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), of any securities of Counterparty, other than a distribution meeting the requirements of the exception set forth in Rules 101(b)(10) and 102(b)(7) of Regulation M. Counterparty shall not, until the second Scheduled Trading Day immediately following the Trade Date, engage in any such distribution.

(d) *No Manipulation*. Counterparty is not entering into the Transaction to create actual or apparent trading activity in the Shares (or any security convertible into or exchangeable for the Shares) or to raise or depress or otherwise manipulate the price of the Shares (or any security convertible into or exchangeable for the Shares) or otherwise in violation of the Exchange Act.

(e) *Transfer or Assignment*.

(i) Counterparty shall have the right to transfer or assign its rights and obligations hereunder with respect to all, but not less than all, of the Options hereunder (such Options, the "**Transfer Options**"); *provided* that such transfer or assignment shall be subject to reasonable conditions that Dealer may impose, including but not limited, to the following conditions:

(1) With respect to any Transfer Options, Counterparty shall not be released from its notice and indemnification obligations pursuant to Section 9(b) or any obligations under Section 9(n) or 9(s) of this Confirmation;

(2) Any Transfer Options shall only be transferred or assigned to a third party that is a United States person (as defined in the Internal Revenue Code of 1986, as amended (the "**Code**"));

(3) Such transfer or assignment shall be effected on terms, including any reasonable undertakings by such third party (including, but not limited to, an undertaking with respect to compliance with applicable securities laws in a manner that, in the reasonable judgment of Dealer, will not expose Dealer to material risks under applicable securities laws) and execution of any documentation and delivery of legal opinions with respect to securities laws and other matters by such third party and Counterparty, as are requested and reasonably satisfactory to Dealer;

(4) Dealer will not, as a result of such transfer and assignment, be required to pay the transferee on any payment date an amount under Section 2(d)(i)(4) of the Agreement greater than an amount that Dealer would have been required to pay to Counterparty in the absence of such transfer and assignment;

(5) An Event of Default, Potential Event of Default or Termination Event will not occur as a result of such transfer and assignment;

(6) Without limiting the generality of clause (B), the transferee or assignee shall make such Payee Tax Representations and provide such tax documentation as may be reasonably requested by Dealer to permit Dealer to determine that results described in clauses (D) and (E) will not occur upon or after such transfer and assignment; and

(7) Counterparty shall be responsible for all reasonable costs and expenses, including reasonable counsel fees, incurred by Dealer in connection with such transfer or assignment.

(ii) Dealer may transfer or assign all or any part of its rights or obligations under the Transaction (A) without Counterparty's consent (but with prompt subsequent (but in no event more than two Exchange Business Days) written notice to Counterparty), to any affiliate of Dealer (1) that has a long-term issuer rating that is equal to or better than Dealer's credit rating at the time of such transfer or assignment, or (2) whose obligations hereunder will be guaranteed, pursuant to the terms of a customary guarantee in a form used by Dealer generally for similar transactions, by Dealer or Dealer's ultimate parent, as applicable (*provided* that in connection with any assignment or transfer pursuant to clause (A)(2) hereof, the guarantee of any guarantor of the relevant transferee's obligations under the Transaction shall constitute a Credit Support Document under the Agreement), or (B) with Counterparty's consent (such consent not to be unreasonably withheld or delayed), to any other third party financial institution that is a recognized dealer in the market for U.S. corporate equity derivatives and that has a long-term issuer rating equal to or better than the lesser of (1) the credit rating of Dealer at the time of the transfer or assignment and (2) A- by Standard and Poor's Rating Group, Inc. or its successor ("**S&P**"), or A3 by Moody's Investor Service, Inc. or its successor ("**Moody's**") or, if either S&P or Moody's ceases to rate such debt, at least an equivalent rating or better by a substitute rating agency mutually agreed by Counterparty and Dealer; *provided* that, in the case of any transfer or assignment described in clause (A) or (B) above, (I) such a transfer or assignment shall not occur unless an Event of Default, Potential Event of Default or Termination Event will not occur as a result of such transfer and assignment; and (II) at the time of such transfer or assignment the transfer or assignment does not result in a deemed exchange by Counterparty within the meaning of Section 1001 of the Code. In addition, (A) the transferee or assignee shall agree that following such transfer or assignment, Counterparty will not (x) receive from the transferee or assignee on any payment date or delivery date (after accounting for amounts paid by the transferee or assignee under Section 2(d)(i)(4) of the Agreement as well as any withholding or deduction of Tax from the payment or delivery) an amount or a number of Shares, as applicable, lower than the amount or the number of Shares, as applicable, that Counterparty would have been entitled to receive from Dealer in the absence of such transfer or assignment or (y) be required to pay such assignee or transferee on any payment date an amount under Section 2(d)(i)(4) of the Agreement greater than an amount that Counterparty would have been required to pay to Dealer in the absence of such transfer or assignment and (B) the transferee or assignee shall make such Payee Tax Representations and shall provide such tax documentation as may be reasonably requested by Counterparty including in order to permit Counterparty to make any necessary determinations pursuant to clause (A) of this sentence. If at any time at which (A) the Section 16 Percentage exceeds 8.0%, (B) the Option Equity Percentage exceeds 14.5%, or (C) the Share Amount exceeds the Applicable Share Limit (if any applies) (any such condition described in clauses (A), (B) or (C), an "**Excess Ownership Position**"), Dealer is unable after using its commercially reasonable efforts to effect a transfer or assignment of Options to a third party on pricing terms reasonably acceptable to Dealer and within a time period reasonably acceptable to Dealer such that no Excess

Ownership Position exists (after giving effect to such transfer or assignment and any resulting change in Dealer's commercially reasonable Hedge Positions), then Dealer may designate any Exchange Business Day as an Early Termination Date with respect to a portion of the Transaction (the "**Terminated Portion**"), such that following such partial termination no Excess Ownership Position exists (after giving effect to such transfer or assignment and any resulting change in Dealer's commercially reasonable Hedge Positions). In the event that Dealer so designates an Early Termination Date with respect to a portion of the Transaction, a payment shall be made pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Options underlying the Terminated Portion, (2) Counterparty were the sole Affected Party with respect to such partial termination and (3) the Terminated Portion were the sole Affected Transaction (and, for the avoidance of doubt, the provisions of Section 9(l) shall apply to any amount that is payable by Dealer to Counterparty pursuant to this sentence as if Counterparty was not the Affected Party). The "**Section 16 Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the number of Shares that Dealer and any of its affiliates or any other person subject to aggregation with Dealer for purposes of the "beneficial ownership" test under Section 13 of the Exchange Act, or any "group" (within the meaning of Section 13 of the Exchange Act) of which Dealer is or may be deemed to be a part beneficially owns (within the meaning of Section 13 of the Exchange Act), without duplication, on such day (or, to the extent that for any reason the equivalent calculation under Section 16 of the Exchange Act and the rules and regulations thereunder results in a higher number, such higher number) and (B) the denominator of which is the number of Shares outstanding on such day. The "**Option Equity Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the sum of (1) the product of the Number of Options and the Option Entitlement and (2) the aggregate number of Shares underlying any other call option transaction sold by Dealer to Counterparty, and (B) the denominator of which is the number of Shares outstanding. The "**Share Amount**" as of any day is the number of Shares that Dealer and any person whose ownership position would be aggregated with that of Dealer (Dealer or any such person, a "**Dealer Person**") under any law, rule, regulation, regulatory order or organizational documents or contracts of Counterparty that are, in each case, applicable to ownership of Shares ("**Applicable Restrictions**"), owns, beneficially owns, constructively owns, controls, holds the power to vote or otherwise meets a relevant definition of ownership under any Applicable Restriction, as determined by Dealer in its reasonable discretion. The "**Applicable Share Limit**" means a number of Shares equal to (A) the minimum number of Shares that could give rise to reporting or registration obligations (except for any filing requirements on Form 13F, Schedule 13D or Schedule 13G under the Exchange Act, in each case, as in effect on the Trade Date) or other requirements (including obtaining prior approval from any person or entity) of a Dealer Person, or could result in an adverse effect on a Dealer Person, under any Applicable Restriction, as determined by Dealer in its reasonable discretion, *minus* (B) 1% of the number of Shares outstanding.

(iii) Notwithstanding any other provision in this Confirmation to the contrary requiring or allowing Dealer to purchase, sell, receive or deliver any Shares or other securities, or make or receive any payment in cash, to or from Counterparty, Dealer may designate any of its affiliates (each, a "**Dealer Designated Affiliate**") to purchase, sell, receive or deliver such Shares or other securities, or to make or receive such payment in cash, and otherwise to perform Dealer's obligations in respect of the Transaction and any such designee may assume such obligations; *provided*, that such Dealer Designated Affiliate shall comply with the provisions of the Transaction in the same manner as Dealer would

have been required to comply. Dealer shall be discharged of its obligations to Counterparty to the extent of any such performance.

(f) *Staggered Settlement*. If upon advice of counsel with respect to applicable legal and regulatory requirements, including any requirements relating to Dealer's commercially reasonable hedging activities hereunder, Dealer reasonably determines that it would not be practicable or advisable to deliver, or to acquire Shares to deliver, any or all of the Shares to be delivered by Dealer on any Settlement Date for the Transaction, Dealer may, by notice to Counterparty on or prior to any Settlement Date (a "**Nominal Settlement Date**"), elect to deliver the Shares on two or more dates (each, a '**Staggered Settlement Date**") as follows:

(i) in such notice, Dealer will specify to Counterparty the related Staggered Settlement Dates (each of which shall occur on or prior to such Nominal Settlement Date) and the number of Shares that it will deliver on each Staggered Settlement Date;

(ii) the aggregate number of Shares that Dealer will deliver to Counterparty hereunder on all such Staggered Settlement Dates will equal the number of Shares that Dealer would otherwise be required to deliver on such Nominal Settlement Date; and

(iii) if the Net Share Settlement terms or the Combination Settlement terms set forth above were to apply on the Nominal Settlement Date, then the Net Share Settlement terms or the Combination Settlement terms, as the case may be, will apply on each Staggered Settlement Date, except that the Shares otherwise deliverable on such Nominal Settlement Date will be allocated among such Staggered Settlement Dates as specified by Dealer in the notice referred to in clause (i) above.

(g) [*Insert any relevant agency provisions*][*Reserved*].

(h) [*Conduct Rules*. Each party acknowledges and agrees to be bound by the Conduct Rules of the Financial Industry Regulatory Authority applicable to transactions in options, and further agrees not to violate the position and exercise limits set forth therein.][*Reserved.*]

(i) *Additional Termination Events*.

(i) Notwithstanding anything to the contrary in this Confirmation, upon any Early Conversion in respect of which a Notice of Conversion (as such term is defined in the Indenture) that is effective as to Counterparty has been delivered by the relevant converting Holder (as such term is defined in the Indenture):

(A) Counterparty shall, within five Scheduled Trading Days of the Conversion Date for such Early Conversion, provide written notice (an '**Early Conversion Notice**") to Dealer specifying the number of Convertible Notes surrendered for conversion on such Conversion Date (such Convertible Notes, the "**Affected Convertible Notes**"), and the giving of such Early Conversion Notice shall constitute an Additional Termination Event as provided in this clause (i);

(B) upon receipt of any such Early Conversion Notice, Dealer shall designate an Exchange Business Day as an Early Termination Date (which Exchange Business Day shall be no earlier than one Scheduled Valid Day following the Conversion Date for such Early Conversion) with respect to the portion of the Transaction corresponding to a number of Options (the "**Affected Number of Options**") equal to the lesser of (x) the number of Affected Convertible Notes *minus* the "Affected Number of Options" (as defined in the Base Call Option Confirmation), if any, that relate to such Affected Convertible Notes and (y) the Number of Options as of the Conversion Date for such Early Conversion;

(C) any payment hereunder with respect to such termination shall be calculated pursuant to Section 6 of the Agreement as if (x) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the Affected Number of Options, (y) Counterparty were the sole Affected Party with respect to such Additional Termination Event and (z) the terminated portion of the Transaction were the sole Affected Transaction; *provided* that the amount payable with respect to such termination shall not be greater than (1) the Applicable Percentage, *multiplied by* (2) the Affected Number of Options, *multiplied by* (3) (x) the sum of (i) the amount of cash paid (if any) to the Holder (as such term is defined in the Indenture) of an Affected Convertible Note upon conversion of such Affected Convertible Note and (ii) the number of Shares delivered (if any) to the Holder (as such term is defined in the Indenture) of an Affected Convertible Note upon conversion of such Affected Convertible Note, *multiplied by* the Applicable Limit Price on the settlement date for the conversion of such Affected Convertible Note, *minus* (y) USD 1,000;

(D) for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, the Calculation Agent shall assume that (x) the relevant Early Conversion and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (y) no adjustments to the Conversion Rate have occurred pursuant to any Excluded Provision and (z) the corresponding Convertible Notes remain outstanding as if the circumstances related to such Early Conversion had not occurred; and

(E) the Transaction shall remain in full force and effect, except that, as of the Conversion Date for such Early Conversion, the Number of Options shall be reduced by the Affected Number of Options.

(ii) Notwithstanding anything to the contrary in this Confirmation if an event of default with respect to Counterparty occurs under the terms of the Convertible Notes as set forth in Section 6.01 of the Indenture, then such event of default shall constitute an Additional Termination Event applicable to the Transaction and, with respect to such Additional Termination Event, (A) Counterparty shall be deemed to be the sole Affected Party, (B) the Transaction shall be the sole Affected Transaction and (C) Dealer shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement.

(iii) Notwithstanding anything to the contrary in this Confirmation, the occurrence of an Amendment Event shall constitute an Additional Termination Event applicable to the Transaction and, with respect to such Additional Termination Event, (A) Counterparty shall be deemed to be the sole Affected Party, (B) the Transaction shall be the sole Affected Transaction and (C) Dealer shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement. "**Amendment Event**" means that Counterparty amends, modifies, supplements, waives or obtains a waiver in respect of any term of the Indenture or the Convertible Notes governing the principal amount, coupon, maturity, repurchase obligation of Counterparty, redemption right of Counterparty, any term relating to conversion of the Convertible Notes (including changes to the conversion rate, conversion rate adjustment provisions, conversion settlement dates or conversion conditions), or any term that would require consent of the holders of not less than 100% of the principal amount of the Convertible Notes to amend (other than, in each case, any amendment or supplement (v) pursuant to Section 10.01(a) of the Indenture, (w) pursuant to Section 10.01(k) of the Indenture that, as determined by

the Calculation Agent, conforms the Indenture to the description of Convertible Notes in the Offering Memorandum, (x) pursuant to Section 10.01(d) of the Indenture, (y) pursuant to Section 13.07 of the Indenture, or (z) pursuant to Section 10.01(g) of the Indenture that, as determined by Calculation Agent, cures any ambiguity, omission, defect or inconsistency in the Indenture or in the Convertible Notes), in each case, without the consent of Dealer.

(iv) Within five Scheduled Trading Days promptly following any Repayment Event (as defined below), Counterparty (x) in the case of a Repayment Event resulting from the repurchase of any Convertible Notes by Counterparty upon the occurrence of a "Fundamental Change" (as defined in the Indenture), shall notify Dealer in writing of such Repayment Event and (y) in the case of a Repayment Event not described in clause (x) above, may notify Dealer of such Repayment Event, in each case, including the number of Convertible Notes subject to such Repayment Event (any such notice, a "**Repayment Notice**"); *provided* that no such Repayment Notice described in clause (y) above shall be effective unless it contains the representation by Counterparty set forth in Section 8(f) hereunder as of the date of such Repayment Notice; *provided further* that any "Repayment Notice" delivered to Dealer pursuant to the Base Call Option Confirmation shall be deemed to be a Repayment Notice pursuant to this Confirmation and the terms of such Repayment Notice shall apply, *mutatis mutandis*, to this Confirmation. Notwithstanding anything to the contrary in this Confirmation, the receipt by Dealer from Counterparty of any Repayment Notice shall constitute an Additional Termination Event as provided in this Section 9(i)(iv). Upon receipt of any such Repayment Notice, Dealer shall promptly designate an Exchange Business Day following receipt of such Repayment Notice (which in no event shall be earlier than the related settlement date for the relevant Repayment Event) as an Early Termination Date with respect to the portion of the Transaction corresponding to a number of Options (the "**Repayment Options**") equal to the lesser of (A) the number of such Convertible Notes specified in such Repayment Notice *minus* the number of Repayment Options (as defined in the Base Call Option Confirmation), if any, that relate to such Convertible Notes (and for purposes of determining whether any Options under this Confirmation or under the Base Call Option Confirmation will be among the Repayment Options hereunder or under, and as defined in, the Base Call Option Confirmation, the Convertible Notes specified in such Repayment Notice shall be allocated first to the Base Call Option Confirmation until all Options thereunder are exercised or terminated) and (B) the Number of Options as of the date Dealer designates such Early Termination Date and, as of such date, the Number of Options shall be reduced by the number of Repayment Options. Any payment hereunder with respect to such termination (the "**Repayment Unwind Payment**") shall be calculated pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Repayment Options, (2) Counterparty were the sole Affected Party with respect to such Additional Termination Event, (3) the terminated portion of the Transaction were the sole Affected Transaction, (4) the relevant Repayment Event and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (5) no adjustments to the Conversion Rate have occurred pursuant to any Excluded Provision and (6) the corresponding Convertible Notes remain outstanding as if the circumstances related to such Repayment Event had not occurred; *provided that*, in the event of a Repayment Event pursuant to Section 14.01 of the Indenture or Section 15.01 of the Indenture, the Repayment Unwind Payment shall not be greater than (x) the number of Repayment Options multiplied by (y) the product of (A) the Applicable Percentage and (B) the excess of (I) the amount paid by the Counterparty per Convertible Note pursuant to the relevant sections of the Indenture over (II) USD 1,000. "**Repayment Event**" means

that (i) any Convertible Notes are repurchased (whether pursuant to Section 14.01 of the Indenture or Section 15.01 of the Indenture or otherwise) by Counterparty or any of its subsidiaries (including in connection with, or as a result of, a Fundamental Change (as defined in the Indenture), a redemption, a tender offer, exchange offer or similar transaction or for any other reason), (ii) any Convertible Notes are delivered to Counterparty in exchange for delivery of any property or assets of Counterparty or any of its subsidiaries (howsoever described), (iii) any principal of any of the Convertible Notes is repaid in full prior to the final maturity date of the Convertible Notes (other than upon acceleration of the Convertible Notes pursuant to Section 6.02 of the Indenture), or (iv) any Convertible Notes are exchanged by or for the benefit of the "Holders" (as such term is defined in the Indenture) thereof for any other securities of Counterparty or any of its affiliates (or any other property, or any combination thereof) pursuant to any exchange offer or similar transaction. For the avoidance of doubt, any conversion of Convertible Notes (whether into cash, Shares, a combination of cash and Shares or any "Reference Property" (as defined in the Indenture)) pursuant to the terms of the Indenture shall not constitute a Repayment Event. Counterparty acknowledges and agrees that if an Additional Termination Event has occurred under this Section 9(i)(iv), then any related Convertible Notes subject to a Repayment Event will be deemed to be cancelled and disregarded and no longer outstanding for all purposes hereunder.

(j) *Amendments to Equity Definitions; Agreement*.

(i) Section 11.2(e)(vii) of the Equity Definitions is hereby replaced in its entirety with the words "any other corporate event involving the Issuer that has a material effect on the theoretical value of the Shares or the Options."

(ii) Section 12.6(a)(ii) of the Equity Definitions is hereby amended by (1) inserting "(1)" immediately following the word "means" in the first line thereof and (2) inserting immediately prior to the semi-colon at the end of subsection (B) thereof the following words: "or (2) the occurrence of any of the events specified in Section 5(a)(vii)(1) through (9) of the ISDA Master Agreement with respect to that Issuer".

(iii) Section 12.9(b)(i) of the Equity Definitions is hereby amended by (1) replacing "either party may elect" with "Dealer may elect" and (2) replacing "notice to the other party" with "notice to Counterparty" in the first sentence of such section.

(iv) Section 12(a) of the Agreement is hereby amended by (1) deleting the phrase "or email" in the third line thereof and (2) deleting the phrase "or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day" in the final clause thereof.

(k) *Setoff*. In addition to and without limiting any rights of set-off that a party hereto may have as a matter of law, pursuant to contract or otherwise, upon the occurrence of an Early Termination Date, Dealer (and only Dealer) shall have the right to set off any obligation that it may have to Counterparty under this Confirmation, including without limitation any obligation to make any payment of cash or delivery of Shares to Counterparty, against any obligation Counterparty may have to Dealer under any other agreement between Dealer and Counterparty relating to Shares (each such contract or agreement, a "**Separate Agreement**"), including without limitation any obligation to make a payment of cash or a delivery of Shares or any other property or securities. For this purpose, Dealer shall be entitled to convert any obligation (or the relevant portion of such obligation) denominated in one currency into another currency at the rate of exchange at which it would be able to purchase the relevant amount of such currency, and to convert any obligation to deliver any non-cash property into an obligation to deliver cash in an amount calculated by reference to the market value of such property as of the Early Termination Date, as determined by

the Calculation Agent in its sole discretion; *provided* that in the case of a set-off of any obligation to release or deliver assets against any right to receive fungible assets, such obligation and right shall be set off in kind and; *provided further* that in determining the value of any obligation to deliver Shares, the value at any time of such obligation shall be determined by reference to the market value of the Shares at such time, as determined in good faith by the Calculation Agent. If an obligation is unascertained at the time of any such set-off, the Calculation Agent may in good faith estimate the amount or value of such obligation, in which case set-off will be effected in respect of that estimate, and the relevant party shall account to the other party at the time such obligation or right is ascertained. For the avoidance of doubt and notwithstanding anything to the contrary provided in this Section 9(k), in the event of bankruptcy or liquidation of either Counterparty or Dealer neither party shall have the right to set off any obligation that it may have to the other party under the Transaction against any obligation such other party may have to it, whether arising under the Agreement, this Confirmation or any other agreement between the parties hereto, by operation of law or otherwise.

(l) *Alternative Calculations and Payment on Early Termination and on Certain Extraordinary Events*. If (a) an Early Termination Date (whether as a result of an Event of Default or a Termination Event) occurs or is designated with respect to the Transaction or (b) the Transaction is cancelled or terminated upon the occurrence of an Extraordinary Event (except as a result of (i) a Nationalization, Insolvency or Merger Event in which the consideration to be paid to holders of Shares consists solely of cash, (ii) an Announcement Event, Merger Event or Tender Offer that is within Counterparty's control, or (iii) an Event of Default in which Counterparty is the Defaulting Party or a Termination Event in which Counterparty is the Affected Party other than an Event of Default of the type described in Section 5(a)(iii), (v), (vi), (vii) or (viii) of the Agreement or a Termination Event of the type described in Section 5(b) of the Agreement, in each case that resulted from an event or events outside Counterparty's control), and if Dealer would owe any amount to Counterparty pursuant to Section 6(d)(ii) of the Agreement or any Cancellation Amount pursuant to Article 12 of the Equity Definitions (any such amount, a "**Payment Obligation**"), then Dealer shall satisfy the Payment Obligation by the Share Termination Alternative (as defined below), unless (a) Counterparty gives irrevocable telephonic notice to Dealer, confirmed in writing within one Scheduled Trading Day, no later than 12:00 p.m. (New York City time) on the date of the Announcement Event, Merger Date, Tender Offer Date, Announcement Date (in the case of a Nationalization, Insolvency or Delisting), Early Termination Date or date of cancellation, as applicable, of its election that the Share Termination Alternative shall not apply, (b) Counterparty remakes the representation set forth in Section 8(f) as of the date of such election and (c) Dealer agrees, in its commercially reasonable discretion, to such election, in which case the provisions of Section 12.7 or Section 12.9 of the Equity Definitions, or the provisions of Section 6(d)(ii) of the Agreement, as the case may be, shall apply.

`ermination Alternative: If applicable, Dealer shall deliver to Counterparty the Share Termination Delivery Property on, or within a commercially reasonable period of time after, the date when the relevant Payment Obligation would otherwise be due pursuant to Section 12.7 or 12.9 of the Equity Definitions or Section 6(d)(ii) and 6(e) of the Agreement, as applicable, in satisfaction of such Payment Obligation in the manner reasonably requested by Counterparty free of payment.

`ermination Delivery Property: A number of Share Termination Delivery Units, as calculated by the Calculation Agent, equal to the Payment Obligation divided by the Share Termination Unit Price. The Calculation Agent shall adjust the Share Termination Delivery Property by replacing any fractional portion of a security therein with an amount of cash equal to the value of such fractional security based on the values used to calculate the Share Termination Unit Price.

`ermination Unit Price: The value to Dealer of property contained in one Share Termination Delivery Unit, as determined by the Calculation Agent in its discretion by commercially reasonable means and notified by the Calculation Agent to Dealer at the time of notification of the Payment Obligation. For the avoidance of doubt, the parties agree that in determining the Share Termination Delivery Unit Price the Calculation Agent may consider the purchase price paid in connection with the purchase of Share Termination Delivery Property.

`ermination Delivery Unit: One Share or, if the Shares have changed into cash or any other property or the right to receive cash or any other property as the result of a Nationalization, Insolvency or Merger Event (any such cash or other property, the "Exchange Property"), a unit consisting of the type and amount of such Exchange Property received by a holder of one Share (without consideration of any requirement to pay cash or other consideration in lieu of fractional amounts of any securities) in such Nationalization, Insolvency or Merger Event, as determined by the Calculation Agent.

to Deliver: Applicable

pplicable provisions: If Share Termination Alternative is applicable, the provisions of Sections 9.8, 9.9 and 9.11 (as modified above) of the Equity Definitions and the provisions set forth opposite the caption "Representation and Agreement" in Section 2 will be applicable, except that all references in such provisions to "Physically-settled" shall be read as references to "Share Termination Settled" and all references to "Shares" shall be read as references to "Share Termination Delivery Units". "Share Termination Settled" in relation to the Transaction means that Share Termination Alternative is applicable to the Transaction.

(m) *Waiver of Jury Trial*. Each party waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to the Transaction. Each party (i) certifies that no representative, agent or attorney of either party has represented, expressly or otherwise, that such other party would not, in the event of such a suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into the Transaction, as applicable, by, among other things, the mutual waivers and certifications provided herein.

(n) *Registration.* Counterparty hereby agrees that if, in the good faith reasonable judgment of Dealer, the Shares ("**Hedge Shares**") acquired by Dealer for the purpose of hedging its obligations pursuant to the Transaction cannot be sold in the public market by Dealer without registration under the Securities Act, Counterparty shall, at its election, either (i) in order to allow Dealer to sell the Hedge Shares in a registered offering, make available to Dealer an effective registration statement under the Securities Act and enter into an agreement, in form and substance reasonably satisfactory to Dealer, substantially in the form of an underwriting agreement for a registered secondary offering; *provided, however*, that if Dealer, in its sole reasonable discretion, is not satisfied with access to due diligence materials, the results of its due diligence investigation, or the procedures and documentation for the registered offering referred to above, then clause (ii) or clause (iii) of this paragraph shall apply at the election of Counterparty, (ii) in order to allow Dealer to sell the Hedge Shares in a private placement, enter into a private placement agreement

substantially similar to private placement purchase agreements customary for private placements of equity securities, in form and substance reasonably satisfactory to Dealer (in which case, the Calculation Agent shall make any adjustments to the terms of the Transaction that are necessary, in its reasonable judgment, to compensate Dealer for any discount from the public market price of the Shares incurred on the sale of Hedge Shares in a private placement), or (iii) purchase the Hedge Shares from Dealer at the then-current market price on such Exchange Business Days, and in the amounts and at such time(s), requested by Dealer.

(o) *Tax Disclosure*. Effective from the date of commencement of discussions concerning the Transaction, Counterparty and each of its employees, representatives, or other agents may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Transaction and all materials of any kind (including opinions or other tax analyses) that are provided to Counterparty relating to such tax treatment and tax structure.

(p) *Right to Extend*. Dealer may postpone or add, in whole or in part, any Valid Day or Valid Days during the Settlement Averaging Period or any other date of valuation, payment or delivery by Dealer, with respect to some or all of the Options hereunder, if Dealer reasonably determines, in its commercially reasonable judgment (in the case of clause (i) below) or based on the advice of counsel (in the case of clause (ii) below), that such action is reasonably necessary or appropriate (i) to preserve Dealer's commercially reasonable hedging or hedge unwind activity hereunder in light of existing liquidity conditions or (ii) to enable Dealer to effect transactions with respect to Shares in connection with its commercially reasonable hedging, hedge unwind or settlement activity hereunder in a manner that would, if Dealer were Counterparty or an affiliated purchaser of Counterparty, be in compliance with applicable legal, regulatory or self-regulatory requirements, or with related policies and procedures applicable to Dealer; *provided* that such policies and procedures have been adopted by Dealer in good faith and are generally applicable in similar situations and applied in a non-discriminatory manner; *provided*, *further* that no such Valid Day or any other date of valuation, payment or delivery may be postponed or added more than 40 Valid Days after the original Valid Day or any other date of valuation, payment or delivery, as the case may be.

(q) *Status of Claims in Bankruptcy*. Dealer acknowledges and agrees that this Confirmation is not intended to convey to Dealer rights against Counterparty with respect to the Transaction that are senior to the claims of common stockholders of Counterparty in any United States bankruptcy proceedings of Counterparty; *provided* that nothing herein shall limit or shall be deemed to limit Dealer's right to pursue remedies in the event of a breach by Counterparty of its obligations and agreements with respect to the Transaction; *provided*, *further* that nothing herein shall limit or shall be deemed to limit Dealer's rights in respect of any transactions other than the Transaction.

(r) *Securities Contract; Swap Agreement*. The parties hereto intend for (i) the Transaction to be a "securities contract" and a "swap agreement" as defined in the Bankruptcy Code, and the parties hereto to be entitled to the protections afforded by, among other Sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code, (ii) a party's right to liquidate the Transaction and to exercise any other remedies upon the occurrence of any Event of Default under the Agreement with respect to the other party to constitute a "contractual right" as described in the Bankruptcy Code, and (iii) each payment and delivery of cash, securities or other property hereunder to constitute a "margin payment" or "settlement payment" and a "transfer" as defined in the Bankruptcy Code.

(s) *Notice of Certain Other Events*. Counterparty covenants and agrees that:

(i) Promptly as reasonably practicable following the public announcement of the results of any election by the holders of Shares with respect to the consideration due upon consummation of any Merger Event, Counterparty shall give Dealer written notice of the

weighted average of the types and amounts of consideration received by holders of Shares upon consummation of such Merger Event (the date of such notification, the "**Consideration Notification Date**"); *provided* that in no event shall the Consideration Notification Date be later than the date on which such Merger Event is consummated; and

(ii) (A) Counterparty shall give Dealer commercially reasonable advance (but in no event less than one Exchange Business Day) written notice of the section or sections of the Indenture and, if applicable, the formula therein, pursuant to which any adjustment will be made to the Convertible Notes in connection with any Potential Adjustment Event, Merger Event or Tender Offer and (B) promptly following any such adjustment, Counterparty shall give Dealer written notice of the details of such adjustment.

(t) *Wall Street Transparency and Accountability Act*. In connection with Section 739 of the Wall Street Transparency and Accountability Act of 2010 ("**WSTAA**"), the parties hereby agree that neither the enactment of WSTAA or any regulation under the WSTAA, nor any requirement under WSTAA or an amendment made by WSTAA, shall limit or otherwise impair either party's otherwise applicable rights to terminate, renegotiate, modify, amend or supplement this Confirmation or the Agreement, as applicable, arising from a termination event, force majeure, illegality, increased costs, regulatory change or similar event under this Confirmation, the Equity Definitions incorporated herein, or the Agreement (including, but not limited to, rights arising from Change in Law, Hedging Disruption, Increased Cost of Hedging, an Excess Ownership Position, or Illegality (as defined in the Agreement)).

(u) *Agreements and Acknowledgements Regarding Hedging*. Counterparty understands, acknowledges and agrees that: (A) at any time on and prior to the Expiration Date, Dealer and its affiliates may buy or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to adjust its hedge position with respect to the Transaction; (B) Dealer and its affiliates also may be active in the market for Shares other than in connection with hedging activities in relation to the Transaction; (C) Dealer shall make its own determination as to whether, when or in what manner any hedging or market activities in securities of Issuer shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to the Relevant Prices; and (D) any market activities of Dealer and its affiliates with respect to Shares may affect the market price and volatility of Shares, as well as the Relevant Prices, each in a manner that may be adverse to Counterparty.

(v) *Early Unwind*. In the event the sale of the "Option Securities" (as defined in the Purchase Agreement) is not consummated with the Initial Purchasers for any reason, or Counterparty fails to deliver to Dealer opinions of counsel as required pursuant to Section 9(a), in each case by 5:00 p.m. (New York City time) on the Premium Payment Date, or such later date as agreed upon by the parties (the Premium Payment Date or such later date the "**Early Unwind Date**"), the Transaction shall automatically terminate (the "**Early Unwind**"), on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Dealer and Counterparty under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Each of Dealer and Counterparty represents and acknowledges to the other that upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.

(w) *Payment by Counterparty*. In the event that, following payment of the Premium, (i) an Early Termination Date occurs or is designated with respect to the Transaction as a result of a Termination Event or an Event of Default (other than an Event of Default arising under Section 5(a)(ii) or 5(a)(iv) of the Agreement) and, as a result, Counterparty owes to Dealer an amount

calculated under Section 6(e) of the Agreement, or (ii) Counterparty owes to Dealer, pursuant to Section 12.7 or Section 12.9 of the Equity Definitions, an amount calculated under Section 12.8 of the Equity Definitions, such amount shall be deemed to be zero.

(x) *Other Adjustments Pursuant to the Equity Definitions*. Notwithstanding anything to the contrary in this Confirmation, solely for the purpose of adjusting the Cap Price, the terms "Potential Adjustment Event," "Merger Event," and "Tender Offer" shall each have the meanings assigned to such term in the Equity Definitions (as amended by Section 9(j)(i) or, if applicable, by the definition of "Announcement Event", and *provided* that for purposes of the foregoing (1) Section 12.1(d) of the Equity Definitions shall be amended by (x) replacing "10%" with "25%" in the third line thereof and (y) replacing the words "voting shares of the Issuer" in the fourth line thereof with the word "Shares" and (2) Section 12.1(e) of the Equity Definitions is hereby amended by replacing the words "voting shares" in the first line thereof with the word "Shares"), and upon the occurrence of a Merger Date, the occurrence of a Tender Offer Date, or declaration by Counterparty of the terms of any Potential Adjustment Event, respectively, as such terms are defined in the Equity Definitions, the Calculation Agent shall determine whether such occurrence or declaration, as applicable, has had a material economic effect on the Transaction and, if so, shall adjust the Cap Price as the Calculation Agent determines appropriate to account for the economic effect on the Transaction of such occurrence or declaration, as applicable; *provided* that in no event shall the Cap Price be less than the Strike Price. Solely for purposes of this Section 9(x) "Extraordinary Dividend" means any cash dividend on the Shares.

(y) *[Insert preferred form of U.S. QFC Stay Rule language for each Dealer, if applicable*]

(z) *Tax Matters*.

WHEREAS, such a public statement identifying a specific date after which the Eurodollar Screen Rate shall no longer be used for determining interest rates for syndicated loans in Dollars has been made;

WHEREAS, the Parent Borrower and the Administrative Agent desire to, subject to the terms and conditions herein, amend the Credit Agreement to, among other things, establish a successor rate of interest for Loans in Dollars; and

WHEREAS, in accordance with Section 3.03(b) of the Credit Agreement, the provisions of this Amendment relating to the implementation of a successor rate of interest for Loans in Dollars shall become effective on and as of the Amendment No. 10 Effective Date (as defined below) without any further action or consent of any other party to the Credit Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date the Administrative Agent has posted this Amendment to Lenders, written notice from the Required Lenders stating that such Required Lenders do not accept such amendment.

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. **Amendment**. The Credit Agreement is, effective as of the Amendment No. 10 Effective Date (as defined below), hereby amended to delete the stricken text (indicated textually

in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Credit Agreement attached as Exhibit A hereto (which, for clarity, reflects the amendments made pursuant to Amendments No. 1 through 10 to the Credit Agreement, and such Credit Agreement, the "Amended Credit Agreement").

Section 2. **Effectiveness**. Section 1 of this Amendment shall become effective on the date that the conditions below are satisfied (the "Amendment No. 10 Effective Date") at which time the Credit Agreement in effect prior to date hereof shall be replaced in its entirety by the Amended Credit Agreement:

a. The Administrative Agent shall have received executed signature pages to this Amendment from a Responsible Officer of the Parent Borrower, the Administrative Agent and each Revolving Lender consenting to the Amendment.

b. The statement in Section 3 shall be true and correct as of the Amendment No. 10 Effective Date.

c. All accrued reasonable and documented out-of-pocket fees and expenses of the Administrative Agent (including the reasonable fees and expenses of counsel of one counsel to the Administrative Agent) shall have been paid; provided that the Parent Borrower shall have received a reasonably detailed invoice therefor at least three (3) Business Days prior to the Amendment No. 10 Effective Date.

Section 3. **Representations and Warranties; No Default**. (A) The representations and warranties of the Parent Borrower and each other Credit Party contained in Article VI of the Credit Agreement shall be true and correct in all material respects on and as of the date hereof, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (provided that representations and warranties that are qualified by materiality shall be true and correct in all respects) and (B) no Default or Event of Default shall exist, or would result from the occurrence of the Amendment No. 10 Effective Date or any transactions occurring on such date.

Section 4. **Counterparts; Integration; Effectiveness**. This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Amendment constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Amendment shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. This Amendment may be executed in counterparts (and by different parties hereto on different counterparts) (including by facsimile or other electronic transmission (i.e., a "pdf" or "tif")), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Section 5. **Applicable Law**. THIS AMENDMENT AND THE CONSENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 6. **Headings**. Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Amendment.

Each and every term, condition, obligation, covenant and agreement contained in the Credit Agreement, after giving effect to this Amendment or any other Credit Document is hereby ratified and re-affirmed in all respects and shall continue in full force and effect. The Parent Borrower reaffirms its obligations under the Credit Documents to which it is party and the validity of the Liens granted by it pursuant to the Collateral Documents. This Amendment shall constitute a Credit Document for purposes of the Credit Agreement and from and after the Amendment No. 10 Effective Date, all references to the Credit Agreement in any Credit Document and all references in the Credit Agreement to "this Credit Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Amended Credit Agreement. The Parent Borrower hereby (i) consents to this Amendment, (ii) confirms that all obligations of the Credit Parties under the Credit Documents to which such Credit Party is a party shall continue to apply to the Credit Agreement as amended hereby and (iii) agrees that all security interests granted by it pursuant to any Credit Document (whether before, on or after the Amendment No. 10 Effective Date) shall secure (and continue to secure) the Obligations under the Credit Documents as amended by this Amendment. Section 8. **SUBMISSION TO JURISDICTION; WAIVER OF VENUE; SERVICE OF PROCESS**. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF SUCH STATE AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AMENDMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

[*The remainder of this page is intentionally left blank*]

**1.01 Defined Terms.**

As used in this Credit Agreement, the following terms have the meanings provided below:

"2020-1 Incremental Revolving Commitment Fee Rate" means 1.75% per annum.

"2020-1 Incremental Revolving Commitment Percentage" means, for each 2020-1 Incremental Revolving Lender as of any time, a fraction (expressed as a percentage carried to the ninth decimal place), the numerator of which is such 2020-1 Incremental Revolving Lender's 2020-1 Incremental Revolving Committed Amount as of such time and the denominator of which is the Aggregate 2020-1 Incremental Revolving Committed Amount as of such time. The 2020-1 Incremental Revolving Commitment Percentages as of the Amendment No. 7 Effective Date are set forth in Schedule I to Amendment No. 7 under the column entitled "2020-1 Incremental Revolving Commitment Percentage".

"2020-1 Incremental Revolving Commitments" has the meaning assigned to such term in Amendment No. 7.

**1.08 Additional Borrowers.**

Notwithstanding anything in Section 11.01 to the contrary, following the Closing Date, the Parent Borrower may add one or more of its Foreign Subsidiaries that is a Wholly Owned Subsidiary as an additional Foreign Borrower under the Limited Currency Revolving Facility or Multicurrency Revolving Facility by delivering to the Administrative Agent a Foreign Borrower Agreement executed by such Subsidiary and the Parent Borrower. Promptly following receipt of any Foreign Borrower Agreement or Foreign Borrower Termination, the Administrative Agent shall send a copy thereof to each Lender. Notwithstanding the foregoing, no such Foreign Subsidiary may become a Foreign Borrower if any Limited Currency Revolving Lender or Multicurrency Revolving Lender would be prohibited by applicable Law from making loans to such Foreign Subsidiary.

(a) Each obligation of the Borrowers to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the Amendment No. 6 Effective Date shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Credit Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

**1.11 Limited Condition Acquisitions.**

In connection with any action being taken in connection with a Limited Condition Acquisition for purposes of determining

(b) whether any Lien being incurred in connection with such Limited Condition Acquisition is permitted to be incurred in accordance with Section 8.01 or Section 2.01(f);

(d) any calculation of the ratios or baskets, including the Consolidated Net Leverage Ratio, Senior Secured Leverage Ratio, Consolidated Total Leverage Ratio, Consolidated Net Income, Consolidated EBITDA and baskets determined by reference to Consolidated EBITDA, Consolidated Total Assets and Consolidated Tangible Assets and whether a Default or Event of Default exists in connection with the foregoing (other than in the case of each of clause (a), (b), (c) and (d) above, with respect to any Credit Extension under the Revolving Facility):

At the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an " LCA Election"), the date that the definitive agreement for such Limited Condition Acquisition is entered into (the "Transaction Agreement Date") may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis," Consolidated EBITDA or "Consolidated Net Income". For the avoidance of doubt, if the Parent Borrower makes an LCA Election, (a) any fluctuation or change in the Consolidated Net Leverage Ratio, Senior Secured Leverage Ratio, Consolidated Total Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Consolidated Total Assets and/or Consolidated Tangible Assets of the Parent Borrower from the Transaction Agreement Date to the date of consummation of such Limited Condition Acquisition will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Limited Condition Acquisition is permitted to be incurred, or whether any other transaction undertaken in connection with such Limited Condition Acquisition by the Parent Borrower or any of the Restricted Subsidiaries complies with the Credit Documents and (b) after the Transaction Agreement Date and until such Limited Condition Acquisition is consummated or the definitive agreements in respect thereof are terminated or expire, such Limited Condition Acquisition and all transactions proposed to be undertaken in connection therewith (including without limitation the incurrence of Indebtedness and Liens) will be given Pro Forma Effect as if they occurred at the beginning of the most recently completed

four consecutive fiscal quarter period for which financial statements have been delivered pursuant to Section 7.01(a) or (b) and ended on or prior to the Transaction Agreement Date when determining compliance of other transactions (including without limitation the incurrence of Indebtedness and Liens unrelated to such Limited Condition Acquisition) that are consummated after the Transaction Agreement Date and on or prior to the date of consummation of such Limited Condition Acquisition and any such transactions (including without limitation any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the Transaction Agreement Date and be outstanding thereafter for purposes of calculating any baskets or ratios under the Credit Documents after the Transaction Agreement Date and before the date of consummation of such Limited Condition Acquisition (or the date the definitive agreements in respect thereof are terminated or expire).

**1.12 Divisions.**

For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

**1.13 Interest Rates; Benchmark Notification.**

The interest rate on a Loan denominated in dollars or an Alternative Currency may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 3.03(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Credit Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Credit Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Credit Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Credit Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Subject to the terms and conditions hereof, the Parent Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Parent Borrower may obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(c) Swingline Loans. During the Commitment Period, the Swingline Lender agrees, in reliance upon the commitments of the other Dollar Revolving Lenders set forth herein, to make revolving credit loans (the "Swingline Loans") to the Parent Borrower in Dollars on any Business Day; provided that (i) the Outstanding Amount of Swingline Loans shall not exceed FIFTY MILLION DOLLARS ($50.0 MILLION) (as such amount may be decreased in accordance with the provisions hereof, the "Swingline Sublimit"), (ii) with respect to the Dollar Revolving Lenders collectively, the Outstanding Amount of Dollar Revolving Obligations shall not exceed the Aggregate Dollar Revolving Committed Amount and (iii) with regard to each Revolving Lender individually, such Revolving Lender's Aggregate Revolving Commitment Percentage of Revolving Obligations shall not exceed its respective Aggregate Revolving Committed Amount. Swingline Loans shall be comprised solely of Base Rate Loans, and may be repaid and reborrowed in accordance with the provisions hereof. Immediately upon the making of a Swingline Loan, each Dollar Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a participation interest in such Swingline Loan in an amount equal to such Lender's Dollar Revolving Commitment Percentage thereof.

(d) Delayed Draw Term A Loans. During the Delayed Draw Term A Commitment Period, each of the Delayed Draw Term A Lenders severally agrees to make term loans (in an aggregate principal amount not to exceed its Delayed Draw Term A Commitment) to the Parent Borrower in Dollars from time to time on any Business Day (the "Delayed Draw Term A Loans"). The Delayed Draw Term A Commitment of each Delayed Draw Term A Lender shall be

automatically reduced by an amount equal to the principal amount of each Delayed Draw Term A Loan made by such Lender pursuant to the immediately preceding sentence upon the making of such Delayed Draw Term A Loan. The Delayed Draw Term A Loans may consist of Base Rate Loans, Term Benchmark Loans, RFR Loans or a combination thereto, as the Parent Borrower may request. Amounts repaid on the Delayed Draw Term A Loans may not be reborrowed.

(e) Term B-4 Loans. (A) The Additional Term B-4 Lender agrees to make a term loan (in the amount equal to the Additional Term B-4 Commitment) to the Parent Borrower on the Amendment No. 6 Effective Date in a single advance in Dollars (together with each Term B-3 Loan converted into a Converted Term B-4 Loan as referred to in clause (B) below, the "Term B-4 Loans") and (B) each Converted Term B-3 Loan of each Term B-3 Amendment No. 6 Converting Lender shall be converted into a Term B-4 Loan of such Lender effective as of the Amendment No. 6 Effective Date in a principal amount equal to the principal amount of such Term B-3 Lenders' Converted Term B-3 Loan immediately prior to such conversion; provided that the Term B-4 Loans shall initially consist of Eurodollar Rate Loans (as defined in the Credit Agreement as of the Amendment No. 6 Effective Date). The Term B-4 Loans may consist of Base Rate Loans, Term Benchmark Loans, RFR Loans or a combination thereof, as the Parent Borrower may request. Amounts repaid on the Term B-4 Loans may not be reborrowed.

(f) Incremental Loan Facilities. Any time after the Amendment No. 8 Effective Date, any Borrower may, upon written notice to the Administrative Agent, establish additional credit facilities (collectively, the "Incremental Loan Facilities") by increasing the Aggregate Revolving Commitments hereunder as provided in Section 2.01(g) (the "Incremental Revolving Commitments"), establishing one or more additional revolving credit facility tranches hereunder as provided in Section 2.01(g) (the "Incremental Revolving Facilities") or establishing new term loans or increasing the aggregate principal amount of any existing Term B-4 Loans hereunder as provided in Section 2.01(h) (such new term loans or increased existing Term B-4 Loans, the "Incremental Term Loans"); provided that:

(i) the aggregate principal amount of loans and commitments for all the Incremental Loan Facilities established after the Amendment No. 8 Effective Date will not exceed an amount equal to the sum of (x)(I) during the Restricted Period, $425.0 million and (II) following the end of the Restricted Period, $855.0 million (the applicable amount in this Section 2.01(f)(i)(x)(I) or Section 2.01(f)(i)(x)(II), the "Incremental Base Amount") minus the aggregate principal amount of Incremental Equivalent Debt incurred pursuant to Section 8.03(z)(i) and Incremental Loan Facilities previously established pursuant to this clause (x), plus (y) the aggregate principal amount of voluntary prepayments of the Term B-4 Loans and Delayed Draw Term A Loans pursuant to Section 2.06(a) and permanent reductions in the Revolving Commitments pursuant to Section 2.07 made prior to the date of such incurrence, in each case, other than from proceeds of long-term Indebtedness plus (z) except during the Restricted Period, additional amounts of Indebtedness that may be incurred at such time that would not cause the Senior Secured Leverage Ratio on a Pro Forma Basis (for the avoidance of doubt, after giving effect to such Incremental Loan Facilities (and the immediately following provisos)) as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period

referred to in the second sentence of Section 6.05) to exceed 3.75 to 1.00; provided further that, in each case, with respect to any Incremental Revolving Commitment or Incremental Revolving Facility, the maximum amount of Revolving Loans available to be drawn thereunder is assumed to have been borrowed, but without giving effect to any incurrence under the Incremental Base Amount, that is incurred substantially simultaneously with amounts under this clause (z); provided further that the Borrowers shall be deemed to have utilized the amounts under clause (y) and (z) prior to utilization of the amounts under clause (x);

(ii) subject to the Limited Condition Acquisition provisions, no Default or Event of Default shall have occurred and be continuing or shall result after giving effect to any such Incremental Loan Facility (or, in the case of any Limited Condition Acquisition, no Event of Default under Section 9.01(a) or 9.01(f) as of the Transaction Agreement Date) shall exist);

(iii) the conditions to the making of a Credit Extension under Section 5.02 shall be satisfied;

(iv) after giving effect on a Pro Forma Basis to the borrowings to be made pursuant to such Incremental Loan Facility, as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05), the Parent Borrower would be in compliance with Section 8.10 (and the Parent Borrower shall deliver a certificate of a Responsible Officer of the Parent Borrower as to the satisfaction of the requirements of this clause (iv) and clauses (ii) and (iii) above);

(v) all Incremental Term Loans shall be borrowed by the Parent Borrower and guaranteed by the Domestic Guarantors; and

(vi) the Incremental Revolving Commitments and Incremental Revolving Facilities may be of the Parent Borrower and any other Borrower and shall be guaranteed only by Loan Parties; provided that for the avoidance of doubt (A) the use of such Incremental Revolving Commitments and Incremental Revolving Facilities shall be subject to the L/C Sublimit, the Swingline Sublimit, the Alternative Currency L/C Sublimit and the Alternative Currency Sublimit and (B) the 2020-1 Incremental Revolving Commitments and the 2020-1 Incremental Revolving Loans shall be borrowed and guaranteed by the Parent Borrower and all of the Domestic Guarantors (or any other Borrowers or Guarantors that from time to time borrow or guarantee, as the case may be, the Original Revolving Loans).

In connection with the establishment of any Incremental Loan Facility, (A) neither of the Lead Arrangers or the Administrative Agent hereunder shall have any obligation to arrange for or assist in arranging for any Incremental Loan Facility, (B) any Incremental Loan Facility shall be subject to such conditions, including fee arrangements, as may be provided in connection therewith and (C) none of the Lenders shall have any obligation to provide commitments or loans for any Incremental Loan Facility.

(g) Establishment of Incremental Revolving Commitments and Incremental Revolving Facilities. Subject to Section 2.01(f), any Borrower may (x) establish Incremental Revolving Commitments or Incremental Revolving Facilities by increasing the Aggregate Dollar Revolving Committed Amount, Aggregate Limited Currency Revolving Committed Amount, Aggregate Multicurrency Revolving Committed Amount or the Aggregate 2020-1 Incremental Revolving Committed Amount hereunder and (y) establish Incremental Revolving Facilities; provided that:

(i) any Person that is not a Revolving Lender that is proposed to be a Lender under any such increased Aggregate Revolving Committed Amount or Incremental Revolving Facility shall be reasonably acceptable to the Administrative Agent, any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) or Aggregate Limited Currency Revolving Committed Amount (whether or not an existing Limited Currency Revolving Lender) shall be reasonably acceptable to each L/C Issuer and any Person that is proposed to provide any such increased Aggregate Dollar Revolving Committed Amount (whether or not an existing Dollar Revolving Lender) shall be reasonably acceptable to the Swingline Lender;

(ii) any Incremental Revolving Facility shall not contain Swingline Loans or Letters of Credit under the Revolving Commitments;

(iii) Persons providing commitments for the Incremental Revolving Commitments or Incremental Revolving Facilities pursuant to this Section 2.01(g) will provide a Revolving Lender Joinder Agreement;

(iv) increases in the Aggregate Revolving Committed Amount will be in a minimum principal amount of $10.0 million and integral multiples of $5.0 million in excess thereof and Incremental Revolving Facilities shall be in a minimum principal amount of $5.0 million and integral multiples of $10.0 million;

(v) in the case any Incremental Revolving Commitments are established, if any Revolving Loans are outstanding at the time of any such increase under the applicable Revolving Facility, either (x) each applicable Borrower will prepay such Revolving Loans on the date of effectiveness of the Incremental Revolving Commitments (including payment of any break-funding amounts owing under Section 3.05) or (y) each Lender with an Incremental Revolving Commitment shall purchase at par interests in each Borrowing of Revolving Loans then outstanding under the applicable Revolving Facility such that immediately after giving effect to such purchases, each Borrowing thereunder shall be held by each Lender in accordance with its Pro Rata Share of such Revolving Facility (and, in connection therewith, each applicable Borrower shall pay all amounts that would have been payable pursuant to Section 3.05 had the Revolving Loans so purchased been prepaid on such date);

(vi) the final maturity date of any Incremental Revolving Facility shall be no earlier than the Revolving Termination Date and no Incremental Revolving Facility will require any scheduled amortization or mandatory commitment reduction prior to the Revolving Termination Date;

(vii) the final maturity date of any Incremental Revolving Commitment shall be the same as the final maturity date of the Revolving Facility being increased and no Incremental Revolving Commitment will require any scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Revolving Facility being increased; and

(viii) the Effective Yield with respect to any Incremental Revolving Facility shall be determined by the Parent Borrower and the Lenders of the Incremental Revolving Facility; provided that with respect to any Incremental Revolving Facility incurred prior to the date that is twelve (12) months after the Amendment No. 6 Effective Date, in the event that the Effective Yield for any such Incremental Revolving Facility is greater than the Effective Yield for the applicable Revolving Facility by more than 50 basis points, then the Applicable Percentage for the applicable Revolving Facility shall be increased to the extent necessary so that the Effective Yield for the Incremental Revolving Facility is not more than 50 basis points higher than the Effective Yield for the applicable Revolving Facility; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Term Benchmark "floor" or Base Rate "floor" applicable to any Incremental Revolving Facility exceeds the Term Benchmark "floor" or Base Rate "floor" applicable to the applicable Revolving Facility, the Term Benchmark "floor" or Base Rate "floor" applicable to the applicable Revolving Facility shall be increased so that the Term Benchmark "floor" and Base Rate "floor" is the same for both the Incremental Revolving Facility and the applicable Revolving Facility but only to the extent an increase in such "floor" applicable to the applicable Revolving Facility would cause an increase in the interest rate then in effect for the applicable Revolving Facility, and in such case the applicable "floor" (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the applicable Revolving Facility shall be increased to the extent of such differential between the applicable "floors" (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Term Benchmark or Base Rate "floors" for the Incremental Revolving Facility being higher than such "floors" for the applicable Revolving Facility and not any other component of any such required increase in the Applicable Percentage).

Any Incremental Revolving Commitment established hereunder shall have terms identical to the Dollar Revolving Commitments, Limited Currency Revolving Commitments, Multicurrency Revolving Commitments or 2020-1 Incremental Revolving Commitments, as the case may be, existing on the Amendment No. 7 Effective Date; provided that, if required to consummate an Incremental Revolving Commitment, the pricing, interest rate margins, rate floors and undrawn fees on the Revolving Facility being increased may be increased for all Lenders of such Revolving Facility without the consent of any Lender, but additional upfront or similar fees may be payable to the Lenders participating in the Incremental Revolving Commitment without any requirement to pay such amounts to any existing Lenders, it being understood that the Credit Parties and the Administrative Agent may make (without the consent of or notice to any other party) any amendment to reflect such increase in the Revolving Commitments.

Any Incremental Revolving Facility established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Revolving Facilities hereunder); provided that, to the extent that such terms and documentation are not consistent with the applicable Revolving Facilities (except to the extent permitted by clause (vi) or (viii) above), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than any then-existing Term Loans or Revolving Facility if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Revolving Facility that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all of the Term Loans and Revolving Facilities.

(h) Establishment of Incremental Term Loans. Subject to Section 2.01(f), the Parent Borrower may, at any time, establish additional term loan commitments (including additional commitments for Term B-4 Loans) for Incremental Term Loans; provided that:

(i) any Person that is not a Lender or Eligible Assignee that is proposed to be a Lender shall be reasonably acceptable to the Administrative Agent;

(ii) Persons providing commitments for the Incremental Term Loan pursuant to this Section 2.01(h) will provide an Incremental Term Loan Joinder Agreement;

(iii) additional commitments established for the Incremental Term Loan will be in a minimum aggregate principal amount of $15.0 million and integral multiples of $5.0 million in excess thereof; provided that such commitments shall not be established on more than four (4) separate occasions;

(iv) the final maturity date of any Incremental Term Loan shall be no earlier than the Term B-4 Loan Termination Date;

(v) the Effective Yield with respect to any Incremental Term Loans shall be determined by the Parent Borrower and the Lenders of the Incremental Term Loans; provided that with respect to any Incremental Term Loans incurred prior to the date that is twelve (12) months after the Amendment No. 6 Effective Date, in the event that the Effective Yield for any such Incremental Term Loans is greater than the Effective Yield for the Term B-4 Loans by more than 50 basis points, then the Applicable Percentage for the Term B-4 Loans shall be increased to the extent necessary so that the Effective Yield for the Incremental Term Loans is not more than 50 basis points higher than the Effective Yield for the Term B-4 Loans; provided, further, with respect to any adjustment to the Applicable Percentage required by the immediately preceding proviso, to the extent any Term Benchmark “floor” or Base Rate “floor” applicable to any Incremental Term Loans exceeds the Term Benchmark “floor” or Base Rate “floor” applicable to Term B-4 Loans, the Term Benchmark “floor” or Base Rate “floor” applicable to the Term B-4 Loans shall be increased

so that the Term Benchmark "floor" and Base Rate "floor" is the same for both the Incremental Term Loans and the Term B-4 Loans but only to the extent an increase in such "floor" applicable to the Term B-4 Loans would cause an increase in the interest rate then in effect for the Term B-4 Loans, and in such case the applicable "floor" (but not the Applicable Percentage, except as set forth in the next parenthetical phrase) applicable to the Term B-4 Loans shall be increased to the extent of such differential between the applicable "floors" (it being understood that the adjustment required pursuant to this proviso will only affect the component of any Applicable Percentage increase required by the immediately preceding proviso that is caused by the Term Benchmark or Base Rate "floors" for the Incremental Term Loans being higher than such "floors" for the Term B-4 Loans and not any other component of any such required increase in the Applicable Percentage); and

(vi) the Weighted Average Life to Maturity of any Incremental Term Loan shall not be shorter than the Term B-4 Loans (without giving effect to such Incremental Term Loans).

Any Incremental Term Loan established hereunder shall be on terms to be determined by the Parent Borrower and the Lenders thereunder (and the Parent Borrower and the Administrative Agent may, without the consent of any other Lender, enter into an amendment to this Credit Agreement to appropriately include the Incremental Term Loans hereunder including, without limitation, to provide that such Incremental Term Loans shall share in mandatory prepayments on the same basis as the Delayed Draw Term A Loans and Term B-4 Loans); provided that, to the extent that such terms and documentation are not consistent with the Term B-4 Loans (except to the extent permitted by clause (iv), (v) or (vi) above and except to the extent of any market call provisions), they shall be reasonably satisfactory to the Administrative Agent; provided, further, that (x) without the consent of the Administrative Agent, such documentation may contain additional or more restrictive covenants than those contained herein if such covenants are applicable only after the Final Maturity Date hereunder and (y) to the extent that any financial maintenance covenant is added for the benefit of any Incremental Term Loans that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders.

**2.02 Borrowings, Conversions and Continuations.**

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of a Term Benchmark Loan, and the conversion of Amendment No. 10 Existing Term B-4 Loans to be effective on the Amendment No. 10 Existing Term B-4 Loan Interest Period Termination Date and Amendment No. 10 Existing Delayed Draw Term A Loans to be effective on the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Period Termination Date shall be made upon the applicable Borrower's irrevocable notice to the Applicable Agent by delivery to the Applicable Agent of a written Loan Notice appropriately completed and signed by a Responsible Officer of the applicable Borrower. Each such notice must be received by the Applicable Agent not later than (i) with respect to Term Benchmark Loans or RFR Loans, 12:00 noon (Local Time) three (3) Business Days (or, in the case of Limited Currency Revolving Loans or Multicurrency Revolving Loans denominated in Alternative Currency, four (4) Business Days) prior to the requested date of,

Except in the case of any Revolving Loan that is borrowed to refinance a Swingline Loan or L/C Borrowing (which may be in an amount sufficient to refinance such Swingline Loan or L/C Borrowing), each Borrowing, conversion or continuation shall be in a principal amount of (i) with respect to Term Benchmark Loans or RFR Loans (A) denominated in Dollars, $1.0 million or a whole multiple of $1.0 million in excess thereof, (B) denominated in Euros, €1.0 million or a whole multiple of €1.0 million in excess thereof, (C) denominated in £, £1.0 million or a whole multiple of £1.0 million in excess thereof, (D) denominated in Canadian Dollars, C$1.0 million or a whole multiple of C$1.0 million in excess thereof, (E) denominated in Australian Dollars, AU$1.0 million or a whole multiple of AU$1.0 million in excess thereof, (F) denominated in Swiss Francs, CHF1.0 million or a whole multiple of CHF$1.0 million in excess thereof, (G) denominated in Swedish Krona, kr7.0 million or a whole multiple of kr7.0 million in excess thereof, (H) denominated in Danish Krone, Dkr2.0 million or a whole multiple of Dkr1.0 million in excess thereof, (I) denominated in Mexican Pesos, MXN5.0 million or a whole multiple of MXN1.0 million in excess thereof, (J) denominated in Japanese Yen, ¥100.0 million or a whole multiple of ¥100.0 million n in excess thereof or (K) denominated in Brazilian Real, R$1.0 million or a whole multiple of R$1.0 million in excess thereof or (ii) with respect to Base Rate Loans (A) denominated in Dollars, $1.0 million or a whole multiple of $100,000 in excess thereof or (B) denominated in Canadian Dollars, C$1.0 million or an integral multiple of C$100,000 in excess thereof. Each Loan Notice (whether telephonic or written) shall specify (i) whether such Borrower's request is with respect to Dollar Revolving Loans, Limited Currency Revolving Loans, Multicurrency Revolving Loans, 2020-1 Incremental Revolving Loans, Delayed Draw Term A Loans or Term B-4 Loans, (ii) whether such request is for a Borrowing, conversion, or continuation, (iii) the requested date of such Borrowing, conversion or continuation (which shall be a Business Day), (iv) the principal amount of Loans to be borrowed, converted or continued, (v) the Type of Loans to be borrowed, converted or continued, (vi) if such Loans are Limited Currency Revolving Loans or Multicurrency Revolving Loans, the currency of such Loans (which shall be an Approved Currency) and (vii) if applicable, the duration of the Interest Period with respect thereto. If the applicable Borrower fails to specify a Type of Loan in a Loan Notice or if the applicable Borrower fails to give a timely notice requesting a conversion or continuation (other than with respect to Limited Currency Revolving Loans or Multicurrency Revolving Loans denominated in an Alternative Currency other than Canadian Dollars), then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Term Benchmark Loans. If the applicable Borrower requests a Borrowing of, conversion to, or continuation of Term Benchmark Loans in any Loan Notice, but fails to specify an Interest Period, the Interest Period will be deemed to be one (1) month. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Parent Borrower or any other Borrower to repay such Loan in accordance with the terms hereof.

(b) Following receipt of a Loan Notice, the Applicable Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Loans (the "Section 2.02(b) Ratable Share"), and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Applicable Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. In the case of a Borrowing denominated

in Dollars, each Lender shall make the amount of its Loan available to the Applicable Agent in Dollars in immediately available funds at the Applicable Agent's Office not later than 2:00 p.m. (New York time) on the Business Day specified in the applicable Loan Notice. In the case of a Borrowing denominated in an Alternative Currency, each Lender shall make the amount of its Loan (net of applicable acceptance fees) available to the Applicable Agent in the applicable Alternative Currency in immediately available funds at the Applicable Agent's Office not later than 2:00 p.m. (Local Time) on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 5.02 (and, if such Borrowing is the initial Credit Extension, Section 5.01), the Applicable Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Applicable Agent either by (i) crediting the account of such Borrower on the books of the Applicable Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to the Applicable Agent by such Borrower. Notwithstanding anything contained in any Credit Document to the contrary, with respect to any requested Fronted Currency Loan (i) the Section 2.02(b) Ratable Share of the Alternative Currency Fronting Lender(s) for the applicable Fronted Currency shall be determined as if the Alternative Currency Fronting Lender(s) ratably owned the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders (for the avoidance of doubt, it is understood and agreed that (A) for the purposes of determining Pro Rata Shares of the Multicurrency Revolving Lenders and the use of the Multicurrency Revolving Commitments, the Multicurrency Revolving Commitments of the Participating Fronted Currency Lenders shall be deemed to be used when the Alternative Currency Fronting Lender(s) make such Fronted Currency Loan and (B) the Pro Rata Shares of the Multicurrency Revolving Lenders shall not otherwise be affected by the transactions contemplated by this sentence), and such Section 2.02(b) Ratable Share for purposes of this clause (i) shall be notified in writing by the Administrative Agent upon request by the applicable Alternative Currency Fronting Lender(s), (ii) if such Fronted Currency Loan is not paid for any reason when due (at maturity, acceleration or otherwise), each Participating Fronted Currency Lender shall pay to the Alternative Currency Fronting Lender an amount in Dollars equal to the Dollar Equivalent of such Participating Fronted Currency Lender's Pro Rata Share (without giving effect to the immediately preceding clause (i)) under the Multicurrency Revolving Facility of such Fronted Currency Loan (which such payment to be made (x) if any applicable Alternative Currency Fronting Lender makes the request therefor prior to noon on any Business Day, on such Business Day and (y) if otherwise, on the Business Day following the request therefor by the applicable Alternative Currency Fronting Lender), and such payment shall be made by such Participating Fronted Currency Lender regardless of any circumstance whatsoever, including the occurrence of a Default, Event of Default or the termination or expiration of the Multicurrency Revolving Commitments (and if such payment is not made by such Participating Fronted Currency Lender when required pursuant to this clause (ii), then interest (in Dollars) shall accrue on such payment at a rate equal to the greater of the applicable Overnight Bank Funding Rate from time to time in effect and a rate reasonably determined by the applicable Alternative Currency Fronting Lender in its sole discretion in accordance with banking industry rules on interbank compensation, and such payment and the interest thereon shall be due upon demand), (iii) the Participating Fronted Currency Lenders shall have no obligation to make any Loan in any Fronted Currency, and no Lender (other than the Alternative Currency Fronting Lenders) shall be liable or otherwise responsible for the failure of the applicable Alternative Currency Fronting Lender(s) to make any Fronted Currency Loan, (iv) the interest on the Fronted Currency Loans made by each Alternative Currency Fronting Lender pursuant to the operation of this sentence shall be for the account of such Alternative Currency Fronting Lender, (v) if there is no Alternative Currency Fronting Lender for a particular Fronted

Currency at any time, then no Fronted Currency Loans in such Fronted Currency shall be made at such time and (vi) the Alternative Currency Fronting Lender for any particular Fronted Currency may set limits on the aggregate amount of Revolving Loans that may be made by it in such Fronted Currency by notice to the Administrative Agent and the Parent Borrower.

(c) Except as otherwise provided herein, without the consent of the Required Lenders, a Term Benchmark Loan may be continued or converted only on the last day of an Interest Period for such Term Benchmark Loan. During the existence of a Default or Event of Default, at the request of the Required Lenders or the Applicable Agent, (i) no Loan denominated in Dollars or Canadian Dollars may be requested as, converted to or continued as a Term Benchmark Loan and (ii) any outstanding Term Benchmark Loan denominated in Dollars or Canadian Dollars shall be converted to a Base Rate Loan on the last day of the Interest Period with respect thereto.

(d) The Applicable Agent shall promptly notify the applicable Borrower and the Lenders of the interest rate applicable to any Interest Period for Term Benchmark Loans or the interest rate applicable for RFR Loans, in each case, upon determination of such interest rate. The determination of the applicable Relevant Rate by the Applicable Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Applicable Agent shall notify the Borrowers and the Lenders of any change in the Applicable Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect with respect to the Revolving Loans and Term B-4 Loans and five (5) Interest Periods with respect to the Delayed Draw Term A Loans.

**2.03 Additional Provisions with Respect to Letters of Credit.**

(a) Obligation to Issue or Amend.

(i) No L/C Issuer shall issue any Letter of Credit if:

(A) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless the Administrative Agent and such L/C Issuer have approved such expiry date;

(B) the expiry date of any requested Letter of Credit would occur after the L/C Expiration Date, unless all the L/C Revolving Lenders have approved such expiry date;

(C) with respect to a Letter of Credit to be issued by a Dollar L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars; or

(D) with respect to a Letter of Credit to be issued by a Multicurrency L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars, Canadian Dollars, Euros or Sterling (provided that the foregoing shall in no way limit the right of a

Multicurrency L/C Issuer, in its sole discretion, to issue a Letter of Credit in any other Approved Currency).

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Amendment No. 6 Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense that was not applicable on the Amendment No. 6 Effective Date and that such L/C Issuer in good faith deems material to it;

(1) the issuance of such Letter of Credit would violate any Law applicable to such L/C Issuer;

(2) except as otherwise agreed by such L/C Issuer and the Administrative Agent, such Letter of Credit is in an initial stated amount less than the Dollar Equivalent of $20,000;

(3) without derogation of clauses (a)(i)(C) and (D) above, such Letter of Credit is to be denominated in a currency other than Dollars or an Alternative Currency (it being understood and agreed, for the avoidance of doubt, that no L/C Issuer will be required to issue any Letters of Credit in Brazilian Real);

(4) except as otherwise agreed by such L/C Issuer, such Letter of Credit contains provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(5) any Dollar Revolving Lender or Limited Currency Revolving Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of cash collateral, reasonably satisfactory to such L/C Issuer with the Parent Borrower or such Lender to eliminate the L/C Issuer's actual or potential L/C Obligations (after giving effect to Section 2.16) with respect to such Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has exposure; and

(6) such Letter of Credit is a commercial Letter of Credit, unless such L/C Issuer otherwise consents, or if the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer with respect to letters of credit.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof; or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) The applicable L/C Issuer shall act on behalf of the L/C Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with such Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article X included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to such L/C Issuer.

(b) Procedures for Issuance and Amendment; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of any Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of such Borrower. Each such L/C Application must be received by the applicable L/C Issuer and the Administrative Agent (A) not later than 12:00 noon (New York time) at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in Dollars and (B) not later than 12:00 noon (Local Time) at least five (5) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit denominated in an Alternative Currency (or, in each case, such later date and time as the applicable L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as such L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail satisfactory to the applicable L/C Issuer: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; (D) the purpose and nature of the requested Letter of Credit; and (E) such other matters as such L/C Issuer may reasonably require. Additionally, the Parent Borrower shall furnish to such L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any L/C Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the

Administrative Agent has received a copy of such L/C Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless such L/C Issuer has received written notice from the Administrative Agent, any L/C Revolving Lender or any Credit Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 5.01 (if issued on the Amendment No. 6 Effective Date) or 5.02 shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such L/C Issuer's usual and customary business practices.

(iii) If any Borrower so requests in any L/C Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued (but in any event not later than 30 days prior to the scheduled expiry date thereof). Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the L/C Revolving Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Expiration Date; provided, however, that no L/C Issuer shall permit any such extension if (A) such L/C Issuer has determined that it would not be permitted or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or the applicable Borrower that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each case directing such L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon any drawing under any Letter of Credit, the applicable L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in Dollars, the Parent Borrower shall reimburse such L/C Issuer in Dollars. In the case of a Letter of Credit denominated in Sterling or euros, the applicable Borrower shall reimburse such L/C Issuer in Sterling or Euros, as applicable. In

the case of a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, the applicable Borrower shall reimburse such L/C Issuer in such Alternative Currency unless (x) such L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (y) in the absence of any such requirement for reimbursement in Dollars, the applicable Borrower shall have notified such L/C Issuer promptly following receipt of the notice of drawing that the applicable Borrower will reimburse such L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing as of the applicable Revaluation Date under a Letter of Credit denominated in an Alternative Currency other than Sterling or Euros, such L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (x) 12:00 noon (New York time) on or prior to the date that is three (3) Business Days following the date that the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in Dollars, and (y) the Applicable Time on or prior to the date that is three (3) Business Days following the date the applicable Borrower receives notice from any L/C Issuer of any payment by such L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency (each such date of payment by such L/C Issuer under a Letter of Credit, an "Honor Date"), the applicable Borrower shall reimburse such L/C Issuer through the Administrative Agent in Dollars or in the applicable Alternative Currency, as the case may be, in an amount equal to the amount of such drawing; provided, that such Borrower, and the applicable L/C Issuer may, each in their discretion, with the consent of the Administrative Agent and so long as such arrangements do not adversely affect the rights of any Lender in any material respect, enter into Letter of Credit cash collateral prefunding arrangements acceptable to them for the purpose of reimbursing Letter of Credit draws. If the applicable Borrower does not to reimburse the applicable L/C Issuer on the Honor Date, the Administrative Agent, at the request of such L/C Issuer, shall promptly notify each L/C Revolving Lender as of the Honor Date the Dollar Equivalent of such unreimbursed drawing (an "Unreimbursed Amount") and the amount of such L/C Revolving Lender's L/C Commitment Percentage thereof.

(ii) Each L/C Revolving Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of such L/C Issuer, in Dollars at the Administrative Agent's Office for payments in Dollars in an amount equal to its L/C Commitment Percentage of such Unreimbursed Amount not later than 1:00 p.m. (Local Time) on the Business Day specified in such notice by the Administrative Agent. With respect to any Unreimbursed Amount, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of such Unreimbursed Amount, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at (i) through and including the third Business Day following the Honor Date, the rate of interest applicable to Revolving Loans that are Base Rate Loans and (ii) thereafter, the Default Rate. In such event, each L/C Revolving Lender's payment to the Administrative Agent for the account of such L/C Issuer pursuant to this Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Revolving Lender in satisfaction of its participation obligation under this Section 2.03.

(iii) Until an L/C Revolving Lender funds its L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such L/C Revolving Lender's L/C Commitment Percentage of such amount shall be solely for the account of such L/C Issuer.

(iv) Each L/C Revolving Lender's obligation to make L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such L/C Revolving Lender may have against such L/C Issuer, the Parent Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that such L/C Issuer shall have complied with the provisions of Section 2.03(b)(ii). No such making of an L/C Advance shall relieve or otherwise impair the obligation of each Borrower to reimburse any L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(v) If any L/C Revolving Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such L/C Revolving Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such L/C Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's L/C Advance in respect of the relevant L/C Borrowing. A certificate of the applicable L/C Issuer submitted to any applicable L/C Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after any L/C Issuer has made a payment under any Letter of Credit and has received from any L/C Revolving Lender such L/C Revolving Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of cash collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such L/C Revolving Lender its L/C Commitment Percentage (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such L/C Revolving Lender's L/C Advance was outstanding), in the same currency in which such L/C Revolving Lender's L/C

Advance was made and in the same type of funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of any L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each L/C Revolving Lender shall pay to the Administrative Agent for the account of such L/C Issuer its L/C Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such L/C Revolving Lender, at a rate per annum equal to the applicable Overnight Bank Funding Rate from time to time in effect. The obligations of the L/C Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

(e) Obligations Absolute. The obligation of each Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Credit Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Credit Agreement or any other Credit Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower, any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any L/C Issuer or any other Person, whether in connection with this Credit Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by any L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by any L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary or in the relevant currency markets generally; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to such Borrower and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against the applicable L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of the L/C Issuers in such Capacity. Each L/C Revolving Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no L/C Issuer shall have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any L/C Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required L/C Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable judgment); or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to such Borrower's use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as such Borrower may have against the beneficiary or transferee at law or under any other agreement. None of any L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, each Borrower shall have a claim against each L/C Issuer, and each L/C Issuer shall be liable to each Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower that are determined by a court of competent jurisdiction in a final non-appealable judgment to have been caused by such L/C Issuer's willful misconduct or gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and each L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, that may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent or the applicable L/C Issuer, (i) if any L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a L/C Borrowing, or (ii) if, as of the L/C Expiration Date, any

Letter of Credit may for any reason remain outstanding and partially or wholly undrawn the applicable Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to 103% of such Outstanding Amount determined as of the date of such L/C Borrowing or the L/C Expiration Date, as the case may be). The Administrative Agent may, at any time and from time to time after the initial deposit of cash collateral, request that additional cash collateral be provided in order to protect against the results of exchange rate fluctuations. For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the applicable L/C Issuer and the L/C Revolving Lenders, as collateral for such L/C Obligations, cash or deposit account balances pursuant to customary documentation in form and substance reasonably satisfactory to the Administrative Agent and such L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. Cash collateral shall be maintained in blocked, interest bearing deposit accounts or money market fund accounts at the Administrative Agent.

(h) Applicability of ISP. Unless otherwise expressly agreed by any L/C Issuer and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of any Subsidiary of the Parent Borrower, the Borrowers shall be obligated to reimburse the applicable L/C Issuer for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of the Parent Borrower's Subsidiaries inures to the benefit of the Borrowers, and that each Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Letter of Credit Fees. The Borrowers shall pay Letter of Credit Fees as set forth in Section 2.09(b).

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Addition of L/C Issuer. Parent Borrower may, at any time and from time to time, designate one or more additional Revolving Lenders to act as a Dollar L/C Issuer or a Multicurrency L/C Issuer under the terms of this Credit Agreement, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and such Revolving Lender. Any Revolving Lender designated as a Dollar L/C Issuer or Multicurrency L/C Issuer, as the case may be, pursuant to this Section 2.03(l) shall have all the rights and obligations of the Dollar L/C Issuer and Multicurrency L/C Issuer, respectively, under the Credit Documents with respect to Letters of Credit issued or to be issued by it, and all references in the Credit Documents to the term "L/C Issuer," "Dollar L/C Issuer" or "Multicurrency L/C Issuer" shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as the L/C Issuer, as the context shall require. The Administrative Agent shall notify the Revolving Lenders of any such additional L/C Issuer. If at any time there is more than one L/C Issuer hereunder, Parent Borrower may, in its discretion, select which L/C Issuer is to issue any particular Letter of Credit.

(m) 2020-1 Incremental Revolving Lenders. For the avoidance of doubt no 2020-1 Incremental Revolving Lender shall have any obligations in respect of the issuance or participation or the funding of any drawing or disbursement of any Letter of Credit.

**2.04 Additional Provisions with Respect to Swingline Loans.**

(a) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Parent Borrower's irrevocable notice to the Swingline Lender and the Administrative Agent by delivery to the Swingline Lender and the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 2:00 p.m. (New York time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swingline Lender of any Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent prior to 3:00 p.m. (New York time) on the date of the proposed Swingline Borrowing (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in this Article II, or (B) that one or more of the applicable conditions specified in Section 5.01 (if on the Amendment No. 7 Effective Date) and Section 5.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 4:00 p.m. (New York time) on the borrowing date specified in such Loan Notice, make the amount of its Swingline Loan available to the Parent Borrower at its office by crediting the account of the Parent Borrower on the books of the Swingline Lender in immediately available funds. The Swingline Lender shall not be required to make any Swingline Loan at any time when a Dollar Revolving Lender is a Defaulting Lender (except if all of the Swingline Exposure of such Defaulting Lender is reallocated pursuant to Section 2.16).

(b) Refinancing.

(i) The Swingline Lender at any time in its sole and absolute discretion may (and, in any event, within ten Business Days of the applicable Swingline Borrowing, shall) request that each Dollar Revolving Lender fund its risk participations in Swingline Loans in an amount equal to such Dollar Revolving Lender's Dollar Revolving Commitment Percentage of Swingline Loans then outstanding. Each Dollar Revolving Lender shall make an amount equal to its Dollar Revolving Commitment Percentage of the amount specified in such notice available to the Administrative Agent in immediately available funds for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York time) on the day specified in such notice. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) Each Dollar Revolving Lender's funding of its risk participation in the relevant Swingline Loan and each Dollar Revolving Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to Section 2.04(b)(i) shall be deemed payment in respect of such participation.

(iii) If any Dollar Revolving Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Dollar Revolving Lender pursuant to the foregoing provisions of this Section 2.04(b) by the time specified in Section 2.04(b)(i), the Swingline Lender shall be entitled to recover from such Dollar Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swingline Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Dollar Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Dollar Revolving Lender's funded participation in the relevant Swingline Loan. A certificate of the Swingline Lender submitted to any Dollar Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Dollar Revolving Lender's obligation to purchase and fund risk participations in Swingline Loans pursuant to this Section 2.04(b) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Dollar Revolving Lender may have against the Swingline Lender, the Parent Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, (C) non-compliance with the conditions set forth in Section 5.02, or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that Swingline Lender has complied with the provisions of Section 2.04(a). No such purchase or funding of risk participations shall relieve or otherwise impair the obligation of the Parent Borrower to repay Swingline Loans, together with interest as provided herein.

(c) Repayment of Participations.

(i) At any time after any Dollar Revolving Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Dollar Revolving Lender its Dollar Revolving Commitment Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Dollar Revolving Lender's risk participation was funded) in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Dollar Revolving Lender shall pay to the Swingline Lender its Dollar Revolving Commitment Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swingline

(d) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Parent Borrower for interest on the Swingline Loans. Until each Dollar Revolving Lender funds its risk participation pursuant to this Section 2.04 of any Swingline Loan, interest in respect thereof shall be solely for the account of the Swingline Lender.

(e) Term A-2 Loans and Term B-3 Loans . On the Amendment No. 6 Effective Date, all Term B-3 Loans that are not Converted Term B-3 Loans and all Term A-2 Loans, in each case, that are outstanding on the Amendment No. 6 Effective Date shall be repaid in full.

**2.06 Prepayments.**

(a) Voluntary Prepayments. The Loans may be repaid in whole or in part without premium or penalty (except as set forth in the last paragraph of this Section 2.06(a) and, in the case of Loans other than Base Rate Loans, amounts payable pursuant to Section 3.05); provided that:

(i) in the case of Loans other than Swingline Loans, (A) notice thereof must be received by 12:00 noon (Local Time) by the Applicable Agent at least three (3) Business Days prior to the date of prepayment, in the case of Term Benchmark Loans or RFR Loans, and one (1) Business Day prior to the date of prepayment, in the case of Base Rate Loans, (B) any such prepayment shall be a minimum principal amount of (n) $1.0 million and integral multiples of $1.0 million in excess thereof, in the case of Term Benchmark Loans or RFR Loans denominated in Dollars, (o) €1.0 million and integral multiples of €1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Euros, (p) £1.0 million and integral multiples of £1.0 million in excess thereof, in the case of RFR Loans denominated in Sterling, (q) C$1.0 million and integral multiples of C$1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Canadian Dollars, (r) kr7.0 million and integral multiples of kr7.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Swedish Krona, (s) AU$1.0 million and integral multiples of AU$1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Australian Dollars, (t) ¥100.0 million and integral multiples of ¥100.0 million thereof, in the case of Term Benchmark Loans denominated in Japanese Yen, (u) CHF1.0 million and integral multiples of CHF1.0 million thereof, in the case of RFR Loans denominated in Swiss Francs, (v) C$1.0 and integral multiples of C$100,000 in excess thereof, in the case of Base Rate Loans denominated in Canadian Dollars, (w) Dkr2.0 million and integral multiples of Dkr1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Danish Krone, (x) MXN5.0 million and integral multiples of MXN1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Mexican Pesos, (y) R$1.0 million and integral multiples of R$1.0 million in excess thereof, in the case of Term Benchmark Loans denominated in Brazilian Real and (z) $1.0 million and integral multiples of $100,000 in excess thereof, in the case of Base Rate Loans denominated in Dollars, or, in each case the entire remaining principal amount thereof, if less; and

(ii) in the case of Swingline Loans, (A) notice thereof must be received by the Swingline Lender by 1:00 p.m. (New York time) on the date of prepayment (with a copy to the Administrative Agent), and (B) any such prepayment shall be in the same minimum

principal amounts as for advances thereof (or any lesser amount that may be acceptable to the Swingline Lender).

Each such notice of voluntary prepayment hereunder shall be irrevocable and shall specify the date and amount of such prepayment, the Loans and Types of Loans that are being prepaid and, if Term Benchmark Loans are to be prepaid, the Interest Period(s) of such Loans. The Applicable Agent will give prompt notice to the applicable Lenders of any prepayment on the Loans and the Lender's interest therein. Prepayments of Term Benchmark Loans hereunder shall be accompanied by accrued interest on the amount prepaid and breakage or other amounts due, if any, under Section 3.05. Notwithstanding the foregoing, a notice of voluntary prepayment delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Applicable Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, all Original Revolving Commitments shall terminate on the Amendment No. 6 Effective Date and Parent Borrower shall repay all outstanding Original Revolving Loans and Original Swingline Loans, together with accrued and unpaid interest thereon.

In the event that, at any time following the effectiveness of Amendment No. 6 and on or prior to the date that is six months following the Amendment No. 6 Effective Date, a Repricing Transaction shall occur, a fee of 1.00% of the aggregate principal amount of the Term B-4 Loans so prepaid, refinanced, repriced, amended, converted or exchanged in such Repricing Transaction shall be payable to each Lender holding Term B-4 Loans upon such prepayment, refinancing, repricing, amendment, conversion or exchange. If, at any time following the effectiveness of Amendment No. 6 and on or prior to the date that is six months following the Amendment No. 6 Effective Date, any Term B-4 Lender that is a Non-Consenting Lender and is replaced pursuant to Section 11.13 in connection with its refusal to consent to any Repricing Transaction, such Term B-4 Lender shall receive the fee referred to in the immediately preceding sentence as if the Repricing Transaction had occurred.

(b) Mandatory Prepayments. Subject in each case to Section 2.06(c):

(i) Revolving Commitments.

(A) If at any time (1) the Outstanding Amount of Dollar Revolving Obligations shall exceed the Aggregate Dollar Revolving Committed Amount, (2) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed the Aggregate Limited Currency Revolving Committed Amount, (3) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed the Aggregate Multicurrency Revolving Committed Amount, (4) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed the Alternative Currency Sublimit, (5) the Outstanding Amount of all 2020-1 Incremental Revolving Obligations shall exceed the Aggregate 2020-1 Incremental Revolving Committed Amount, (6) the Outstanding Amount of Swingline Loans shall exceed the Swingline Sublimit and (7) the L/C Obligations shall exceed the L/C Sublimit or the L/C Committed Amount (in each case, other than solely as a result of changes in Spot Rates) immediate prepayment will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference; provided, however, that, except under the

circumstances described in Section 2.03(a)(ii)(A)(5), 2.03(c), 2.03(d)(i), 2.03(g), 2.06(b)(i)(B), 2.16(d) or 9.02(c), L/C Obligations will not be Cash Collateralized hereunder until the Revolving Loans and Swingline Loans have been paid in full. If on any Revaluation Date and solely as a result of changes in Spot Rates, (i) the Outstanding Amount of Limited Currency Revolving Obligations shall exceed 105% of the Aggregate Limited Currency Revolving Committed Amount, (ii) the Outstanding Amount of Multicurrency Revolving Obligations shall exceed 105% of the Aggregate Multicurrency Revolving Committed Amount or (iii) the Outstanding Amount of all Limited Currency Revolving Obligations and Multicurrency Revolving Obligations denominated in an Alternative Currency shall exceed 105% of the Alternative Currency Sublimit, immediate prepayment will be made on or in respect of the applicable Revolving Obligations in an amount equal to the difference.

(B) If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations (whether or not as a result of a change in Spot Rates) at such time exceeds an amount equal to 105% of the L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the L/C Sublimit. If the Administrative Agent or an L/C Issuer notifies the Parent Borrower at any time that the Outstanding Amount of all L/C Obligations denominated in an Alternative Currency at such time exceeds an amount equal to 105% of the Alternative Currency L/C Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Parent Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency L/C Sublimit. The Administrative Agent may, at any time and from time to time after the initial deposit of such cash collateral, request that additional cash collateral be provided in order to protect against the results of further exchange rate fluctuations.

(ii) Subject Dispositions and Involuntary Dispositions. On or before the applicable date set forth in the next sentence, prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any Subject Disposition or Involuntary Disposition by any member of the Consolidated Group occurring after the Amendment No. 6 Effective Date, but solely to the extent (x) the Net Cash Proceeds received in such Subject Disposition (or series of related Subject Dispositions) or Involuntary Disposition (or series of related Involuntary Dispositions) exceed $35.0 million, (y) the Net Cash Proceeds received in all Subject Dispositions or Involuntary Dispositions effected during the fiscal year in which the applicable Subject Disposition or Involuntary Disposition takes place exceeds $75.0 million and (z) such Net Cash Proceeds are not used to, subject to compliance with Section 8.02, acquire, maintain, develop, construct, improve, upgrade or repair Property or make Investments (other than inventory, accounts receivable, cash or Cash Equivalents) useful in the business of the Consolidated Group in any member of the Consolidated Group or to make investments in Permitted Acquisitions that are otherwise permitted hereunder within twelve (12) months of the date of such Subject Disposition or Involuntary Disposition (or to the extent contractually committed to be reinvested prior to the expiration of such twelve (12) month period, eighteen (18) months of the date of such Subject Disposition or

Involuntary Disposition); provided that such a reinvestment shall not be permitted if an Event of Default shall have occurred and be continuing at the time the Parent Borrower commits to make such reinvestment or, if no such commitment is made, the time the reinvestment is actually made, and in either such circumstance such Net Cash Proceeds shall be used to make prepayments on the Loans; provided further that, to the extent any Incremental Equivalent Debt is then outstanding and is secured by a Lien on the Collateral that is pari passu in priority with the Lien on the Collateral securing the Obligations and is required by the terms thereof to make a prepayment or make a repurchase offer from the net cash proceeds of such Subject Disposition or Involuntary Disposition ("Applicable Pari Passu Debt"), a portion of such Net Cash Proceeds not exceeding the Ratable Net Proceeds Share may be applied to prepay such Applicable Pari Passu Debt. Any such prepayment from any Net Cash Proceeds required by the previous sentence shall be made (x) in the case of a Major Disposition in respect of which the notice referred to in Section 7.02(g) has not been delivered on or before the fifteenth (15th) Business Day following the receipt of the Net Cash Proceeds from such Major Disposition or to the extent such notice does not indicate reinvestment is intended with the Net Cash Proceeds of such Major Disposition, on or before the twenty-fifth (25th) Business Day following receipt of such Net Cash Proceeds and (y) in any other case, promptly after the Parent Borrower determines that it will not reinvest such Net Cash Proceeds in accordance with the terms and limitations of the previous sentence, but in no event later than 366 days (or 546 days if a contractual commitment to reinvest such Net Cash Proceeds has been made within the initial 366-day period) following the receipt of such Net Cash Proceeds.

(iii) Indebtedness. Prepayment will be made on the Loan Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds received from any incurrence or issuance of Indebtedness after the Amendment No. 6 Effective Date (other than Indebtedness expressly permitted to be incurred or issued pursuant to Section 8.03, (other than (a) Refinancing Debt and (b) initial borrowings under Replacement Revolving Commitments)); provided that prepayments required by initial borrowings under Replacement Revolving Commitments shall be applied only to borrowings under the Replaced Revolving Commitments (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.19(a)); provided, further, that prepayments required by initial borrowings or Refinancing Term Loans or incurrence of Refinancing Notes/Loans shall be applied only to borrowings under the Refinancing Term Loans (with reduction or termination of Revolving Commitments being replaced as required by clause (i) of the proviso to Section 2.18(a)). Any prepayment in respect of such Indebtedness hereunder will be payable on the Business Day following receipt by the Parent Borrower or other members of the Consolidated Group of the Net Cash Proceeds therefrom.

(iv) Consolidated Excess Cash Flow. If for any fiscal year of the Parent Borrower ending after December 31, 2018 there shall be Consolidated Excess Cash Flow, then, on a date that is no later than five Business Days following the date that financial statements for such fiscal year are required to be delivered pursuant to Section 7.01(a), the Loan Obligations shall be prepaid by an amount equal to the ECF Application Amount for such fiscal year less any voluntary prepayments of Term Loans made during such fiscal year (other than such voluntary prepayments that are funded by the proceeds of Indebtedness and

for the avoidance of doubt other than any prepayments made on the Amendment No. 6 Effective Date).

(v) Term Benchmark Prepayment Account. If the Parent Borrower is required to make a mandatory prepayment of Term Benchmark Loans under this Section 2.06(b), so long as no Event of Default exists, the Parent Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the Applicable Agent in a cash collateral account maintained (pursuant to documentation reasonably satisfactory to the Applicable Agent) by and in the sole dominion and control of the Applicable Agent. Any amounts so deposited shall be held by the Applicable Agent as collateral for the prepayment of such Term Benchmark Loans and shall be applied to the prepayment of the applicable Term Benchmark Loans at the earliest of (x) the end of the current Interest Periods applicable thereto, (y) three months following the date of such deposit and (z) at the election of the Applicable Agent, upon the occurrence of an Event of Default. At the request of the Parent Borrower, amounts so deposited shall be invested by the Applicable Agent in Cash Equivalents maturing on or prior to the date or dates on which it is anticipated that such amounts will be applied to prepay such Term Benchmark Loans; any interest earned on such Cash Equivalents will be for the account of the Parent Borrower and the Parent Borrower will deposit with the Applicable Agent the amount of any loss on any such Cash Equivalents to the extent necessary in order that the amount of the prepayment to be made with the deposited amounts may not be reduced.

(vi) Foreign Dispositions and Consolidated Excess Cash Flow. Notwithstanding any other provisions of this Section 2.06, (i) to the extent that any of or all the Net Cash Proceeds of any Subject Disposition or Involuntary Disposition by a Foreign Subsidiary (collectively, a "Foreign Disposition") or Consolidated Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Consolidated Excess Cash Flow so affected will not be required to be applied to prepay Loan Obligations at the times provided in this Section 2.06 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Parent Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Consolidated Excess Cash Flow that, in each case, would otherwise be required to be used to make a prepayment pursuant to Section 2.06(b)(ii) or 2.06(b)(iv), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Consolidated Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the prepayment of the Loan Obligations pursuant to this Section 2.06 and (ii) to the extent that the Parent Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition or Foreign Subsidiary Consolidated Excess Cash Flow would have material adverse Tax cost consequences with respect to such Net Cash Proceeds or Consolidated Excess Cash Flow, such Net Cash Proceeds or Consolidated Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any such Net

Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 2.06(b) or any such Consolidated Excess Cash Flow would have been required to be applied to prepayments pursuant to Section 2.06(b), the Parent Borrower applies an amount equal to such Net Cash Proceeds or Consolidated Excess Cash Flow to such reinvestments or prepayments, as applicable, as if such Net Cash Proceeds or Consolidated Excess Cash Flow had been received by the Parent Borrower rather than such Foreign Subsidiary, less the amount of additional Taxes that would have been payable or reserved against if such Net Cash Proceeds or Consolidated Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Consolidated Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

(c) Application. Within each Loan, prepayments will be applied first to Base Rate Loans and RFR Loans, then to Term Benchmark Loans in direct order of Interest Period maturities. In addition:

(i) Voluntary Prepayments of Loans. Prepayments of the Delayed Draw Term A Loans or Term B-4 Loans pursuant to Section 2.06(a) shall be applied to either tranche of Term Loans as directed by the Parent Borrower (and, within such tranche, shall be applied to the payments required under Section 2.05(c) (in the case of the Delayed Draw Term A Loans) and Section 2.05(d) (in the case of Term B-4 Loans) as directed by the Parent Borrower). Voluntary prepayments on the Loan Obligations will be paid by the Administrative Agent to the Lenders ratably in accordance with their respective interests therein.

(ii) Mandatory Prepayments of Loans. Mandatory prepayments on the Loan Obligations will be paid by the Applicable Agent to the Lenders ratably in accordance with their respective interests therein; provided that:

(A) Mandatory prepayments in respect of the Revolving Commitments under subsection (b)(i)(A) above shall be applied to the respective Revolving Obligations as appropriate.

(B) Mandatory prepayments in respect of Subject Dispositions and Involuntary Dispositions under subsection (b)(ii) above, Indebtedness under subsection (b)(iii) and Consolidated Excess Cash Flow under subsection (b)(iv) above shall be applied (i) first to the Delayed Draw Term A Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding) and Term B-4 Loans on a pro rata basis (in direct order of maturity and, within such tranche, shall be applied on a pro rata basis to the payments required under Section 2.05(c) (in the case of the Delayed Draw Term A Loans (for the avoidance of doubt, to the extent any Delayed Draw Term A Loans shall have been made and remain outstanding)) and Section 2.05(d) (in the case of Term B-4 Loans)), then (ii) to the Revolving Obligations (without permanent reduction of the Revolving Commitments); provided that prepayments in respect of Indebtedness under subsection (b)(iii) with the proceeds of Refinancing Debt or Replacement Revolving Commitments shall be applied only to the Loan or Commitment being refinanced.

**2.07 Termination or Reduction of Commitments.**

The Dollar Revolving Commitments, the Limited Currency Revolving Commitments, the Multicurrency Revolving Commitments, the 2020-1 Incremental Revolving Commitments or the Delayed Draw Term A Commitments (ratably among Dollar Revolving Commitments, the Limited Currency Revolving Commitments, the Multicurrency Revolving Commitments, the 2020-1 Incremental Revolving Commitments and the Delayed Draw Term A Commitments, as applicable) hereunder may be permanently reduced in whole or in part by notice from the Parent Borrower to the Administrative Agent; provided that (i) any such notice thereof must be received by 12:00 noon (New York time) at least five (5) Business Days prior to the date of reduction or termination and any such reduction or terminations shall be in a minimum amount of $1.0 million and integral multiples of $1.0 million in excess thereof; and (ii) the Commitments may not be reduced to an amount less than the Outstanding Amount of Loan Obligations then outstanding thereunder. The Administrative Agent will give prompt notice to the Lenders of any such reduction in Commitments. Any reduction of any Commitments shall be applied to the Commitment of each applicable Lender according to its Pro Rata Share. All commitment or other fees accrued with respect to any Commitment through the effective date of any termination thereof shall be paid on the effective date of such termination. A notice of termination of the Commitments delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Parent Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

**2.08 Interest.**

(a) Subject to the provisions of subsection (b) below, (i) each Term Benchmark Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the applicable Relevant Rate for such Interest Period plus the Applicable Percentage; (ii) each Loan that is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage; (iii) each RFR Loan shall bear interest on the outstanding principal amount from the applicable borrowing date at a rate per annum equal to the applicable Adjusted Daily Simple RFR plus the Applicable Percentage, and (iv) each Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Percentage.

(b) If any amount payable by the Borrowers under any Credit Document is not paid when due, then such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Law.

(c) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(e) With respect to the Amendment No. 10 Existing Term B-4 Loans, from and including the Amendment No. 10 Effective Date until the earlier of (x) the repayment of such Amendment No. 10 Existing

Term B-4 Loans and (y) the Amendment No. 10 Existing Term B-4 Loan Interest Period Termination Date (such earlier date with respect to such Amendment No. 10 Existing Term B-4 Loans, the "Amendment No. 10 Existing Term B-4 Loan Interest Payment Date"), the Amendment No. 10 Existing Term B-4 Loans shall continue to bear interest at the Amendment No. 10 Existing Term B-4 Loan Interest Rate, subject to any increase if not paid when due pursuant to Section 2.08(b). On the Amendment No. 10 Existing Term B-4 Loan Interest Payment Date, the Borrower shall pay interest in respect of the Amendment No. 10 Existing Term B-4 Loans accrued from and including the beginning of the Amendment No. 10 Existing Term B-4 Loan Interest Period to the Amendment No. 10 Existing Term B-4 Loan Interest Payment Date at the Amendment No. 10 Existing Term B-4 Loan Interest Rate. On the Amendment No. 10 Existing Term B-4 Loan Interest Period Termination Date, any Amendment No. 10 Existing Term B-4 Loans that remain outstanding shall be converted to Term Benchmark Loans or Base Rate Loans, as selected by the Borrower in accordance with Section 2.02.

(f) With respect to the Amendment No. 10 Existing Delayed Draw Term A Loans, from and including the Amendment No. 10 Effective Date until the earlier of (x) the repayment of such Amendment No. 10 Existing Delayed Draw Term A Loans and (y) the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Period Termination Date (such earlier date with respect to such Amendment No. 10 Existing Delayed Draw Term A Loans, the "Amendment No. 10 Existing Delayed Draw Term A Loan Interest Payment Date"), the Amendment No. 10 Existing Delayed Draw Term A Loans shall continue to bear interest at the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Rate, subject to any increase if not paid when due pursuant to Section 2.08(b). On the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Payment Date, the Borrower shall pay interest in respect of the Amendment No. 10 Existing Delayed Draw Term A Loans accrued from and including the beginning of the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Period to the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Payment Date at the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Rate. On the Amendment No. 10 Existing Delayed Draw Term A Loan Interest Period Termination Date, any Amendment No. 10 Existing Delayed Draw Term A Loans that remain outstanding shall be converted to Term Benchmark Loans or Base Rate Loans, as selected by the Borrower in accordance with Section 2.02.

**2.09 Fees.**

(a) Commitment Fees. The Parent Borrower shall pay to the Administrative Agent for the account of (v) each Delayed Draw Term A Lender in accordance with its Delayed Draw Term A Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily aggregate amount of Delayed Draw Term A Commitments (the "Delayed Draw Commitment Fee"), (w) each Dollar Revolving Lender in accordance with its Dollar Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Dollar Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Dollar Revolving Loans (but not, for the avoidance of doubt, any Swingline Loans) and (ii) the Outstanding Amount of Dollar Facility L/C Obligations, (x) each Limited Currency Revolving Lender in accordance with its Limited Currency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Limited Currency Revolving Committed Amount exceeds the sum of (i) the Outstanding Amount of Limited Currency Revolving Loans and (ii) the Outstanding Amount of Limited Currency Facility L/C Obligations, (y) each Multicurrency Revolving Lender in accordance with its Multicurrency Revolving Commitment Percentage, a commitment fee equal to the Commitment Fee Rate times the actual daily amount by which the Aggregate Multicurrency Revolving Committed

Amount exceeds the Outstanding Amount of Multicurrency Revolving Loans other than Fronted Currency Loans (the fees in clauses (w), (x) and (y) collectively, the "Original Revolving Commitment Fees") and (z) each 2020-1 Incremental Revolving Lender in accordance with its 2020-1 Incremental Revolving Commitment Percentage, a commitment fee equal to the 2020-1 Incremental Revolving Commitment Fee Rate times the actual daily amount by which the Aggregate 2020-1 Incremental Revolving Committed Amount exceeds the Outstanding Amount of 2020-1 Incremental Revolving Loans (the fees in clause (z), the "2020-1 Incremental Revolving Commitment Fees"; the Original Revolving Commitment Fees and 2020-1 Incremental Revolving Commitment Fees are referred to collectively as the "Revolving Commitment Fees" and, together with the Delayed Draw Commitment Fee, the "Commitment Fees"). The Delayed Draw Commitment Fee shall accrue from and including the 61st day following the Amendment No. 6 Effective Date, and shall be due and payable quarterly in arrears (A) on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the 61st day following the Amendment No. 6 Effective Date and (B) on the Delayed Draw Term A Commitment Termination Date. The Original Revolving Commitment Fees shall accrue from and including the Amendment No. 6 Effective Date and the 2020-1 Revolving Commitment Fees shall accrue from and including the Amendment No. 7 Effective Date, and the Revolving Commitment Fees shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Amendment No. 6 Effective Date (in the case of the Original Revolving Commitment Fees) and the first such date to occur after the Amendment No. 7 Effective Date (in the case of the 2020-1 Incremental Revolving Commitment Fees); provided that all outstanding Revolving Commitment Fees shall be due and payable on the Revolving Termination Date.

(b) Letter of Credit Fees.

(i) Letter of Credit Fees. The Parent Borrower shall pay to the Administrative Agent, for the account of each L/C Revolving Lender in accordance with its L/C Commitment Percentage, a Letter of Credit fee, in Dollars, for each Letter of Credit, an amount equal to the Applicable Percentage for Revolving Loans that are Term Benchmark Loans multiplied by the daily maximum undrawn Outstanding Amount under such Letter of Credit (the "Letter of Credit Fees"). For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. The Letter of Credit Fees shall be computed on a quarterly basis in arrears, and shall be due and payable on the tenth (10th) day of each January, April, July and October (for the Letter of Credit Fees accrued during the previous calendar quarter), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. If there is any change in the Applicable Percentage during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Percentage separately for each period during such quarter that such Applicable Percentage was in effect. Notwithstanding anything to the contrary contained herein, while any Event of Default has occurred and is continuing under Section 9.01(a), (f) or (h), all Letter of Credit Fees shall accrue at the Default Rate.

(ii) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers . The Parent Borrower shall pay directly to each L/C Issuer for its own account a

fronting fee with respect to each Letter of Credit issued by it, 0.125% of the daily undrawn Outstanding Amount under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the tenth (10th) day of each January, April, July and October (for fronting fees accrued during the previous calendar quarter or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. For purposes of computing the daily undrawn Outstanding Amount under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.10. In addition, the applicable Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the applicable L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(c) [Reserved.]

(d) Alternative Currency Fronting Currency Lender Fees. The Parent Borrower shall pay each Alternative Currency Fronting Lender such fronting fees (if any) with respect to Fronted Currency Loans as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower at such times as may be agreed among the Administrative Agent, such Alternative Currency Fronting Lender and the Parent Borrower.

(e) Other Fees. The Parent Borrower shall pay to the Lead Arrangers, for their own respective accounts, fees in the amounts and at the times specified in the Engagement Letter. The Parent Borrower shall also pay to the Administrative Agent, for its own account, fees in the amounts and at the times specified in the Administrative Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever. The Administrative Agent Fee Letter is hereby ratified and confirmed in all respects by JPMCB and Parent Borrower, and both such parties agree that it shall remain effective on and following the Amendment No. 6 Effective Date.

The applicable Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

**2.10 Computation of Interest and Fees.**

All computations of interest for Base Rate loans denominated in Canadian Dollars and Base Rate Loans denominated in Dollars when the Base Rate is determined by JPMCB's prime rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Term Benchmark Loans or RFR Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one (1) day. Each

determination by the Applicable Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

**2.11 Payments Generally; Applicable Agent's Clawback.**

(a) General. All payments to be made by any Credit Party hereunder shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. All payments of principal and interest on any Loan shall be payable in the same currency as such Loan is denominated. All payments of fees pursuant to Section 2.09 shall be payable in Dollars. All payments in respect of Unreimbursed Amounts shall be payable in the currency provided in Section 2.03. All other payments herein shall be payable in the currency specified with respect to such payment or, if the currency is not specified, in Dollars. Except as otherwise expressly provided herein, all payments by the Borrowers shall be made to the Applicable Agent, for the account of the Lenders to which such payment is owed, at the Applicable Agent's Office in Same Day Funds not later than 3:00 p.m. Local Time on the date specified herein. The Applicable Agent will promptly distribute to each Lender its Pro Rata Share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Applicable Agent after 3:00 p.m. Local Time shall be deemed received on the immediately succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to the definition of "Interest Period," if any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Applicable Agent. Unless the Applicable Agent shall have received notice from a Lender prior to the proposed time of any Borrowing that such Lender will not make available to the Applicable Agent such Lender's share of such Borrowing (net of applicable acceptance fees), the Applicable Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing (net of applicable acceptance fees) available to the Applicable Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Applicable Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Applicable Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Applicable Agent for the same or an overlapping period, the Applicable Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Applicable Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Applicable Agent.

(ii) Payments by the Borrowers; Presumptions by Applicable Agent. Unless the Applicable Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Applicable Agent for the account of the Lenders or the applicable L/C Issuer hereunder that the applicable Borrower will not make such payment, the Applicable Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, receiving any such payment severally agrees to repay to the Applicable Agent forthwith on demand the amount so distributed to such Lender or L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Applicable Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Applicable Agent in accordance with banking industry rules on interbank compensation.

A notice of the Applicable Agent to any Lender or any Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Applicable Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Applicable Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Applicable Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligation of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Applicable Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

**2.12 Sharing of Payments by Lenders.**

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it, or the participations in L/C Obligations or in Swingline Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans, then the Lender receiving such greater proportion shall (a) notify the Applicable Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans, subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Credit Agreement, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, amounts owing to it in respect of any subparticipations in L/C Obligations or Swingline Loans to any assignee or participant, other than to any Borrower or any Affiliate thereof (as to which the provisions of this Section shall apply) or (z) any payments made pursuant to Sections 2.17, 2.18 or 2.19.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Notwithstanding anything to the contrary contained herein, the provisions of this Section 2.12 shall be subject to the express provisions of this Credit Agreement which require, or permit, differing payments to be made to non-Defaulting Lenders as opposed to Defaulting Lenders.

**2.13 Evidence of Debt.**

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c) as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. Each other Agent shall promptly provide the Administrative Agent with all information needed to maintain such accounts in respect of the Loans administered by such Agent. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained

by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to the Administrative Agent a Note for such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Each Lender having sold a participation in any of its Obligations, acting solely for this purpose as a non-fiduciary agent for the Borrowers, shall maintain a register for the recordation of the names and addresses of such Participants (and each change thereto, whether by assignment or otherwise) and the rights, interest or obligation of such Participants in any Obligation, in any Commitment and in any right to receive any payments hereunder.

**2.14 [Reserved].**

**2.15 [Reserved].**

**2.16 Defaulting Lenders.**

Notwithstanding any provision of this Credit Agreement to the contrary, if any Lender becomes a Defaulting Lender hereunder (as determined by the Administrative Agent or, in the case of clause (d) below, any applicable L/C Issuer), then the following provisions shall apply for so long as such Defaulting Lender is a Defaulting Lender:

(a) the Administrative Agent (or the applicable L/C Issuer, as the case may be) shall promptly notify the Parent Borrower and each Lender that such Lender is a Defaulting Lender for purposes of this Credit Agreement;

(b) fees under Section 2.09(a) shall cease to accrue on the Commitment of such Defaulting Lender (except to the extent reallocated pursuant to Section 2.16(e));

(c) the Commitments and Loans of such Defaulting Lender shall be disregarded for all purposes of any determination of whether the Required Lenders, Required Revolving Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required 2020-1 Incremental Revolving Lenders, Required Delayed Draw Term A Lenders or Required Term B-4 Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.01);

(d) if any Swingline Loan or Letter of Credit is outstanding at the time the notice described in clause (a) above is provided, the Parent Borrower shall within one Business Day following notice by the Administrative Agent (i) prepay such Swingline Loan and (ii) cash collateralize such Defaulting Lender's L/C Obligations in accordance with Section 2.03(a)(ii)(A)(5) and on terms similar to the procedures set forth in Section 2.03(g) for so long as such L/C Obligations are outstanding; provided that (A) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders, elect to reallocate the Swingline Exposure among all non-Defaulting Lenders under the Dollar Revolving Facility by disregarding the Dollar Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's Dollar Revolving Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such Swingline Loan shall be required to be repaid pursuant to this Section 2.16(d) to the extent of such reallocation and (B) to the extent the sum of the total Dollar Revolving Obligations (other than any Dollar Revolving Obligations constituting outstanding Dollar Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Dollar Facility L/C Obligations and Swingline Exposure) plus the total Limited Currency Revolving Obligations (other than any Limited Currency Revolving Obligations constituting outstanding Limited Currency Revolving Loans made by any Defaulting Lender but including each Defaulting Lender's Limited Currency Facility L/C Obligations) does not exceed the sum of the total Dollar Revolving Commitments (excluding the Dollar Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Dollar Revolving Loans of such Defaulting Lender) plus the total Limited Currency Revolving Commitments (excluding the Limited Currency Revolving Commitment of any Defaulting Lender except to the extent of any outstanding Limited Currency Revolving Loans of such Defaulting Lender), the Administrative Agent may, by notice to the Dollar Revolving Lenders and the Limited Currency Revolving Lenders, elect to reallocate the L/C Obligations among all non-Defaulting Lenders under the Dollar Revolving Facility and Limited Currency Revolving Facility by disregarding the Dollar Revolving Commitments and Limited Currency Revolving Commitments of all Defaulting Lenders (except to the extent of any outstanding Loans of such Defaulting Lenders) for purposes of calculating each non-Defaulting Lender's L/C Commitment Percentage, and to the extent the Administrative Agent elects to require such reallocation in accordance with the foregoing, no such L/C Obligations shall be required to be cash collateralized pursuant to this Section 2.16(d) to the extent of such reallocation; provided that the reallocation pursuant to the foregoing shall not be permitted to the extent it would cause (x) any Dollar Revolving Lender's Dollar Revolving Obligations to exceed its Dollar Revolving Committed Amount or (y) any Limited Currency Revolving Lender's Limited Currency Revolving Obligations to exceed its Limited Currency Revolving Committed Amount;

(e) to the extent:

(i) the Parent Borrower cash collateralizes any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d), the Parent Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such

Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are cash collateralized (but shall be reallocated pursuant to clause (ii) below);

(ii) the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to each applicable proviso to Section 2.16(d) above, then the fees payable to the Lenders pursuant to Section 2.09(b)(i) shall be adjusted proportionately to reflect such reallocation; or

(iii) the Parent Borrower fails to cash collateralize any Defaulting Lender's L/C Obligations pursuant to Section 2.16(d) above and the L/C Obligations are not reallocated pursuant to either proviso, as applicable, to Section 2.16(d) above, then, without prejudice to any rights or remedies of any L/C Issuer or any Lender hereunder, then all fees that otherwise would have been payable to such Defaulting Lender pursuant to Section 2.09(b)(i) with respect to such Defaulting Lender's L/C Obligations shall be payable to each applicable L/C Issuer until such L/C Obligations are cash collateralized or reallocated pursuant to Section 2.16(d);

(f) for purposes of determining:

(i) the amount of the total Commitments for purposes of Sections 2.01, 2.03(b) and 2.04(a), the Commitment of each Defaulting Lender shall be excluded therefrom (other than any portion of such Commitment pursuant to which there is then outstanding a Loan from such Defaulting Lender); and

(ii) the applicable L/C Obligations of any Lender with respect to any Letter of Credit that is issued, increased (to the extent of the increase only) or renewed (but, for the avoidance of doubt, not with respect to any other applicable L/C Obligations relating to any other Letter of Credit) during the period in which there is a Defaulting Lender or the Swingline Exposure of any Lender with respect to any Swingline Loan made during the period in which there is a Defaulting Lender, the Commitment of such Defaulting Lender shall be deemed to be zero; and

(g) in the Administrative Agent's sole discretion:

(i) any prepayment of the principal amount of any Loans shall be applied solely to prepay the Loans of all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender; and

(ii) subject to Section 2.16(e)(iii), any amount payable to such Defaulting Lender pursuant to this Credit Agreement (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.12 or Section 3.06(b)) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent, applicable L/C Issuer or Swingline Lender hereunder, (ii) second, pro rata, to the payment of any amounts

owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Credit Agreement and (iii) third, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

In the event that the Administrative Agent, the Parent Borrower, each applicable L/C Issuer and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, the Administrative Agent shall promptly notify each Lender that such Lender has ceased to be a Defaulting Lender and, from and after the date of such notification, the Swingline Exposure and L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Dollar Facility Percentage and Limited Currency Facility Percentage.

**2.17 Extended Term Loans and Extended Revolving Commitments.**

(a) Parent Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (the Loans of such applicable Class, the "Existing Term Loans") be converted into a new Class of Term Loans (the Loans of such applicable Class, the "Extended Term Loans") with terms consistent with this Section 2.17. In order to establish any Extended Term Loans, the Parent Borrower shall provide a notice to the Administrative Agent (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be substantially identical to those applicable to the Existing Term Loans from which such Extended Term Loans are to be converted, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Term Loans (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

(i) the maturity date of the Extended Term Loans shall be later than the maturity date of the Existing Term Loans;

(ii) all or any of the scheduled amortization payments of principal of the Extended Term Loans shall be delayed to later dates than the scheduled amortization payments of principal of the Existing Term Loans such that the amortization payments of principal with respect to such Extended Term Loans for the period prior to the maturity date of the Existing Term Loans is no greater than the amounts due immediately prior to such extension;

(iii) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Existing Term Loans and (B) additional fees and/or premiums may be payable to the Extending Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A);

(iv) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Parent Borrower and the Extending Lenders so long as such Extended Term Loans do not participate on a greater than pro rata basis in any such mandatory prepayments as compared to then-existing Term Loan Lenders;

(v) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Term Loans (before giving effect to the Extended Term Loans); and

(vi) no existing Lender shall be required to provide, consent to or convert into any Extended Term Loans and no Loans of such Lenders will be converted without such party's affirmative consent thereto.

(b) The Borrowers may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (the Commitments of such applicable Class, the "Existing Revolving Commitments") be converted into a new Class of Revolving Commitments (the Commitments of such applicable Class, the "Extended Revolving Commitments") with terms consistent with this Section 2.17. In order to establish any Extended Revolving Commitments, the Borrowers shall provide a notice to the Administrative Agent (a "Revolving Credit Extension Request") setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be substantially identical to those applicable to the Existing Revolving Commitments, as determined by the Parent Borrower in good faith and such determination shall be conclusive evidence that such terms are substantially identical to such Existing Revolving Commitment (unless a Lender shall have objected thereto in writing within 5 Business Days and has set forth such Lender's objections with specificity), except that:

(i) the maturity date of the Extended Revolving Commitments shall be later than the maturity date of the Existing Revolving Commitments;

(ii) (A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments and/or (B) additional fees and/or premiums may be payable to the Extending Lenders in addition to or in lieu of any of the items contemplated by the preceding clause (A) and/or (C) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments;

(iii) the Credit Parties may be subject to covenants and other terms for the benefit of the Extending Lenders that apply only after the Final Maturity Date of the Existing Revolving Commitments (before giving effect to the Extended Revolving Commitments); and

(iv) no existing Lender shall be required to provide any Extended Revolving Commitments and no Existing Revolving Commitments will become Extended Revolving Commitments without such party's affirmative consent thereto.

(c) Each Extension Request shall specify the date (the "Extension Effective Date") on which the applicable Borrower proposes that the conversion of an Existing Class into an Extended Class shall be effective, which shall be a date reasonably satisfactory to the Administrative Agent. Each Lender of an Existing Class that is requested to be extended shall be offered the opportunity to convert its Existing Class into the Extended Class on the same basis as each other Lender of such Existing Class. Any Lender (to the extent applicable, an "Extending Lender") wishing to have all or a portion of its Existing Class subject to such Extension Request converted into an Extended Class shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Existing Class subject to such Extension Request that it has elected to convert into an Extended Class. In the event that the aggregate portion of the Existing Class subject to Extension Elections exceeds the amount of the Extended Class requested pursuant to the Extension Request, the portion of the Existing Class converted shall be allocated on a pro rata basis based on the amount of the Existing Class included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Commitment into an Extended Revolving Commitment, such Extended Revolving Commitment shall be treated identically with all Existing Revolving Commitments for purposes of the obligations of a Revolving Lender in respect of Swingline Loans under Section 2.01(c) and Letters of Credit under Section 2.03, except that the applicable Additional Credit Extension Amendment may provide that the maturity date for Swingline Loans and/or the Letters of Credit may be extended and the related obligations to make Swingline Loans and issue Letters of Credit may be continued so long as the Swingline Lender and/or the applicable L/C Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender (other than the Extending Lenders) shall be required in connection with any such extension). In no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender or each L/C Issuer, as the case may be.

(d) An Extended Class shall be established pursuant to an Additional Credit Extension Amendment executed by the Extending Lenders (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender). No Additional Credit Extension Amendment shall provide for any Class of (x) Extended Term Loans in an aggregate principal amount that is less than $10.0 million or (y) Extended Revolving Commitments in an aggregate principal amount that is less than $5.0 million. In addition to any terms and changes required or permitted by Section 2.17(a), the Additional Credit Extension Amendment shall amend the scheduled amortization payments pursuant to Section 2.05 with respect to the Existing Term Loans from which the Extended Term Loans were converted to reduce each scheduled principal repayment amounts for the Existing Term Loans in the same proportion as the amount of Existing Term Loans to be converted pursuant to such Additional Credit Extension Amendment.

(e) Notwithstanding anything to the contrary contained in this Credit Agreement, on the Extension Effective Date, (i) the principal amount of each Existing Term Loan shall be deemed reduced by an amount equal to the principal amount converted into an Extended Term Loan, (ii) the amount of each Existing Revolving Commitment shall be deemed reduced by an amount equal to the amount converted into an Extended Revolving Commitment and (iii) if, on any Extension Effective Date, any Loans of any Extending Lender are outstanding under the applicable Existing Revolving Commitments, such Loans (and any related participations) shall be deemed to be converted into Loans (and related participations) made pursuant to the Extended Revolving Commitments in the

same proportion as such Extending Lender's Existing Revolving Commitments are converted to Extended Revolving Commitments.

(f) This Section 2.17 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. Each Extended Class shall be documented by an Additional Credit Extension Amendment executed by the Extending Lenders providing such Extended Class (and the other persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.17.

**2.18 Refinancing Term Loans.**

(a) The Parent Borrower may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of term loans under this Credit Agreement or an increase to an existing Class of term loans under this Credit Agreement (in each case, "Refinancing Term Loans") or one or more series of debt securities or term loans ("Refinancing Notes/Loans"; and together with Refinancing Term Loans, the "Refinancing Debt"); provided that:

(i) the proceeds of such Refinancing Debt shall be used, concurrently or substantially concurrently with the incurrence thereof, solely to refinance all or any portion of any outstanding Term Loans;

(ii) each Class of Refinancing Term Loans shall be in an aggregate amount of $5.0 million or any whole multiple of $1.0 million in excess thereof (or such other amount necessary to repay any Class of outstanding Term Loans in full);

(iii) such Refinancing Debt shall be in an aggregate principal amount not greater than the aggregate principal amount of Term Loans to be refinanced plus any accrued interest, fees, costs, premiums and expenses related thereto (including any original issue discount or upfront fees);

(iv) the final maturity date of such Refinancing Debt shall be later than the maturity date of the Term Loans being refinanced, and the Weighted Average Life to Maturity of such Refinancing Debt shall be longer than the then remaining Weighted Average Life to Maturity of each Class of Term Loans being refinanced;

(v) (A) the pricing, interest rate margins, rate floors, discounts, fees and optional and mandatory prepayment or redemption provisions (including premiums, if any) applicable to such Refinancing Debt shall be as agreed between the Parent Borrower and the providers of such Refinancing Debt so long as, in the case of any mandatory prepayment or redemption provisions, the providers of such Refinancing Debt do not participate on a greater than pro rata basis in any such prepayments as compared to Term Loan Lenders being refinanced and (B) the covenants and other terms applicable to such Refinancing Term Loans (excluding those terms described in the immediately preceding clause (A)), which

shall be as agreed between the Parent Borrower and the lenders providing such Refinancing Debt, shall not be materially more restrictive (when taken as a whole) to the Parent Borrower and its Restricted Subsidiaries than those applicable to any Class of Term Loans then outstanding under this Credit Agreement, as determined by the Parent Borrower in good faith, except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (after giving effect to such Refinancing Debt) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that Refinancing Debt may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries); provided, further, that to the extent that any financial maintenance covenant is added for the benefit of such Refinancing Debt that applies prior to the Final Maturity Date hereunder, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of all Lenders (after giving effect to such Refinancing Debt);

(vi) no existing Lender shall be required to provide any Refinancing Debt; and

(vii) (A) the Refinancing Term Loans shall rank pari passu in right of payment and security with the existing Term B-4 Loans and (B) the Refinancing Notes/Loans may be (x) secured by Collateral on a pari passu basis with the existing Term B-4 Loans, (y) secured by Collateral on a junior lien basis to the existing Term B-4 Loans or (z) unsecured; provided, further, that in the case of clause (x) or clause (y), the holders of such Refinancing Notes/Loans or their representative is or becomes party to a customary intercreditor agreement reasonably satisfactory to the Administrative Agent and the Parent Borrower and all such Liens are subject to such intercreditor agreement.

(b) Each such notice shall specify (x) the date (each, a "Refinancing Effective Date") on which the Parent Borrower proposes that the Refinancing Debt be made, which shall be a date reasonably acceptable to the Administrative Agent and (y) in the case of Refinancing Term Loans, the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Refinancing Term Loans as if it were an assignee)) whom the Parent Borrower proposes would provide the Refinancing Term Loans and the portion of the Refinancing Term Loans to be provided by each such Person. On each Refinancing Effective Date, each Person with a commitment for a Refinancing Term Loan or Refinancing Notes/Loans shall make a Refinancing Term Loan to the Parent Borrower, and/or purchase Refinancing Notes/Loans from the Parent Borrower, in a principal amount equal to such Person's commitment therefor.

(c) This Section 2.18 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary (but shall be in addition to and not in lieu of the second paragraph of Section 11.01). The Refinancing Term Loans shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Refinancing Term Loans (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Parent Borrower, to effect the provisions of this Section

2.18. The Refinancing Notes/Loans shall be established pursuant to documentation which shall be consistent with the provisions set forth in Section 2.18(a).

**2.19 Replacement Revolving Commitments.**

(a) The Borrowers may at any time and from time to time, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), request the establishment of one or more additional Classes of Revolving Commitments ("Replacement Revolving Commitments") to replace all or a portion of any existing Classes of Revolving Commitments under this Credit Agreement (" Replaced Revolving Commitments"); provided that:

(i) substantially concurrently with the effectiveness of the Replacement Revolving Commitments, all or an equivalent portion of the Revolving Commitments in effect immediately prior to such effectiveness shall be terminated, and all or an equivalent portion of the Revolving Loans and Swingline Loans then outstanding, together with all interest thereon, and all other amounts accrued for the benefit of the Revolving Lenders, shall be repaid or paid (it being understood, however, than any Letters of Credit issued and outstanding under the Replaced Revolving Commitments shall be deemed to have been issued under the Replacement Revolving Commitments if the amount of such Letters of Credit would exceed the remaining amount of commitments under the Replaced Revolving Commitments after giving effect to the reduction contemplated hereby);

(ii) such Replacement Revolving Commitments shall be in an aggregate amount not greater than the aggregate amount of Replaced Revolving Commitments to be replaced plus any accrued interest, fees, costs and expenses related thereto (including any upfront fees);

(iii) the final maturity date of such Replacement Revolving Commitments shall be later than the maturity date of the Replaced Revolving Commitments;

(iv) the L/C Sublimit and the Swingline Sublimit under such Replacement Revolving Commitments shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Commitments, the Administrative Agent, the L/C Issuer (or any replacement L/C Issuer) and the Swingline Lender (or any replacement Swingline Lender); provided that in no event may the Swingline Sublimit or the L/C Sublimit be increased without the consent of the Swingline Lender (other than a replacement Swingline Lender with respect to such Replacement Revolving Commitment) or each L/C Issuer (other than a replacement L/C Issuer with respect to such Replacement Revolving Commitment), as the case may be;

(v) (A) the pricing, rate floors, discounts, fees and optional prepayment or redemption provisions applicable to such Replacement Revolving Commitments shall be as agreed between the Borrowers and the Replacement Revolving Lenders so long as, in the case of any optional prepayment or redemption provisions, such Replacement Revolving Lenders do not participate on a greater than pro rata basis in any such prepayments as compared to Replaced Revolving Commitments and (B) the covenants and other terms applicable to such Replacement Revolving Commitments (excluding those terms described

in the immediately preceding clause (A)), which shall be as agreed between the Borrowers and the lenders providing such Replacement Revolving Commitments, shall not be more favorable (when taken as a whole) to the lenders providing the Replacement Revolving Commitments than those applicable to the Replaced Revolving Commitments (as determined by the Parent Borrower in good faith), except to the extent such covenants and other terms apply solely to any period after the Final Maturity Date applicable under this Credit Agreement (before giving effect to the Replacement Revolving Commitments) or such covenants or other terms apply equally for the benefit of the other Lenders; provided that it is understood and agreed that the Replacement Revolving Commitments may be guaranteed by Subsidiaries that are Domestic Credit Parties (but not other Subsidiaries, except in the case of Replacement Revolving Commitments of Foreign Borrowers, which may be guaranteed by any Guarantors);

(vi) no existing Lender shall be required to provide any Replacement Revolving Commitments;

(vii) the Replacement Revolving Commitments shall rank pari passu in right of payment and security with the existing Revolving Commitments;

(viii) any Loans under a Replacement Revolving Commitment will be drawn and participate in Letters of Credit and Swingline Loans on a pro rata basis with any existing Revolving Commitments.

(b) Each such notice shall specify (x) the date on which the Borrowers propose that the Replacement Revolving Commitments become effective, which shall be a date reasonably acceptable to the Administrative Agent and (y) the identity of the Persons (each of which shall be a Person that would be an Eligible Assignee (for this purpose treating a Lender of Replacement Revolving Commitments as if it were an assignee)) whom the Borrowers propose would provide the Replacement Revolving Commitments (each such person, a "Replacement Revolving Lender") and the portion of the Replacement Revolving Commitments to be provided by each such Person.

(c) This Section 2.19 shall supersede any provisions in Section 2.12 or Section 11.01 to the contrary. The Replacement Revolving Commitments shall be documented by an Additional Credit Extension Amendment executed by the Persons providing the Replacement Revolving Commitments (and the other Persons specified in the definition of Additional Credit Extension Amendment but no other existing Lender), and the Additional Credit Extension Amendment may provide for such amendments to this Credit Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.19.

## ARTICLE III

## TAXES, YIELD PROTECTION AND ILLEGALITY

**3.01 Taxes.**

(a) Payments Free of Taxes. Except as otherwise required by Law (as determined in the good faith discretion of the applicable Withholding Agent), any and all payments by or on account of any obligation of the Credit Parties hereunder or under any other Credit Document shall be made free and clear of and without reduction or withholding for any Taxes; provided that if the applicable Withholding Agent shall be required by applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) to deduct or withhold any Taxes from such payments, then (i) if the Tax in question is an Indemnified Tax or an Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 3.01) the Applicable Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholdings and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes. Without limiting the provisions of subsection (a) above, the applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Applicable Borrower. Without duplication of any amounts payable under Section 3.01(a), the applicable Borrower shall indemnify the Applicable Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable by the Applicable Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability, together with any reasonable supporting documentation, delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Applicable Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. Upon the reasonable request of any Credit Party, the Lenders, and the Applicable Agent agree to use their reasonable efforts to cooperate with such Credit Party (at such Credit Party's direction and expense) in contesting the imposition of, or claiming a refund of, any Indemnified Taxes or Other Taxes paid by such Credit Party, whether directly to a Governmental Authority or pursuant to this Section 3.01, that such Credit Party reasonably believes were not correctly or legally asserted by the relevant Governmental Authority unless such Lender or the Applicable Agent, as the case may be, determines in good faith that pursuing such a contest or refund would be materially disadvantageous to it.

(d) Evidence of Payments. As soon as reasonably practicable after any payment of Taxes pursuant to this Section 3.01 or Other Taxes by a Credit Party to a Governmental Authority, such Credit Party shall deliver to the Applicable Agent the original or a certified copy of a receipt issued

by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Agent.

(e) Status of Lenders. Each Lender shall, at such times as are reasonably requested by the applicable Borrower or the Applicable Agent, provide such Borrower and the Applicable Agent with any documentation prescribed by Law, or reasonably requested by such Borrower or the Applicable Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Credit Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to such Borrower and the Applicable Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable Withholding Agent) or promptly notify such Borrower and the Applicable Agent of its legal ineligibility to do so. For the avoidance of doubt, unless the applicable Withholding Agent has received forms or other documentation satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a reduced rate pursuant to an applicable tax treaty, the applicable Withholding Agent shall withhold amounts required to be withheld by applicable Law from such payment at the maximum applicable withholding rate.

Without limiting the generality of the foregoing, in the event that any Borrower is not a Foreign Borrower:

(i) Each U.S. Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding,

(ii) Each Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent on or before the date on which it becomes a party to this Credit Agreement (and from time to time thereafter when required by Law or upon the reasonable request of the Parent Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party.

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Internal Revenue Code, (x) a certificate, in substantially the form of Exhibit 3.01(e)-1, -2, -3, or -4 (any such certificate a "United States Tax Compliance Certificate"), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a "bank" within the meaning

of Section 881(c)(3)(A) of the Internal Revenue Code, (B) a "10 percent shareholder" of the Parent Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code, and that no payments in connection with the Credit Documents are effectively connected with such Lender's conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s)),

(E) any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Laws to permit the applicable Withholding Agent to determine the withholding or deduction required to be made on any payments to such Lender under the Credit Documents, or

(F) the Administrative Agent (and any assignee or successor) will deliver, to the Parent Borrower, on or prior to the execution and delivery of this Credit Agreement (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a "qualified intermediary" or a "U.S. branch") for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9, whichever is applicable, and in each case of (i) and (ii), with the effect that the Parent Borrower can make payments to the Administrative Agent on behalf of the Lenders without any deduction or withholding of any U.S. federal withholding Taxes.

(iii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and

withhold from such payment. Solely for purposes of this clause 3.01(e)(iii), FATCA shall include any amendments made to FATCA after the date of this Credit Agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Applicable Agent to deliver to the Borrowers and any successor Applicable Agent any documentation delivered by the Lender to the Applicable Agent pursuant to this Section 3.01(e).

(f) Treatment of Certain Refunds. If the Applicable Agent or any Lender determines, in its reasonable discretion, exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which a Credit Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the applicable Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Party under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes imposed with respect to the refund) of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the applicable Credit Party, upon the request of the Applicable Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Applicable Agent or such Lender in the event the Applicable Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Applicable Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to any Credit Party the payment of which would place such Lender in a less favorable net after-tax position that such Lender or would have been in if the Indemnified Tax or other Tax giving rise to such refund had never been imposed.

(g) Payments made by the Applicable Agent. For the avoidance of doubt, any payments made by the Applicable Agent to any Lender shall be treated as payments made by the applicable Credit Party.

(h) [Reserved].

(i) Issuing Banks and Swingline Lenders. For the avoidance of doubt, for purposes of this Section 3.01, the term "Lender" shall include any L/C Issuer and the Swingline Lender, and "Law" includes FATCA.

(j) Treatment of Advances. From and after the Amendment No. 3 Effective Date, solely for purposes of FATCA, the Borrowers and the Administrative Agent shall treat, and the Lenders hereby authorize the Borrowers and the Administrative Agent to treat, this Credit Agreement and all advances hereunder (including advances already outstanding) as no longer qualifying as "grandfathered obligations" within the meaning of Treasury Regulation section 1.1471-2(b)(2)(i).

**3.02 Illegality.**

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Term Benchmark Loans or RFR Loans, or to determine or charge interest rates based upon the applicable Relevant Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, any obligation of such Lender to make or continue Term Benchmark Loans or RFR Loans or to convert Loans that are Base Rate Loans to Term Benchmark Loans or RFR Loans shall be suspended until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Parent Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Term Benchmark Loans or RFR Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term Benchmark Loans or RFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Term Benchmark Loans or RFR Loans. Upon any such prepayment or conversion, the Parent Borrower shall also pay accrued interest on the amount so prepaid or converted.

**3.03 Alternate Rate of Interest.**

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.03, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, the Adjusted CIBOR Rate, the Adjusted STIBOR Rate, the Adjusted CDOR Rate, the Adjusted AUD Rate, the Adjusted TIIE Rate, the Adjusted Brazilian Real Rate or the Adjusted TIBOR Rate (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Approved Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR for the applicable Approved Currency; or

(ii) the Administrative Agent is advised by the Required Lenders (or, to the extent relating to Term Benchmark Loans or RFR Loans in currencies other than Dollars, the Required Specified Currency Limited Currency/Multicurrency Revolving Lenders, as applicable) that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, the Adjusted CIBOR Rate, the Adjusted STIBOR Rate, the Adjusted CDOR Rate, the Adjusted AUD Rate, the Adjusted TIIE Rate, the Adjusted Brazilian Real Rate or the Adjusted TIBOR Rate for the applicable Approved Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Approved Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR for the applicable Approved Currency will not adequately and fairly reflect the cost to such

Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Approved Currency;

then the Administrative Agent shall give notice thereof to the Parent Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Parent Borrower delivers a new Loan Notice in accordance with the terms of Section 2.02, (A) for Loans denominated in Dollars, (1) any Loan Notice that requests the conversion of any Revolving Loan or Term Loan to, or continuation of any Revolving Loan or Term Loan as, a Term Benchmark Borrowing and any Loan Notice that requests a Term Benchmark Loan shall instead be deemed to be a Loan Notice, for (x) a RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 3.03(a)(i) or (ii) above or (y) a Base Rate Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 3.03(a)(i) or (ii) above and (2) any Loan Notice that requests a RFR Borrowing shall instead be deemed to be a Loan Notice, as applicable, for a Base Rate Borrowing and (B) for Loans denominated in an Alternative Currency, any Loan Notice that requests the conversion of any Revolving Loan or Term Loan to, or continuation of any Revolving Loan or Term Loan as, a Term Benchmark Borrowing and any Loan Notice that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Approved Currency is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.03(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Parent Borrower delivers new Loan Notice in accordance with the terms of Section 2.02, (A) for Loans denominated in Dollars, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) a RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 3.03(a)(i) or (ii) above or (y) a Base Rate Loan if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 3.03(a)(i) or (ii) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan and (B) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Parent Borrower's election prior to such day: (A) be prepaid by the Parent Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in

Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Parent Borrower's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document (and any Swap Contract shall be deemed not to be a "Credit Document" for purposes of this Section 3.03), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" with respect to Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Credit Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" with respect to any Approved Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Credit Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each affected Class.

(c) Notwithstanding anything to the contrary herein or in any other Credit Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Credit Agreement or any other Credit Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Credit Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 3.03.

(e) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate, EURIBOR Rate, CIBOR Rate, CDOR Screen Rate, AUD Rate, TIIE Rate, STIBOR Rate or TIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) a Base Rate Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Approved Currency is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Approved Currency is implemented pursuant to this Section 3.03, (A) for Loans denominated in Dollars (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) Base Rate Loan if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan and (B) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the Canadian Prime Rate) for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of (i) the Japanese Yen, the Japanese Prime Rate and (ii) Canadian Dollars, the

Canadian Prime Rate) for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Borrower's election prior to such day: (c) be prepaid by the Borrower on such day or (d) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Borrower's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

**3.04 Increased Cost; Capital Adequacy.**

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted EURIBOR Rate, the Adjusted CDOR Rate, the Adjusted STIBOR Rate, the Adjusted CIBOR Rate, the Adjusted TIIE Rate, the Adjusted AUD Rate or the Adjusted TIBOR Rate, as applicable) or L/C Issuer;

(ii) subject any Lender or L/C Issuer to any Tax of any kind whatsoever with respect to any Credit Document, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender or L/C Issuer in respect thereof (except, in each case, for Indemnified Taxes or Other Taxes, any Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and in the definition of Connection Income Taxes); or

(iii) impose on any Lender or L/C Issuer or the London or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Credit Agreement, Term Benchmark Loans or RFR Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Term Benchmark Loan (or, in the case of clause (ii) above, any Loan), or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate

such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer or any Lending Office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Credit Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law, then from time to time the Parent Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Parent Borrower shall be conclusive absent manifest error. The Parent Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Parent Borrower shall not be required to compensate a Lender or L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

**3.05 Compensation for Losses.**

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Parent Borrower shall promptly compensate such Lender for and hold such Lender harmless from any reasonable loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a RFR Loan or a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, pursuant to Section 2.01(g)(v), by reason of acceleration, or otherwise); or

(b) any failure by the Parent Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a RFR Loan or a Base Rate Loan on the date or in the amount notified by the Parent Borrower; or

(c) any assignment of a Term Benchmark Loan on a day other than the last day of the Interest Period, as the case may be, therefor as a result of a request by the Parent Borrower pursuant to Section 11.13;

including any reasonable loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on behalf of a Lender, shall be conclusive absent manifest error. For the avoidance of doubt, notwithstanding the foregoing, no Lender shall demand, and the Borrower shall not be obligated to make, any funding loss payments pursuant to this Section 3.05 with respect to the payment of accrued interest on the Amendment No. 6 Effective Date with respect to the Converted Term B-3 Loans.

For purposes of calculating amounts payable by the Parent Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Term Benchmark Loan made by it at the Relevant Rate for such Loan by a matching deposit or other borrowing in the relevant reference-rate market for a comparable amount and for a comparable period, whether or not such Term Benchmark Loan was in fact so funded.

**3.06 Mitigation Obligations; Replacement of Lenders.**

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Parent Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Parent Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Parent Borrower may replace such Lender in accordance with Section 11.13.

(c) Limitation on Additional Amounts, Etc. Notwithstanding anything to the contrary contained in this Article III of this Credit Agreement, unless a Lender gives notice to the Parent Borrower that it is obligated to pay an amount under this Article within nine (9) months after the latest of (i) the date the Lender incurs the respective increased costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital, (ii) the date such Lender has actual knowledge of its incurrence of the respective increased costs, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital or (iii) where

the increased costs, loss, expense, liability, etc. relates to a third party claim (e.g., a Tax claim), the date on which the Lender has actual knowledge of such claim, then such Lender shall not be entitled to be compensated for such amounts by the Parent Borrower pursuant to this Article III to the extent any portion of such amounts are directly attributable (e.g., late penalties payable on a third party claim) to such Lender's failure to provide notice within the required period.

**3.07 Survival Losses.**

All of the Parent Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, resignation of the Applicable Agent and any assignment of rights by, or replacement of, any Lender or L/C Issuer.

**3.08 Additional Reserve Costs.**

(a) [Reserved].

(b) For so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank, the European System of Central Banks or the Bank of Canada, but excluding requirements reflected in the Statutory Reserves) in respect of any of such Lender's Term Benchmark Loans, such Lender shall be entitled to require the Parent Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Loans subject to such requirements, additional interest on such Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loan.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive absent manifest error, and notified to the Parent Borrower (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the applicable Loan, and such additional interest so notified to the Parent Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

## ARTICLE IV

## GUARANTY

**4.01 The Guaranty.**

(a) Each of the Parent Borrower and the Domestic Guarantors hereby jointly and severally guarantees to the Administrative Agent and each of the holders of the Obligations, as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Borrower Obligations (the "Domestic Guaranteed Obligations") in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Domestic Guarantors hereby further agree that if any of the Domestic Guaranteed Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or

otherwise), the Domestic Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Domestic Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

(b) Notwithstanding any provision to the contrary contained herein, in any other of the Credit Documents, Swap Contracts or other documents relating to the Domestic Guaranteed Obligations, the obligations of each Domestic Guarantor under this Credit Agreement and the other Credit Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law.

**4.02 Obligations Unconditional.**

The obligations of the Domestic Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Credit Documents or other documents relating to the Obligations, or any substitution, compromise, release, impairment or exchange of any other guarantee of or security for any of the Domestic Guaranteed Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Domestic Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Domestic Guarantor agrees that such Domestic Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrowers or any other Domestic Guarantor for amounts paid under this Article IV until such time as the Obligations have been irrevocably paid in full and the commitments relating thereto have expired or been terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Domestic Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Domestic Guarantor, the time for any performance of or compliance with any of the Domestic Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of any of the Credit Documents, or other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein shall be done or omitted;

(c) the maturity of any of the Domestic Guaranteed Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Credit Documents or other documents relating to the Domestic Guaranteed Obligations, or any other agreement or instrument referred to therein shall be waived or any other guarantee of any of the Domestic Guaranteed Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(d) any Lien granted to, or in favor of, the Administrative Agent or any of the holders of the Domestic Guaranteed Obligations as security for any of the Domestic Guaranteed Obligations shall fail to attach or be perfected; or

(e) any of the Domestic Guaranteed Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Domestic Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Domestic Guarantor).

With respect to its obligations hereunder, each Domestic Guarantor hereby expressly waives diligence, presentment, demand of payment, protest, notice of acceptance of the guaranty given hereby and of extensions of credit that may constitute obligations guaranteed hereby, notices of amendments, waivers and supplements to the Credit Documents and other documents relating to the Domestic Guaranteed Obligations, or the compromise, release or exchange of collateral or security, and all notices whatsoever, and any requirement that the Administrative Agent or any holder of the Domestic Guaranteed Obligations exhaust any right, power or remedy or proceed against any Person under any of the Credit Documents or any other documents relating to the Domestic Guaranteed Obligations or any other agreement or instrument referred to therein, or against any other Person under any other guarantee of, or security for, any of the Obligations.

**4.03 Reinstatement.**

Neither the Domestic Guarantors' obligations hereunder nor any remedy for the enforcement thereof shall be impaired, modified, changed or released in any manner whatsoever by an impairment, modification, change, release or limitation of the liability of any Borrower, by reason of such Borrower's bankruptcy or insolvency or by reason of the invalidity or unenforceability of all or any portion of the Domestic Guaranteed Obligations. The obligations of the Domestic Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Domestic Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings pursuant to any Debtor Relief Law or otherwise, and each Domestic Guarantor agrees that it will indemnify the Administrative Agent and each holder of Domestic Guaranteed Obligations on demand for all reasonable costs and expenses (including all reasonable fees, expenses and disbursements of any law firm or other counsel) incurred by the Administrative Agent or such holder of Domestic Guaranteed Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

**4.04 Certain Waivers.**

Each Domestic Guarantor acknowledges and agrees that (a) the guaranty given hereby may be enforced without the necessity of resorting to or otherwise exhausting remedies in respect of any other security or collateral interests, and without the necessity at any time of having to take recourse against any Borrower hereunder or against any collateral securing the Domestic Guaranteed Obligations or otherwise, (b) it will not assert any right to require the action first be taken against any Borrower or any other Person (including any co-guarantor) or pursuit of any other remedy or enforcement of any other right and (c) nothing contained herein shall prevent or limit action being taken against the Borrowers hereunder, under the other Credit Documents or the other documents and agreements relating to the Domestic Guaranteed

Obligations or from foreclosing on any security or collateral interests relating hereto or thereto, or from exercising any other rights or remedies available in respect thereof, if neither the applicable Borrower nor the Domestic Guarantors shall timely perform their obligations, and the exercise of any such rights and completion of any such foreclosure proceedings shall not constitute a discharge of the Domestic Guarantors' obligations hereunder unless as a result thereof, the Domestic Guaranteed Obligations shall have been indefeasibly paid in full and the commitments relating thereto shall have expired or been terminated, it being the purpose and intent that the Domestic Guarantors' obligations hereunder be absolute, irrevocable, independent and unconditional under all circumstances.

**4.05 Remedies.**

The Domestic Guarantors agree that, to the fullest extent permitted by law, as between the Domestic Guarantors, on the one hand, and the Administrative Agent and the holders of the Domestic Guaranteed Obligations, on the other hand, the Domestic Guaranteed Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 9.02) for purposes of Section 4.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Domestic Guaranteed Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Domestic Guaranteed Obligations being deemed to have become automatically due and payable), the Domestic Guaranteed Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Domestic Guarantors for purposes of Section 4.01. The Domestic Guarantors acknowledge and agree that the Domestic Guaranteed Obligations are secured in accordance with the terms of the Collateral Documents and that the holders of the Domestic Guaranteed Obligations may exercise their remedies thereunder in accordance with the terms thereof.

**4.06 Rights of Contribution.**

The Domestic Guarantors hereby agree as among themselves that, in connection with payments made hereunder, each Domestic Guarantor shall have a right of contribution from each other Domestic Guarantor in accordance with applicable Law. Such contribution rights shall be subordinate and subject in right of payment to the Domestic Guaranteed Obligations until such time as the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated, and none of the Guarantors shall exercise any such contribution rights until the Domestic Guaranteed Obligations have been irrevocably paid in full and the commitments relating thereto shall have expired or been terminated.

**4.07 Guaranty of Payment; Continuing Guaranty.**

The guarantee in this Article IV is a guaranty of payment and not of collection, and is a continuing guarantee, and shall apply to all Domestic Guaranteed Obligations whenever arising.

**4.08 Keepwell.**

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Credit Party to honor all of its obligations under this guarantee and any security interest granted under the U.S. Security Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP

Guarantor shall only be liable under this Section 4.08 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 4.08, or otherwise under this guarantee, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 4.08 shall remain in full force and effect until the Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends that this Section 4.08 constitute, and this Section 4.08 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

The Parent Borrower and each of its Subsidiaries maintain, in force, with financially sound and reputable insurance companies, and have paid all premiums and costs that are due and payable and are related to, insurance coverages in such amounts (with no materially greater risk retention) and against such risks under similar circumstances as are reasonably determined by the management of the Parent Borrower and its Subsidiaries to be sufficient in accordance with the usual and customary practices of companies of

established repute engaged in the same or similar lines of business as the Parent Borrower and its Subsidiaries and operating in the same or similar locations, except to the extent reasonable self-insurance meeting the same standards is maintained with respect to such risks.

As of the Amendment No. 6 Effective Date, no claim or litigation regarding any of the foregoing is pending or, to the knowledge of the Credit Parties, threatened, that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. None of the IP Rights listed on Section 2 of Schedule 8.01 is material to the operation of the business of Parent Borrower and its Subsidiaries. No material IP Rights have been acquired or otherwise come into the possession of any Credit Party at any time following the Amendment No. 6 Effective Date through and including the Amendment No. 7 Effective Date.

**6.21 Collateral Matters.**

(a) Each of the Collateral Documents creates (or will create, as the case may be), as security for the Obligations purported to be secured thereby, subject to the provisions hereof and thereof, a legal, valid and enforceable security interest in favor of the Collateral Agent for the benefit of the applicable Secured Parties in all the Collateral subject to such Collateral Document (or comparable interest under foreign law in the case of foreign Collateral) and each such Collateral Document constitutes either (x) a fully perfected Lien on, and security interest in, all of the Collateral subject to such Collateral Document (except for Collateral for which the absence or failure of the Lien on such Collateral to be perfected would not constitute an Event of Default under Section 9.01(l)) or (y) a floating charge, fixed charge or security interest, as specified in the applicable Collateral Document, with respect to all of the Collateral subject to such Collateral Document, in each case in favor of the Collateral Agent and subject to no other Liens except Permitted Liens. The pledgor or assignor, as the case may be, under each Collateral Document has good title to all Collateral subject thereto free and clear of all Liens other than Permitted Liens. No filings or recordings are required in order to perfect the security interests created under the Collateral Documents except, (i) with respect to the Domestic Credit Parties, for filings or recordings listed on Schedule 6.21 (as amended by each Perfection Certificate delivered to the Administrative Agent after the Amendment No. 6 Effective Date), all of which shall have been made on or prior to the Amendment No. 6 Effective Date except as otherwise expressly provided in Schedule 6.21 (or such Perfection Certificates, as applicable) and (ii) with respect to the Foreign Credit Parties, the filings or recordings listed in a schedule to the applicable Collateral Documents similar in purpose to the schedule described in the foregoing clause (i).

(b) When the U.S. Security Agreement (or a short-form version thereof) is filed in the United States Patent and Trademark Office and the United States Copyright Office, the security interest created thereunder shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Domestic Credit Parties in the Intellectual Property (as such term is defined in the U.S. Security Agreement) in which a security interest may be perfected by filing, recording or registering a security agreement or analogous document in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, in each case prior and superior in right to any other Person, other than with respect to the rights of Persons pursuant to Permitted Liens (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a lien on registered trademarks, trademark applications and copyrights acquired by the Domestic Credit Parties after the Amendment No. 6 Effective Date).

(c) The requirements set forth in Sections 7.12, 7.13 and 7.14 are satisfied.

(d) Notwithstanding the foregoing, it is agreed that the Credit Parties shall not be required to enter into control agreements with respect to their deposit accounts and securities accounts in order to perfect the Collateral Agent's Lien on the Collateral.

**6.22 Status of Obligations.**

The Obligations constitute Senior Indebtedness (and any other similar term defining Senior Indebtedness) under each indenture or other agreement governing any Subordinated Debt, if any, of the Parent Borrower or any other Credit Party.

**6.23 Immunities, Etc.**

Each Credit Party is subject to civil and commercial law with respect to its obligations under this Credit Agreement, and the execution, delivery and performance by it of this Credit Agreement and each other Credit Document to which it is a party constitutes and will constitute private and commercial acts rather than public or governmental acts. Each Credit Party has validly given its consent to be sued in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. Each Credit Party has waived every immunity (sovereign or otherwise) to which it or any of its properties would otherwise be entitled from any legal action, suit or proceeding, from jurisdiction of any court or from setoff or any legal process (whether service or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) under the laws of the jurisdiction of its incorporation in respect of its obligations under this Credit Agreement and the other Credit Documents to which it is a party. The waiver by each Credit Party described in the immediately preceding sentence is legal, valid and binding on such Credit Party.

**6.24 Anti-Money Laundering, Economic Sanctions Laws and Anti-Corruption Laws.**

(a) To the extent applicable, each of Parent Borrower and its Subsidiaries, and to the knowledge of Parent Borrower and any other Credit Party, any director, officer, employee, agent or Affiliate of Parent Borrower or any Subsidiary, is in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and other economic or financial sanctions imposed by the U.S. government, including those administered by the Office of Foreign Assets Control of the U.S.

Treasury Department ("OFAC"), and economic sanctions administered by the United Nations Security Council, the European Union or His Majesty's Treasury of the United Kingdom ("Sanctions"), (ii) the Patriot Act and (iii) laws, rules and regulations of any jurisdiction applicable to Borrower and its Subsidiaries relating to bribery, corruption or money laundering ("Anti-Corruption Laws").

(b) No part of the proceeds of the Loans will be used, directly or indirectly, in violation of any Anti-Corruption Laws or applicable Sanctions.

(c) No Credit Party, any Subsidiary of Parent Borrower, nor to the knowledge of any Credit Party, any director, officer, employee, agent or Affiliate of a Credit Party or any Subsidiary of Parent Borrower, is the subject of any Sanctions. The proceeds of the Loans will not be used for the purpose of financing the activities of any Person, or in any country, region or territory, that, at the time of such financing, is the target of Sanctions, or in any manner that would result in the violation of Sanctions applicable to any party hereto.

**6.25 EEA Financial Institution.**

No Credit Party is an EEA Financial Institution.

**7.06 Compliance with Law.**

The Borrower will maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions.

The Collateral Agent shall be named as loss payee and/or additional insured, as its interests may appear, with respect to any such insurance providing coverage in respect of any Collateral under the Collateral Documents, and the Parent Borrower shall request that each provider of any such insurance to agree, by endorsement upon the policy or policies issued by it or by independent instruments furnished to the Collateral Agent, that it will give the Collateral Agent thirty (30) days' prior written notice (except for nonpayment, which shall be 10 days' prior written notice) before any such policy or policies shall be altered in any material respect or canceled, and that no act or default of any member of the Consolidated Group or any other Person shall affect the rights of the Collateral Agent or the Lenders under such policy or policies. permitted under Section 8.03 of a Subsidiary of the Parent Borrower that is not a Credit Party; (xvii) restrictions on cash or other deposits imposed by customers under contracts entered into in the ordinary course of business; (xviii) the buy-sell, voting trust and other shareholder arrangements set forth in Schedule 6.14; (xix) any instrument evidencing or governing Indebtedness permitted pursuant to Section 8.03(z) or Section 8.03(aa), so long as such encumbrances and restrictions do not, when taken as a whole, materially and adversely affect ability of any Borrower to make interest, principal and fee payments to the Lenders hereunder (as determined in good faith by the Parent Borrower) and (xx) any refinancings that are otherwise permitted by the Credit Documents of the contracts, instruments or obligations referred to above; provided that such refinancings are no more materially restrictive, as determined in good faith by the Parent Borrower, with respect to such encumbrances and restrictions than those prior to such amendment or refinancing.

**8.13 Amendment of Material Documents.**

Amend, modify or waive any of its rights under its certificate of incorporation, by-laws or other organizational documents, in each case to the extent that such amendment, modification or waiver could reasonably be expected to be material and adverse to the Lenders.

**8.14 Sale and Leaseback Transactions.**

Enter into any arrangement, directly or indirectly, whereby it shall sell or transfer any property, real or personal, used or useful in its business, whether now owned or hereafter acquired, and thereafter rent or lease such property or other property that it intends to use for substantially the same purpose or purposes as the property sold or transferred, except for any such sale of any fixed or capital assets that is made for cash consideration in an amount not less than the cost of such fixed or capital asset and is consummated within 180 days after the Parent Borrower or such Subsidiary acquires or completes the construction of such fixed or capital asset. Notwithstanding the foregoing, each of the Parent Borrower and its Subsidiaries may sell or transfer any Designated Sale and Leaseback Asset, and rent or lease it back (or rent or lease other property that it intends to use for substantially the same purpose or purposes as the property so sold or transferred), if (a) the Parent Borrower promptly gives notice of such sale to the Administrative Agent; (b) the Net Cash Proceeds of such sale or transfer are at least equal to fair market value (provided that in the event such sale or transfer (or series of related sales or transfers) involves an aggregate consideration of more than the Dollar Equivalent of $150.0 million, the Parent Borrower will obtain a written opinion from an independent accounting or appraisal firm of nationally recognized standing confirming that the consideration for such sale or transfer (or series of related sales or transfers) is fair, from a financial standpoint, to the Parent Borrower and its Subsidiaries or is not less favorable than those that might reasonably have been obtained in a comparable sale or transfer of such property, real or personal, at such time on an arm's-length basis from a Person that is not an Affiliate of the Parent Borrower); (c) at least 75% of the consideration received with respect to each such sale or transfer shall consist of cash, Cash Equivalents, Investments permitted by Section 8.02, liabilities assumed by the transferee, accounts receivable retained by the transferor or any combination of the foregoing; (d) in the event that such sale and leaseback results in a capital lease obligation or Synthetic Lease, such Indebtedness is permitted by Section 8.03(c); (e) no Default shall have occurred and be continuing or exist after giving effect thereto; and (f) after giving effect on a Pro Forma Basis to such Sale and Leaseback Transaction and any Indebtedness incurred in respect therewith, as of the last day of the most recently ended fiscal quarter at the end of which financial statements were required to have been delivered pursuant to Section 7.01(a) or (b) (or, prior to such first required delivery date for such financial statements pursuant to either such Section, as of the last day of the most recent period referred to in the second sentence of Section 6.05), the Parent Borrower would be in compliance with Section 8.10 (and in

the event such sale or transfer (or series of related sales or transfers) involves an aggregate consideration of more than the Dollar Equivalent of $150.0 million, then the Parent Borrower shall deliver a certificate of a Responsible Officer of the Parent Borrower as to the satisfaction of the requirements in this clause (f)).

## ARTICLE IX

## EVENTS OF DEFAULT AND REMEDIES

**9.01 Events of Default.**

Any of the following shall constitute an Event of Default:

(a) Non-Payment. The Parent Borrower or any other Credit Party fails to pay (i) when and as required to be paid herein, any amount of principal of any Loan or any amount of principal of any L/C Obligation, or (ii) within three (3) Business Days after the same becomes due or required to be paid herein, any interest on any Loan or any regularly accruing fee due hereunder or any other amount payable hereunder or under any other Credit Document; or

(b) Specific Covenants. The Parent Borrower or any other Credit Party fails to perform or observe any term, covenant or agreement contained in any of Section 7.03(a), 7.11, 7.18 or Article VIII or, with respect to the existence of any Borrower only, Section 7.04; or

(c) Other Defaults. The Parent Borrower or any other Credit Party fails to perform or observe any other covenant or agreement (not specified in subsections (a) or (b) above) contained in any Credit Document on its part to be performed or observed and such failure continues for thirty (30) calendar days after written notice to the defaulting party or the Parent Borrower by the Administrative Agent or the Required Lenders; or

(d) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Parent Borrower or any other Credit Party herein, in any other Credit Document, or in any document delivered in connection herewith or therewith shall be false in any material respect when made or deemed made; or

(e) Cross-Default. (i) Any member of the Consolidated Group (A) fails (beyond the period of grace (if any) provided in the instrument or agreement pursuant to which such Indebtedness was created) to make any payment when due (whether by scheduled maturity, interest, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness or Support

Obligations (other than Indebtedness hereunder or Indebtedness under Swap Contracts) having a principal amount (with principal amount for the purposes of this clause (e) including undrawn committed or available amounts and including amounts owing to all creditors under any combined or syndicated credit arrangement), when taken together with the principal amount of all other Indebtedness and Support Obligations as to which any such failure has occurred, exceeding $150.0 million or (B) fails to observe or perform any other agreement or condition relating to any Indebtedness or Support Obligations or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which failure or other event is to cause, or to permit the holder or holders of such Indebtedness or the beneficiary or beneficiaries of such Support Obligations (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity, or such Support Obligations to become payable or cash collateral in respect thereof to be demanded, which has an unpaid principal amount, when taken together with the unpaid principal amounts of all other Indebtedness and Support Obligations as to which any such failure or event has occurred, exceeding $150.0 million (it being understood, for the avoidance of doubt, that the satisfaction of any customary "conversion conditions" set forth in the instruments governing any Convertible Indebtedness will not be deemed to constitute a Default under this clause (B) on account of such satisfaction giving any holder of such Convertible Indebtedness the right to convert the same); or (ii) there occurs under any Swap Contract an "early termination date" (or term of similar import) resulting from (A) any event of default under such Swap Contract as to which the Parent Borrower or any Subsidiary is the "defaulting party" (or term of similar import) or (B) any "termination event" (or term of similar import) under such Swap Contract as to which the Parent Borrower or any Subsidiary is an "affected party" (or term of similar import) and, when taken together with all other Swap Contracts as to which events of default or events referred to in the immediately preceding clauses (A) or (B) are applicable, the Swap Termination Value owed by the Parent Borrower and its Subsidiaries exceeds $150.0 million; provided that this clause (e)(ii) shall not apply to any early payment requirement or unwinding or termination with respect to any Permitted Bond Hedge Transaction or Permitted Warrant Transaction, or satisfaction of any condition giving rise to or permitting the foregoing, in accordance with the terms thereof, so long as, in any such case, neither Parent Borrower nor any of its Affiliates is the "defaulting party" (or substantially equivalent term) under the terms of such Permitted Bond Hedge Transaction or Permitted Warrant Transaction, as applicable; or

(f) Insolvency Proceedings, Etc. Any Credit Party or any Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) Change of Control. There shall have occurred a Change of Control of the Parent Borrower; or

(h) Inability to Pay Debts; Attachment. Any Credit Party or any Significant Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or any writ or warrant of attachment or execution or similar process issued or levied against all or any material part of the property of any such Person and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or

(i) Judgments. There is entered against any member of the Consolidated Group one or more final judgments or orders for the payment of money in an aggregate amount (as to all such judgments and orders) exceeding $150.0 million (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage or otherwise discharged), and there is a period of 30 consecutive days during which a stay of enforcement of such judgments, by reason of a pending appeal or otherwise, is not in effect; or

(j) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of $150.0 million, or (ii) a Credit Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan that has resulted or would reasonably be expected to result in liability of a Credit Party in an aggregate amount in excess of $150.0 million; or

(k) Invalidity of Credit Documents. Any Credit Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Credit Party contests in any manner the validity or enforceability of any Credit Document; or any Credit Party denies that it has any or further liability or obligation under any Credit Document, or purports to revoke, terminate or rescind any Credit Document; or

(l) Collateral Documents. Any Collateral Document after delivery thereof shall for any reason cease (or shall be asserted in writing by any Credit Party to cease) to create a valid and perfected first priority Lien to the extent required by the Collateral Documents (subject to no other Liens other than Liens permitted by Section 8.01) on Collateral that is (i) purported to be covered thereby and (ii) comprises Property which, when taken together with all Property as to which such a Lien has so ceased to be effective, has a fair market value in excess of $50.0 million (other than by reason of (x) the express release thereof pursuant to Section 10.10, (y) the failure of the Collateral Agent to retain possession of Collateral physically delivered to it or (z) the failure of the Collateral Agent to timely file UCC continuation statements); or

(m) Subordinated Debt. Any Subordinated Debt of the Parent Borrower or any Credit Party or any guarantee of the Parent Borrower or any Credit Party in respect thereof shall cease, for any reason, to be validly subordinated to the Obligations, as provided in such Subordinated Debt or such guarantee, or the Parent Borrower, any Subsidiary, any Affiliate of the Parent Borrower or any Subsidiary, the trustee in respect of such Subordinated Debt (or any refinancing thereof pursuant to Section 8.03(l)) shall so assert in writing.

**9.02 Remedies upon Event of Default.**

If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

(a) declare the Commitments of the Lenders and the obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Credit Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(c) require that the Parent Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(d) exercise on behalf of itself and the Lenders all rights and remedies available to it or to the Lenders under the Credit Documents or applicable Law;

provided, however, that upon the occurrence of an Event of Default under Section 9.01(f) or (h), the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Parent Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

**9.03 Application of Funds.**

After the exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized, in each case as set forth in the proviso to Section 9.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, in each case in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest, Commitment Fees and Letter of Credit Fees) payable to the Lenders (including all reasonable fees, expenses and disbursements of any law firm or other counsel and amounts payable under Article III), ratably among the Lenders in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid Commitment Fees, Letter of Credit Fees and interest on the Loans, L/C Borrowings and other

Obligations, ratably among the Lenders, the Swingline Lender and the L/C Issuers in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to (a) payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings, (b) payment of breakage, termination or other amounts owing in respect of any Swap Contract between Parent Borrower or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lead Arranger, a Lender or Affiliate of the Administrative Agent, a Lead Arranger or a Lender at the time it entered into such Swap Contract, (c) payments of amounts due under any Treasury Management Agreement between Parent Borrower or any of its Subsidiaries (other than an Unrestricted Subsidiary) and the Administrative Agent, any Lender or Affiliate of the Administrative Agent or a Lender or any Person that was the Administrative Agent, a Lender or Affiliate of the Administrative Agent or a Lender at the time it entered into such Treasury Management Agreement, to the extent such Treasury Management Agreement is permitted hereunder and (d) the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of the L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among such parties in proportion to the respective amounts described in this clause Fourth payable to them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Parent Borrower or as otherwise required by Law.

provided that no amount received from any Foreign Credit Party or on account of any Collateral that is solely Collateral for the Foreign Obligations shall be applied pursuant to second, third or fourth clause of this paragraph to the extent such amounts do not constitute Foreign Obligations. Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, amounts received from the Borrowers or any Guarantor that is not a Qualified ECP Guarantor shall not be applied to the Obligations that are Excluded Swap Obligations.

## ARTICLE X

## AGENTS

### 10.01 Appointment and Authorization of the Agents.

(a) Each of the Lenders and the L/C Issuers hereby irrevocably appoints (i) JPMCB to act on its behalf as the Administrative Agent and Collateral Agent, (ii) JPMorgan Chase Bank, N.A., Toronto Branch, to act on its behalf as the Canadian Agent and (iii) JPME to act on its behalf as the London Agent, in each case hereunder and under the other Credit Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to the such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents, the Lenders

and the L/C Issuers, and neither the Parent Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions.

(b) Each Lender hereby irrevocably appoints, designates and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Credit Agreement and each Collateral Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Credit Agreement or any Collateral Document, together with such powers as are reasonably incidental thereto. In this connection, the Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 10.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article X and Article XI (including Section 11.04(c), as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Credit Documents) as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any Collateral Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Credit Agreement or any Collateral Document or otherwise exist against any Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the Collateral Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities (i) provided to the Administrative Agent under the Credit Documents with respect to any acts taken or omissions suffered by the Collateral Agent in connection with any Collateral or the Collateral Documents as fully as if the term "Administrative Agent" as used in such Credit Documents included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein or in the Collateral Documents with respect to the Collateral Agent.

(c) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by any L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article X included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(d) In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Credit Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the New York UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Credit Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such

circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by a Credit Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Lenders, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk.

**10.02 Rights as a Lender.**

Each Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Parent Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

**10.03 Exculpatory Provisions.**

The Agents and Lead Arrangers shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Agents and Lead Arrangers:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Agents are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its or their Affiliates in any capacity.

No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 9.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Agents shall be

deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Parent Borrower, a Lender or an L/C Issuer.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Credit Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Credit Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents or to assure that the Liens granted to the Collateral Agent pursuant to any Collateral Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

**10.04 Reliance by Agents.**

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, each Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless such Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan, or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Parent Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

**10.05 Delegation of Duties.**

Each Agent may perform any and all of their duties and exercise their rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents, and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

**10.06 Resignation of an Agent.**

Each of the Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Parent Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of

Default has occurred and is continuing), to appoint a successor, which (i) in the case of a resignation by the Administrative Agent or the Collateral Agent, shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, (ii) in the case of a resignation by the Canadian Agent, shall be a bank with an office in Canada, or an Affiliate of any such bank with an office in Canada or (iii) in the case of a resignation by the London Agent, shall be a bank with an office in London, or an Affiliate of any such bank with an office in London. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuers, with the consent of the Parent Borrower (provided that no consent shall be required if an Event of Default has occurred and is continuing), appoint a successor Agent meeting the qualifications set forth above; provided that if such Agent shall notify the Parent Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by such Agent on behalf of the Lenders or the L/C Issuers under any of the Credit Documents, such retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Parent Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Parent Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as such Agent.

Any resignation by JPMCB as Administrative Agent or Collateral Agent, as the case may be, pursuant to this Section shall also constitute its resignation as Dollar L/C Issuer, Multicurrency L/C Issuer and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as the case may be, hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuers and Swingline Lender, (b) the retiring L/C Issuers and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuers shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuers to effectively assume the obligations of the retiring L/C Issuers with respect to such Letters of Credit.

**10.07 Non-Reliance on Agents and Other Lenders.**

Each Lender and L/C Issuer acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement. Each Lender and L/C Issuer also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall

from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Credit Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

**10.08 No Other Duties.**

Anything herein to the contrary notwithstanding, none of the "Syndication Agent," "Joint Lead Arrangers" and "Joint Bookrunners" listed on the cover page hereof shall have any powers, duties or responsibilities under this Credit Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender or an L/C Issuer hereunder.

**10.09 Agents May File Proofs of Claim.**

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, any Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Applicable Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations (other than obligations under Swap Contracts or Treasury Management Agreements to which such Agent is not a party) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Agents and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Agents under Sections 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due to such Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Applicable Agent to authorize or consent to or accept or adopt on behalf of any Lender or L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

**10.10 Collateral and Guaranty Matters.**

The Lenders and the L/C Issuers irrevocably authorize the Administrative Agent and the Collateral Agent, at its option and in its discretion:

(a) to release any Guarantor from its obligations under the Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction not prohibited hereunder, is designated as an Immaterial Subsidiary or is designated as an Excluded Subsidiary pursuant to clause (e) of the definition thereof, or if the conditions set forth in clause (b)(i) below are satisfied;

(b) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations not then due and payable and (B) obligations and liabilities under Swap Contracts and Treasury Management Agreements not then due and payable) and the expiration or termination of all Letters of Credit (or if any Letters of Credit shall remain outstanding, upon (x) the cash collateralization of the Outstanding Amount of Letters of Credit on terms satisfactory to the Administrative Agent and L/C Issuer or (y) the receipt by any applicable L/C Issuer of a backstop letter of credit on terms satisfactory to the Administrative Agent and such L/C Issuer), (ii) that is Disposed of as part of or in connection with any sale or other Disposition not prohibited hereunder or under any other Credit Document (other than any such sale or other Disposition to another Credit Party), or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is granted pursuant to Section 8.01(i) or (z).

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the authority of the Collateral Agent to release or subordinate its interest in particular property and of the Administrative Agent to release any Guarantor from its obligations hereunder pursuant to this Section 10.10 in connection with a transaction permitted hereunder.

**10.11 Withholding Tax.**

To the extent required by any applicable Law, the Applicable Agent may deduct or withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the IRS or any other authority of the United States or other jurisdiction asserts a claim that the Applicable Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Applicable Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Applicable Agent has not already been reimbursed by the Borrowers pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Borrowers to do so) fully for all amounts paid, directly or indirectly, by the Applicable Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Applicable Agent shall be conclusive

absent manifest error. Each Lender hereby authorizes the Applicable Agent to set off and apply any and all amounts at any time owing to such Lender under this Credit Agreement or any other Credit Document against any amount due to the Applicable Agent under this Section 10.11. The agreements in this Section 10.11 shall survive the resignation and/or replacement of the Applicable Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Credit Agreement and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 10.11, the term "Lender" shall include any L/C Issuer and the Swingline Lender.

**10.12 Treasury Management Agreements and Swap Contracts.**

Except as otherwise expressly set forth herein or in any Collateral Document, no Treasury Management Bank or Hedge Bank that obtains the guarantees hereunder or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Management Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Hedge Bank, as the case may be.

**10.13 Credit Bidding.**

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Credit Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Credit Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the

governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Credit Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Credit Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01 of this Credit Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

Any assignment or transfer by a Lender of rights or obligations under this Credit Agreement that does not comply with this subsection shall be treated for purposes of this Credit Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section 11.06.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and L/C Obligations and the interest thereon owing and paid to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Credit Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by each of the Parent Borrower, the Agents, the Lenders (solely with respect to each Lender's own Loans and Commitments) and the L/C Issuers at any reasonable time and from time to time upon reasonable prior notice.

record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Credit Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person or the Parent Borrower or any of the Parent Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Credit Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender's obligations under this Credit Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Credit Agreement. The entries in the Participant Register shall be conclusive absent manifest error and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Credit Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any loans are in registered form for U.S. federal income Tax purposes under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Credit Agreement and to approve any amendment, modification or waiver of any provision of this Credit Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(a)(iv) or (v) or, to the extent the Participant is affected thereby, Section 11.01(b)(i), (ii) or (iii). Subject to subsection (e) of this Section 11.06, each Participant (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections including the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06 and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 11.06. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.12 as though it were a Lender.

(e) Limitation upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent Borrower's prior written consent to such sale, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the participation takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the participation takes effect). For the avoidance of doubt, a Participant entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Credit Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other governmental authority; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Special Purpose Funding Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Credit Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if a SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Applicable Agent as is required under Section 2.11(b)(i). Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Credit Agreement for which a Lender would be liable, and the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by a SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Credit Agreement) that, prior to the date that is one (1) year and one (1) day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in

instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee in the amount of $2,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. Each SPC (i) shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b) (it being understood that the documentation required under Section 3.01(e) shall be delivered solely to the Granting Lender) and (ii) shall be subject to Sections 3.06 and 11.13(a) to the same extent as if it were a Granting Lender and had acquired its interest by assignment pursuant to Section 11.06(b). A SPC shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPC unless the grant of the interest is made with the Parent Borrower's prior written consent to such grant, not to be unreasonably withheld or delayed (it being agreed, without limitation, that it will be reasonable for the Parent Borrower to withhold consent if giving consent would result in increased indemnification obligations at the time the grant to the SPC takes effect or would be reasonably certain to result in increased indemnification obligations thereafter as a result of a Change in Law announced prior to the time the grant to the SPC takes effect). For the avoidance of doubt, an SPC entitled to benefits under Section 3.01, 3.04 or 3.05 shall be subject to all of the limitations and requirements of such Sections as if it were a Granting Lender (including, in the case of Section 3.01, all of the limitations in the definition of Excluded Taxes).

(i) Resignation as L/C Issuer or Swingline Lender After Assignment. Notwithstanding anything to the contrary contained herein, if at any time any L/C Issuer or Swingline Lender assigns all of its Commitment and Loans pursuant to subsection (b) above, such L/C Issuer or Swingline Lender may, (i) upon thirty (30) days' notice to the Parent Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty (30) days' notice to the Parent Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Parent Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Parent Borrower to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender as L/C Issuer or Swingline Lender, as the case may be. If any L/C Issuer resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If any Swingline Lender resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(b). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of

such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(j) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term B-4 Loans to Parent Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures set forth in Exhibit 11.06(j) or (y) notwithstanding Sections 2.11 and 2.12 or any other provision in this Credit Agreement, open market purchases on a non-pro rata basis; provided that:

(i) in connection with assignments pursuant to clause (x) above, Parent Borrower or such Subsidiary shall make an offer to all Lenders to take Term B-4 Loans by assignment pursuant to procedures set forth in Exhibit 11.06(j);

(ii) upon the effectiveness of any such assignment, such Term B-4 Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Credit Agreement;

(iii) no Default or Event of Default shall exist or be continuing or would result therefrom;

(iv) the Parent Borrower must represent and warrant, at the time of the offer and at the time of the assignment, either (x) it does not possess material non-public information with respect to Parent Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term B-4 Lenders generally (other than Term B-4 Lenders who elect not to receive such information) or (y) make a statement that such representation cannot be made; and

(v) such purchases shall not be financed with the proceeds of a Revolving Loan or Swingline Loan.

In addition, the Administrative Agent and the Lenders may disclose the existence of this Credit Agreement and information about this Credit Agreement to market data collectors, similar service providers to the lending industry and service providers to the Lead Arrangers, Agents and the Lenders in connection with the administration of this Credit Agreement, the other Credit Documents, the Loans and the Commitments.

For purposes of this Section, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Parent Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the any Agent, Lender or L/C Issuer on a nonconfidential basis prior to disclosure by the Parent Borrower or any Subsidiary. In the case of Information received from the Parent Borrower or any Subsidiary after the Amendment No. 6 Effective Date, such Information is clearly identified at the time of delivery. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Agents, Lenders and L/C Issuers acknowledges that (a) the Information may include material non-public information concerning the Parent Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including federal and state securities Laws.

**11.08 Right of Setoff.**

If an Event of Default shall have occurred and be continuing, each Lender, L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, L/C Issuer or any such Affiliate to or for the credit or the account of the Parent Borrower or any other Credit Party against any and all of the obligations of such Parent Borrower or such Credit Party now or hereafter existing under this Credit Agreement or any other Credit Document to such Lender or L/C Issuer, irrespective of whether or not such Lender or L/C Issuer shall have made any demand under this Credit Agreement or any other Credit Document and although such obligations of such Parent Borrower or such Credit Party may be contingent or unmatured or are owed to a branch or office of such Lender or L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Parent Borrower and the

Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

**11.09 Interest Rate Limitation.**

Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

**11.10 Counterparts; Integration; Effectiveness.**

This Credit Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Credit Agreement and the other Credit Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.01, this Credit Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy or other electronic imaging means shall be as effective as delivery of a manually executed counterpart of this Credit Agreement.

Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Credit Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Credit Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent. Without limiting the generality of the foregoing, each party hereto hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Credit Parties, electronic images of this Credit Agreement or any other Credit Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Credit Documents based solely on

the lack of paper original copies of any Credit Documents, including with respect to any signature pages thereto.

**11.11 Survival of Representations and Warranties.**

All representations and warranties made hereunder and in any other Credit Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and Lender, regardless of any investigation made by any Agent or Lender or on their behalf and notwithstanding that any Agent or Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

**1.12 Severability.**

If any provision of this Credit Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Credit Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**1.13 Replacement of Lenders.**

(a) If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any other circumstance exists hereunder that gives the Parent Borrower the right to replace a Lender as a party hereto, then the Parent Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Credit Agreement and the related Credit Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Parent Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Parent Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) such assignment is recorded in the Register.

(b) If, in connection with any proposed amendment, change, waiver, discharge or termination of any of the provisions of this Credit Agreement or any other Credit Document as contemplated by Section 11.01, the consent of the Required Lenders (or Required Limited Currency Revolving Lenders, Required Dollar Revolving Lenders, Required Delayed Draw Term A Lenders, Required Term B-4 Lenders or Required 2020-1 Incremental Revolving Lenders, as the case may be) is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this clause (b) being referred to as a "Non-Consenting Lender"), then, at the Borrower's request, any Eligible Assignee reasonably acceptable to the Administrative Agent that consents to such amendment, change, waiver, discharge or termination shall have the right to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Administrative Agent's request, sell and assign to such Eligible Assignee, all of the Commitments and Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Loans and L/C Advances held by such Non-Consenting Lender and all accrued and unpaid interest and fees with respect thereto through the date of sale and payment to the Administrative Agent of the assignment fee under Section 11.06(b); provided, however, that such purchase and sale shall not be effective until (x) in the case of this clause (x), to the extent requested by the Administrative Agent, the Administrative Agent shall have received from such Eligible Assignee an agreement in form and substance satisfactory to the Administrative Agent and the Parent Borrower whereby such Eligible Assignee shall agree to be bound by the terms hereof and (y) such Non-Consenting Lender shall have received payments of all Loans and L/C Advances held by it and all accrued and unpaid interest and fees with respect thereto and all other amounts payable to it hereunder through the date of the sale, but upon the satisfaction of the requirements set forth in clause (x) (in the case of clause (x), if so requested by the Administrative Agent) and (y) of this proviso, such purchase and sale shall be deemed effective and such Eligible Assignee shall be deemed the holder of such Loans, Commitments and L/C Advances of such Non-Consenting Lender. Each Lender agrees that, if it becomes a Non-Consenting Lender, to the extent requested by the Administrative Agent, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if the assigning Lender's Loans are evidenced by a Note) subject to such Assignment and Assumption.

A Lender that has assigned its interests, rights and obligations under this Credit Agreement and the related Credit Documents pursuant to this Section 11.13 shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 (subject to the requirements and limitations of such Sections) with respect to facts and circumstances occurring prior to the effective date of such assignment.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Parent Borrower to require such assignment and delegation cease to apply.

**11.19 No Advisory or Fiduciary Responsibility.**

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document), the Parent Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Credit Agreement provided by the Agents and the Lead Arrangers are arm's-length commercial transactions between the Parent Borrower and its Affiliates, on the one hand, and the Agents and the other Lead Arrangers, on the other hand, (B) the Parent Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Parent Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents; (ii) (A) each Agent, Lender and Lead Arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Parent Borrower or any of its Affiliates, or any other Person and (B) no Agent, Lender or Lead Arranger has any obligation to the Parent Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; and (iii) the Agents, Lenders and the Lead Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Parent Borrower and its Affiliates, and no Agent or any Lead Arranger has any obligation to disclose any of such interests to the Parent Borrower or its Affiliates. (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Credit Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

**11.21 Judgment Currency; Submission to Jurisdiction.**

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Credit Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of a Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Credit Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Credit Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from a Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower (or to any other person who may be entitled thereto under applicable law).

By the execution and delivery of this Credit Agreement, each Credit Party (i) hereby designates and appoints Parent Borrower as its authorized agent upon which process may be served in any suit or proceeding arising out of or relating to this Credit Agreement that may be instituted in New York Courts, (ii) submits to the jurisdiction of any such court in any such suit or proceeding and (iii) agrees that service of process upon Parent Borrower and written notice of said service to Parent Borrower in accordance with the manner provided for notices in Section 11.02 shall be deemed in every respect effective service of process upon such Credit Party, in any such suit or proceeding. Each Credit Party further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of Parent Borrower in full force and effect so long as this Credit Agreement is in effect. To the extent that any Credit Party has or hereafter may acquire any immunity from jurisdiction of any court of (i) any jurisdiction in which it owns or leases property or assets or (ii) the United States or the State of New York or any political subdivision of either or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property and assets or this Credit Agreement or any of the other Credit Documents or actions to enforce judgments in respect of any thereof, such Credit Party hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law. Nothing in this Credit Agreement, any other Credit Document will affect the right of any party to this Credit Agreement to serve process in any other manner permitted by law.

In the event a Covered Entity that is party to a Supported QFC (each, a " Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

**11.23 Restricted Lenders**. In relation to each Lender that notifies the Administrative Agent and the Parent Borrower to such effect in writing (each, a "Restricted Lender"), Section 6.24, Section 7.06 and, solely as it relates to compliance with Section 6.24, Article V, shall only apply to such Restricted Lender to the extent that such provision would not result in (a) any violation of, conflict with or liability under EU Regulation (EC) 2271/96 or (b) a violation or conflict with section 7 of the German Foreign Trade and Payments Ordinance (*Außenwirtschaftsverordnung*) or a similar anti-boycott statute. The election of any Lender who elects to be a Restricted Lender shall remain in effect until such time as such Restricted Lender advises the Administrative Agent and the Parent Borrower in writing that it is no longer a Restricted Lender. In connection with any amendment, waiver, determination or direction relating to any part of Section 6.24, Section 7.06 and, solely as it relates to compliance with Section 6.24, Article V, of which such Restricted Lender does not have the benefit, the Commitments, Loans and Obligations of that Restricted Lender will be excluded for the purpose of determining whether the consent of the Required Lenders, Required Delayed Draw Term A Lenders, Required Dollar Revolving Lenders, Required L/C Lenders, Required Limited Currency Revolving Lenders, Required Multicurrency Revolving Lenders, Required Revolving Lenders, Required Specified Currency Limited Currency/Multicurrency Revolving Lenders, Required Term B-4 Lenders or Required 2020-1 Incremental Revolving Lenders, as applicable, has been obtained or whether the determination or direction by such Lenders has been made.
